CIVILITY STATEMENT

Quincy College was founded on the belief that learning is a lifelong activity, and that education can improve the quality of life for individuals and society. The College values freedom of expression and recognizes the constitutional and statutory rights of students and staff. It is the intent of the College to promote and foster an atmosphere and environment conducive to the academic mission of the institution. Quincy College is a community of individuals. As such, we should always strive to recognize the dignity and worth of each member of the community, regardless of status (student, administrator, support staff, faculty member). It is the College's belief that one should treat every other individual, irrespective of status, rank, title, or position, with dignity and respect.

NON-DISCRIMINATION

Quincy College is an academic community dedicated to openness, tolerance and respect. Our doors and programs are open to all students and employees without regard to age, race, religion, sex, marital or parental status, national origin, veteran status, physical or mental disability or sexual orientation. The College does not discriminate in its education programs or in admissions to, access to, treatment in, or employment in its programs and activities. For more information, please reference the Equal Opportunity and Non-Discrimination Policy (Policy 3.02).

Quincy College strives to not only meet, but exceed all Federal, State, and Local statutes governing equal opportunity and inclusion. All questions, concerns, or complaints regarding the College's Affirmative Action/Title VI or Sexual Harassment/Title IX policies should be forwarded to the Director of Human Resources/Title VI and Title IX Coordinator, Presidents Place, 1250 Hancock Street, Quincy Center, MA 02169.

Inquiries regarding services for students with disabilities or student concerns or complaints regarding Sections 503 and 504 of the Rehabilitation Act of 1973; the Americans with Disabilities Act of 1990 or Sexual Harassment/Title IX policies should be forwarded to Susan Bossa, Associate Vice President for Student Development/ADA Coordinator, Presidents Place, 1250 Hancock Street, Quincy Center, MA 02169 or by calling 617-984-1656 or at sbossa@quincycollege.edu. Quincy College is in full compliance with MGL, Chapter 267 Section 17, 18, and 19 and hazing is prohibited in Quincy College. Please refer to College Policy 6-12 on the website or in the College catalog.

-Equal Opportunity/Affirmative Action Employer

The annual crime report and security policy is distributed to stakeholders in the last week of September and is also available on our website.

Quincy College is accredited by the New England Association of Schools and Colleges, Inc., a non-governmental, nationally recognized organization whose affiliated institutions include elementary schools through collegiate institutions offering post-graduate instruction.

Accreditation of an institution by the New England Association indicates that the institution meets or exceeds criteria for the assessment of institutional quality. Assessments are periodically applied through a peer group review process. An accredited school or college is one which has available the necessary resources to achieve its stated purpose through appropriate educational programs, is substantially doing so, and gives reasonable evidence that it will continue to do so in the foreseeable future. Institutional integrity is also addressed through accreditation.

Accreditation by the New England Association is not partial but applies to the institution as a whole. As such, it is not a guarantee of every course or program offered, or of the competence of individual graduates. Rather, it provides reasonable assurance about the quality of opportunities available to students who attend the institution.

Quincy College is authorized by The Board of Higher Education of the Commonwealth of Massachusetts to award the Degrees of Associate in Arts and Associate in Science and Certificates of Completion, and is approved by the Board of Higher Education for the training of veterans and their dependents.

**ACCREDITATION:**

New England Association of Schools and Colleges
209 Burlington Road, Bedford, MA 01730

Quincy College Associate Degree Program in Nursing and Practical Nurse Certificate programs are accredited by the Accreditation Commission for Education in Nursing (ACEN) and approved by the Commonwealth of Massachusetts Board of Registration in Nursing (BORN). You may contact the ACEN for more information on the web or at 3343 Peachtree Rd. NE, Suite 850, Atlanta, GA 30326, by telephone at 404-975-5000, or by fax at 404-975-5020. You may contact BORN for more information on the web at www.mass.gov/dph/boards/rn or at 239 Causeway Street, Suite 500, 5th Floor, Boston, MA 02114, or by phone at 617-973-0800 or 800-414-0168.

The Surgical Technology Certificate Program is accredited by the Commission on Accreditation of Allied Health Education Programs. You may contact the CAAHEP for more information on the web at www.caahep.org, by mail at 1361 Park Street, Clearwater, FL 33756 or by telephone at 727-210-2350.

The Quincy College Associates Degree Medical Laboratory Technician Program is accredited by the National Accrediting Agency for Clinical Laboratory Science (NAACLS). You may contact NAACLS for more information on the web at: www.naacls.org or 5600 N. River Road Suite 720, Rosemont, IL 60018-5119. Telephone: 847.939.3597. Graduates of the MLT program are eligible to sit for the Medical Laboratory Technician (MLT) examination through the American Society for Clinical Pathology (ASCP) Board of Certification.
MISSION STATEMENT
Quincy College is an open access institution that encourages academic achievement and excellence, diversity, economic opportunity, community involvement, and lifelong learning. The College facilitates valuable learning relationships that inspire students to realize their educational and professional futures.

VALUES
At Quincy College, we are committed to the following values:
• Student learning and achievement.
• Excellence in teaching.
• Mutual respect, responsibility, and collaboration.
• Individual and institutional integrity.
• Diversity of people and perspectives.
Quincy College is a fully-accredited college providing approximately 350 courses (500 sections each semester) and awarding associate degrees and certificates of completion in disciplines such as Nursing, Business, Medical Laboratory Technician Program, Computer Science, Criminal Justice, Education, Fine Arts, General Studies, Human Services, Liberal Arts, Natural Science, Health Sciences, and Paralegal Studies.

Located only minutes from Boston, the Quincy campus is conveniently located in historic Quincy Center. Our academic buildings are less than one block from the Quincy Center T Station, providing our students with a short and hassle-free commute to class.

In addition to high-quality education from top instructors, the Quincy campus offers all of the resources students will need including student advising, student activities, student services, computer labs and Wi-Fi access, art studio, a library, tutoring, a career center, nursing and health science labs, the QC bookstore, and much more. Presidents Place in Quincy Center houses the President’s Office, Academic Affairs, Administration and Finance, Human Resources, the Division of Liberal Arts, Nursing, and Professional Programs, our Exercise Science facility, all of the student service departments - Admissions & Advising, Anselmo Library, Enrollment Services, Financial Aid Office, International Student Services, Business Office, Student Affairs Office, the Nicastro Learning Center, the Career Center, Workforce Development, the Testing Center, as well as classrooms and many faculty and Deans’ offices. Saville Hall, also in Quincy Center, houses classrooms, art studios, laboratories, Facilities, Marketing, and Natural and Health Science faculty offices.

**TO REACH PRESIDENTS PLACE, QUINCY CENTER:**

**From I-93 (North):** Take Exit 12 (Neponset/Quincy) and follow the bridge over to Hancock Street. Take a right before the lights onto Newport Avenue and follow for 2.1 miles. Take a left onto Adams Street. Adams Street merges onto Hancock Street. Take the third left onto Saville Avenue. The concrete and brick building on the right is Presidents Place and the Presidents Place parking garage.

**From I-93 (South/Route 3):** Take the Quincy Center exit and follow Burgin Parkway to the fifth traffic light. Take a right on Granite Street, then the first left onto Hancock Street in Quincy Center. Follow the rotary at the Church of the Presidents 1/4 of the way. Turn left at the lights. Take the first right onto Saville Avenue. The concrete and brick building on the right is Presidents Place and the Presidents Place parking garage.

**From Route 3A (South):** Follow route 3A (the Southern Artery) to Coddington Street (across from the Quincy Police Station on Sea Street). Turn left onto Coddington Street for two blocks. Take a right onto Hancock Street at Presidents Place. Take first right onto Saville Avenue. The concrete and brick building on the right is Presidents Place and the Presidents Place parking garage.

**By public transportation:** Take the Red Line to the Quincy Center MBTA station. Cross Hancock Street to Presidents Place.

**TO REACH SAVILLE HALL, QUINCY CENTER:**

**From I-93 (North):** Take Exit 12 (Neponset/Quincy) and follow the bridge over to Hancock Street. Take a right before the lights onto Newport Avenue and follow for 2.1 miles. Take a left onto Adams Street. Adams Street merges onto Hancock Street. Take the third left onto Saville Avenue. The brick building with the black awning is Saville Hall.

**From I-93 (South/Route 3):** Take the Quincy Center exit and follow Burgin Parkway to the fifth traffic light. Take a right on Granite Street, then the first left onto Hancock Street in Quincy Center. Follow the rotary at the Church of the Presidents 1/4 of the way. Turn left at the lights. Take the first right onto Saville Avenue. The brick building with the black awning is Saville Hall.

**From Route 3A (South):** Follow route 3A (the Southern Artery) to Coddington Street (across from the Quincy Police Station on Sea Street). Turn left onto Coddington Street for two blocks. Take a right onto Hancock Street at President’s Place. Take first right onto Saville Avenue. The brick building with the black awning is Saville Hall.

**By public transportation:** Take the Red Line to the Quincy Center MBTA station. Cross Hancock Street to Saville Avenue.
In the fall of 1991, Quincy College founded the Plymouth campus in historic downtown Plymouth to serve the educational needs of Southeastern Massachusetts. In 2007, the campus moved to its current location in Cordage Park, once an old rope-making factory. This historic building space was converted for the campus and provides ample parking at a convenient location directly off of Route 3.

The campus is continuously expanding to meet the needs of the growing student body. Recently added facilities include new offices, bright classrooms, a state of the art science lab, and a brand new nursing lab. The computer center, learning center and career center provide an array of support services such as tutoring and career training to students at no additional cost. You will not find more dedicated, enthusiastic and caring faculty than you will at Quincy College. The campus events such as the monthly Open Mic Nights, and the small class sizes, allow the instructors the ability to work closely with the students and build relationships which cultivate a great learning environment. Through the collective focus of teaching and learning, the faculty and staff strive to make each student’s experience at Quincy College Plymouth an enriching, enjoyable and meaningful learning experience.

Quincy College at Plymouth offers Associate Degree programs in Media Arts, Nursing, Natural & Health Sciences, Business, Computer Science*, Criminal Justice, Education*, Fine Arts*, General Studies, Human Services, Paralegal Studies, and Liberal Arts. Certificate programs in Phlebotomy, Accounting, Computer Science, Early Childhood Education, Healthcare Administration, Law Enforcement, and Paralegal Studies are available. Students can take all their degree or certificate requirements at the Plymouth Campus, but also have the option of taking classes and using the resources of our Quincy Campus. These degree programs are designed to facilitate transfer to a Bachelor of Arts/Bachelor of Science upper division program as well as to prepare students to directly enter the workforce.

The Plymouth Campus of Quincy College is located at 36 Cordage Park Circle, Suite 228, Plymouth, MA 02360. You can also find out more about our Plymouth campus by calling 508-747-0400 or logging on to quincycollege/campus-plymouth.edu. All rights, privileges, and responsibilities that apply to students of the main campus of Quincy College apply to students of Quincy College at Plymouth.

*Some course work at the Quincy Campus

TO REACH PLYMOUTH CAMPUS:
From the North: Follow 93 South to MA-3 South toward Braintree/Cape Cod. Take Exit 9 (RT-3A) Kingston/N. Plymouth. At top of off-ramp, take a left toward North Plymouth. Follow 3A. Turn left at first set of lights into Cordage Commerce Center. Bear right and follow the signs for Quincy College. End at 36 Cordage Park, Suite 228.

From the South: Follow MA-3 North toward Braintree. Take the Smith Lane exit (Exit 8) toward Rocky Nook. Turn right at Crescent St. Turn right at RT-3A. Turn left at Cordage Commerce Center. Bear right and follow the signs for Quincy College. End at 36 Cordage Park, Suite 228.

From the West: Take US-44 East to Commerce Way exit to Cherry St / N. Plymouth. Turn left at Commerce Way. Turn right at Nicks Rock Rd. Continue on Cherry St. Turn left at Court St. / RT-3A. Turn right at Cordage Commerce Center. Bear right and follow the signs for Quincy College. End at 36 Cordage Park, Suite 228.

Public transportation is available and the commuter rail stop (Old Colony Line) is behind the campus. Additionally, public buses through GANTRA are available.
As a public two-year college, our admissions policy reflects our belief that anyone with the potential to benefit from a college education should have the opportunity to obtain one. We consider the total individual, not just grades and test scores, in our admission process.

Admission Procedures for Non-Nursing, Natural & Health Sciences Applicants

Admission procedures for non-nursing, natural and health sciences applicants are streamlined to provide better service to students who are degree seeking and interested in graduating from Quincy College. These procedures assist students in identifying, planning, and achieving their educational and career goals. Quincy College admits students on a rolling basis, as soon as applications are complete.

All Matriculating (Degree/Certificate Seeking) Students:

- Submit an application along with a $30 application fee either online or in the Office of Admissions.
- All matriculating (degree/certificate seeking) students must be high school graduates or hold a General Educational Development Certificate (G.E.D.). Proof of high school completion must be submitted to the Office of Admissions.
- Admission to the College and a program will be confirmed by an acceptance letter.
- SAT or ACT scores are not required.
- All accepted students must take a placement/advising test to measure proficiency in English and Mathematics. (This may be waived; for exceptions please see an advisor).
- Students will be eligible to register for classes after an advising session with an advisor.
- All matriculating (degree/certificate seeking) students must register for IDS 167 First Year Seminar in the first semester. (In some cases, this may be waived; for exceptions, please see an advisor).
- Students must be matriculated to receive financial aid.
- Registration is completed in the Enrollment Office by paying tuition and registration fees, along with the Matriculating Registration form.

All Non-Matriculating (Non-Degree/Certificate Seeking) Students:

If you are not seeking to graduate from Quincy College, planning to transfer your credits to another institution, taking a class for personal enrichment/professional development, or if you are a high school student and your guidance counselor supports your collegiate level course, you do not need to apply for admission.

- Submit the “Registration Form for Non-Matriculating (Non-Degree/Certificate Seeking) Students” to the Enrollment Office.
- Register in the Enrollment Office: tuition and registration fee are required at the time of registration.
- You may earn a maximum of 30 credits as a non-matriculating (non-degree/certificate seeking) student towards a degree program and 15 towards a certificate program. The credits earned appear on the transcript and may be transferred to another institution.
- It is highly recommended to take a placement test to measure proficiency on English and Mathematics.
- Please check with Financial Aid Office if you are eligible for any loan program.

Change of Status:

Students who wish to change their status from non-matriculating (non-degree/certificate seeking) to matriculating (degree/certificate seeking), must apply to do so by submitting the application with the appropriate fee.

Early Admission (Policy 4.06)

Quincy College admits students who have not yet graduated from high school. The early admissions program serves two distinct populations of students:

1. Students with above average ability and maturity may be accepted by Quincy College at the end of their sophomore year in high school. With the high school’s approval, Quincy College credits can be transferred to the high school to complete high school diploma requirements and college credit is earned at the same time.

2. Seniors who do not have enough credits to graduate from high school may enroll as special students in college courses and, with their high schools’ permission, transfer the credits back to their high school to complete graduation requirements. The credits earned will also count toward a college degree should the student decide to continue his or her education and be accepted into Quincy College.

In both cases, a written recommendation from the applicant’s high school guidance office is required and should be submitted with the application for admission.
WHEN TO APPLY (Open Enrollment Policy 4.01)
As an open enrollment institution, Quincy College admits those students who have completed the secondary school sequence. Quincy College admits select students, from diverse educational backgrounds, including students still in high school, to provide them access to higher education. Quincy College admits international students who meet basic requirements of English proficiency, completion of high school sequence, and, as per the U.S. Citizenship and Immigration Services, financial eligibility. A General Education Diploma (G.E.D) may be substituted for a traditional high school diploma in all cases. Classes start six times a year in September, December, January, May, July, and August. The College also offers 5, 7, and 10 week classes that start mid-semester. Please see our website for all offerings.

Note: Nursing, Natural and Health Sciences programs are not open enrollment. Please speak with an advisor.

HOW TO APPLY FOR GENERAL ENROLLMENT

STEP ONE - Application Form
(All returning Quincy College students may skip to STEP THREE.)
All matriculating (degree/certificate seeking) students who have never attended Quincy College must first complete and submit an application form, along with a $30 application fee, to: Quincy College, Admissions Office, Presidents Place, 1250 Hancock Street, Quincy Center, MA 02169. The phone number is 1-800-698-1700 or 617-984-1710 and the fax is 617-984-1794. For admissions to the Plymouth Campus, please send your application and fee to: Quincy College, 36 Cordage Park Circle, Plymouth, MA 02360. The phone number is 508-747-0400 and the fax is 508-747-8169.

Request that your high school forward an official transcript of your grades to Quincy College. Students with a high school equivalency certificate may substitute an official copy of their G.E.D test scores for the high school transcript. While a high school diploma or G.E.D is not required to attend classes at Quincy College, they are a requirement for graduation.

All full-time students must provide an official immunization record for the following: Tetanus/Diphtheria/Pertussis, Measles, Mumps, Rubella, and Hepatitis B. For more details, see the Immunization Policy in the College Policy section of this catalog or at quincycollege.edu.

Note: SAT scores are NOT required for admission.

STEP TWO - Quincy College Placement Assessment (Academic Placement Policy 4.08)
All new matriculating (degree/certificate seeking) students are assessed with placement tests (ACCUPLACER or LOEPS) prior to enrolling in courses. Students whose skills are deemed insufficient to successfully handle college level work will be advised to take academic support courses in the subject area of deficiency. These courses carry college credits per course but do not fulfill requirements for graduation. Quincy College will close down access to an academic account for any new degree/certificate seeking student who has not done the required testing and advising session prior to the end of the add/drop period in their first semester. Please check with the Office of Admissions about scores required for a specific program and placement. The Placement Assessment is administered several times a week and can be scheduled by calling the Admissions Office at 617-984-1710 or in Plymouth at 508-747-0400.

STEP THREE - Registration Form
Both new and returning students must submit a registration form to enroll in desired courses. Students should include course number and section (ENG-101-01); course title (English Composition); day (Mon/Wed); and time (8:00am-9:20am). Payment must be received, in full, at the time of registration. Quincy College students may register by visiting Enrollment Services or by mailing a registration form with payment to: Quincy College, Enrollment Services, Presidents Place, 1250 Hancock Street, Quincy Center, MA 02169 or the Plymouth Campus at 36 Cordage Park Circle Suite 228, Plymouth, MA 02360.

Returning students may register online through the “Campus Portal” on the College’s website at quincycollege.edu. They may also fax their registration forms with credit card information to 617-984-1794 in Quincy, 508-747-8169 in Plymouth.

STEP FOUR - Health Insurance Waiver (Health Insurance Policy 6.08)
Since September 1, 1989, the Massachusetts Mandatory Health Insurance Law requires that all 3/4 time and full-time students must be covered by a health insurance policy before they begin classes at any college in the Commonwealth of Massachusetts. Quincy College offers enrolled students a student accident and sickness insurance plan at a special rate. Students not covered by another health insurance policy before the start of classes are required to purchase this policy in order to attend classes. Students with another insurance policy must complete a Health Insurance Waiver through the College website at www.quincycollege.edu/health-insurance. If you have any questions, please contact the Quincy College Business Office at 617-984-1630.
ADMISSION TO NURSING and NATURAL & HEALTH SCIENCES PROGRAMS (Allied Health Admissions Policy 4.03)

Admission Process to Associate Degree Program in Nursing
1. Student calls, writes, or comes into the Office of Admissions to review an application packet.

2. Student must complete the following prerequisites courses to be eligible to apply for admissions:
   - Chemistry with a lab*
   - Anatomy & Physiology I* with lab or General Biology I* with lab

3. Student schedules the TEAS V test at the ATI website (www.atitesting.com). All applicants must achieve a minimum of proficient as defined by Academic Preparedness Categories for the TEAS V assessment (68.7%).

