

Quincy College

2014 Annual Security Report

Crimes Reported 1/1/2013 through 12/31/2013

Quincy and Plymouth Campuses

Introduction

Pursuant to the federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (“Clery Act”), the Quincy College, Quincy and Plymouth campuses, are required to annually compile and publish an Annual Security Report. This report contains definitions of reportable Clery Act offenses, required policy statements pertaining to campus security and safety, and statistics for reportable Clery Act crimes for the past three calendar years (2011, 2012, and 2013).

Quincy College does not own or control any student housing, and is therefore exempt from keeping a fire log or submitting a fire safety report. Quincy College is also exempt from having a policy in place for campus notification of missing persons, which is only required for those institutions that provide campus housing. In addition, 2011 is the only calendar year in which Quincy College had control of any non-campus property, which took the form of rented space for student athletic practice.

Quincy College is also in the process of revising their policies in a ‘good faith’ effort to update our policies to make them inclusive of domestic violence, dating violence, and stalking. Once the policies are approved by the Quincy College Board of Governors, this Annual Security report will be updated to reflect the new policies.

Simple Assault - an unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration, or loss of consciousness. Only reportable if there is evidence of a hate crime.

Intimidation – to unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack. Only reportable if there is evidence of a hate crime.

Destruction/Damage/Vandalism of Property – to willfully or maliciously destroy, damage, deface, or otherwise injure real or personal property without the consent of the owner or the person having custody or control of it. Only reportable if there is evidence of a hate crime.

state and local laws, specifically those relating to the unlawful possession, sale, use, growing, manufacturing and making of narcotic drugs.

Liquor Law Violations – the violation of state or local laws or ordinances prohibiting the manufacture, sale, purchase, transportation, possession or use of alcoholic beverages, not including driving under the influence and drunkenness.

In addition, Quincy College is making a 'good faith' effort to report domestic violence, dating violence, and stalking incidents that were reported to campus security authorities or local police agencies.

Policies and Procedures

Timely Warning (Policy 11.01)

In the event that a situation arises, either on or off campus, that in the judgment of the President of the College (or his designee) or the Quincy or Plymouth Police Departments constitutes an ongoing or continuing threat, a campus wide 'timely warning' notification will be issued. The notification will be issued through the College email system; text to students, faculty and staff; on the College's website (<http://quincycollege.edu/>); and/or via TV monitors on campus.

These notifications will be prepared and approved by the President of the College and distributed to the community by IT, Campus Services & Facilities, and Marketing. Follow-up information will be disseminated via all aforementioned systems throughout the duration of the crisis as deemed appropriate.

Depending on the particular circumstances of the crime, especially in all situations that could pose an immediate threat to the community and individuals, thereby requiring more immediate notification, the President of the College or his designee will coordinate with the Office of Information Technology for additional methods of dissemination.

Anyone with information warranting a timely warning should report the circumstances to the Director of Campus Services & Facilities, by phone at 617-984-1760, or in person at Saville Hall, Room 212.

In such a case, further status/information regarding the incident should be communicated back to the Assistant to the President in accordance with timelines set forth in the

procedures that are attached to this policy but that are not made a part of this policy.

Voluntary Confidential Reporting Procedures

If you are the victim of a crime and do not want to pursue action within the College or the criminal justice system, you may want to consider making a confidential report. With your permission, the Director Campus Services & Facilities can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential while taking steps to ensure the future safety of yourself and others. With such information, the College can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crime statistics for the institution.

Limited Voluntary Confidential Reporting

As a department of the City of Quincy, Quincy College has no written policy about Limited Voluntary Confidential Reporting. Instead those procedures are the purview of the police department.

Campus Facilities- Security, Access and Maintenance (Policy 11.04)

Quincy College is strongly committed to maintain safety on campus. All campus buildings in Quincy and Plymouth are accessible to the campus community, guests and visitors during normal business hours, Monday through Friday. During non-business hours access to all College facilities is by Access Control Systems (issued to Executive Staff). Video security has also been implemented on both the Quincy and Plymouth campuses for additional security.

