

2025-2026 Quincy College Verification Statement - Independent Student

Your 2025–2026 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, the Financial Aid Office may ask you to confirm the information you and your parent(s) reported on your FAFSA. To verify that you provided correct information, the Financial Aid Office will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and at least one parent whose information was submitted on the FAFSA must complete and sign this worksheet, attach any required documents, and submit this form and the required documents to the Financial Aid Office.