4. Applicant must attend a Nursing Program Information session prior to submitting an application.

5. Application must be submitted within the published application period.

6. Incomplete applications will not be accepted.
   - Completed application includes the following:
     - Official high school transcript or GED
     - Official college transcript(s) if prerequisites not taken at Quincy College
     - $50 Application Fee (Non Refundable)
     - Qualifying scores on the TEAS V test
     - Work History validation, if applicable
     - Evidence of attendance at Nursing Information Session

7. Applications are reviewed and ranked using the following components:
   - TEAS V performance level
   - Prerequisite course grades
   - Quincy College course work completed
   - Prior Work History Validation in healthcare field

8. Applicants will receive an admissions decision 3-4 weeks after the scheduled deadline for submission of applications.

9. All admitted students are required to:
   - Complete Health form
   - Submit to a CORI check
   - Attend a scheduled Nursing Program Orientation
   - Meet with a nursing program advisor
   - Pay a seat deposit and matriculation fee

Admission Process for Advanced Placement Associate Degree in Nursing
1. Student calls, writes, or comes into the Office of Admissions to review an application packet. The number of applicants accepted is based on space availability.

2. Student must complete the following prerequisite courses to be eligible to apply for admissions:
   - Chemistry with a lab
   - Anatomy & Physiology I* & II with lab
   - English Composition I
   - General Psychology
   - Mathematics Elective (MAT103 or higher)
   - Unrestricted licensure as LPN
   - “B-” average or higher in LPN program

3. Student schedules the TEAS V test at the ATI website. All applicants must achieve a minimum of proficient as defined by Academic Preparedness Categories for the TEAS V assessment.

4. Application must be submitted within the published application period

5. Applications are reviewed for completeness and incomplete applications are returned to applicant.
Admissions

Completed application includes the following:
• Official high school transcript or GED
• Official college transcript(s) if prerequisites not taken at Quincy College
• $50 Application Fee (Non Refundable)
• Qualifying scores on the TEAS V test
• Copy of current LPN license
• Prior Work History Validation if applicable
• Official LPN transcript

6. Applications are reviewed and ranked using the following components:
• TEAS V performance level
• Prerequisite course grades
• Quincy College course work completed
• Prior Work History Validation

7. Applicants will receive an admissions decision 3-4 weeks after the scheduled deadline for submission of applications.

8. All admitted students are required to:
• Complete Health form
• Submit to a CORI check
• Attend a scheduled Nursing Program Orientation
• Meet with a nursing program advisor
• Pay Seat Deposit and matriculation fee

Admission Process to the Practical Nursing Certificate Program

1. Student calls, writes, or comes into the Office of Admissions & Advising to review an application packet.

2. Student schedules the TEAS V test at the ATI website. All applicants must achieve a minimum of proficient as defined by Academic Preparedness Categories for the TEAS V assessment.

3. Application must be submitted within the published application period.

4. Applications are reviewed for completeness and incomplete applications are returned to applicant.
   Completed application includes the following:
• Official high school transcript or GED
• $50 Application Fee (Non Refundable)
• Qualifying scores on the TEAS V test
• Work History Validation, if applicable.

5. Applications are reviewed using the following components:
• TEAS V performance level
• Quincy College course work completed
• Prior Work History Validation in healthcare field

6. Applicants will receive an admissions decision 3-4 weeks after the scheduled deadline for submission of applications.

7. All admitted students are required to:
• Complete Health form
• Submit to a CORI check
• Attend a scheduled Nursing Program Orientation
• Meet with a nursing program advisor
• Pay a Seat Deposit and Matriculation Fee

*Successful Completion of course means earning a “C” or better.

Admission to Medical Laboratory Technician Program

Applications:
Applications are accepted between April 1 to August 1 on a rolling basis for fall classes and July 1 to December 1 for spring
Accreditation:

Quincy College has achieved accreditation and graduates of the MLT program are eligible to sit for national certification examinations.

Admission Process:
1. Student calls, writes, or comes into the Admissions Office to review an application packet.

2. The application packet requests the following information from the student:
   A. College Placement Scores:
      Minimum scores needed for admission to the Medical Laboratory Technician Program:
      - Reading Comprehension: 80
      - Sentence Skills: 80
      - Arithmetic: 70
      or successful completion* of ENG 101 (or equivalent) and college level math with a “C” or better.
   B. Transcript of prerequisite course work
   C. Written personal statement **
   D. Summary of work history in healthcare field.

   * Successful Completion of course means earning a “C” or better. | ** No more than 500 words.

3. After successful completion of the College placement test and completion of the program pre-requisites the student completes an application packet and submits it to the Admissions Office by the deadline dates and pays an application fee.

4. Incomplete applications are not accepted. Completed applications include the following:
   - Official high school transcript
   - Official college transcript (if applicable and if pre-requisites were not taken at Quincy College)
   - $50.00 Application Fee (non-refundable)
   - Qualifying scores on College Placement test

5. Applicants are notified via Admissions by the end of August for fall semester and end of December for spring semester.

6. Once the cohort is filled a wait list is generated.

7. The wait list does not carry over from one year to the next. The wait list is only maintained until the start date of the program in the cohort start year.

8. If a student is not admitted one year and wants to be considered for the next year, she/he must reapply for the next year.

9. Once a student is admitted, he or she is asked to provide a seat deposit applicable to the first semester tuition, and a non-refundable matriculation fee.

10. Students admitted into the MLT Program are required to attend a mandatory orientation.

11. All admitted students are required to complete a 1) health form, 2) CORI check, and 3) course registration forms. These must be completed and returned by the deadline date or students will lose their seat in the program.
   - Health Forms - Admitted students must have a health form completed by their physician one month prior to the start of the program. Forms are distributed to students during the program’s mandatory orientation. A complete health form includes the following documentation:
     - Medical history
     - Complete physical
     - A negative Mantoux within two months of the first MLT class. This documentation must include date and results. If Mantoux is positive then a chest x-ray is required within the past seven years and a current letter from student’s physician indicating no active disease.
- Tetanus/Diphtheria/Pertussis vaccine within the last 10 years
- Measles, Mumps and Rubella (MMR) documentation of positive titer or two live doses
- Varicella (Chicken Pox) documentation of positive titer or two live doses
- Hepatitis B - documentation of positive titer or three doses of vaccine.

- **CORI** - Since the MLT Program includes a clinical placement, enrolled students are required to submit a Criminal Offender Record Information (CORI) check in accordance with Massachusetts state law. Massachusetts law permits clinical agencies to require CORI checks for all employees and/or volunteers who have direct or indirect contact with patients and/or clients. Agencies reserve the right to refuse and/or reject students who do not meet applicable CORI guidelines. Please be advised that admission to the Quincy College MLT Program is specifically conditional on a satisfactory CORI check. Admission into the MLT Program which requires a clinical practicum does not represent or warrant an agreement that a student is eligible for a clinical placement. Students who do not complete required clinical course work are ineligible for graduation from the Quincy College MLT program. For more information on the CORI process, please see the CORI policy in this catalog.

- **Course Registration Forms** - Students admitted into the MLT Program must have their course registration forms signed by the appropriate program Chair. Enrollment Services does not accept unsigned forms. If registration forms are not submitted by the deadline date established by the program, students will lose their seat in the program.

12. Some clinical partners require drug screening of students placed at their facility. These providers reserve the right to refuse and/or reject students whose drug test does not meet facility guidelines. Students who test positive for the presence of illegal drugs may not be placed in another facility. Students who cannot complete their clinical practicum are ineligible for graduation.

13. In order to maintain a reserved seat in the MLT Program, specific deadline dates must be met for each of the activities or items listed below. If a student misses a deadline, he/she will be notified of his/her removal from the list of accepted students. The next student on the wait list will be notified of his/her acceptance into the program. The wait list does not carry over from one year to the next.

Documents and activities that must be submitted and completed by a specific deadline date include:

- Mandatory Orientation
- Seat Deposit
- Health Form
- CORI
- Registration Form

**Note: Clinical Failure**

If a student is applying to the MLT Program which includes a clinical experience, and the student has a previous clinical failure, then the following process is followed:

- The student is provisionally accepted according to the admissions criteria and a seat is held until final disposition is determined.
- If the student’s clinical failure record is within three years of the start (September) of an academic year in which the student failed, then the student is advised that he/she will need a recommendation letter from the Chair and/or Coordinator of the program as part of their application packet.
- If the student’s clinical failure record is more than three years ago, then the student may apply without the recommendation of the Chair.
- A decision is communicated to the Office Admissions & Advising within two weeks of receiving written notification that a student with a previous clinical failure has applied to the program.

**Admission to Phlebotomy Program**

**Applications:**
Applications are accepted on a rolling basis.

**Admission Process:**

1. Student calls, writes, or comes into the Admissions Office to review an application packet.

2. The application packet requests the following information from the student:
   - **College Placement Scores:**
     - Minimum scores needed for admission to the Phlebotomy Program:
       - Reading Comprehension: 70
       - Sentence Skills: 70
     or successful completion of ENG 101 with a “C” or better.
   - **Summary of work history in the healthcare field.** If no work history, then a personal statement regarding desire to work in the healthcare field.
   - **Transcript of any Quincy College credits completed with a minimum grade of a “C”**.
   - **Official high school transcript**.
   - **$50 application fee**.

3. After successful completion of the application packet, the student brings the application packet to the Admissions Office and pays the fee.

4. Incomplete applications will not be accepted.

5. Applicants are notified via Admissions.

6. Once the cohort is filled a wait list is generated.

7. The wait list does not carry over from one year to the next. The wait list is only maintained until the start date of the program.

8. If a student is not admitted and wants to be considered for the next cycle, she/he must reapply.

9. Once a student is admitted, he or she is asked to provide a seat deposit applicable to the first semester tuition, and a non-refundable matriculation fee.

10. Students admitted into the PHB Program are required to attend a mandatory orientation.

11. All admitted students are required to complete a 1) health form, 2) CORI check, and 3) course registration forms. These must be completed and returned by the deadline date or students will lose their seat in the program.
   - **Health Forms** - Admitted students must have a health form completed by their physician one month prior to the start of the program. Forms are distributed to students during the program’s mandatory orientation. A complete healthform includes the following documentation:
     - Medical history
     - Complete physical
     - A negative Mantoux within two months of the first MLT class. This documentation must include date and results. If Mantoux is positive then a chest x-ray is required within the past seven years and a current letter from student’s physician indicating no active disease.
     - Tetanus/Diphtheria/Pertussis vaccine within the last 10 years
     - Measles, Mumps and Rubella (MMR) documentation of positive titer or two live doses
     - Varicella (Chicken Pox) documentation of positive titer or two live doses
     - Hepatitis B - documentation of positive titer or three doses of vaccine.
   - **CORI** - Since the MLT Program includes a clinical placement, enrolled students are required to submit a Criminal Offender Record Information (CORI) check in accordance with Massachusetts state law. Massachusetts law permits clinical agencies to require CORI checks for all employees and/or volunteers who have direct or indirect contact with patients and/or clients. Agencies reserve the right to refuse and/or reject students who do not meet applicable CORI guidelines. Please be advised that admission to the Quincy College MLT Program is specifically conditional on a satisfactory CORI check. Admission into the MLT Program which requires a clinical practicum does not represent or warrant an agreement that a student is eligible for a clinical placement. Students who do not complete required clinical course work are ineligible for graduation from the Quincy College MLT program. For more information on the CORI
process, please see the CORI policy in this catalog.

- **Course Registration Forms** - Students admitted into the MLT Program must have their course registration forms signed by the appropriate program Chair. Enrollment Services **does not** accept unsigned forms. If registration forms are not submitted by the deadline date established by the program, students will lose their seat in the program.

12. Some clinical partners require drug screening of students placed at their facility. These providers reserve the right to refuse and/or reject students whose drug test does not meet facility guidelines. Students who test positive for the presence of illegal drugs may not be placed in another facility. Students who cannot complete their clinical practicum are ineligible for graduation.

13. In order to maintain a reserved seat in the PHB Program, specific deadline dates must be met for each of the activities or items listed below. If a student misses a deadline, he/she will be notified of his/her removal from the list of accepted students. The next student on the wait list will be notified of his/her acceptance into the program. The wait list does not carry over from one year to the next.

Documents and activities that must be submitted and completed by a specific deadline date include:

- Mandatory Orientation
- Seat Deposit
- Health Form
- CORI
- Registration Form
- Application

**Note:** Clinical Failure

- If a student is applying to the PHB Program which includes a clinical experience, and the student has a previous clinical failure, then the following process is followed:
  - The student is provisionally accepted according to the admissions criteria and a seat is held until final disposition is determined.
  - If the student’s clinical failure record is within three years of the start (September) of an academic year in which the student failed, then the student is advised that he/she will need a recommendation letter from the Chair and/or Coordinator of the program as part of their application packet.
  - If the student’s clinical failure record is more than three years ago, then the student may apply without the recommendation of the Dean.
  - A decision is communicated to the Admissions Office within two weeks of receiving written notification that a student with a previous clinical failure has applied to the program.

**Admission to Surgical Technology Program**

**Applications:**
Applications are accepted between April 1 and August 1 on a rolling basis for fall classes.

**Accreditation:**
The Surgical Technology Certificate Program is accredited by the Commission on Accreditation of Allied Health Education Programs. You may contact the CAAHEP for more information on the web at www.caahep.org, by mail at 1361 Park Street, Clearwater, FL 33756 or by telephone at 727-210-2350.

**Admission Process:**
1. Student calls, writes, or comes into the Admissions Office to review an application packet. The student makes an appointment with the program director.

2. Student schedules the College Placement test.
   Minimum scores needed for admission to the Surgical Technology Program:
   - Reading Comprehension: 86
   - Sentence Skills: 96
   - Arithmetic: 70

3. After successful completion of the College placement test, and prerequisite course work, the student submits an application packet by the deadline dates and pays an application fee.
4. Incomplete applications are not accepted. Completed applications include the following:
   • Official high school transcript
   • Official college transcript (if applicable, and if prerequisites were not taken at QC)
   • $50.00 Application Fee (non-refundable)
   • Qualifying scores on Admissions Exam

5. Applicants are notified via mail by the Office of Admissions.

6. Once the cohort is filled a wait list is generated.

7. The wait list does not carry over from one year to the next. The wait list is only maintained until the start date of the program in the cohort start year (September 1st full time program).

8. If a student is not admitted one year and wants to be considered for the next year, she/he must reapply for the next year.

9. Once a student is admitted, he or she is asked to provide a seat deposit applicable to the first semester tuition, and a non-refundable matriculation fee.

10. Students admitted into the ST Program are required to attend a mandatory orientation.

11. All admitted students are required to complete a 1) health form, 2) CORI check, and 3) course registration forms. These must be completed and returned by the deadline date or students will lose their seat in the program.
   • Health Forms - Admitted students must have a health form completed by their physician one month prior to the start of the program. Forms are distributed to students during the program’s mandatory orientation. A complete health form includes the following documentation:
     - Medical history
     - Complete physical
     - A negative Mantoux within two months of the first MLT class. This documentation must include date and results. If Mantoux is positive then a chest x-ray is required within the past seven years and a current letter from student’s physician indicating no active disease.
     - Tetanus/Diphtheria/Pertussis vaccine within the last 10 years
     - Measles, Mumps and Rubella (MMR) documentation of positive titer or two live doses
     - Varicella (Chicken Pox) documentation of positive titer or two live doses
     - Hepatitis B - documentation of positive titer or three doses of vaccine.
   • CORI - Since the MLT Program includes a clinical placement, enrolled students are required to submit a Criminal Offender Record Information (CORI) check in accordance with Massachusetts state law. Massachusetts law permits clinical agencies to require CORI checks for all employees and/or volunteers who have direct or indirect contact with patients and/or clients. Agencies reserve the right to refuse and/or reject students who do not meet applicable CORI guidelines. Please be advised that admission to the Quincy College MLT Program is specifically conditional on a satisfactory CORI check. Admission into the MLT Program which requires a clinical practicum does not represent or warrant an agreement that a student is eligible for a clinical placement. Students who do not complete required clinical course work are ineligible for graduation from the Quincy College MLT program. For more information on the CORI process, please see the CORI policy in this catalog.
   • Course Registration Forms - Students admitted into the MLT Program must have their course registration forms signed by the appropriate program Chair. Enrollment Services does not accept unsigned forms. If registration forms are not submitted by the deadline date established by the program, students will lose their seat in the program.

12. Some clinical partners require drug screening of students placed at their facility. These providers reserve the right to refuse and/or reject students whose drug test does not meet facility guidelines. Students who test positive for the presence of illegal drugs may not be placed in another facility. Students who cannot complete their clinical practicum are ineligible for graduation.

13. In order to maintain a reserved seat in the ST Program, specific deadline dates must be met for each of the activities or items listed below. If a student misses a deadline, he/she will be notified of his/her removal from the list of accepted
students. The next student on the wait list will be notified of his/her acceptance into the program. The wait list does not carry over from one year to the next.

Documents and activities that must be submitted and completed by a specific deadline date include:

- Mandatory Orientation
- Seat Deposit
- Health Form
- CORI
- Registration Form

**Note:** Clinical Failure

- If a student is applying to the ST Program which includes a clinical experience, and the student has a previous clinical failure, then the following process is followed:
  - The student is provisionally accepted according to the admissions criteria and a seat is held until final disposition is determined.
  - If the student’s clinical failure record is within three years of the start (September) of an academic year in which the student failed, then the student is advised that he/she will need a recommendation letter from the Chair and/or Coordinator of the program as part of their application packet.
  - If the student’s clinical failure record is more than three years ago, then the student may apply without the recommendation of the Dean.
  - A decision is communicated to the Admissions Office within two weeks of receiving written notification that a student with a previous clinical failure has applied to the program.

**INTERNATIONAL STUDENTS (International Student Admissions Policy 4.04)**

The procedure for admitting international students is as follows:

1. The student requests an international student application packet by e-mail, phone, mail, walk-in or downloads from our website at quincycollege.edu/departments/international-enrollment.

2. Student sends completed application and application fee to the International Student Services Office. If the student is outside the US at the time of application, he/she must provide TOEFL, Step, or IELTS test scores for proof of English proficiency.

3. The application is reviewed and the checklist is completed to confirm that all necessary documents are included. The checklist consists of the following:
   - Original or certified copy of secondary school or college diploma with English translation
   - Original financial statement that is no more than 6 months old (certified letter from bank or bank statements conversion to US dollars)
   - Completed Affidavit of Support Form (if applicable)
   - Proof of birth date and country of citizenship as indicated on passport or birth certificate
   - English Proficiency:
     - TOEFL score sent directly from ETS (code 3713), minimum scores: 423 (written), 113 (computer), 38 (IBT)
     - Step test minimum score – Grade Pre-1
     - IELTS score of 4.5 and above
     - If in the US, score of 69 and above on the Quincy College Placement test or completion of English Composition I at a US College or University. If a student has not met the English proficiency on the LOEPS exam, the student is advised to attend English language classes and acceptance to Quincy College remains conditional until the proficiency level is met.

   For transfer students only:
   - Official transcripts from United States Colleges and Universities you have attended
   - Completed International Student Transfer Form
   - Copy of your current I-20, as well as any previous I-20’s you have issued
   - Copies of your current visa and I-94 card, as well as any extensions or previous changes of visa status since your last entry in the United States.

4. If an application is incomplete, a letter is mailed to the student listing what paperwork is missing.

5. Once the application is complete one of three steps is taken:
   a. If the student is overseas, the International Office mails a packet with an acceptance letter, Initial Form SEVIS Form
I-20, SEVIS I-901 fee information, health insurance information and visa interview document.

b. If the student is transferring in from another college in the US, additional materials are provided with his/her application, a completed transfer form from the previous school is returned to the International Office and the immigration record is transferred to Quincy College where a new SEVIS Form I-20 is issued to the student.

c. If the applicant requires a change of status to the F-1 visa, a SEVIS Form I-20 for a Change of Status is issued and the I-539 process is completed with the assistance of the International Student Services Office. The student is advised that if his/her change of Status is denied, he/she is unable to continue to attend Quincy College. B-2 and F-2 Change of Status applicants are not allowed to register until the Change of Status is adjudicated by the USCIS.

6. Once all visa issues have been settled, students may proceed to advising and registration. All international students are required to take the LOEPS exam for placement and advisement purposes prior to registration. Only students who show proof of English and math proficiency by submitting a transcript showing completion of English Composition I and College Algebra with a “C” or better are exempt from taking the exam.

