

Alternate Documentation If IRS Non-Filing Letter Cannot Be Obtained

Student Name: _____ **QC ID:** _____

If you have tried to get a **Non-Filing letter from the IRS** and were not successful in ordering and receiving it, you may submit an alternate reporting form from the Financial Aid Office. Before you can use this option, you must have attempted to request the non-filing letter from the IRS first.

This statement should be completed if you, your spouse, or your parent(s) (if you are a dependent student), are a U.S. citizen, eligible non-citizen, and/or U.S resident, and did not file and were not required to file a 2021 U.S. federal tax return.

- You must attach copies of any W-2 form(s) and/or 1099 form(s) received for 2021.
- In addition, you must provide a Verification of Non-filing Letter from the IRS (requested at irs.gov)
- You must enter \$0 (zero) below if you did not receive any income or earnings (don't leave blank).

Below list all of the sources and amounts of income received from January 1, 2021 through December 31, 2021. Include untaxed income (e.g., AFDC, SSI, military living allowance) and earnings not reported on a federal income tax return. Please include supporting documentation for all income sources listed below.
