2022-2023
Verification of Identity and
High School Completion and
Educational Statement of Purpose

Your 2022–2023 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information Quincy College will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and at least one parent must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid office. If you have questions about verification, contact the Financial Aid office at (617) 984-1620 as soon as possible so that your financial aid will not be delayed. **We cannot continue to process your financial aid until verification has been completed, so please provide the required documents as soon as possible.**