7. Advising of all international students is done in the International Student Office, including course selection, credential evaluations of transfer credits, and degree program options. An advising sheet is completed for all international students regarding degree programs and requirements. All international students must be cleared for registration by an International advisor prior to enrolling.

8. New international students must attend the International Student Orientation held one week prior to the class start date. During this orientation new international students receive information regarding immigration regulations, school policies and procedures and other necessary information.

9. Returning international students are eligible for institutional scholarships.
   (a) Academic Scholarships—Students with a grade point average of 3.75 or above are eligible to receive financial scholarships through Quincy College. Students must meet with the Vice President for Administration and Finance to discuss eligibility.
   (b) Institutional Scholarships—a selection committee from the college community reads and selects finalists. The scholarships are offered during the spring semester and the awards are for the following fall semester. These scholarships are available for use at Quincy College and cannot be transferred to another school. (Please see International Office for criteria and eligibility)

ADVANCED STANDING (Policy 4.05)
Quincy College welcomes transfer students and those with advanced knowledge of subject areas. A maximum of 30 credits from all sources may be awarded toward a degree.

Transfer Credits (Policy 4.05A)
Credit transfer is the process of receiving academic credits towards a degree or certificate program at Quincy College based on work completed at another recognized institution of higher education. Students are eligible to transfer credits in accordance with the regulations set forth below.

How to Transfer Credits to Quincy College
Students who have earned credits at other colleges or universities are required to submit an official academic transcript to the Office of Admissions as part of the application process. The transcript review is done based on the declared major of the student. A copy of the transcript report is accessed within My QC Portal.

Enrolled students who have not transferred credits to Quincy College can do so by contacting their former colleges/universities to request official transcripts. Transcripts may be sent to the following address: Quincy College, Admissions, ATTN: Transcript Evaluation, Presidents Place, 1250 Hancock Street, Quincy Center, MA 02169.

Principles of Transfer
1. Institutions
   Courses are accepted from institutions of higher education that are accredited by any regional accrediting associations in the United States, (e.g. New England Association of Schools and Colleges).

   Academic course work from foreign institutions is also considered. Many foreign institutions use a different system for assessing learning than is practiced in the United States. In such cases, transcripts may be first evaluated by an Educational
Credential Evaluator, which will send the transcript to Quincy College. Any fees involved in such evaluation are paid by the student.

2. **Grades and Courses**
   A course must be graded a “C” or better to transfer into Quincy College. Academic support courses, remedial courses, vocational courses, learning support courses, courses with essentially non-academic content and courses that are basically secondary school or pre-college level taken in high school are not transferable. Quincy College does not grant credit for professional certificate programs. Natural science courses must be taken within the last ten years, and computer courses must be taken within the past five years. For nursing programs, science courses must be taken within the past seven years.

3. **Subject Matter Equivalency**
   Courses considered for transfer must possess content that approximates the content of courses offered at Quincy College. A student may be asked to supply the course outline from the other institution. A maximum of 30 credits may be transferred for an associate degree program and a maximum of 15 for a certificate.

4. **Quarter-Semester Credit Conversion**
   All credits accepted by Quincy College are transposed to semester credit hours. One-quarter credit is equal to two-thirds of a semester credit.

5. **Time Limit**
   For Nursing, Natural & Health Sciences programs, science courses must have been taken within the last five years and Computer Science courses within the last seven years. For all other programs, science courses must have been taken within the last 10 years and computer courses within the last seven years.

6. **Alternative Means of Earning Credits**
   Credits for College-Level Examination Program (CLEP) and the Defense Activity for Non-Traditional Educational Support (DANTES) are granted, if the student scores at or above the American Council on Education’s (ACE) recommended scored for the exam question. Quincy College does not accept CLEP general exams.

   Quincy College accepts credits from military training based upon proper documentation of the student’s military education. Credit is awarded based upon the American Council on Education’s recommendations and the needs of the student’s program.

   Experiential Learning credits are accepted based on committee approval.

7. **Residency Requirement**
   The following must be completed at Quincy College: A minimum of 30 credit hours for an associate degree program or 15 credit hours for a certificate program. Last semester must be completed at Quincy College.

8. **GPA Calculations**
   Transfer credits are not included in GPA calculations.

9. **Appeal Process**
   Students have the right to appeal decisions made by the Office of Admissions with regard to their transfer credit. An appeal should be made in writing at the Enrollment Office. The appeal will be forwarded to the Vice President for Academic Affairs for a decision.

10. **Questions**
    Any questions on transfer procedures, policy, or individual transfer situations should be directed to the Office of Admissions.

**EXPERIENTIAL LEARNING CREDITS (Policy 4.05B)**
Experiential learning credits, also known as “Life Experience Credits,” are credits that are awarded for already acquired college-
level learning in a variety of non-traditional settings. Credits are not awarded simply for experience but for the learning obtained from the experience. This learning is judged to be equivalent to what would be gained through Quincy College course work. All credit earned must be approved by the Experiential Learning Review Committee.

**Eligibility Requirement**
Students must:
- Be enrolled in a degree or for-credit certificate program.
- Have completed 12 credits at Quincy College.
- Be in good academic standing (Cannot be on probation and must have a GPA of at least 2.0).
- Be at least 24 years of age.
- Must have a resume that demonstrates the type of experience appropriate for academic college-level credit assessment.

**How to Apply**
If a student is eligible for experiential credits, the following procedure should be followed:
- Identify the learning experience or experiences that you believe qualify you for Quincy College experiential learning credits;
- Meet with the appropriate Dean to discuss your experience and the experiential learning process and requirements;
- Obtain from the Dean the relevant course outline(s) and the document “Information and Instructions Regarding Applying for Experiential Learning Credits” and, with the Dean, complete the Experiential Learning application;
- Submit the completed application, along with the Portfolio Evaluation Fee, to the Enrollment Office;
- Prepare and complete your portfolio;
- Submit your completed portfolio, along with the receipt for payment of the Portfolio Evaluation Fee, to the appropriate Dean;
- You will receive notification from the Dean to whom you submitted your portfolio of whether your application for Experiential Learning credits has been approved or denied.
- If your application has been approved, pay the Experiential Learning transfer fee at the Enrollment Services Office so that your Experiential Learning credits will appear on your transcript;
- If your application is denied, meet with the Dean to whom you submitted your portfolio to identify omissions in or problems with your portfolio.

**Fees**
To cover administrative costs, students are charged a non-refundable portfolio assessment fee of $100 at the time of making a request for these credits. There is also a per credit Experiential credit fee that must be paid before the credits are transferred to a student’s grade history.

**Maximum Credits**
The total number of credits any student can transfer from all sources is 30 in a degree program and 15 in a certificate program of which the maximum number of credits allowed under Experiential Learning is 12 in a degree program and six in a certificate program.

**Exception**
Students who have Criminal Justice as their major do not qualify for any Experiential Learning credits.

**RE-ADMISSION (Policy 4.07)**
Students who leave Quincy College in good academic standing and with no outstanding financial obligations to the College will be automatically readmitted for future semesters upon their application to the Admissions Office except in Nursing, Natural and Health Sciences Programs. Readmitted students who have been out of school for more than two consecutive semesters must fulfill current program requirements for graduation. Those taking up to two semesters off may re-enroll under current program requirements or their original program requirements provided their original required courses are still offered by Quincy College.

Students must indicate in writing at the time of their re-enrollment if they wish to follow original program requirements; otherwise current requirements will apply.

Students in the Associate Degree in Nursing Program must complete all program requirements within four years of their first nursing course. Students in the Practical Nurse Certificate Program must complete all program requirements within four years of their first nursing course.

**NON-TRADITIONAL SEMESTERS**
Quincy College offers non-traditional semesters to accommodate working adults and students who require a more flexible
alternative to traditional semesters.

10-Week Semesters
Courses in the 10-week semester were created for students seeking an abbreviated version of the traditional 15-week semester. The 10-week alternative provides an intensive approach to course work so students with hectic schedules may attend class just once a week.

5-Week Semesters
The 5-week semester schedule was designed for students who want multiple courses in one semester, but choose only to concentrate on one subject at a time. The varied sections in this rotation meet twice a week for five weeks allowing three concentrated courses to fit into one traditional 15-week semester.

Double-Ups
Double-ups are a unique opportunity to come to campus just once a week for two distinct courses. Early evening sessions are immediately followed by later sessions, often in the same degree program. Students can enroll in early and/or late sessions, and attend class on multiple evenings.

Tandems
Tandem courses are convenient sections arranged by subject that enable students to take two related courses in one traditional 15-week semester. The traditional semester is divided in half so students may concentrate on one subject at a time. The 7 week courses meet twice a week.

Summer and Winter Sessions
Quincy College offers two summer sessions, Summer I and Summer II. Summer I consists of five-week and ten-week classes starting in May. Summer II consists of 5-week and 10-day classes starting in July and August. Classes generally meet twice week; classes with laboratory components meet three times per week. Registration for summer courses begins in April. Please refer to the Academic Calendar for summer session dates. Credits are transferable to most colleges and universities but students should seek written approval of the specific transfer from the receiving school before enrolling.

Winter intersession is a three-week semester that runs during the January break between the fall and spring semesters. Students may take intensive three-credit courses during this semester. Quincy College welcomes students from other institutions who wish to earn transferable credits. Students should seek written approval of the specific transfer from the receiving school before enrolling.

Evening and Weekend Classes
To accommodate the busy schedules of students, Quincy College also offers a variety of evening and Saturday courses each semester. These courses are taught by a variety of professionals, including full-time faculty members at Quincy College, faculty members of other colleges, and professionals teaching in their fields of expertise. Students of diverse ages and backgrounds enroll in evening and weekend courses, making for a dynamic learning environment.

TRANSCRIPT REQUEST PROCESS
A sealed copy of your transcript is required to transfer grades to another school. In order to request this official transcript, you must first complete a Transcript Request Form. You can request a copy by following the request process outlined below.

You may complete the transcript request through the student portal. Transcripts will be mailed to the address requested. You may also come in person to the Enrollment Office to request a transcript. Transcripts are $25 before 1995 [per request, up to five copies], $5 per transcript by mail, $15 per transcript on the spot, or $1 per unofficial transcript. Transcripts are free for Quincy College alumni (up to five copies per calendar year).

Quincy College will mail your sealed transcript to any U.S. address within 3-4 business days. The transcript will be mailed to the address indicated on the Transcript Request Form. If no address is indicated on the form, Quincy College will mail the transcript to your home address on file.

If you attended Quincy College before 1995, your transcript is retrieved from our archives and may take up to two weeks to mail. For all such requests, please provide your date of birth, your maiden name (if applicable) and the program you were in. Please provide a phone number in case we need to contact you. Requests for an archived transcript may be processed through the Quincy College website.

TRANSFER SERVICES
Quincy College offers a variety of services available to students who are planning to transfer to a four-year college. Among the
most popular of these services are articulation agreements that Quincy College maintains with several area colleges.

**Articulation Agreements**
Quincy College also maintains articulation agreements with other colleges. Under these agreements, students who take certain courses at Quincy College, and receive at least the minimum required grade for each course (usually not less than a C), are assured that those credits will transfer to the four-year college. Quincy College has articulation agreements with UMASS Boston, UMASS Dartmouth, Bridgewater State College, Bay State College, Curry College, Northeastern University, Suffolk University, and Wentworth Institute of Technology. For additional information, call 617-984-1710.

**FINANCIAL AID PROCESS (Policy 8.01A)**
Quincy College encourages all students to apply for financial aid. The College realizes that higher education today is often a financial burden for their families, whatever their income. Our financial aid policy recognizes the need of the middle income family as well as others. Financial aid is awarded on the basis of demonstrated financial need and the student's status at Quincy College. We are happy to assist every student who applies for financial aid.

**Financial Aid Rules, Regulations, Rights, and Responsibilities**

**Application Procedures**
1. Log on to www.fafsa.ed.gov. Click “Start here” to complete the federal application on line (FAFSA).
   
   Important: Be sure to include the Quincy College Federal Title IV school code #002205 on the FAFSA. Answer all questions. Put in zeros if a question does not apply to you. If you are eligible, be sure to use the IRS Retrieval tool to enter your tax information.

2. You will receive an e-mail or letter (if an e-mail address is not provided) requesting additional documentation if necessary. Please provide these documents to us immediately so that your file can be completed. When ALL documents are submitted, your file will be reviewed for accuracy. If an error is found on your Student Aid Report, we must send the corrected information back to the Department of Education electronically for you. Once the corrections are returned to us we will determine your eligibility and issue an award letter to you by mail.

3. In order to be eligible for aid, you will need to provide the Office of Admissions & Advising with your High School Diploma, Transcript or GED. It is your responsibility to provide all requested documents.

4. Read your award letter and other information sent to you very carefully. Follow the instructions for completing the process if you are offered a student loan.

May 1st - FAFSA deadline for consideration regarding Mass Grant state aid.
May 1st - Last day to submit all information necessary to complete financial aid for the previous academic year. We also encourage all students to submit any information for the new/upcoming academic year by this date as well.

We understand that the Financial Aid process can be confusing and/or overwhelming. If you have any questions, please contact our office at 617-984-1620. We are here to help you.

**General Eligibility Requirements**
1. You must be a U.S. citizen or an eligible non-citizen (Permanent Resident)
2. You must be enrolled in a degree or certificate program.
3. You must not be in default on a student loan or owe a refund on any other federal/state aid program.
4. You must be in good academic standing and making Satisfactory Academic Progress in accordance with the Satisfactory Academic Progress Policy.
5. You must be registered with Selective Service if you are male.
6. You must not have been convicted for possession or the sale of illegal drugs while receiving financial aid. (See Alcohol & Substance Abuse Policy)
7. You must not be receiving financial aid at another college or university.
Students who change their major, students with prior associate degrees who return to school to study in another area, or students who transfer from another institution, shall be treated as new students relative to time periods allowed for completion of their degree within the limits of Title IV regulations.

The following will NOT be considered as credits successfully completed:

- “F” Failure
- “I” Incomplete
- “W” Withdrawal

Incomplete (“I”) grades are calculated as failing (“F”) grades unless the course has been satisfactorily completed within one semester. Courses that are repeated will count in the calculation of hours attempted and completed hours earned if the student receives a passing grade; however, only the highest grade received for the course will be included in the calculation of the GPA.

**Verification**

1. For those students selected for verification, the College is required to complete the process of verification before it makes a disbursement of financial aid.

2. Students failing to provide the required documentation within the specific time period may lose their financial aid for the semester and/or the academic year.

3. Financial Aid regulations require the Financial Aid Office to review and request documents from students and parents (if required). Documents that may be requested include but are not restricted to the following:
   a. Official Federal Tax Return Transcript
   b. Financial Aid Information Form (It should be noted that all students receiving financial aid must complete this form even if they are not selected for verification.)
   c. Verification Worksheet Form

4. Completion of Verification- This process may result in a recalculation of a student’s Expected Family Contribution (EFC). If this occurs the student will receive a new student aid report from the Department of Education. A recalculation may also result in a change of financial aid eligibility.

5. Once the verification of a student aid report is completed, a student will receive an award letter. This is the offering of financial aid and outlines what type of financial aid a student is eligible to receive for the current school year.

**Awarding of Aid**

1. All financial aid is awarded on the basis of demonstrated financial need. Financial information reported on a properly completed Free Application for Federal Student Aid (FAFSA) is sent to the Department of Education, the MASSGrant program, and to the student.

2. The Pell Grant program and the MASSGrant program make their own financial aid awards based on their own criteria of financial need.

3. Massachusetts has its own deadline for receipt of completed FAFSA results. If the Commonwealth of Massachusetts does not receive results by May 1st, then a student may not be eligible to receive a MASSGrant.

4. Financial Aid amounts received in one year may not always be awarded in future years. Eligibility is always re-determined each year. Students must reapply for financial aid each year they plan to attend.

5. Quincy College awards all campus-based aid (College work-study and Supplemental Educational Opportunity Grants) using the following method:
   a. A student’s financial aid eligibility is equal to the estimated financial need as determined by the Free Application for Federal Student Aid (FAFSA) and the student’s Cost of Attendance at Quincy College.
   b. The Pell grant, MASSGrant and other aid (such as loans) are subtracted and the new figure is the student’s adjusted financial need. Due to limited funds, all students showing adjusted financial need may not receive awards.
   c. Students filing late applications for aid will be considered after aid is awarded to those who applied by the required deadlines.
Cost of Attendance
1. Students may receive financial aid to cover the cost of tuition, fees and other expenses related to their education such as books and supplies. The total of all these expenses is called the Cost of Attendance. A student's combined financial aid from all sources may not exceed the Cost of Attendance for his/her program.

2. Students do not always receive enough aid to cover costs. In the event this occurs, students should seek alternative loan options to cover the remaining balance. There is no guarantee that a student will be eligible for one of these loans. Alternative loans are usually credit based loans. Students may also contact the Business/Student Accounts Office to determine if they are eligible for a payment plan.

Disbursement of Financial Aid
1. If a student is awarded a PELL Grant and does not enroll for 12 credits (full-time) for a semester, then the Pell Grant is reduced according to the actual number of credits enrolled.

2. Students who complete late applications are required to pay for their classes. When aid is credited to their account, a refund may be issued, if one is due to the student, in the amount of aid posted.

3. MASS Grants are credited toward tuition when the Financial Aid Office receives a payment roster from OSFA.

4. Students who pay their tuition and later complete the award process will be issued checks in the amount of their awards later in the semester.

Return to Title IV Refund Policy (Policy 8.10)
The calculation of the return of Title IV Funds is determined by the date that the student withdraws, which is:
• The date the student began Quincy College’s withdrawal process;
• The date the student officially notified the institution of intent to withdraw;
• The midpoint of the enrollment period for a student who leaves without notifying the institution (an unofficial withdrawal);
• The student’s last date of attendance at a documented academically related activity.

Title IV aid and all other aid is earned during the time a student is attending Quincy College. The percentage of aid earned is determined by dividing the number of days a student was enrolled by the number of days in the semester, up to the 60% point. Return of Title IV funds is no longer necessary after that point. If the student withdraws from all courses after the 60% point in the semester, Title IV aid is viewed as 100% earned. However, if a student withdraws prior to that 60% point, the student may owe part of his or her financial aid if the Financial Aid Office determines the student has received an amount larger than the earned amount.

The refund policy for state financial aid is the same as the federal policy; however, 100% of state aid is earned at the 50% point.

The term “Title IV Funds” includes the following programs:
• Federal Pell Grant
• Federal Supplemental Educational Opportunity Grant (SEOG)
• William D. Ford Direct Subsidized Loan
• William D. Ford Direct Unsubsidized Loan
• Federal PLUS Parent Loan

In accordance with federal regulations, financial aid funds are returned and allocated in the following order:
• Unsubsidized
• Subsidized
• PLUS
• Federal Pell Grant
• Federal SEOG Program
• Other Title IV programs
• Other state, private, and institutional aid
• The student
Quincy College will return any funds necessary to Title IV programs upon completing the calculation. It is possible that a student who receives financial aid and withdraws will owe a balance to the Quincy College Business Office and may be required to repay funds to the U.S. Department of Education. The procedures and policies listed above supersede those published previously and are subject to change. Please contact the Financial Aid Office if you have any questions about this policy.

Other things to consider before withdrawing:

- Following the proper withdrawal process is important to avoid difficulty with future enrollment, satisfactory academic progress, and financial aid eligibility.
- Students receiving a grade of “F” for all classes in a semester will be subject to retraction of aid per federal regulation. Any balance that results is the responsibility of the student.
- Students that stop attending all classes and fail to complete an official withdrawal form will receive a grade of “F” for each registered class. This will result in a Return to Title IV funds calculation. An outstanding balance may occur and is the responsibility of the student.
- If a MassGrant or other state aid is expected but not received on the date of withdrawal, it is automatically canceled.
- A student is not considered “officially withdrawn” until he/she completes a withdrawal form. This form can be obtained from the Enrollment Services Office and at the Plymouth Campus administration office.
- This policy applies to all students regardless of enrollment status (full and part time).

**Satisfactory Academic Progress (Policy 8.09)**

Federal Financial Aid regulations require that Quincy College establishes, publishes, and applies reasonable standards for measuring students’ satisfactory academic progress in their educational programs. The qualitative and quantitative standard used to monitor academic progress must be cumulative and must include all periods of the student’s enrollment including periods for which the student did not receive financial aid.