Computer laboratories, and Nursing medical supply rooms are controlled by access control cards when not in use and are not open to students unless there is a teacher, supervising staff member, or lab monitor present.

Each building and parking area also have safe levels of exterior lighting. Our parking lots at Presidents Place, our Plymouth campus, and on the first floor level of Saville Hall, as well as pedestrian walkways have exterior lights. Exterior lighting on rental buildings in Quincy and Plymouth are well positioned to provide adequate illumination. Campus Services and custodians regularly survey and maintain existing lights.

Both during the day and at night, the Quincy campus has resource officers who patrol our grounds. In Plymouth, Quincy College resource officers patrol the campus as well as receive supplemental support from the landlord for our campus, who provides security throughout the evenings. Resource officers and custodians regularly check the security of doors.

Students are required to carry their Quincy College Identification (ID) card at all times while on campus. Students must produce their ID cards when so asked by a college official. No solicitation is allowed on campus. Buildings are opened at least 45 minutes before the start of the first class of the day and are locked not more than 45 minutes after the last class of the day.

Vehicles are ticketed or towed as per the parking policy. Visitors may park in designated spaces.

Quincy College has no residence halls.

Emergencies may necessitate changes or alterations to any posted schedules. Areas that are revealed as problematic have had security surveys conducted of them and security enhancements were made where appropriate.

Members of the College community are encouraged to report any facility deficiencies to Campus Services by calling 617-984-1760.

Law Enforcement Authority and Interagency Relationships (Policy 11.05)

Quincy College is a department of the City of Quincy and has no police officers with full arrest powers on campus. In case of an emergency, the emergency number 911 is called.

Information is exchanged and Campus Services is in close contact with the local police.

The Quincy College Campus Services office has the authority to ask persons for identification and to determine whether individuals have lawful business at Quincy College. Resource Officers have the authority to issue parking tickets, which are deposited with the City's Treasurer's office. Criminal incidents are referred to local police. All crime victims and witnesses are strongly encouraged to immediately report the crime to College officials or directly to police. Prompt reporting will assure timely warning notices on-campus and timely disclosure of crime statistics.

Procedures for Reporting a Crime or Emergency (Policy 11.06)

Students, faculty, staff and guests are encouraged to report all crimes and public safety related incidents by filing an incident report or by calling 617-984-1760. In case of an emergency, please call 911 directly.

All incident reports are forwarded to respective heads of departments for resolution. If assistance is required from the police or fire department, Campus Services will contact the appropriate unit. If a sexual assault or rape should occur, staff on the scene, including Student Success Coaches, will offer the victim a variety of services including 24 hour hotlines.

The Student Success Coaching Office has information about resources and the information is made available in the event students become the victim of a crime.

All crimes should be reported to ensure inclusion in the annual crime statistics and to aid in providing timely warning notices to the community.

All reports will be investigated. As a department of the City of Quincy, the College does not have procedures for voluntary, confidential reporting of crime statistics. Violation of the law will be referred to law enforcement agencies and when appropriate, to the College Disciplinary Committee for review. When a potentially dangerous threat to the College community arises, timely warnings will be issued through e-mail announcements, notices posted on our website, closed circuit TV, text messages, in-class announcements, or other appropriate means.

Drug-Free, Alcohol-Free Campus Policy (Policy 11.07)

It is the policy of Quincy College to maintain a drug-free and alcohol-free workplace and learning environment. Quincy College seeks to maintain an environment that is safe and secure and that promotes productivity for all students and employees. Since the possession and/or use of alcohol or illegal drugs on any building or property occupied or used by Quincy College, or at any event sponsored by Quincy College, may impair the health and safety of students and employees, inhibit the personal and academic growth of students, lower the productivity and the quality of work performed by employees, and undermine the public's confidence in the College, a strong policy prohibiting such possession and/or use has been established.

