

Petition To Apply For Financial Aid as an Independent Applicant

Name: _____ Social Security Number: _____ - _____ - _____

Address: _____ Academic Year _____

City: _____ State: _____ Zip Code _____ Phone Number _____

Financial Aid regulations assume that the family has primary responsibility for meeting the educational cost of students. If you are considered a dependent student according to the financial aid definition, your aid eligibility is determined by using parent income and asset information in addition to your financial information.

Occasionally, due to unusual circumstances a student should not be considered a dependent student. This decision is made after careful consideration of the facts provided to the school along with this application. Some of the circumstances that CANNOT be considered are: a student who no longer lives at home by choice, a parent or stepparent(s) unwillingness to provide the necessary financial information to complete the financial aid application or when a parent(s) lives in another state or country. You will be asked to provide documentation that explains your request to be considered an independent student. You will be required to provide supporting documentation in the form of letters or statements from people who are intimately aware of your particular circumstance. Please be aware that if your application is not complete we cannot review your request. Statements must be from relatives, clergy, counselors or older siblings.

1. Identify the location of both your parents:

Mother/Stepmother:

Father/Stepfather:

2. Describe the last time you had contact with each of your parents. When, where and the nature of the contact (attach an extra page(s) if necessary):