Quincy College assesses the following qualitative and quantitative information for all students at the end of each fall and spring term:

1. Cumulative GPA (Minimum GPA of 2.0)
2. Number of credits attempted (Maximum allowable is 90)
3. Rate of completion (2/3 credits attempted must be completed successfully)

**Note:** Failure to meet the Quincy College Satisfactory Academic Progress may result in the loss of financial aid eligibility.

**Cumulative GPA:**

(The Qualitative Measure of Satisfactory Academic Progress (SAP))

In order to meet SAP standards for financial aid, students must have a 2.0 GPA. If the student has not achieved the necessary GPA, he/she will be given one semester of academic warning (probationary period). By the end of the semester, the student’s GPA must be 2.0. If the student’s GPA does not improve to the required level after the probationary period, he/she will lose the student’s financial aid eligibility.

Transfer students must meet the minimum cumulative/term GPA requirement for all terms enrolled at Quincy College.

Students enrolled for the purpose of earning a second Associate Degree or a Certificate must maintain a cumulative/term GPA of 2.0 for all terms of enrollment.

**Credits Attempted and Credits Earned:**

(The Quantitative Measure of SAP)

Students receiving financial aid must successfully complete 2/3 of all attempted credits (67%). Federal regulations allow students to receive aid for 150% of the published length of an undergraduate program. Quincy College publishes in its catalog that students can earn the AA/AS degree by completing 60 credits (other than Nursing and Health Sciences). Students at Quincy College, therefore, may receive aid for a maximum of 90 credits. Once a student has attempted 90 credit hours at Quincy College (including transfer credits), he/she is no longer eligible to receive financial aid and this standing may not be appealed.

Transfer credits that are accepted by Quincy College are not included in the rate of completion but are counted towards maximum credits. Quincy College reviews SAP progress for all students at the end of each fall and spring semester and sends notices to students of any deficiencies that may exist. Deficiencies can result in the loss of financial aid.
Policies Regarding Course Work:

Incomplete Grades
Students who receive a grade of “Incomplete” may not meet the minimum GPA requirements. Students are advised to contact the Financial Aid Office to find out if it is appropriate to file an appeal. They should also contact the Financial Aid Office when the grade of “Incomplete” has been replaced by a letter grade. If the course work to resolve the grade of “Incomplete” is not adequately completed in one semester, the grade changes to an “F” and is included in the calculation of GPA.

Dropped Credits
Students who drop classes after the end of the Add/Drop period of any semester may encounter difficulties in meeting SAP standards. Students considering dropping classes after this refund period should consult with the Financial Aid Office to review the impact of dropping a course on their future eligibility for financial aid.

Withdrawal from All Course Work
Students who withdraw from all courses should consider its impact on their Financial Aid award and their SAP status and discuss this with the Financial Aid Office.

Repeated Course Work
There is no limit to the number of times that a student may repeat a course. Credits for repeated courses count only once as credits earned and only once in a student’s GPA; however, all credits are counted as attempted credits. The highest grade in a repeated course is used in calculating the GPA.

Remedial Course Work
Remedial courses are considered the same as credit courses for tuition, full-time academic standing and for SAP. Although these courses do not count towards degree completion, these courses are included in the calculations of the 2/3 completion requirement and in the maximum limit of 90 credits attempted. Financial aid may be paid for up to 30 non-degree credits.

Notification of Loss of Eligibility:
If there is any deficiency under the SAP policy, the Financial Aid Office sends notices to students receiving financial aid at the end of each fall and spring semester. Students who fail to meet the minimum SAP requirements may be ineligible to receive aid in a subsequent semester.

The student has the right to appeal the denial of financial aid (appeals will not be reviewed for any student who is not a FAFSA filer and is seeking a loan from a private lender). The appeal should be submitted no later than the midpoint of the semester for which the student is enrolled or it may be denied. Appeals submitted in the last week of the semester will not be reviewed.

Please visit the Financial Aid page of the College website (quincycollege.edu/departments/financial-aid) to pick up a Financial Aid Appeal Form. The SAP committee will review your appeal for reinstatement of aid. Their decision will be based on the strength of your appeal, the documentation submitted, and your academic record. If your appeal is approved, you will be notified by mail or e-mail. The SAP review Committee is chaired by the Associate Vice President for Enrollment Services and the Associate Vice President for Financial Aid.

If the appeal is not approved, the student will not receive financial aid until SAP requirements are met. All decisions of the SAP committee are final.

SAP Holds:
When a student fails to meet the SAP policy and loses financial aid eligibility, a HOLD is placed on the student’s record that prevents the student from receiving any further financial aid. This hold does not prohibit the student from registering for classes. If an appeal is filed and approved, the hold is removed and the student is eligible to receive the financial aid.

FINANCIAL AID: TYPES OF ASSISTANCE (Policy 8.02)

Federal Pell Grant
The Federal Pell Grant is a need-based program that is available to undergraduate students who have not obtained a Bachelor’s Degree. Federal Pell Grants do not need to be repaid. Pell Grant amounts are determined by a student’s enrollment status and Expected Family Contribution (EFC). The actual amount that a student receives will be determined after the add/drop period of each semester.
Federal Supplemental Opportunity Grant (FSEOG)
FSEOG is a need-based program and is awarded to students showing the greatest need based on their EFC. Those with a zero EFC will receive these funds first. FSEOG is a grant that does not need to be repaid. Funds are limited and are awarded on a first-come, first-served basis.

MassGrant
MassGrant is a need-based program that is awarded to eligible students by the Office of Student Financial Assistance via roster to Massachusetts residents who had their Free Application For Federal Student Aid (FAFSA) processed by May 1. Students must be enrolled full-time (at least 12 credits) to receive the MassGrant.

Massachusetts Part Time Grant
The Mass Part Time Grant is a need-based program awarded to Massachusetts residents enrolled in at least six, but not more than 11 credit hours. These students must also be Pell eligible. Funds are limited and are awarded on a first-come, first-served basis.

Federal Direct Plus Loan
The Federal Plus Loan is not guaranteed. It is a credit-based loan, based on your parents’ credit. The parent is the borrower and is responsible for repayment. Students are required to complete and submit a FAFSA before PLUS loans are certified and processed. PLUS loans are available to parents of dependent students only. To apply for a Parent PLUS Loan go online to www.studentloans.gov, complete the Entrance Loan Counseling and click on “Complete PLUS Request Process”. If approved after credit check is performed, the loan can be certified and processed.

Federal Direct Stafford Subsidized Loan
The Federal Stafford Loan Program is need-based and must be repaid. To be eligible, a student must be enrolled at least half-time (6 credits each semester). The Federal Government pays the interest that accrues while the student is in school and during the periods of deferment. Repayment begins six months after a student ceases to be enrolled at least half-time at an eligible institution, withdraws from school or drops below 6 credits while in attendance. The interest rate is variable and is set annually on July 1st of each year. Students must go online to www.studentloans.gov to complete a Loan Entrance Counseling Session and fill out a Master Promissory Note (MPN) in order to receive these funds. Our office will be notified by the Department of Education when your completed loan is ready. Note: You will not receive your loan unless these steps are completed.

Federal Direct Stafford Unsubsidized Loan
The Unsubsidized Stafford Loan differs from the Subsidized Stafford Loan in that the student is responsible to pay the interest that accrues while in school and during deferment periods. Students may request delay of repayment of the interest until entering repayment of this loan however interest will still accrue during the deferment period.

Note: Students who have received Stafford loans must complete an exit counseling session with the Financial Aid Office prior to graduation. Any student who does not complete the required exit counseling will not receive their diplomas, transcripts, etc. until session is completed.

Federal Work Study Program
Work study positions are located on campus in the college offices. Students must be making Satisfactory Academic Progress to be awarded work study. Positions are extremely limited. Even if you are awarded work study it does not ensure that there is a position available.

Alternative Loan Sources
Students requiring additional financial assistance must seek private funding. This type of funding is usually credit based and may require the student to have a co-borrower. These types of loans may have higher interest rates and other requirements. Eligibility and repayment options are determined by the lender.

Institutional Aid
Quincy College has a limited number of Presidential Need-Based Grants available each semester to deserving students who need help with tuition costs and have exhausted all other sources of financial aid or have experienced some unexpected financial crisis. A student may send a request in writing to the Financial Aid Office with supporting documents explaining their special circumstances. A maximum award of $1,000 is available each semester.
Institutional Scholarships
A selection committee from the college community reads and selects finalists. The scholarship program is offered during the spring semester and the awards are for the following fall semester. These scholarships are available for use at Quincy College and cannot be transferred to another school. Students must have at least a 3.50 GPA to apply.

Book Vouchers
Book vouchers are issued based on the unused portion of the financial aid, that will be used to pay for tuition and fees. If the cost of books and supplies purchased at the book store exceeds the amount on the voucher, the student is responsible for the balance. If a student’s financial aid is adjusted or reduced for any reason, a student may have a balance owed as a result of their book purchase.

Summer Financial Aid Awards
Students planning to attend summer sessions should contact our office beginning in April to have their file reviewed for any financial aid that may be available to use for summer.

Disbursements
All financial aid disbursements will be posted to students’ accounts no sooner than 45 days after the start of each semester. The Business Office will generate refund checks automatically to those students with a credit balance after all charges have been applied.

For details on these and other policies, please visit the Financial Aid Office or call 617-984-1620.

HEALTH INSURANCE
All students who are enrolled in 9 or more credits in the fall or spring semester, or who plan to enroll in 9 or more credits in a semester (generally 3 courses), are required to have basic health insurance. By law, Quincy College automatically charges all students who are registered for 9 or more credits with this health insurance fee. If a student has comparable health insurance (most HMO and PPO plans qualify), then the student must complete a waiver online for the College to remove these charges from the student’s account. If you have any questions, please contact the Quincy College Business Office at 617-984-1630.

Note: The Massachusetts Free Care Program (Free Care) is not acceptable as qualified student health insurance.

WITHDRAWAL
A student desiring to withdraw from a course or the College must complete an official withdrawal form. This form is certified by the Enrollment Services Office. Please keep a copy for your records. Failure to attend class or merely giving notice to an instructor is NOT considered an official withdrawal. If the student withdraws, a grade of “W” is recorded on his/her transcript. Withdrawal requests are not accepted by phone. The effective date of the withdrawal to determine a tuition refund will be the date the notice is received with the appropriate fee.

COLLECTION AND PAST DUE BALANCES (WITHDRAWAL AND FORMER STUDENTS) (Policy 7.04)
Once a student has ceased to attend school, their balance is reviewed and the following process followed:

A. For balances under $50.00, place students account on hold, write off balance. Do not send to collections, balance is too small.
B. For balances over $50.00 send one final demand notice.
C. For balances over $50.00 and less than $250, only payment in full is allowed
D. If a student DOES NOT respond to final demand letter, send to collections and send collection letter. Send final demand letter as certified mail. Give 30 days to respond.
E. CODE STUDENTS as “collection” so they can be identified on our ageing.
F. For balance over $250, payment can be made in installments.
G. Run a “past due” report three times a year (fall, spring & Summer), November, April and August. And send to collection based on no response.

When sent to collections, the agency has 10 days to collect in full and we will absorb the collection cost. When the check is received, credit net payment from agency, to student, write off balance. After 10 days, the student is 100% responsible for all collection costs. When payment is received from agency, credit net payment to student.

Once a student has been sent to collections - NO ONE IS TO SPEAK TO STUDENT ABOUT BALANCES. The student is only to speak to the collection agency. Staff is not permitted to negotiate balance payoffs - this is the collection agency’s job. There will be one designated person to speak for the college with the agency - (Director of Finance). When this person is out of the office, another senior person may fill in.

REFUND POLICY (Policy 7.05)
Students who have officially withdrawn in writing from the school will receive a refund of tuition according to the following schedule. Please note the following refund policies:

** Special Session Schedules include 10-Week, 7-Week, 5-Week, Tandem, Double-Ups and Life Long Learning courses. Please refer to Quincy College Business Office for details or questions regarding this policy.
Non-Credit courses: Withdrawals prior to the first meeting will be refunded less a $25 processing fee. For courses, workshops and institutes that meet more than once, refunds are eligible according to the following schedule: after the first meeting, but before the second meeting - full refund less $50 fee; after the second meeting, but before the third meeting - 50% refund, and at the start of the third meeting - no refund.

All tuition and fees must be paid for at time of registration with cash, check, credit card (American Express, MasterCard, Visa or Discover), bank debit card or by having approved Financial Aid in place (e.g. federal/state grants, loans, and scholarships). Students can also be enrolled with pre-approved -payment plans or third party arrangements (e.g. VA benefits, employer tuition reimbursement programs).

Students enrolled under financial aid, deferred payment plan, or third-party arrangements are reminded that the student is responsible for full tuition, fees, and bookstore charges and will not be permitted to register for future semesters, graduate, receive transcripts or diplomas until balance is paid in full. Students are urged to speak with the Student Accounts Office at Presidents Place for any further guidance.

Any unpaid student balances will be placed on hold and will not be permitted to receive diplomas, transcripts, participate in graduation or be allowed to register for further semesters. In addition, should balances remain unpaid, the College reserves the right to begin collection proceedings against the student, including referral to collection agencies and reporting to credit bureaus. Should this happen, the student will be responsible for all costs associated with collecting said account, up to 40% of the principle balance, as allowed by Massachusetts General Laws.

Note: Tuition and fees are subject to change. Fees are non-refundable. The most up to date tuition and fees can be found online at quincycollege.edu/departments/tuition-fees.
ACADEMIC ADVISING
Our Admissions Associates located at Presidents Place will gladly schedule a one-on-one appointment to help you select your academic schedule for an upcoming semester. The office also welcomes walk-ins if you are on campus and would like to stop in for academic advising.

The Office of Admissions & Advising is open Monday through Thursday from 8am to 6:30pm and Friday from 9am to 4pm.

Should you have any questions or if you would like to request a time to meet with an advisor, call us at 617-984-1710 in Quincy or 508-747-0400 in Plymouth.

LEARNING CENTERS
The Learning Centers at Quincy College provide academic tutoring and support to help students from all backgrounds reach their academic goals by helping them become better learners. Free tutoring is offered by professional and peer tutors in most subject areas, in one on one and in small groups, and by using drop in hours and appointments. We also offer services for improving academic skills such as writing in any subject area, reading comprehension and study skills. On the Quincy campus, the Nicastro Learning Center is located in Presidents Place Suite 508, 1250 Hancock Street, Quincy, MA. Contact by email nlc@quincycollege.edu or call (617) 984-1664. The Plymouth Learning Center is located in Suite 220 at 36 Cordage Park Circle, Plymouth, MA.

An official Quincy College student ID is required to access services at the Learning Centers.

ONLINE TUTORING SERVICES
Quincy College offers Smarthinking on line tutoring services to its students. Online tutors are available to provide academic support in a variety of subjects including but not limited to Math and Statistics, Accounting and Economics, Essay review and writing across the curriculum, Science and Nursing. Contact http://services.smarthinking.com. A student’s username is qc followed by the student’s ID number and the password is quincy.

STUDENT SUCCESS COACHING
Student Success Coaches offer support for students to develop plans to overcome obstacles and achieve their academic goals. Coaches assist students by actively listening, providing short term, solution focused coaching on a wide variety of personal issues including transitioning to college; developing academic, personal and professional goals; developing self motivation and self discipline; overcoming anxiety and procrastination; reducing stress and promoting self care and healthy life choices. Student Success Coaches also make professional referrals as needed. The Quincy campus office is located in Suite 508 of President’s Place at 617-984-1681. On Tuesdays and Thursdays, please contact Mary Chartrand - mchartrand@quincycollege.edu, on Mondays and Wednesdays, please contact Lori Earl – learl@quincycollege.edu. At the Plymouth Campus, please call (617) 405-5953 or contact Joseph Weeks - jweeks@quincycollege.edu.

DISABILITY SERVICES
Disability Services works with the campus community to provide equal access and opportunity to educational programming and services for students with disabilities. Services are determined individually, based on federal guidelines and Quincy College policies. Our goal is to minimize the impact of the disability by providing reasonable accommodations for the student to meet course outcomes. Any student with a documented disability or questions regarding services for student with disabilities or the ADAAA should contact the Disability Services Office at 617-405-5915 or disabilityservices@quincycollege.edu to ensure that reasonable accommodations may be made, if required. Parking spaces designated as handicapped spaces are available under Saville Hall, in the President’s Place garage and at the Plymouth Campus.

Inquiries regarding concerns about the provisions for students with disabilities or the Americans with Disabilities Act AA should be forwarded to the Associate Vice President/ADA Coordinator, 1250 Hancock Street, Quincy, MA  02169 or by calling 617-984-1656 or at our website under Disability Services.

MILITARY AND VETERAN SERVICES
Veterans, veteran dependents, and active duty service members are able to use their federal education benefits here at Quincy College. Programs we provide are approved to administer include all chapters of the GI Bill, Survivors & Dependents Educational Assistance, Tuition Assistants, VA Work Study, and MyCAA. Staff members are available to assist students with all aspects of adjusting to civilian life: applying for educational benefits, admissions counseling, academic advising, financial management, disability services, and referral to outside agencies as required.

Military and Veteran Services are located within the Office of Admissions & Advising at Presidents Place. Appointments can be made by calling 617-984-1710 or by emailing veterans@quincycollege.edu.
BOOKSTORE
The College Bookstore, located at 1250 Hancock Street in Quincy, stocks all required textbooks for courses offered at the College. Payment for books, and all other items may be made by cash, check, or credit cards. The bookstore sells both new and used textbooks and accepts textbook returns as per their policy.

Course supplies other than textbooks may also be purchased in the bookstore. A variety of items such as greeting cards, sweatshirts, T-shirts, backpacks, calendars, and MBTA passes are available for purchase.

COMPUTER LABORATORIES
Quincy College maintains computer laboratories at the Quincy and Plymouth campuses.

The Quincy campus computer laboratories are used as follows:
• Presidents Place (Room 503) for Computer Science classes and open lab time.
• Hours of open lab time for registered students are posted each semester.
• An open lab is available for students in the Anselmo Library during regular hours.
• Printer Kiosks are available for student use in the Student Lounges in Presidents Place and Saville Hall.

The Plymouth campus laboratory is used as follows:
• As both a classroom and an open lab according to the posted schedule.
• Computers are also available in the Plymouth Library, Student Lounge, and Tutoring Center for student use.

Students using the open laboratories are required to:
• Show a current student photo ID card.
• Sign in and out of the labs.
• Obey posted rules as well as any instructions from the lab monitor.
• Bring flash drives to save documents.
• Refrain from bringing food or beverages into any computer laboratory or classroom.

Failure to obey these requirements may result in loss of open lab privileges. Students are urged to use the virus protection programs on the computers to check their flash drives before using them. Students who intentionally introduce viruses onto the computers or otherwise damage computer equipment will be subject to strict disciplinary procedures.

QUINCY COLLEGE LIBRARIES
Quincy College has libraries on both the Quincy and Plymouth campuses. The Anselmo Library on the Quincy campus and the Krovitz Library on the Plymouth campus provide a full-range of up-to-date resources and professional services in support of the educational goals, values and mission of Quincy College.

Library resources provided to the college community include: over 45,000 print and electronic books, over 100 journal subscriptions, 2500 AV titles plus a database of over 4000 streaming video clips, and nearly 50 online research databases. The libraries purchase a copy of every textbook that is required by a course and place them on reserve in each library for easy access by students. As members of the Old Colony Library Network (OCLN), Quincy College students and faculty have immediate access to collections in 29 libraries on the South Shore and can utilize the Massachusetts State Virtual Catalog to locate and request books, journals, and AVs. The gateway to all resources and information about current hours and services is the library website at www.quincycollegelibrary.edu and via the “Library” link on the Quincy College portal.

The professional staff consists of faculty librarians who provide a wide range of learning opportunities for students and faculty on conducting research, efficient use of available databases and information literacy. Librarians create electronic custom course guides to bring together and highlight for students the most relevant resources for their studies and offer in-classroom refreshers to help students achieve quality results with their research assignments.

