Quincy College and Emmanuel College create a Pathway for Nursing Advancement in the Commonwealth with Bachelor's Degree Pathway

Social Media Release (163 chars): @QuincyCollege & @EmmanuelCollege create pathway for Nursing bachelor degree completion helping #students actualize professional futures to support #workforce dev.

BOSTON and QUINCY, Mass. (1/30/20) — Quincy College graduates will be able to make a seamless transition into Emmanuel College (Boston) after earning their Associate Degree in Science in Nursing Degree to complete their Bachelors of Science in Nursing Degree, under a new joint admissions agreement between the schools.

Quincy College students who intend to complete an associate's degree in Science in Nursing at Quincy College will be conditionally accepted to the Emmanuel College Nursing baccalaureate program. Quincy College students are eligible for the joint admission program upon graduation from the ASN program and who have a current and valid Massachusetts Registered Nursing licensure. The first Quincy and Emmanuel College's joint admissions cohort is expected to begin in the **fall of 20XX**.

This general articulation agreement supports students in Quincy College associate degree programs, taken at both the Quincy and Plymouth campuses, providing a 16-month, streamlined pathway to bachelor's degree completion online. The articulation agreement includes **xxxxx. Program-to-program course guides will be developed in the coming months to assist students with their program planning.**

Quincy College and Emmanuel College as separate institutions have developed curricula and programs working to fill the growing need for skilled and liberally educated health care professionals to support workforce development in Massachusetts. Together, Quincy College and Emmanuel College will provide a simplified and streamlined pathway from an associate degree at Quincy College to a bachelor's degree from Emmanuel College

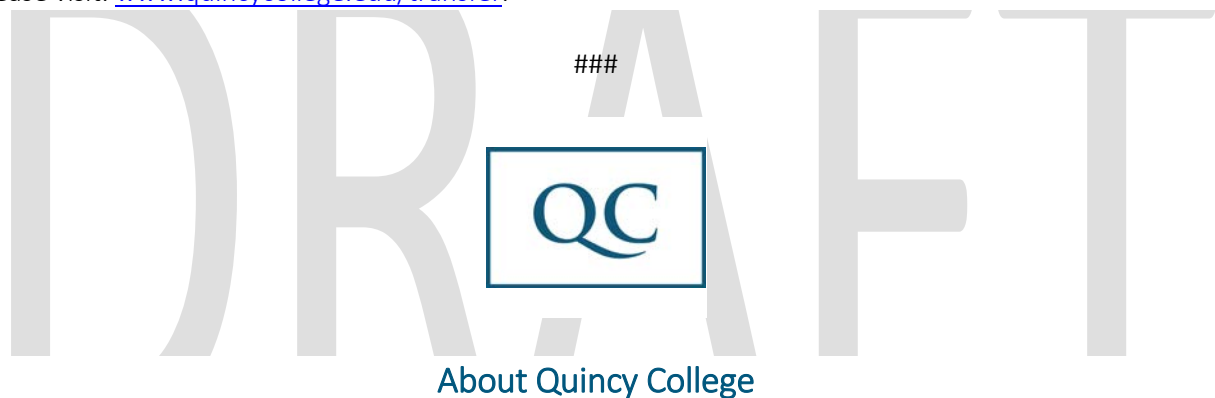

The partnership developed after both institutions recognized a local need for a pathway for bachelor's degree completion that is affordable, flexible, and approachable. This partnership can benefit a wide student population from older students returning to the classroom to take advantage of tuition remission

offered by their employer to rising high school seniors looking to pursue a bachelor's degree. Quincy College graduates can capitalize on the full resources of Emmanuel College, benefiting from a world-class education.

" Emmanuel College Quote “

Quincy College Quote: " We want to better serve Nursing students throughout the Commonwealth in establishing a clear pathway to from the ASN to the BSN and support workforce development and address skilled worker shortages. As an open access institution that encourages academic achievement and excellence, diversity, economic opportunity, community involvement, and lifelong learning, Quincy College is pleased to facilitate valuable learning relationships and partnerships with local colleges and universities to help our students realize their educational and professional futures. We are excited to partner with Emmanuel College."

For more information about Quincy College's programs, please visit: www.quincycollege.edu. For more information about Quincy College's articulation agreements with local area colleges and universities, please visit: www.quincycollege.edu/transfer.

Founded in 1958, Quincy College is a two-year, municipally affiliated community college serving approximately 4,500 students at campuses located in Quincy and Plymouth, Massachusetts. Quincy College is an open access institution that encourages academic achievement and excellence, diversity, economic opportunity, community involvement, and lifelong learning. The College facilitates valuable learning relationships that inspire students to realize their educational and professional futures. The college offers 37 associate degree programs and 27 certificate programs in a variety of disciplines, including those within Professional Programs, Liberal Arts, Natural & Health Sciences and Nursing. The college is accredited by the New England Association of Schools and Colleges, and is licensed by the Massachusetts Board of Higher Education to grant the degrees of Associate in Arts and Associate in Science. The college draws a diversity of students from the greater Boston area as well as 121 countries around the world. For additional information, visit www.quincycollege.edu