No student, employee of the College (including student employees), or visitor shall possess, unlawfully use, manufacture, distribute, dispense or sell illegal drugs, or controlled substances (as defined in the Controlled Substance Act, 21 U.S.C. Section 812) for other than their intended, prescribed purpose, nor shall any student, employee of the College (including student employees) or visitor possess or consume alcohol, while on duty or while on any property or building

occupied by Quincy College, or at any event or activity sponsored by Quincy College. Such action is absolutely prohibited in accordance with College policy and applicable federal and state law.

It is the policy of Quincy College to enforce all federal, state, and municipal laws pertaining to illegal drugs, controlled substances, and alcohol and to seek prosecution of any individual who violates the various laws cited in this policy, as well as to initiate disciplinary action against any individual who violates this policy.

Security Awareness and Crime Prevention Programs (Policy 11.08)

Right now, Quincy College is capable of releasing information to the College community through broadcast e-mails, two way radios, closed circuit TV's, and text messages. Each building is under surveillance through closed circuit cameras whose tapes can be reviewed in case of an incident.

Student Success Coaches conduct several alcohol awareness programs throughout the school year with the help of local police. Programs are based on state law, the consequences of violating the laws, how the college and police will respond to any violation and how problems can be avoided.

Quincy College presents programs and events to promote awareness of drug and alcohol abuse and its consequences. The College also provides screening and makes referrals for students dealing with drug and alcohol issues through its Student Success Coaching office.

During orientations in fall and spring, students are informed of the services offered by Quincy College. Slide presentations will outline ways to maintain personal safety. They will also be informed about the crime statistics on campus and areas surrounding the campus.

At least twice during the academic year, the Director of Student Development, in cooperation with Student Success Coaches and Campus Services, will present crime prevention awareness sessions on sexual assault, drug abuse, theft, and vandalism, as well as educational sessions on personal safety.

A common theme of all awareness and crime prevention programs will be to encourage students and employees to be aware of their responsibility for their own security and the security of the others.

In addition to the above mentioned sessions, information will be disseminated to students and employees through crime prevention awareness packages, security alert posters and articles in the College newspaper.

Off-Campus Criminal Activity (Policy 11.09)

Quincy College is a department of the City of Quincy and has no police officers with full arrest powers on campus. When a Quincy College student is involved in an off-campus offense, the incident is handled by the local, state, or federal law enforcement. Information is regularly exchanged and Campus Services is in close contact with the local police.

Sexual Assault Information (Policy 11.10)

Each year, the Student Success Coaching Offices in Quincy and Plymouth presents workshops that are open to the Quincy College community that promote awareness of sexual misconduct, including rape and sexual assault and prevention, domestic violence and bystander awareness.

In addition, Quincy College presents forums relevant to Domestic Violence Awareness on both campuses. These educational forums are developed in collaboration with community resources including, DOVE of Quincy, South Shore Women's Resource Center in Plymouth, the Quincy and Plymouth Police Departments, the District Attorney's Office in Quincy, and Jane Doe, Inc. Quincy College does not provide housing for students. Our Student Success Coaches are always available by request to help students or staff access resources should a sexual assault occur on or off campus.

Quincy College has in place a Sexual Harassment Policy and Harassment Free Workplace Policy (Policy 3.03) that defines the policy, and details the procedure and the investigative process. It is available on our website www.quincycollege.edu, in our college catalog, and in our employee handbook.

As a department of the city, Quincy College maintains the policy that victims of a sexual assault of any kind should contact the Quincy Police Department.

Quincy College is committed to provide help to any student, faculty, or staff member through both on and off-campus resources if requested.

Quincy College will also change the victim's academic situation if such is requested.

Issuing an Emergency Notification (Policy 11.11)

Quincy College will immediately notify the campus upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or staff occurring on campus.