A valid student ID is required to access the libraries, access the print management system and to use the resources through the Old Colony Library Network. The libraries are equipped with wireless access, computer labs and/or individual student workstations and a variety of study spaces. Printing is available for currently enrolled students. The Quincy campus library also contains 2 photocopy machines.

Quincy: The Anselmo Library is located on the third floor of President’s Place. The library is named in honor of former Quincy School Committee member Francis Anselmo, a longtime friend and benefactor of Quincy College.
Plymouth: The Bella S. Krovitz and Robert W. Krovitz Library is located in Cordage Park. The library is dedicated to the memory of these individuals who demonstrated skilled leadership and guidance for the funding trustees of the college.

NOTE: All library users are asked to respect the Library Code of Conduct which protects the rights of patrons and staff, preserves and protects library materials and facilities and maintains an environment that is conducive to reading, research and study.

CAREER SERVICES AND WORKFORCE DEVELOPMENT OFFICE
Career Center Quincy Campus
The Career Center at Quincy College provides a comprehensive approach to career counseling and advisement with a wide array of services, resources, and programs including: educational and career planning, job search techniques and placement, resume writing and interviewing, and more. The Career Center is located at Presidents Place, room 513. Call the Career Center for an appointment at 617-984-1662. Walk-in service available if needed.

Several Quincy College career services and internet resources include:

Career Center Web Pages
www.quincycollege.edu/departments/career-services

Career Cruising and Self Assessments
Please visit www.careercruising.com for more information.

Quincy College Central Network
The Quincy College Central Network is a website that features local job listings for job-seekers and a resume database for employers. Please visit www.collegecentral.com/quincycollege for more information.

Career Center Plymouth Campus
Located at 36 Cordage Park Circle, Suite 220, Plymouth, MA 02360, the Career Center at the Plymouth campus offers a full array of career support programs. Call (617) 405-5923 or stop by suite 220.

ORIENTATION (Policy 6.01)
Our Orientation Programs are designed to familiarize new students with the organization, services and facilities at the College. The emphasis of the program is an introduction to life at the College. The program provides the student with an opportunity to meet members of the administration, staff, and fellow students. Orientation topics include the Core Curriculum, program requirements and scheduling, Student Services, Student Life and Student Rights and Responsibilities.

For information on the International New Student Orientation, call 617-984-1663 or stop by the International Student Office.

Note: Once accepted into an Nursing, Natural or Health Sciences Program, students are required to attend a separate mandatory orientation program.
ACADEMIC AMNESTY POLICY (Policy 5.16)
Students who have had a break in enrollment for at least two academic years may, upon application for readmission, file a written petition with the Registrar for academic amnesty.

If students are granted academic amnesty, all grades from Quincy College credit coursework completed at an earlier date are eliminated from computation of the grade point average and will not be applied to a Certificate or Degree program at Quincy College.

Previous credit coursework will not be removed from the student’s scholastic record and transcripts. However, these records will clearly indicate that academic amnesty has been granted and the date that amnesty was approved.

The Vice President for Academic Affairs, in consultation with the appropriate individuals, such as the Division Dean and/or program faculty, will make the final determination.

College credit will not be given for any coursework done during the period for which academic amnesty is granted.

ACADEMIC INTEGRITY POLICY (Policy 5.15)

Academic Integrity Statement
In keeping with our mission, Quincy College will foster a high standard of academic honesty for student, faculty, and staff and will seek to preserve the rights of our entire College community. As part of our academic integrity policy, all members will adhere to the basic values of mutual respect and responsibility as well as individual and institutional integrity. Students will be informed about those actions that constitute a breach of integrity and about those sanctions that may result from academic dishonesty. In the interests of promoting the best environment for learning, we, the community of Quincy College, pledge to advance the principles of honor and integrity in all of our actions.

Student Guidelines
Students assume full responsibility for the content and integrity of the course work they submit. Therefore, to assist students in observing academic integrity, the following guidelines have been developed:

1. Students must do their own work and submit only their own work, unless otherwise permitted by their instructor. If appropriate citation guidelines are not stated on the syllabus, students are encouraged to contact their instructor for guidance.

2. Students may collaborate or cooperate with other students on assignments or examinations only as directed by the instructor.

3. Students must follow all written and/or oral instructions given by instructors or designated College representatives for taking exams, placement assessments, tests, quizzes, and other evaluative instruments.

Types of Academic Dishonesty Involving Students
Academic dishonesty goes against the core values of the Quincy College Mission Statement. These values are HONESTY, TRUST, FAIRNESS, RESPECT, and RESPONSIBILITY. In cases where academic integrity is at issue, the following definitions will apply:

1. Plagiarism is the representation of the words and/or ideas of another as one’s own in any academic assignment. Examples include, but are not limited to: stealing or downloading the entire text of a paper, cutting and pasting various sources together to simulate a new essay, copying small portions of a paper, or misattributing source material.

2. Cheating is using or attempting to use unauthorized materials, information, or study aids in any graded assignment. Examples include but are not limited to: copying from another student, accessing unauthorized books or documents, receiving messages without authority during an exam, and improper use of calculators, computers, or any other electronic devices during exams or other assignments.

3. Fabrication is the falsification of any information or citation in any academic assignment. Examples include but are not limited to: inventing sources, data, or citations for a paper or assignment.
4. **Facilitation** is knowingly aiding or abetting acts of academic dishonesty. Examples include but are not limited to: assisting others to cheat or plagiarize or participating in a conspiracy to cheat.

5. **Misrepresentation** is engaging in acts of deception or forgery in an academic context. Examples include but are not limited to: misrepresenting one’s own work as something that it is not, lying to an instructor or fabricating excuses to improve a grade or to make up for missed work, and excessively misusing computer software to create works that do not truly reflect a student’s skill level.

**Disciplinary Procedures Involving Students**

Violations of the standards of Academic Integrity described in the Quincy College Academic Integrity Statement may result in disciplinary action up to and including dismissal from Quincy College.

Any faculty or staff member who notices infractions of the standards of academic integrity and honesty must file an Academic Incident Report and initiate disciplinary procedures in response to those violations. Students who notice infractions of the standards of academic integrity are encouraged to report the infraction either verbally or in writing to a member of the Quincy College faculty or staff. Examples of penalties that may be imposed by the College include, but are not limited to:

1. Formal written warning placed in the student’s file;
2. Reduced or failing grade for the assignment;
3. Reduced or failing grade for the course;
4. Suspension from the College; and
5. Dismissal from the College.

Severe, flagrant, or multiple violations that have import beyond a specific course may lead to disciplinary action that could result in dismissal from the College and/or denial of readmission to the College. The following factors will be considered in all determinations of penalty:

1. The nature or seriousness of the offense;
2. The injury/damage resulting from the offense; and
3. The student’s prior disciplinary record.

**Disciplinary Action - Hearing and Appeal Procedures Involving Students**

Any student who wishes to appeal any disciplinary action imposed in response to violations of Quincy College’s Academic Integrity standards will do so in accordance with the following steps:

**Step 1:** Within five business days of the date of notification, the student must request a hearing with the appropriate academic dean. Within five business days of the hearing, the dean shall, in writing, notify the student of his/her decision.

**Step 2:** If a student has cause to question the resolution at Step 1, within five business days of the dean’s written decision at Step 1, he/she may forward a written appeal to the Vice President for Academic Affairs. Within five business days of the receipt of the appeal, the Vice President shall, in writing, notify the student, and the individual who files the report, of the outcome of the appeal.

**ACADEMIC PROBATION POLICY (Policy 5.07F)**

**Academic Probation**

Any student having attempted twelve (12) credits, but not having attained a 2.0 cumulative grade-point average (GPA), shall be placed on Academic Probation.

**Removal from Academic Probation**

A student on Academic Probation shall be returned to Good Academic Standing upon attaining a cumulative GPA of 2.0 or higher.

**Continuing on Academic Probation**

A student on Academic Probation must attain a steadily increasing GPA in order to continue on Academic Probation. If at any point a student fails to attain a semester GPA of 2.0 while on Academic Probation, the student will be prevented from taking classes in the following semester.

**Academic Probation Procedure**

A student placed on Academic Probation must meet with her/his professional advisor in the Office of Academic Advising to prepare an Academic Improvement Plan (AIP) in order to take classes in subsequent semesters at Quincy College.
**Academic Suspension**

Any student on Academic Probation, who fails to maintain the required GPA by the time they have earned 24 credits will be suspended from Quincy College for the entire duration of the following fall or spring semester. A student on Academic Suspension will be notified for which semester the suspension applies.

**Readmission from Suspension**

Students on Academic Suspension are eligible to apply for readmission to Quincy College at the end of the affected semester. Students readmitted from Academic Suspension will re-enter the College on Academic Probation and be required to follow the protocols of the Academic Probation Procedure.

**Suspension Appeal**

Any student who is suspended from the College may appeal to have her/his suspension overturned. Students who wish to appeal their suspension must do so by submitting a written Letter of Appeal to the Vice President for Academic Affairs. Students appealing their suspension will meet with the Director of Academic Advising and submit an Academic Improvement Plan in conjunction with their Letter of Appeal.

The Academic Review Committee will consider submitted appeals and convey their recommendation to the Vice President for final decision.

**ACADEMIC STANDING (Policy 5.04)**

A student shall be classified as a sophomore if he/she has met freshman requirements and has earned at least 30 semester hours of credit.

**ADD/DROP POLICY (Policy 5.11)**

A student wishing to drop or add a course may do so by the deadline established in the Academic Calendar by completing an Add/Drop form and submitting it to Enrollment Services, preferably in person. A fee is charged for each schedule alteration, unless it can be shown that the change is necessary due to a College error or class cancellation. If a student wishes to change his/her full program, an appointment must be made with his/her academic advisor to discuss the change. A change of major form must be completed through Enrollment Services.

**ATTENDANCE AND PERFORMANCE (Policy 5.05)**

It is the responsibility of all students to attend classes in order to achieve a successful level of performance. Attendance, grading and performance requirements for each class will be announced at the beginning of each semester. Attendance records will be kept in order to provide verification as needed. The College reserves the right to withdraw students, upon recommendation of the faculty, when there is no potential for successful college work.

**AUDIT A CLASS (Policy 5.05A)**

With some exceptions noted below, Quincy College classes may be taken on an audit basis to provide an opportunity to learn more about a subject or to brush up and update knowledge about a course.

In order to audit a class, the student needs to register, but specify that the registration is for auditing a class. The tuition is one-half the tuition for a credit course.

A student may change a course from audit to credit during add/drop period, upon payment of the full tuition for the course. A change from audit to credit is NOT allowed after add/drop period.

A change from credit to audit is allowed until the last day of withdrawal by completing an add/drop form and returning the form, along with free payment, to Enrollment Services. In the event of a change from credit to audit status, no refund of the tuition paid will be made.

If a student is auditing a class, he/she may elect not to do homework, take exams, or participate in class projects. No grades and no course credits are awarded for a course taken on an audit basis. However, a QEA member or other adult learner taking the course for continuing education purposes may receive a certificate of attendance or certificate of completion at the conclusion of the course.

Exceptions to courses available for audit: All Nursing courses, all science labs, EDU courses that require pre-practicum observations or student teaching. Natural science courses are available only by permission of the division Dean.
COURSE SELECTION (Policy 5.12)
Upon successful completion of a course, a student may not enroll in a lower level course in the same subject for academic credit. Any exceptions to this policy must be in the form of a written approval from the Vice President for Academic Affairs.

DEGREE/CERTIFICATE REQUIREMENTS (Policies 5.01/5.02)
Degree Requirements
Quincy College awards degrees to students who are either high school graduates or G.E.D. recipients and have met degree requirements as approved by the Quincy College Board of Governors and recommended by the President. It is the responsibility of each student to meet the degree standards of the program in which he/she is enrolled. The degree of Associate in Arts or Associate in Science will be awarded to students who meet the following requirements:

1. The satisfactory completion of a minimum of 60 semester hours, of which 30 semester hours shall have been earned at Quincy College (last semester must be completed at Quincy College).
2. A cumulative grade point average of 2.0 or better.
3. Satisfactory completion of the specific course requirements within the curriculum chosen by the student.
4. A satisfactory record of college citizenship.
5. Payment of all fees and tuition owed to Quincy College.
6. Completion of an exit interview, if receiving Financial Aid.
7. Participation in required College-wide or program-specific assessment activities.

Certificate Requirements
Quincy College awards certificates to students who are either high school graduates or G.E.D. recipients and have met certificate requirements as approved by the Quincy College Board of Governors and recommended by the President. It is the responsibility of each student to meet the certificate standards of the program in which he/she is enrolled. The certificate will be awarded to students who meet the following requirements:

1. The satisfactory completion of the required number of semester hours, at least one half of which must be earned at Quincy College (last semester must be completed at Quincy College).
2. A cumulative grade point average of 2.0 or better.
3. Satisfactory completion of the specific course requirements with the curriculum chosen by the student.
4. A satisfactory record of college citizenship.
5. Payment of all fees and tuition owed to Quincy College.
6. Completion of an exit interview, if receiving Financial Aid.
7. Participation in required College-wide or program-specific assessment activities.

FINAL GRADE APPEAL PROCESS (Policy 5.14)
A student who believes that he/she has received a final grade that is not justified may apply to the Academic Review Committee for evaluation of his/her final grade. The purposes of the final grade appeal process are to ensure fairness and academic soundness in the grading process, and to eliminate the inappropriate use of the student grievance procedure for grade disputes. A disputed grade does not constitute a violation of a student’s rights and is therefore not subject to the student grievance procedure.

Basic Assumption
Each faculty member clearly states his/her grading policy on the course syllabus. Grading is at the discretion of the individual faculty member in accordance with the faculty member’s grading policy and applicable College policies.

An Academic Review Committee may review the grading policy of a faculty member to determine: a) if the faculty member’s grading policy is academically sound; b) if the process used by the faculty member to arrive at the student’s final grade is fair and academically sound; c) if the student’s final grade is justified. If the Committee determines, by a majority vote of those members present, and after making written findings, that the grade as originally determined by the faculty member is not justified, then it may change the final grade to the grade that the majority of the Committee present determines to be appropriate. Further, the Committee may, also upon majority vote and after having made written findings, recommend to the faculty member a re-evaluation of his/her grading policy.

Academic Review Committee
The Vice President for Academic Affairs selects a Committee of six (6) members and three (3) alternates from the following groups: teaching faculty; Deans; and the Plymouth Campus. At least one member will be a member of the Quincy Education
Academic Policies

Association. Appointments to the Committee shall be made not later than the start date of an academic year and shall last for one (1) academic year. No member of the Committee, except the Chair, shall serve for more than two (2) consecutive academic years. If a particular grade appeal involves a Committee member, that member must recuse him/herself from the Committee and its deliberations for that grade appeal only, and be replaced by an alternate member. The Chair shall ask an alternate to serve on the Committee in the absence of a Committee member. By virtue of his/her position, the Assistant to the President shall serve as the permanent Chair of the Academic Review Committee. In addition to presiding at meetings of the Committee, the Chair also shall be responsible for the Committee's administrative functions, such as being designated as the person to initially receive all applications/requests for final grade appeals, and distributing to the Committee's members documents pertaining to final grade appeals. The Chair shall be a non-voting member of the Committee except in the case of a tie vote of the other members of the Committee present. At its first meeting in September, the Committee shall elect a Vice Chair. The term of the Vice Chair shall be for one academic year, with the Vice Chair being ineligible for service as Vice Chair in the next succeeding year. The Vice-Chair shall chair Committee meetings in the absence of the Chair. The Committee will meet on the first Wednesday of each month (holidays and College closures excluded) at 1:00 PM, and at other such times as determined by the Chair or, in writing, by the majority of the regular membership of the Committee. The quorum for any meeting of the Committee shall be four (4) members, with the Chair's presence counting toward the existence of a quorum. Following each Committee meeting, the decision(s) rendered will be forwarded to the Vice President for Academic Affairs not later than three (3) business days following the Committee's meeting. The Vice President will notify the student, the affected faculty member, and the College President of the Committee's decision.

Procedure

It is recommended that the student attempt to resolve the final grade dispute with the faculty member with whom the dispute exists, and the appropriate Divisional Dean before requesting a hearing by the Academic Review Committee. The request for a hearing must be submitted to the Chair of the Committee within thirty (30) business days of the final day of classes of the semester during which the disputed final grade was earned. However, in extraordinary circumstances and at its sole discretion, the Committee, or the Chair, sua sponte, may waive the above-referenced thirty (30) day deadline.

1. If the student is unable to resolve the final grade with the faculty member and/or Dean, the student may appeal to the Academic Review Committee. In order for the final grade appeal to be heard by the Academic Review Committee, the student must submit the following:
   - a letter addressed to the Chair of the Academic Review Committee which states the reason(s) why the student feels that the final grade is not justified;
   - a copy of the course syllabus outlining the grading and attendance policies;
   - a record of all test, quiz, and other assessment grades received in the course;
   - copies of all available graded assignments, laboratory assignments, or other work assigned by the faculty member during the course;
   - copies of any papers submitted during the course that affected the final grade (term papers, research papers, care plans, etc.).

2. The Chair of the Academic Review Committee will request that the faculty member submit the following documents:
   - a copy of the course syllabus outlining the grading and attendance policies;
   - class, clinical and/or laboratory attendance record;
   - record of all grades earned by the student while enrolled in the class;
   - copies of any graded assignments, papers, tests, quizzes, or other assessments in the possession of the faculty member that the student completed while enrolled in the course.

3. The inability of the student to provide documents, and/or of the faculty member to provide documents, shall not serve as a bar to the Committee hearing the student's appeal and rendering a decision on the student's appeal.

4. Following the receipt of all available documents identified in steps 1 and 2 above, the Chair of the Academic Review Committee will place the student's grade dispute on the agenda of the next regularly scheduled Academic Review Committee meeting. In the event that waiting for the next, regularly scheduled Committee meeting may jeopardize the student's continued education at Quincy College, opportunities for transfer to a four-year institution, or employment opportunities, the Chair will schedule a meeting sufficiently prior to the next scheduled meeting to adequately accommodate those student issues. The faculty member and the student will be invited to attend. Both the student and the faculty member may offer testimony, may bring witnesses, and both will have the opportunity to question witnesses. The inability of the student and/or faculty member to attend the meeting of the Academic Review Committee at which the student's appeal is scheduled to be heard shall not serve as a bar to the Committee hearing the student's appeal and rendering a decision on the student's appeal.
5. The Academic Review Committee will forward a written decision, including the basis for the decision, the names and titles of those present, a list of documents presented, and a numerical record of the Committee's vote, to the Vice President for Academic Affairs within three (3) business days following the Committee's decision. Those Committee members who disagree with the decision of the majority of the Committee, and who vote in the minority, may submit to the Vice President a written report indicating the basis for their disagreement.

6. The Vice President for Academic Affairs will, in writing, inform the student, the faculty member, and the College President of the Committee's decision within three (3) business days following receipt of the decision of the Committee from the Chair of the Academic Review Committee.

7. The decision of the Academic Review Committee is final and not subject to appeal.

GRADE REPORT PROCEDURE

Quincy College will no longer mail printed grade reports to students unless specifically requested. Students can login to view and print their grades from the “Campus Portal” through the QC website www.quincycollege.edu.

In order to have access to the “Campus Portal”, a student needs to apply for a user account. Please e-mail support@quincycollege.edu the following information:

- Your full name
- Student ID#
- A telephone number where you can be reached
- The last four digits of your SSN (not Required for International students)
- Your date of birth
- Zip Code

The IT department will e-mail you your user name and password to access the “Campus Portal”.

Final grades cannot be obtained in advance from the Enrollment Office. Students cannot access their grades if there is a hold on their accounts because of unpaid tuition, fees, or unreturned library books.

GRADING SYSTEM (Policy 5.07)

Final grades are issued to students in letter grades at the end of each semester as follows:

<table>
<thead>
<tr>
<th>Letter Grade</th>
<th>Percentage</th>
<th>Grade Point Average (GPA)</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>93 and above</td>
<td>4.0</td>

GRADUATION PROCEDURE

In order to graduate from Quincy College, a student must apply for graduation. If you have completed or are about to complete 60 credits for an associate degree or the required number of credits for a certificate program, you may apply for graduation. The last day to apply for graduation is posted each semester.

