The Memorial Day Commemoration Events on both campuses will include a guest speaker, Kyle Palmstrom, a Marine Veteran and Quincy College Alumni who now works as an Employment Specialist with Volunteers of America.

In addition to the Commemoration events, decorating the walls at both Quincy College campuses are banners throughout its campus buildings in honor of deceased veterans and fallen soldiers who have dedicated their lives in service to our country. College faculty, staff and students were encouraged to submit the names of their loved ones who have served in the United States Armed Forces.

"Quincy College continues to honor our veterans each and every year; holding commemorative events in both Quincy and Plymouth to pay homage to those Armed Forces Members who have made the ultimate sacrifice for our country as well as deceased veterans. As a community, the College comes together to remember, reflect, and thank those who have served our country. Each year, we add more banners to our walls in memory of a United States Armed Forces Member. It is in these gestures that we demonstrate respect for our current veteran students and the local area veterans," Karen Connick, Academic Services Specialist, Quincy College, and Army Reserve Officer.