Upon confirmation by the President of the College (or his designee) or the Quincy or Plymouth Police Departments that an event is currently occurring on or imminently threatening the campus, Quincy College will issue an emergency notification. The notification will be issued through the college e-mail system; text to students, faculty, staff; on the College's website (<http://quincycollege.edu/>); and/or via TV monitors on campus.

These notifications will be prepared and approved by the President of the College and distributed to the community by the IT, Campus Services and Facilities, and Marketing Departments. If the President of the College or his designee deems necessary, given the immediate circumstances of the crime, more immediate notification may be required. In this situation, the President or his designee will coordinate with the Office Information Technology for additional methods of dissemination.

Anyone with information warranting an emergency notification should report the circumstances to Police by dialing 911 or the Director of Campus Services and Facilities, by phone at 617-984-1760.

Emergency Response (Policy 11.12)

In the event of a significant emergency or dangerous situation involving an immediate threat to the health or safety of the Quincy College community, upon confirmation by the President of the College (or his designee) or the Quincy or Plymouth Police Departments, Quincy College will immediately notify the campus community.

The President or his designee will take into account the nature and location of the incident and the safety of the community, and determine the appropriate content of the notification. The only reason Quincy College would not immediately issue a notification for a confirmed emergency or dangerous situation is if doing so will compromise efforts to: assist a victim, contain the emergency, respond to the emergency, or otherwise mitigate the emergency.

Once determined a notification is appropriate and the content is approved, the President will direct the distribution of the notification to the College community by the IT, Campus Services and Facilities, and Marketing Departments.

Notifications may be distributed through the College email system, text messages, posting on the College website (<http://quincycollege.edu/>) and messages on the TV monitors on campus. Messages will be sent to all community members on the affected campus(es), and will contain only a very brief description of the type of emergency along with instructions on how to protect yourself, if applicable. After the initial alert message, additional information may also be distributed through the notification systems.

Immediately upon the Administration learning significant emergency or dangerous situation, Quincy College will immediately notify local police departments and other authorities, and when appropriate, coordinate and communicate with these local authorities to monitor the situation and provide instruction/information to the College and larger community.

The College's emergency notification systems will be tested annually.

Additional emergency response and action shall be governed by the relevant provisions of the Quincy College Safety and Security Plan.

Policy Statement Addressing Sex Offender Registration (Policy 11.13)

In accordance to the "Campus Sex Crimes Prevention Act" of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the Jeanne Clery Act and the Family Educational Rights and Privacy Act of 1974, Quincy College is providing a link to the Massachusetts Sex Offender Registry Board. This act requires institutions of higher education to issue a statement advising the campus community where law enforcement information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a State to provide notice of each institution of higher education in that State at which the person is employed, carries a vocation, or is a student. In the Commonwealth of Massachusetts, convicted sex offenders must register with the Sex Offender Registry Board maintained by the Executive Office of Public Safety and Security.

The Massachusetts Sex Offender Registry Board (SORB) provides information on Level 2 and Level 3 sex offenders via the Internet pursuant to Chapter 6, Sections 178C - 178P, of the Massachusetts General Laws. Registry information so provided shall be used for the purposes of the administration of criminal justice, screening of current or prospective employees, volunteers or otherwise for the protection of the public in general and children in particular. **Unlawful use of the information for purposes of committing a crime or threatening to**

commit a crime against a sex offender or of engaging in illegal discrimination or harassment is prohibited and is punishable by imprisonment or fine or both. (M.G.L. Ch. 6, Section 178N and Ch. 275, Section 4)

The Massachusetts Executive Office of Public Safety and Security is responsible for maintaining this registry. Follow the link below to access the Sex Offender Registry Board website.

If you have questions regarding access to sex offender information, you may contact Stephen Kearney, J.D. (email: skearney@quincycollege.edu or phone: 617-984-1734.