Print out the Application for Graduation form from the Quincy College website or pick up the form at Enrollment Services. Bring your completed Application for Graduation, along with the stated Commencement Fee, to the Enrollment Services Office or mail the form and fee with payment to: Enrollment Services Office, Quincy College, 1250 Hancock Street, Quincy Center, MA 02169 or to the Plymouth Campus at 36 Cordage Park Circle, Suite 228, Plymouth, MA 02360.
A graduation audit will be done and you will be informed of the audit by mail. The audit will show if you are ready to graduate or if you need to take more classes.

**Note:** A GPA of 2.00 or greater is required to graduate from Quincy College. Students must fulfill all obligations (i.e. financial, library, etc.) due to the College.

All students receiving financial aid must complete an exit interview with the Financial Aid Office prior to graduation.

All matriculating (degree/certificate seeking) students must set up a time with an advisor every semester, before registering for classes, to make sure you are progressing toward completing your requirements.

**ACADEMIC HONORS (Policy 5.10)**
Academic honors are awarded at commencement and are based on the student’s cumulative grade point average (GPA). Graduates having a 3.25 to 3.49 cumulative grade point average will graduate cum laude. Graduates having a 3.50 to 3.74 cumulative grade point average will graduate magna cum laude. Graduates having a 3.75 to 4.0 cumulative grade point average will graduate summa cum laude.

**DEAN’S LIST (Policy 5.08)**
Students whose semester GPA is 3.75 or above and who complete six or more credits within that semester are included on the Dean’s List.

**HOLDS POLICY (Policy 5.07E)**
Holds may be placed on a student’s record for a variety of reasons - financial, academic, or administrative. An asterisk appearing before a student’s name on a class list indicates that some type of hold has been applied to that student’s registration. No grades, further registrations, transcripts or other services will be provided until the hold has been resolved and removed. Any student whose name appears with an asterisk should inquire at the Enrollment Services Office so that the issue can be resolved and normal services restored to the student’s account.

**INCOMPLETE GRADES (Policy 5.07A)**
A student requesting an incomplete grade must sign the Incomplete Grade Request Form. This form is submitted by the instructor when the grade sheet is turned in. Only if both the student and the instructor have signed this written agreement can the form be accepted. Written approval must be given from the appropriate Dean for an incomplete grade to be assigned by the instructor. An incomplete grade not made up by the end of the following semester will automatically become an “F”.

**INDEPENDENT STUDY (Policy 5.13)**
Quincy College recognizes that scholars have unique interests and provides for those who would like to pursue special research projects under the guidance of a faculty member. Independent study is not intended to be a substitute for a regular course, but rather an opportunity for a student to work in a special area related to his/her field of endeavor in depth and with specific objectives.

To qualify for Independent Study, a student with 30 earned credits from Quincy College must have a 3.0 average in his/her area of specialty and at least a cumulative 2.7 average overall. No student may pursue more than three credits per semester to a total of six independent study credits while earning an Associate Degree. Proposals for independent study must be presented no less than five (5) days prior to the start of the semester in which the study is to take place. Acceptance or rejection of the proposal will be made within five (5) class days of the presentation. The acceptance of an independent study is optional on the part of the instructor. Approval is obtained through the faculty sponsor to the dean and finally from the Vice President for Academic Affairs. The fee for independent study credits will be the same as for a regular course and the grade issued will be in accordance with the College’s grading system.

Under unusual circumstances, students may be permitted to take a college credit-bearing course in which an independent study format is used. Ordinarily, independent study may not be taken if the course is a laboratory science or skill course (biology, typing, etc.), if the course is offered during the semester in which the request is made, lacks a detailed outline and/or individualized instruction material, or is required for graduation at the end of the semester in which the request is made.

**INTERNSHIP**
Internship experience provides students with opportunities to apply the concepts learned through readings and class discussions to the workplace environment. Internships serve as a capstone course in a student’s educational program. They may only be taken after the student completes a significant portion of specialized training in his or her major and achieves a qualifying grade point average of 3.1. All internships carry three credit hours and are recognized as program electives within
majors at Quincy College. Student must have completed 30 credits towards a degree with 15 of those completed at Quincy College. A signed agreement between Quincy College and the internship site must be in place prior to the start of the internship experience. Students must also meet program specific prerequisites for internship. Students must receive written approval from the appropriate dean prior to registering for an internship. For more specific information please get in touch with respective deans or the Director of Workforce Development at 617-984-1662.

**MAKE-UP EXAMINATIONS (Policy 5.07D)**
Make-up of final examinations must be arranged with the instructor involved. No charges will be made to students who present a doctor’s certificate of illness or in the case of two exams scheduled for the same time. A make-up fee may be assessed in cases not applying to the above.

**MATRICULATION POLICY (Policy 5.00)**
A matriculating (degree/certificate seeking) student is one who has met prescribed admission requirements, has been officially admitted to an academic program listed in the catalog, and has registered for a course in the curriculum.

Matriculating (degree/certificate seeking) students (admitted to catalog programs) maintain their status for ten academic years from the first semester of course registration at the College unless otherwise specified by specific requirements of certain programs. A minimum of three credit hours of appropriate Quincy College course work must be successfully completed each academic year or an application for readmission must be filed with the Admissions Office.

*Note:* All matriculating (degree/certificate seeking) students must set up a time with an advisor every semester, before registering for classes, to make sure you are progressing toward completing your requirements.

**REPEATING COURSES (Policy 5.07C)**
If the student repeats a course, only the higher grade is calculated into the cumulative grade point average, but both grades will appear on the transcript. Credit is awarded for one course only.

**VARIANCE TO PROGRAM REQUIREMENTS (Policy 5.03)**
Academic programs are planned to ensure that students receive broad-based exposure to the kind of learning that deepens understanding, sharpens analytical thinking, and enhances one’s ability to communicate with others, as well as to provide the student with a firm groundwork in his/her chosen field of study. Consequently, variances in program requirements are granted only in special circumstances.

Early Childhood Education Program: No variances will be given for required courses.

Computer Science: Programming Concentration: No variances will be given for required or elective courses.

Other Transfer Programs: No variances will be given for either required or elective courses. Transfer programs were designed to enable a student to transfer to another college based on research and collaboration with the other colleges to maximize the transferability of the courses. **Exception:** At the discretion of the program Dean, a variance may be given if a student provides a letter, on college letterhead, from the admissions or transfer office of the college to which the student seeks to transfer, certifying that the course will transfer.

Students desiring a variance in program requirements must secure a variance form from the Registrar’s Office and have it completed and signed by the appropriate Dean prior to enrolling in the course for which the variance is requested. Variances in the core curriculum must be approved by the Vice President for Academic Affairs.

**VERIFICATION OF STUDENT IDENTITY FOR DISTANCE EDUCATION (Policy 5.18)**
This policy establishes processes to verify that the student who registers in distance education or correspondence education courses or programs is the same student who participates in and completes the course or program and thus receives the academic credits. Quincy College offers online courses in which student identity verification protocols include a secure login and password for course work and group discussion. In addition, students who register for these courses will have at least one proctored assessment on campus where the instructor will physically verify the identity of the student using a government issued photo ID. Those students who are unable to attend a proctored assessment on Quincy College campus must make alternate arrangements using the approved guidelines associated with this policy. Proctor Agreement and Verification Forms are available in Enrollment Services and on www.quincycollege.edu.

**Arranging for Proctored Assessments, Distance Education**
If you live outside of Quincy, MA and/or cannot come to Quincy College campus for scheduled online proctored exams:
You can arrange to take your test elsewhere under the supervision of an approved proctor; that is, someone authorized by your QC instructor to conduct the test. Just follow the step-by-step guidelines for alternative testing to make the necessary arrangements. Please note that use of alternative testing is at the discretion of the instructor; please contact them as soon as possible to consider what arrangements need to be made.

**Acceptable Proctors**
- Official testing centers
- Certified librarians at a school, university or public library
- College or university administrators and instructors
- Educational officers of a corporation,
- Officer of United States Military

**Unacceptable Proctors Include:**
- Relatives or spouses/partners
- Friends
- Co-workers or business associates
- Peers
- Undergraduate students
- Athletic coaches

**Student Responsibilities**
- Make arrangements with a proctor as soon as possible (at a minimum of four (4) weeks before the scheduled assessment event). Give the proctor the instructor’s e-mail address and have the proctor contact the instructor.
- Let your proctor know if your assessment is done on paper or computerized before setting an appointment as they may not be able to accommodate you if your exam is computerized.
- Submit your proctor choice, using the proctor verification form, to the instructor as soon as possible, or at a minimum of three (3) weeks before the exam date.
- Check with your proctor before your exam is scheduled to make sure they have all the information needed.
- Pay any testing fees, if applicable.
- Be aware of time limits on your exam and keep track of the time.
- Notify instructor if the proctor feels the exam procedure has been compromised.

**WITHDRAWAL POLICY (Policy 5.07B)**
A student desiring to withdraw from a course or from the College must complete an official withdrawal form. Failure to attend class or merely giving notice to an instructor is not considered an official withdrawal. If the student withdraws, a W classification is recorded on his/her transcript.

The effective date of the withdrawal to determine a tuition refund will be the date that the official form is received.

Students who withdraw from any or all classes must do so in writing through the Enrollment Services Office. The office may require the student to get an approval from his/her advisor. No withdrawals are official until recorded by the enrollment services office. No withdrawals are permitted within the last

**TUITION RATES FOR LAWFUL IMMIGRANTS**
The Massachusetts Department of Higher Education recently clarified those circumstances under which certain individuals, though not legally in the United States, may be eligible for in-state tuition at Massachusetts’ public universities and community colleges. This policy has been implemented at Quincy College, effective retroactive to April 1, 2013.

This practice prevents certain persons who are not legally in the United States, and who meet certain very specific criteria, from being charged the “Non-US Resident Student Fee”, commonly referred to as the International Student Fee. This fee currently is $50.00 per credit.

To be eligible for this status, an individual must meet all of the following criteria:
- was under the age of 31 as of June 15, 2012;
- came to the United States before reaching his/her 16th birthday;
- has continuously resided in the United States since June 15, 2007, up to the present time;
- was physically present in the United States on June 15, 2012, and at the time of making the request for consideration of
deferred action with the United States Citizenship and Immigration Services (USCIS);
• is currently in school, has graduated or obtained a certificate of completion from high school, has obtained a general education development (GED) certificate, or is an honorably discharged veteran of the Coast Guard or Armed Forces of the United States; and
• has not been convicted of a felony, significant misdemeanor, three or more other misdemeanors, and does not otherwise pose a threat to national security or public safety.

If a student meets all of the above Deferred Action for Childhood Arrivals (DACA) criteria, and possesses a valid Employment Authorization Document (also known as a work permit) issued by the federal government, that student will, for purposes of tuition and fees, be considered a “lawful immigrant” and not be subject to payment of “Non-US Resident Student Fees”.

FRAUD ASSESSMENT POLICY (Policy 9.14)

Background
This policy is being established to allow Quincy College to develop the controls that will aid us in the detection and prevention of fraud against Quincy College. It is the intent of Quincy College to promote consistent organizational behavior by providing guidelines and assigning responsibility for the development of controls and conduct of investigations.

Scope of this Policy
This policy applies to any irregularity, or suspected irregularity, involving employees as well as consultants, vendors, contractors and/or any other parties with a business relationship with Quincy College. The Chief Financial Officer (or the individual designated to perform the duties of the Chief Financial Officer) is responsible for the administration, revision, interpretation, and application of this policy. The policy will be reviewed annually and revised as needed.

Policy
Management is responsible for the detection and prevention of fraud, misappropriations, and other irregularities. Fraud is defined as the intentional, false representation or concealment of a material fact for the purpose of inducing another to act upon it to his or her injury. Each member of the management team should be familiar with the types of improprieties that may occur within his/her area of responsibility and be alert for any indication of irregularity. Any irregularity that is detected or suspected must be reported immediately to V.P Administration and Finance, who coordinates all investigations with the legal department and other affected areas, both internal and external.

Decision to prosecute or refer the examination results to appropriate law enforcement and/or regulatory agencies for independent investigation will be made in conjunction with legal counsel and senior management, as will final decision on disposition of the case.

There are three general categories of fraud risk: fraudulent financial statements, misappropriation of assets and corruption. Like any other organization, Quincy College relies on Information Technology to conduct business, communicate and process financial information. As a part of risk identification process, a weekly report of “Override of Controls” will be shared with the Vice Presidents and the President.

Actions Constituting Fraud
• Any dishonest or fraudulent act.
• Misappropriation of funds, securities, supplies, or other assets.
• Impropriety in the handling or reporting of money or financial transaction.
• Profiteering as a result of inside knowledge of college activities.
• Disclosing confidential and proprietary information to outside parties.
• Disclosing to other persons activities engaged in or contemplated by the College.
• Accepting or seeking anything of material value from outside vendors or persons, except gifts less than US $50 in value.
• Destruction, removal, or inappropriate use of records, furniture, fixtures, and equipment.
• Any similar or related irregularity. (Irregularities, concerning an employee’s moral, ethical, or behavioral conduct should be resolved by the immediate supervisor and Employees relations in Human Resources)

Investigation Responsibilities
The Chief Financial Officer (or the individual designated to perform the duties of the Chief Financial Officer) has the primary responsibility for the investigation of all suspected fraudulent acts as specified in this policy. If the evidences substantiates that the fraudulent activity/ies has/have occurred, the Vice President will notify the President who would notify the Finance and Facility sub-committee of the Board.

Decision to prosecute or refer the report to appropriate law enforcement and/or to other agency for independent investigation
will be made in conjunction with legal consul and senior management.

**Reporting Procedures**

It is the responsibility of every employee, supervisor, manager and executive to immediately report suspected misconduct or dishonesty to their supervisor. Supervisor in turn must report this to their supervisor. Any reprisal against any employee or other reporting individual because that individual, in good faith, reported a violation is, strictly forbidden. Employees may leave an anonymous message on 617-984-1770.

Great care must be taken in the investigation of suspected improprieties or irregularities so as to avoid mistaken accusations or alerting suspected individuals that an investigation is under way. Employees with supervisory and review responsibilities at any level have additional deterrence and detection duties, especially following three:

- First, they must become aware of what can go wrong in their area of authority.
- Second, they must put into place and maintain effective monitoring, review, and control procedures which will prevent acts of wrongdoing.
- Third, they must put into place and maintain effective monitoring, review, and control procedures which will detect acts of wrongdoing promptly should prevention efforts fail.

If the complaint is against Vice Presidents, the contact is the President, if the complaint is against the President, Chairman of the Board of Governors should be contacted. The employee or other complainant may remain anonymous. All employees reporting any fraud will be protected under “Whistleblower Act” of 1989.

All inquiries concerning the activity under investigation should be directed to the investigation person. No information concerning the status of investigation will be given out. The proper response should be: “I am not at liberty to discuss the matter.”

The reporting individual should be informed of the following:

- Do not contact the suspected individual in an effort to determine facts or demand restitution.
- Do not discuss the case, facts, suspicions, or allegations with anyone unless specifically asked to do by the legal department with the involvement of HR.
- For a College employee the investigation unit will be comprised of the Vice President, Assistant to the President and the Vice President for Human Resources.
- If the unit recommends terminating an individual, the recommendation will be reviewed by an outside attorney, and shared with the Board, before such action is taken.
- The process must be completed within 30 days of the fraudulent report.

Assessment of the likelihood and significance of identified fraud risk:

Assessing the likelihood and significance of each potential fraud risk is a subjective process. All fraud risks are not equally likely, nor will all frauds have significant impact. Quincy College has compiled a list of all possible fraud risks that may occur on campus in Appendix A. An annual review of exposures will be helpful in further evaluation of these assessments. The areas that need this assessment include Accounting, Purchasing, Contracting and Information Technology.

Quincy College has identified following fraud risks:

**Financial Reporting:**
- Inappropriately reported revenues.
- Inappropriately reported expenditures.
- Inappropriately reflected balance sheet amounts including reserves.
- Concealing misappropriation of assets
- Concealing unauthorized receipts and expenditures.

**Misappropriation of Assets:**
- By employees
- By vendors
- By former employees and other outside the organization.
Corruption:

- Bribery and gratuities.
- Aiding and abetting fraud by other parties (e.g., vendors)
- Conflict of interest
- Embezzlement.

Appendix A is the fraud risk assessment form used by the College to assess the risk and controls in place (Blank form adapted from www.nd.gov/fiscal/forms)

CAMPUS SECURITY

TIMELY WARNING (Policy 11.01)

In the event that a situation arises, either on or off campus, that in the judgment of the President of the College (or his designee) or the Quincy or Plymouth Police departments constitutes an ongoing or continuing threat, a campus-wide ‘timely warning’ notification will be issued. The notification will be issued through the College email system; text to students, faculty and staff; on the College’s website (http://quincycollege.edu/) and/or via TV monitors on campus.

These notifications will be prepared and approved by the President of the College and distributed to the community by IT, Campus Services & Facilities, and Marketing. Follow-up information will be disseminated via aforementioned systems throughout the duration of the crisis as deemed appropriate.

Depending on the particular circumstances of the crime, especially in all situations that could pose an immediate threat to the community and individuals, thereby requiring more immediate notification, the President of the College or his designee will coordinate with the Office of Information Technology for additional methods of dissemination.

Anyone with information warranting a timely warning should report the circumstances to the Director of Campus Services & Facilities by phone (617-984-1760) or in person at Saville Hall, Room 212.

REPORTING THE ANNUAL DISCLOSURE OF CRIME STATISTICS (Policy 11.02)

The Office of Institutional Research and Assessment, in conjunction with Campus Services & Facilities prepares the annual disclosure of Crime Statistics to comply with Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report is available on our website at www.quincycollege.edu. This report is prepared in cooperation with local police in Quincy and Plymouth. Quincy College is a department of the City of Quincy and does not maintain a separate police force. We have no residence halls.

Each year in the fall, a letter is sent to all students advising them of the availability of the Crime Statistics Report on the website. The college will also send notifications to all staff and faculty about the availability of this report on the website with their October paycheck. Copies of this report may also be obtained from the Office of Campus Services or by calling 617-984-1760. All prospective employees will be informed on our job postings that the crime report is available on our website from Campus Services.

The Office of Institutional Research and Assessment, in conjunction with Campus Services & Facilities maintains and reports statistics concerning the occurrence on campus of any arrests or referrals for disciplinary action for the following crimes:

a. Murder and Non-negligent Manslaughter
b. Negligent Manslaughter
c. Forcible and Non-Forcible sex offenses
d. Robbery
e. Aggravated assault
f. Burglary
g. Motor vehicle theft
h. Arson
i. Hate Crimes

Campus security also maintains and reports statistics concerning the occurrence on campus of any arrests or referrals for disciplinary action for the following crimes:
a. Liquor law violations  
b. Drug abuse violations  
c. Weapons violations

The Resource Officers from Campus Services work closely with the Quincy Policy Department. It is college policy to report all serious crimes to the Quincy Police Department and to cooperate fully in the prosecution of those involved regardless of their status on campus.

REPORTING OF CRIMINAL OFFENSES (Policy 11.03)
For all EMERGENCIES, including fire, medical emergencies and emergencies of a criminal nature, dial 911 from the nearest available telephone, providing the operator with as much detail on the incident as possible, including specific location.

After a report is made to the policy by calling 911, faculty and staff should provide a verbal report of the incident to the Director of Campus Services and Facilities, Bill Hall, at 617-984-1760. A written report must then be provided to the Assistant to the President using the online Incident Reporting System.

Any suspicious activity in and around campus should be reported by calling the above number so you may also report a crime to the following:

<table>
<thead>
<tr>
<th>Vice President of Academic Affairs</th>
<th>President’s Place</th>
<th>617-984-1626</th>
</tr>
</thead>
<tbody>
<tr>
<td>Dean Mary Burke</td>
<td>Plymouth Campus</td>
<td>618-984-1709</td>
</tr>
<tr>
<td>Dean Vincent van Joolen</td>
<td>Saville Hall</td>
<td>617-984-1713</td>

</tr>
<tr>
<td>Interim Dean William Brennan</td>
<td>President’s Place</td>
<td>617-405-5921</td>
</tr>
</tbody>
</table>

For all off campus crimes, please report to local police.

