†Effective April 29, 2015, Quincy College has been granted Candidate for Accreditation status by the Commission on Accreditation in Physical Therapy Education (1111 North Fairfax Street, Alexandria, VA, 22314; phone: 703-706-3245; email: accreditation@apta.org). Candidate for Accreditation is a pre-accreditation status of affiliation with the Commission on Accreditation in Physical Therapy Education that indicates that the program is progressing toward accreditation and may matriculate students in technical/professional courses. Candidate for Accreditation is not an accreditation status nor does it assure eventual accreditation. Graduation from a physical therapist assistant education program accredited by the Commission on Accreditation in Physical Therapy Education (CAPTE), 1111 North Fairfax Street, Alexandria, VA 22314; phone: 703-706-3245; accreditation@apta.org is necessary for eligibility to sit for the licensure examination, which is required in all states.

ONLINE COURSES

Course codes ending in “ON” or “ONP” signify online courses. Online courses are conducted through the College’s learning management system.

All courses are conducted online, except for science-based courses. All science-based courses meet on campus (“ON” for Quincy campus and “ONP” for Plymouth campus) for laboratory work.

Online courses typically include more reading and more written responses than on-ground courses. While the hours of involvement are flexible, online courses require a weekly time commitment similar to on-ground courses.

10 WEEKS - Late Start

LIFELONG LEARNING

HEALTH & FITNESS CENTER (QUINCY CAMPUS)

The Health & Fitness Center provides fitness programs and research studies for adults within the South Shore area. The major purpose of our fitness programs is to reverse the key problem associated with the aging process by remodeling muscle, recharging metabolism, reducing fat, and regaining functional abilities. Our programs typically involve approximately 30 minutes of strength training, 20 minutes of aerobic activity, and five minutes of stretching exercise. Our state-of-the-art facility features new Nautilus machines, new cardio equipment, and excellent instruction/supervision by qualified fitness professionals. In addition, all participants may receive regular body composition and blood pressure assessments in our fitness testing office.

Semi-Annual Schedule — Cost \$250/January 1st - June 30th
Quincy College Student — Cost \$50/January 1st - June 30th
Annual Membership — Cost is \$475/July 1st - June 30th

Monday - Thursday: 6:30AM - 12 :30PM & 1:00PM - 8:00PM
Fridays: 6:30AM - 12:30PM
Saturdays: 8:00AM - 1:00PM

For more information about Health & Fitness Center programs, please contact **Wayne Westcott** at wwestcott@quincycollege.edu or call 617-984-1716.

CERTIFIED NURSING ASSISTANT (PLYMOUTH CAMPUS)

The Certified Nurse Assistant Program at Quincy College's Plymouth Campus is a non-credit course which qualifies you for the state's competency exam. Certified Nurse Assistants provide basic care for patients in hospitals and residents of long-term care facilities, such as nursing homes.

Learn skills and techniques to help meet patients' physical and emotional needs through classroom teaching, skills lab training, and hands on patient care. Hospitals, nursing homes, assisted living and healthcare organizations are looking for CNA's able to care for those who are ill, injured or disabled and to work with a diverse population in a variety of health care settings. This class will prepare you to take the CNA license exam.

TEAS TEST PREPARATION (QUINCY CAMPUS)

The Test of Essential Academic Skills (TEAS) is required for entrance into many nursing programs, including the Quincy College Nursing programs. The TEAS Test Preparation is comprised of four classes: Reading, English Usage, Mathematics, and Science. These classes are intensive reviews for students preparing for the TEAS test. Students can choose to take one class, a combination of classes, or all four classes. Students should already have basic skills of English and Math.
