Bellotti; Marianne Peak, College Courses Inc.; Whedy Simmons, College Courses Inc.; and Tina Cahill, Director of Institutional Advancement for Quincy College and Quincy College Trust.

Quincy, MA (9/13/2019): Quincy College President Michael G. Bellotti and the Quincy College Trust recognized patrons and donors supporting Quincy College's mission at a donor appreciation reception held at Alba Restaurant in Quincy on Wednesday, September 11 at 6:00pm.

The Quincy College Trust is a non-profit foundation which was established to receive endowment funds, charitable donations and gifts in support of Quincy College and its mission to provide an affordable and accessible post-secondary education to its students.

The event was held to recognize and celebrate individuals, organizations and community at large for their communities generous support and commitment to Quincy College and its students.

" The Donor Appreciation event and the evening was an opportunity to thank our donors for investing in and understanding the value of education and the impact it has on our students, both on a personal and professional level. Their generosity provides scholarship, paid internship opportunities, and support of student life initiatives helping enroll, retain, and matriculate successful students, alumni, and leaders. Thank you to our donors for their support. " Tina Cahill, Director of Institutional advancement and the Chair of the Quincy College Trust.

###

ABOUT QUINCY COLLEGE

Founded in 1958, Quincy College is a two-year, municipally affiliated community college serving approximately 4,000 students at campuses located in Quincy and Plymouth, Massachusetts. Quincy College is an open access institution that encourages academic achievement and excellence, diversity, economic opportunity, community involvement, and lifelong learning. The College facilitates valuable learning relationships that inspire students to realize their educational and professional futures. The college offers 37 associate degree programs and 27 certificate programs in a variety of disciplines, including those within Professional Programs, Liberal Arts, and Natural & Health Sciences. The college is accredited by the New England Association of Schools and Colleges, and is licensed by the Massachusetts Board of Higher Education to grant the degrees of Associate in Arts and Associate in Science. The college draws a diversity of students from the greater Boston area as well as 121 countries around the world. For additional information, visit www.quincycollege.edu