For all non-emergencies, please contact the Director of Campus Services and Facilities, Bill Hall, at 617-984-1760. In addition, non-emergency, non-academic based incidents, including but not limited to, missing items, stolen property, student misconduct including altercations with other students, faculty, or staff, intoxication, drug abuse, parking and motor vehicle incidents, unsecured doors or property, vandalism, fire alarms, safety issues, and non-compliance with the Americans with Disabilities Act, should be reported to the Assistant to the President in written form, using the online Incident Reporting System referenced above.

A log of reportable incidents, including emergencies and non-emergencies cited above, shall be maintained by the Assistant to the President, and, if appropriate, the Assistant to the President shall refer each report to the appropriate Quincy College staff person for further information and/or resolution. In such a case, further status/information regarding the incident should be communicated back to the Assistant to the President in accordance with timelines set forth in the procedures that are attached to this policy but that are not made a part of this policy.

Voluntary Confidential Reporting Procedures
If you are the victim of a crime and do not want to pursue action within the College or the criminal justice system, you may want to consider making a confidential report. With your permission, the Director of Campus Services & Facilities can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential while taking steps to ensure the future safety of yourself and others. With such information, the College can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alter the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crime statistics for the institution.

Limited Voluntary Confidential Reporting
As a department of the City of Quincy, Quincy College has no written policy about Limited Voluntary Confidential Reporting. Instead, those procedures are the purview of the police Department.

CAMPUS FACILITIES - SECURITY, ACCESS, AND MAINTENANCE (Policy 11.04)
Quincy College is strongly committed to maintain safety on campus. All campus buildings in Quincy and Plymouth are accessible to the campus community, guests and visitors during normal business hours, Monday through Friday. During non-
business hours access to all College facilities is by Access Control systems (issued to Executive Staff). Video security has also been implemented on both the Quincy and Plymouth campuses for additional security.

Computer laboratories and Nursing medical supply rooms are controlled by access control cards when not in use and are not open to students unless there is a teacher, supervising staff member, or lab monitor present.

Each building and parking area also have safe levels of exterior lighting. Our parking lots at President’s Place, our Plymouth campus, and on the first floor level of Saville Hall, as well as pedestrian walkways have exterior lights. Exterior lighting on rental buildings in Quincy and Plymouth are well positioned to provide adequate illumination. Campus Services and custodians regularly survey and maintain existing lights.

Both during the day and at night, the Quincy campus has resource officers who patrol our grounds. In Plymouth, Quincy College resource officers patrol the campus as well as receive supplemental support from the landlord for our campus, who provides security throughout the evenings. Resource officers and custodians regularly check the security of the doors.

Students are required to carry their Quincy College Identification (ID) card at all times while on campus. Students must produce their ID cards when so asked by a college official. No solicitation is allowed on campus. Buildings are opened at least 45 minutes before the start of the first class of the day and are locked not more than 45 minutes after the last class of the day.

Vehicles are ticketed or towed as per the parking policy. Visitors may park in designated spaces.

Quincy College has no residence halls.

Emergencies may necessitate changes or alterations to any posted schedules. Areas that are revealed as problematic have had security surveys conducted of them and security enhancements were made where appropriate.

Members of the College community are encouraged to report and facility deficiencies to Campus Services by calling 617-984-1760.

LAW ENFORCEMENT AUTHORITY AND INTERAGENCY RELATIONSHIPS (Policy 11.05)
Quincy College is a department of the City of Quincy and has no police officers with full arrest powers on campus. In case of an emergency, the emergency number 911 is called.

Information is exchanged and Campus Services is in close contact with the local police.

The Quincy College Campus Services office has the authority to ask persons for identification and to determine whether individuals have lawful business at Quincy College. Resource Officers have the authority to issue parking tickets, which are deposited with the City’s Treasurer’s Office. Criminal incidents are referred to local police. All crime victims and witnesses are strongly encouraged to immediately report the crime to College officials or directly to police. Prompt reporting will assure timely warning notices on-campus and timely disclosure of crime statistics.

PROCEDURES FOR REPORTING A CRIME OR EMERGENCY (Policy 11.06)
Students, faculty, staff and guests are encouraged to report all crimes and public safety related incidents by filing an incident report or by calling 617-984-1760. In case of an emergency, please call 911 directly.

All incident reports are forwarded to respective heads of departments for resolution. If assistance is required from the police or fire department, Campus Services will contact the appropriate unit. If a sexual assault or rape should occur, staff on the scene, including Student Success Coaches, will offer the victim a variety of services including 24 hour hotlines.

The Student Success Coaching Office has information about resources and the information is made available in the event students become the victim of a crime.

All crimes should be reported to ensure inclusion in the annual crime statistics and to aid in providing timely warning notices to the community.

All reports will be investigated. As a department of the City of Quincy, the College does not have procedures for voluntary, confidential reporting of crime statistics. Violation of the law will be referred to law enforcement agencies and when appropriate, to the College Disciplinary Committee for review. When a potentially dangerous threat to the College community arises, timely warnings will be issued through email announcements, notices posted on our website, closed circuit TV, text messages, in-class
announcements, or other appropriate.

**DRUG-FREE AND ALCOHOL-FREE WORKPLACE POLICY (Policy 11.07)**  
It is the policy of Quincy College to maintain a drug-free and alcohol-free workplace and learning environment. Quincy College seeks to maintain an environment that is safe and secure and that promotes productivity for all students and employees. Since the possession and/or use of alcohol or illegal drugs on any building or property occupied or used by Quincy College, or at any event sponsored by Quincy College may impair the health and safety of students and employees, inhibit the personal and academic growth of students, lower the productivity and the quality of the work performed by employees, and undermine the public’s confidence in the College, a strong policy prohibiting such possession and/or use has been established.

No student, employee of the College (including student employees), or visitor shall possess, unlawfully use, manufacture, distribute, dispense, or sell illegal drugs or controlled substances (as defined in the Controlled Substance Act, 21 U.S.C. Section 812) for other than their intended, prescribed purpose, nor shall any student, employee of the College (including student employees) or visitor possess or consume alcohol while on any property or building occupied by Quincy College or at any event or activity sponsored by Quincy College. Such action is absolutely prohibited in accordance with College policy and applicable federal and state law.

It is the policy of Quincy College to enforce all federal, state, and municipal laws pertaining to illegal drugs, controlled substances, and alcohol and to seek prosecution of any individual who violates the various laws cited in this policy, as well as to initiate disciplinary action against any individual who violates this policy.

**SECURITY AWARENESS AND CRIME PREVENTION PROGRAMS (Policy 11.08)**  
Right now, Quincy College is capable of releasing information to the College community through broadcast e-mails, two way radios, closed circuit TV’s, and text messages. Each building is under surveillance through closed circuit cameras whose tapes can be reviewed in case of an incident.

Student Success Coaches conduct several alcohol awareness programs throughout the school year with the help of local police. Programs are based on state law, the consequences of violating the laws, how the college and police will respond to any violation and how problems can be avoided.

Quincy College presents programs and events to promote awareness of drug and alcohol abuse and its consequences. The College also provides screening and makes referrals for students dealing with drug and alcohol issues through its Student Success Coaching office.

During orientations in Fall and Spring, students are informed of the services offered by Quincy College. Slide presentations will outline ways to maintain personal safety. They will also be informed about the crime statistics on campus and areas surrounding the campus.

At least twice during the academic year, the Director of Student Affairs, in cooperation with Student Success Coaches and Campus Services, will present crime prevention awareness sessions on sexual assault, drug abuse, theft, and vandalism, as well as educational sessions on personal safety.

A common theme of all awareness and crime prevention programs will be to encourage students and employees to be aware of their responsibility for their own security and the security of the others.

In addition to the above mentioned sessions, information will be disseminated to students and employees through crime prevention awareness packages, security alert posters and articles in the College newspaper.

**ADDRESSING OFF-CAMPUS CRIMINAL ACTIVITY (Policy 11.09)**  
Quincy College is a department of the City of Quincy and has no police officers with full arrest powers on campus. When a Quincy College student is involved in an off-campus offense, the incident is handled by the local, state, or federal law enforcement. Information is regularly exchanged and Campus Services is in close contact with the local police.

**SEXUAL ASSAULT INFORMATION (Policy 11.10)**  
Each year the Student Success Coaching Offices in Quincy and Plymouth present workshops that are open to the Quincy College community that promote awareness of sexual misconduct, including rape and sexual assault and prevention, domestic violence and bystander awareness.
In addition, Quincy College presents forums relevant to Domestic Violence Awareness on both campuses. These educational forums are in collaboration with community resources including DOVE of Quincy, South Shore Women’s Resource Center in Plymouth, the Quincy and Plymouth Police Departments, the District Attorney’s Office in Quincy, and Jane Doe, Inc.

Quincy College does not provide housing for students, but our Student Success Coaches are always available by request to help students or staff access resources should a sexual assault occur on or off campus.

Quincy College has in place a Sexual Harassment Policy and Harassment Free Workplace Policy (Policy 3.03) that defines the policy, and details the procedure and the investigative process. It is available on our website www.quincycollege.edu, in our college catalog, and in our Employee Handbook.

As a department of the city, Quincy College policy is that victims of a sexual assault of any kind should contact the Quincy Police Department.

Quincy College is committed to provide help to any student, faculty, or staff member through both on and off-campus resources if requested.

Quincy College will also change the victim’s academic situation if such is requested.

**ISSUING AN EMERGENCY NOTIFICATION (Policy 11.11)**

Quincy College will immediately notify the campus upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or staff occurring on campus.

Upon confirmation by the President of the College (or his designee) or the Quincy or Plymouth Policy Departments that an event is currently occurring on or imminently threatening the campus, Quincy College will issue an emergency notification. The notification will be issued through the college e-mail system; text to students, faculty, staff; on the College’s website (http://quincycollege.edu); and/or via TV monitors on campus.

These notifications will be prepared and approved by the President of the College and distributed to the community by the IT, Campus Services and Facilities, and Marketing Departments. If the President of the College or his designee deems necessary, given the immediate circumstances of the crime, more immediate notification may be required. In this situation, the President or his designee will coordinate with the Office of Information Technology for additional methods of dissemination.

Anyone with information warranting an emergency notification should report the circumstances to Police by dialing 911 or the Director of Campus Services and Facilities, by phone at 617-984-1760.

**EMERGENCY RESPONSE (Policy 11.12)**

In the event of a significant emergency or dangerous situation involving an immediate threat to the health or safety of the Quincy College community, upon confirmation by the President of the College (or his designee) or the Quincy or Plymouth Police Departments, Quincy College will immediately notify the campus community.

The President or his designee will take into account the nature and location of the incident and the safety of the community, and determine the appropriate content of the notification. The only reason Quincy College would not immediately issue a notification for a confirmed emergency or dangerous situation is if doing so will compromise efforts to: assist a victim, contain the emergency respond to the emergency, or otherwise mitigate the emergency.

Once determined a notification is appropriate and the content is approved, the President will direct the distribution of the notification to the College community by the IT, Campus Services and Facilities, and Marketing Departments. Notifications may be distributed through the College email system, text messages, posting on the College website (http://quincycollege.edu) and messages on the TV monitors on campus. Messages will be sent to all community members on the affected campus(es), and will contain only a very brief description of the type of emergency along with instructions on how to protect yourself, if applicable. After the initial alert message, additional information may also be distributed through the notification systems.

Immediately upon the Administration learning significant emergency or dangerous situation, Quincy College will immediately notify local police departments and other authorities, and when appropriate, coordinate and communicate with these local authorities to monitor the situation and provide instruction/information to the College and larger community.
The College’s emergency notification systems will be tested annually.

Additional emergency response and action shall be governed by the relevant provisions of the Quincy College Safety and Security Plan.

STATEMENT ADDRESSING SEX OFFENDER REGISTRATION (Policy 11.13)

In accordance with the “Campus Sex Crimes Prevention Act” of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the Jeanne Clery Act and the Family Educational Rights and Privacy act of 1974, Quincy College is providing a link to the Massachusetts Sex Offender Registry Board. This act requires institutions of higher education to issue a statement advising the campus community where law enforcement information provided by a State concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a State to provide notice of each institution of higher education in that State at which the person is employed, carries a vocation, or is a student. In the Commonwealth of Massachusetts, convicted sex offenders must register with the Sex Offender Registry Board maintained by the Executive Office of Public Safety and Security.

The Massachusetts Sex Offender Registry Board (SORB) provides information on Level 2 and Level 3 sex offenders via the Internet pursuant to Chapter 6, Sections 178C – 178P, of the Massachusetts General Laws. Registry information so provided shall be used for the purposes of the administration of criminal justice, screening of current or prospective employees, volunteers or otherwise for the protection of the public in general and children in particular. Unlawful use of the information for the purposes of committed a crime or threatening to commit a crime against a sex offender or of engaging in illegal discrimination or harassment is prohibited and is punishable by imprisonment or fine or both. (M.G.L. Ch. 6, Section 178N and Ch. 275, Section 4)

The Massachusetts Executive Office of Public Safety and Security is responsible for maintaining this registry. Follow the link below to access the Sex Offender Registry Board website.

http://www.mass.gov/eopss/agencies/sorb

If you have questions regarding access to sex offender information, you may contact Stephen Kearney, J.D. by email: skearney@quincycollege.edu or phone: 617-984-1734.

ADDRESSING DISCLOSURES TO ALLEGED VICTIMS OF CRIMES OF VIOLENCE OR NON-FORCIBLE SEX OFFENSES (Policy 11.14)

Quincy College will, upon written request, disclose to the alleged victim of a crime of violence, or a non-forcible sex offense, the results of any disciplinary hearing conducted by the college against the student who is the alleged perpetrator of the crime or offense. If the alleged victim is deceased as a result of the crime or offense, Quincy College will provide the results of the disciplinary hearing to the victim’s next of kin, if so requested.

CRIMINAL OFFENDER RECORD INFORMATION (CORI) POLICY (Policy 4.03A)

Where Criminal Offender Record Information (CORI) checks are a part of a general background check for clinical or other placement of students, the following practices and procedures will be followed:

1. CORI checks will only be conducted as authorized by the Criminal History Systems Board. All applicants will be notified that a CORI check will be conducted. If requested, the applicant will be provided with a copy of the CORI policy.

2. An informed review of a criminal record requires adequate training. Accordingly, all personnel authorized to review CORI in the decision-making process will be thoroughly familiar with the educational materials made available by the Criminal History Systems Board.

3. Unless otherwise provided by law, a criminal record will not automatically disqualify an applicant. Rather, determination of suitability based on CORI checks will be consistent with this policy and any applicable law or regulation, or with the policy or practices of the agency with which the student is placed.

4. If a criminal record is received from the Criminal History Systems Board, the authorized individual will closely compare the record provided by the Criminal History Systems Board with the information on the CORI request form and any other identifying information provided by the applicant, to ensure the record relates to the applicant.

5. If Quincy College is inclined to make an adverse decision based on the results of the CORI check, the applicant will be notified immediately. The applicant shall be provided with a copy of the criminal record and the organization’s CORI policy, advised of the part(s) of the record that make the individual unsuitable for the position or license, and given an opportunity to dispute the accuracy and relevance of the CORI record.
6. Applicants challenging the accuracy of the policy shall be provided a copy of the Criminal History Systems Board's Information Concerning the Process in Correcting a Criminal Record. If the CORI record provided does not exactly match the identification information provided by the applicant, Quincy College will make a determination based on comparison of the CORI record and documents provided by the applicant. Quincy College may contact the Criminal History Systems Board and request a detailed search consistent with the Criminal History Board Policy.

7. If Quincy College reasonably believes the record belongs to the applicant and is accurate, based on the information as provided in Section 4 of this policy, then the determination of suitability for the position or license will be made. Unless otherwise provided by law, factors considered in determining suitability may include, but may not be limited to, the following:
   - Relevance of the crime to the position sought;
   - The nature of the work to be performed;
   - Time since conviction;
   - Age of the candidate at the time of the offense;
   - Seriousness and specific circumstances of the offense;
   - The number of offenses;
   - Whether the applicant has pending charges;
   - Any relevant evidence of rehabilitation or lack thereof; and
   - Any other relevant information, including information submitted by the candidate or requested by the hiring authority.

8. Quincy College will notify the applicant of the decision and the basis of the decision in a timely manner.

QUINCY COLLEGE STUDENT CODE OF CONDUCT PROCEDURE

I. Introduction
Quincy College (‘the College’) strives to maintain a positive environment for teaching and learning. By outlining the behavioral expectation for students and the procedures of enforcement, the Student Code of Conduct (‘Code of Conduct’) fosters a climate of honesty, integrity, civility and respect to engender a spirit of personal responsibility in our students. The Code of Conduct is intended as a framework of acceptable student behavior and prohibited conduct. It should not be regarded as an exhaustive list of prohibited conduct, nor should it be construed as a contract between the student and the College. The intent of the College is to develop traits and behaviors in students, such as critical thinking, self-motivation, and the ability to foresee consequences for their actions.

II. Definitions
1. The term Accused Student means a student who is alleged to have violated a college policy or the Code of Conduct.

2. An Administrative Disposition is a resolution of the complaint mutually agreed upon by the CCO and the Accused Student in an Administrative Hearing. By agreeing to the Administrative Disposition, the accused student waives his/her right to a Judicial Board Hearing and an appeal of the resolution.

3. A Classroom will include classrooms, laboratories, libraries, clinical sites, and any other learning space on the College Premises or used by Quincy College.

4. The Code of Conduct Officer (CCO) is the college official responsible for receiving all incident reports, determining whether further action is warranted, referring the matter to staff and/or an external third party for further action as needed, and investigating or causing to be investigated the alleged violation of College policy or the Code of Conduct.

5. College Community means any student, faculty, staff, college official or guest of the college.

6. A College Official is any person employed by the college acting under the authority of the college.

7. A College Partnership is an outside company or facility that the college has an agreement or contract with, such facilities or companies for clinical placements or internships or rentals for college sponsored events.

8. College Premises are all buildings and grounds owned, leased, operated, occupied on a regular basis, controlled or supervised by the College.

9. A College Sponsored Activity is any activity on or off campus authorized or supervised by the College, including but not
limited to clinical placements, internships, student activities and college events.

10. A Day as outlined in the Judicial Process means a college work day which is defined as only Monday through Friday, exclusive of holidays and other College closures.

11. A Faculty Member is any full or part time instructor, assistant professor, associate professor, professor, adjunct professor, adjunct instructor, clinical instructor, laboratory instructor or librarian employed by the college to conduct academic activities.

12. An Incident Report is a form that can be completed in writing by any person who alleges that he/she has been harmed by a student who has violated college policy or the Code of Conduct, or by any person who witnesses a student violate college policy or the Code of Conduct, or a report taken by a member of the College staff relating what said witness(es) reported to him/her and reduced to writing.

13. The Judicial Appeals Officer is designated by the President to hear appeals filed by students who have been found responsible for violation of college policy or of the Code of Conduct by the Judicial Board.

14. The Judicial Board is comprised of members of the Judicial Committee who conduct a fair and impartial hearing, when a determination has been made by the CCO that a violation of policy or the Code of Conduct has been determined to have occurred. The Judicial Board is appointed by the President.

15. The Judicial Committee is comprised of faculty and staff trained by the Judicial Appeals Officer to serve on a Judicial Board. The Judicial Committee is appointed by the President.

16. The President is the President of Quincy College or his/her designee.

17. A Student is any person enrolled in or accepted for any course or academic program at the college, full or part time, credit or non-credit.

III. Code of Conduct Violations
A student shall be subject to college disciplinary/judicial procedures under this policy for violating this code of conduct and/or College policies, including but not limited to the following:

1. Endangering the health and/or safety of the college community by:
   a) Intentionally or negligently causing physical/bodily harm or the threat of physical/bodily harm to any person or to the college community in general.
   b) Harassing, intimidating, stalking, bullying or coercing, either verbally, physically, in writing or by electronic means (i.e. email, social media etc.) any person.
   c) Engaging in behavior that infringes or is intended to infringe upon the rights of others.
   d) Engaging in lewd, indecent and/or obscene behavior, including possession of pornographic/obscene materials on campus and/or downloading or uploading pornographic material on college computers and/or college social media sites; or engaging in consensual sexual or inappropriately intimate behavior on campus or at a college activity or event.
   e) Possessing firearm(s), explosives, dangerous chemical(s), or other dangerous and/or illegal weapon(s) or instruments on the college premises or at a college activity or event with the exception of law enforcement officers carrying service weapons.
   f) Tampering with fire and/or safety equipment or activating a false fire alarm or bomb threat.

2. Obstructing or disrupting the normal operations of the college or college sponsored activities by conduct, including but not limited to:
   a) Hindering the free flow of pedestrian or vehicular traffic, blocking entrance, exit or access to any college premise or college partnership facilities, stairway or hallway.
   b) Acting in a manner that interferes with or disrupts classroom, laboratory, library, or clinical experiences or that is in violation of the faculty member’s syllabus or otherwise disrupts academic or administrative activities.
c) Dressing in a manner that inappropriately exposes body parts or otherwise disrupts the academic environment causes undue attention to an individual student.

d) Inciting or otherwise causing others to disrupt the normal operations of the college or college sponsored activities.

3. Using or being under the influence of alcohol while on college premises or at college sponsored events and activities except as authorized in accordance with official college policy; possessing or distributing alcoholic beverages while on campus or college sponsored events.

4. Using or being under the influence of, possessing, manufacturing, distributing any illegal drug, marijuana, narcotic, hallucinogen or similar chemical agent, including the inappropriate or unlawful use, distribution or possession of prescription drugs, in any quantity, that is prohibited by law.

5. Any unauthorized use of electronic or other devices to make an audio recording of any person while on College property or at a College event or activity without the express consent of the person; any violation of the College’s acceptable use policies.

6. Engaging in unauthorized or illegal gambling on campus or at college sponsored events, either in person or by computer.

7. Failing to comply with the directions of a college official, faculty member or law enforcement officer acting in accordance with their duties, including but not limited to failing to, when requested to do so, present a valid, current Quincy College identification.

8. Forging, altering or misusing any college document, record or means of identification including student identification card, user name, pin code or password, college portal and email access.

9. Defacing, damaging or destroying college property, including but not limited to graffiti or tagging; attempted or actual theft or unauthorized removal of college property or the property of another person; member of the college community / college partnership, or other personal or public property.

10. Possessing or duplicating keys, mechanical or electronic, to college premises without authorization; or entering college premises outside of normal business hours without authorization.

11. Engaging in acts of Hazing as outlined in Massachusetts General Laws, Chapter 269, section 17.

12. Engaging in Hate Crimes as defined and prohibited by the laws of the Commonwealth of Massachusetts and United States codes.

13. Abusing the disciplinary process by:
   a) Falsifying, distorting, or misrepresenting information to a conduct officer or judicial body and/or attempting to influence or coerce another to falsify, distort, or misrepresent information to a conduct officer or a judicial body.

   b) Disrupting or interfering with the orderly conduct of a disciplinary/judicial procedure.

   c) Attempting to discourage an individual's participation in or use of the disciplinary/judicial system.

   d) Attempting to influence the impartiality of a member of the disciplinary/judicial system before or during the disciplinary/judicial process.

   e) Harassing, or intimidating or attempting to harass or intimidate a party or witness scheduled to appear before a conduct officer or judicial body and/or harassing or intimidating or attempting to harass or intimidate a conduct officer or a member of the disciplinary/judicial system.

   f) Influencing or attempting to influence another person to commit an abuse of the disciplinary/judicial procedure.

   g) Failing to comply with sanctions imposed under the Code of Conduct.
14. Violating published college policies, rules or regulations as outlined in the college policy manual, college catalog, student handbook, or on the college website not otherwise enumerated herein.

15. Violating any local, state or federal laws on college premises or at any college sponsored activity not otherwise enumerated herein.

Additional Considerations:
Violation of the Law: Students who engage in behavior that violate local, state and/or federal law may be subject to civil and/or criminal proceedings in addition to the college disciplinary/judicial procedures.

Complaints Alleging Sexual Misconduct: Complaints regarding sexual misconduct will be addressed following the process and procedures laid out in the Sexual Misconduct Policy.

Off Campus Behavior: The college reserves the right to take disciplinary action against a student for off campus conduct when such conduct poses a direct or indirect threat or adversely affects the college community, if the conduct poses a threat to another member of the college community or if the student is charged with a violation of local, state or federal law.

IV. Disciplinary Process
Student Due Process Protections: Students accused of violating the Code of Conduct are entitled to the following procedural protections:

1. To be given notice of the alleged violation;
2. To be informed of the substance of the information or evidence against him/her;
3. To be given an opportunity to respond to the charges;
4. To be informed of the results of any hearing;
5. To be given a resolution of the charges in accordance with the Code of Conduct;
6. To be given an opportunity to appeal as outlined in the Code of Conduct;
7. To be informed of additional procedural protections for certain disciplinary procedures as described below.

Although the above protections should normally precede any disciplinary consequence, in emergency situations the student may be summarily removed from the College, with notice and other appropriate procedural protections to follow as soon as possible.

Disciplinary Process Steps:
1. Immediate and Interim Discipline
   a) Interim Suspension
      i. The President or his/her designee may issue an interim suspension prior to a hearing for the following reasons:
         a. To ensure the safety and well-being of the college community.
         b. To ensure the preservation of college property.
         c. To ensure the student’s own safety or well-being.
         d. If the student poses an ongoing threat of disruption of or interference with the normal operations of the college.
      ii. During an interim suspension, the student may be denied access to the college facilities and college activities, including classes.
      iii. Interim suspensions will take effect immediately upon the direction of the President or his/her designee. The student will be notified of the interim suspension by an email to the student’s Quincy College e-mail account and by letter. Refusal to accept receipt of the notification shall not negate or postpone the interim suspension.
      iv. The interim suspension will remain in effect until the hearing and a final decision has been made regarding the alleged violation of policy or the Code of Conduct or until the President or his/her designee determines the reason for posing the interim suspension no longer exists.
      v. In the event of an interim suspension, the CCO will make every attempt to expedite the judicial process.
   b) Removal from Classroom
      i. A Faculty Member or College Official may, for the sole purpose of maintaining order in the classroom, order that a student leave the classroom.
      ii. If a Faculty Member or College Official orders a student to leave the classroom, the Faculty Member or College...
Official must, at the first opportunity but in any event not later than the same day on which such action occurred, submit, by means of the Quincy College incident reporting system, an incident report thoroughly describing such action and the circumstances surrounding it.

iii. In the event that a Faculty Member or College Official who orders a student to leave the classroom intends for the resulting absence to last beyond the class meeting during which the order to leave occurred, that will be considered an interim suspension governed by the provisions above, and may not take effect unless and until the President or his/her designee so orders.

c) No Contact Order
i. If, upon the credible allegation that a student has violated college policy(ies) and/or the Code of Conduct, the CCO may, subject to the requirements set forth below, issue a No Contact Order to the student against whom the allegation has been made.

ii. A No Contact Order may be issued by the CCO only for the purpose(s) of providing for the safety, protection, and/or well-being of the college community.

iii. A No Contact Order will apply to a student against whom it is issued on all college premises, at any college activity or event, and on any service or instrumentality offered or sponsored by Quincy College including, but not limited to, the Quincy College portal or Quincy College on-line course(s).

iv. The CCO shall, not later than one (1) day after the day on which the CCO has determined that a No Contact Order is appropriate, send to the student against whom the No Contact Order is issued, written notice of such No Contact Order via the student’s Quincy College e-mail account and by letter to the student’s last known address. This written communication shall include the identity of the member or members of the college community that the Order has been issued to protect, the nature of such Order, and the consequences thereof.

v. Nothing in this subsection (1) (c) shall be construed to prevent a No Contact Order to also be imposed as a sanction, as set forth in in this Code of Conduct.

d) Any Other Measure Deemed Appropriate by the CCO
i. If, upon the credible allegation that a student has violated college policy(ies) and/or the Code of Conduct, the CCO may, at his/her sole discretion impose other interim disciplinary measures not otherwise referenced in Section IV (1) in this Code of Conduct and judicial process.

ii. In order to impose such other interim disciplinary measures, the CCO must be convinced that such measures are reasonable and necessary for the safety, protection, or well-being of the college community, college or college premises, or the maintenance of the normal operation of the college or any of its functions or activities.

iii. Such other interim disciplinary measures may be imposed by the CCO only if in his/her reasonable judgment the specific interim disciplinary measures cited above is inadequate to appropriately address a particular matter.

iv. Such other interim disciplinary measures include, but are not limited to: verbal warning; written warning; restrictions/loss of privilege(s); probation; all as defined below in Sanctions.

v. In the event that the CCO institutes such other interim disciplinary measure(s), the CCO shall, not later than one (1) day after the day on which the CCO has determined that such measures are necessary, send to the student against whom such measures are imposed, written notice of the charges and such measures via the student’s Quincy College e-mail account and by letter to the student’s last known address. This written communication shall, as specifically as reasonable, include the charges and the nature of such measures and the consequences thereof.

2. Filing of the Complaint and Investigation
a) Any member of the college community may file a complaint against a student for alleged violations of the Code of Conduct or other college policies by completing an Incident Report. Incident reports should be filled out completely outlining the following:
   i. Identity of the accused student(s)

   ii. Date, time and place of alleged violation

   iii. Policy or section of the code of conduct allegedly violated
iv. A narrative thoroughly describing the manner in which the Code of Conduct or subject College policy was violated by the accused student(s)

v. Names and contact information of witnesses

b) All Incident Reports alleging a violation of policy or the Code of Conduct must be submitted to the CCO within five (5) days of the discovery of the alleged violation. The CCO, at his/her discretion, may accept complaints after the five (5) day time period if he/she feels circumstances warrant a late filing.

c) As part of an investigation, within two (2) days of receiving the incident report, the CCO will notify, by the student’s Quincy College e-mail account and by letter, the accused student of the alleged violation and request that the student meet with him/her to respond to the allegation. The accused student has five (5) days from date of notice to contact to the CCO and arrange a meeting. The meeting must take place within two (2) days after contact is made, or otherwise within a reasonable time period as determined by the CCO. In the event that the accused student fails to contact the CCO within five (5) days, the CCO will review the facts and evidence and reach a determination without the accused student’s response.

d) The CCO will also talk to the complainant and witnesses to determine if the evidence supports the alleged violation. In reaching his/her determination regarding a complaint, the evidentiary standard to be used by the CCO will be that of “preponderance of the evidence”.

e) Upon completion of the investigation, if no violation has appeared to have taken place, the CCO shall dismiss the complaint and notify the accused student and the complainant that the complaint has been dismissed.

f) Upon completion of the investigation, if the CCO determines that a violation exists, the CCO will inform the accused student in writing, by completing a Statement of Charges letter, that a violation of the policy or the Code of Conduct has occurred and that judicial action will be taken. In the Statement of Charges letter, the student will be requested to contact the CCO within five (5) days to request a hearing.

The Statement of Charges letter will outline the two procedural options that are available:

i. Administrative Hearing - At an administrative hearing with the CCO, the accused student may elect to admit responsibility for violating policy or the Code of Conduct and accept a sanction given by the CCO. The student shall sign the Administrative Disposition form and waive his/her right to a Judicial Board Hearing and any right of appeal. If the student chooses the Administrative Hearing, he/she has the right not consent to the Administrative Disposition if he/she does not agree with the violation or sanction. Under such circumstances, the student may request a Judicial Board Hearing.

ii. Judicial Board Hearing – If the accused student does not agree to an Administrative Hearing or administrative disposition cannot be agreed upon, the accused student can request a hearing with the College Judicial Board.

g) In the event that the accused student does not contact the CCO regarding the Statement of Charges letter, the default disciplinary process will be a Judicial Board Hearing.

3. The Judicial Committee and the Judicial Board

a) The college shall have a Judicial Committee comprised of faculty and staff trained by the Judicial Appeals Officer to serve on the Judicial Board. The Judicial Board shall be comprised of two (2) faculty members and one (1) staff member and a Chair. The Chair will not participate in the deliberations. The President shall appoint the Judicial Board members for each hearing as well as a Chair for that proceeding from among the Judicial Board Committee.

b) A hearing with the Judicial Board shall be scheduled by the CCO not later than five (5) days following an accused student’s request for a hearing or in the case of the student not responding to the Statement of Charges letter. The CCO shall notify the student of the Judicial Board Hearing date by an email sent to the student’s Quincy College e-mail account or in writing via letter to the student’s last known address.

c) The accused student shall have the right to:

i. Be provided with a copy of the Statement of Charges letter outlining the alleged violation of policy or the code of conduct.
ii. Be provided with a copy of the original Incident Report.

iii. Present witnesses and to question other witnesses who participate in the hearing as outlined in the Hearing Procedures.

iv. Present relevant information and evidence.

v. Be assisted by one advisor, including legal counsel, of the accused student own choosing and at the accused student’s own expense. The advisor’s role is limited to advising the accused student directly. Advisors are not permitted to participate directly in the Judicial Board Hearing. Any advisor that violates these terms may be asked to leave by the Judicial Board Chairperson.

d) In the event that the student elects not to appear before the Judicial Hearing Board, he/she waives the above rights. The Judicial Board will be presented with the Statement of Charges letter, the incident report and the witnesses present and will deliberate based on the information the Board obtained during the hearing.

e) In Judicial Board matters involving more than one accused student, the Chair may permit at his/her discretion individual hearings for each accused student.

4. The Judicial Board Hearing

a) All Judicial Board Hearings shall be conducted in private. Those in attendance shall include the Chair, Judicial Board Members, the CCO, the complainant, the accused student and his/her selected advisor. Witnesses will not be present during the entire hearing. Each witness will be called in during the hearing to give their statement and to be questioned regarding their statement and then be excused.

b) There shall be an audio or video recording created of all hearings. The record shall be the property of the College.

c) The Chair shall preside over the hearing. All procedural questions are subject to the final decision of the Chair. All testimony and questioning shall be at the direction of the Chair. The Chair may limit or exclude testimony to the extent that such testimony is repetitive or not relevant to the matter before the Judicial Board.

d) A hearing shall proceed as follows:

i. The Chair will have the CCO present the Statement of Charges on behalf of the college and complainant. The CCO will submit a copy of the original incident report and any other evidence, documents, materials and/or witnesses in support of the Statement of Charges.

ii. The accused student can then respond to the Statement of Charges. The student may present documents, materials and/or witnesses in response to the Statement of Charges.

iii. The Judicial Board may question each party, their witnesses and/or review all evidence presented. The Judicial Board has the discretion to request additional evidence, documents, materials or information from either party.

iv. Neither party is allowed to question witnesses directly. After each witness has been questioned by the Judicial Board, the parties will be given the opportunity to ask questions by presenting the questions through the Chair. The other party will be asked to respond unless the Chair determines that the question is not relevant.

v. The Chair will give the CCO and the accused student the opportunity to make final statements prior to dismissal from the hearing.

e) Deliberations shall be conducted in a closed session of the Judicial Board immediately after the hearing. The Judicial Board shall determine by a majority vote whether the accused student has violated the policy or the Code of Conduct based upon the evidence presented and the preponderance of evidence.

f) If the determination that the accused student is responsible for violating policy or the Code of Conduct, the Judicial Board shall recommend an appropriate sanction to the Chair. At this point, The Judicial Board may consider any previous violations and sanctions to determine the current sanction.
g) Within two (2) days of the conclusion of a hearing, the Chair shall issue a written decision outlining the Judicial Board’s findings and sanction, if any, to the accused student and the CCO.

h) All records related to the disciplinary proceedings shall be maintained in accordance with the Family Education Rights and Privacy Act (FERPA) and housed in the office of the CCO.

5. Sanctions

a) A student found in violation of the college’s Code of Conduct or College policy shall be subject to one or more of the following sanctions (none of these sanctions is intended to take the place of or limit the use of legal proceedings that may be available to the parties):

i. Verbal Warning – Student is given a verbal warning and a notation is made in the student’s disciplinary file.

ii. Written Warning – Student is given a letter stating that he/she has violated college policy or the Code of Conduct and the letter is placed in the student’s disciplinary file.

iii. Restrictions/Loss of Privileges – Student is denied certain privileges or restricted from using college services for a specified length of time.

iv. Community/Educational Service – Student is required to complete a specified number of hours of community or college service.

v. Restitution – Student is required to provide compensation for loss, damage or injury. Restitution can be monetary, replacement materials or in the performances of services.

vi. Probation – Probation is for a designated period of time and student is informed that any violations of college policy or Code of Conduct while on probation will result in more severe disciplinary sanctions.

vii. Suspension – Student is separated from the college for a specified period of time after which the student is eligible to return. The student will not be entitled to a refund or to have academic accommodations made to complete work missed during a suspension. Students are not allowed to attend classes, attend college activities or be on campus during their suspension. Student must apply to the CCO for re-admittance.

viii. Revocation of Admission to Specific Degree Program – Student’s acceptance to a specific degree program(s) can be revoked or denied. Student would still be allowed to attend the college, but not for obtaining specific degrees.

ix. Expulsion – Student is permanently terminated from the college and will not be allowed to enroll at the college at any future time. The student will not be eligible for any refund from the college. The Expulsion will be placed on the student’s transcript.

6. Appeal

a) Within five (5) days of receiving the Judicial Board’s decision, the student may appeal the decision to the college’s Judicial Appeals Officer.

b) An appeal must be in writing and be based upon a credible claim that:

i. The hearing was not conducted in conformity with the prescribed procedures.

ii. New information that was reasonably unknown to the accused student at the time of the hearing, and which is sufficiently relevant such that it could alter the Judicial Board’s decision has been discovered.

iii. There existed a demonstrable bias by a member of the Judicial Board.

iv. The sanction imposed is disproportionate to the severity of the violation.

c) The college Judicial Appeals Officer shall issue a written decision within five (5) days of receiving the appeal. The Judicial Appeals Officer may accept, reject or modify the Judicial Board’s decision or sanction.

d) The Judicial Appeals Officer’s decision shall be final.
DRUG-FREE WORKPLACE POLICY (Policy 3.04)

Policy: It is the policy of Quincy College to maintain a drug-free and alcohol-free workplace and learning environment. Quincy College seeks to maintain an environment that is safe and secure and that promotes productivity for all students and employees. Since the inappropriate and/or illegal use of alcohol and other drugs on college property or at college activities may impair the health and safety of students and employees, inhibit the personal and academic growth of students, lower productivity and the quality of work performed by employees, and undermine the public's confidence in the College, a strong policy prohibiting such use has been established.

An employee of the College (including student employees) shall not unlawfully use, possess, manufacture, distribute, dispense, or sell illegal drugs or controlled substances (as defined in the Controlled Substance Act, 21 U.S.C. Section 812) or alcohol while on duty or on Quincy College's premises or while conducting company business off the premises. Such action is absolutely prohibited in accordance with the College policy, and state and federal law.

It is the policy of Quincy College to enforce all state and federal laws pertaining to controlled substances and to prosecute individuals who violate those laws on College property.

Procedures: Any employee who violates this policy will be subject to disciplinary action up to and including termination, and may have legal consequences. For unit employees, this disciplinary action will be in accordance with the relevant provisions of the applicable collective bargaining agreement. Disciplinary action may include suspension from employment, mandatory participation in an alcohol/drug abuse assistance or rehabilitation program as a condition of continuing employment, or termination of employment. Violations of criminal law will also be reported to the appropriate law enforcement agency.

Any employee who is convicted of a workplace violation of any criminal drug statute must notify the Director of Human Resources of that conviction in writing no later than five days after such conviction. If the employment of an employee so convicted is partially or fully federally funded, the College will notify the federal agency providing those funds of the conviction.

Quincy College recognizes drug and alcohol dependency as an illness and a major health problem. Drug abuse is also a potential health, safety, and security problem. Employees (including student employees) needing assistance in dealing with such problems are encouraged to find the appropriate help. Employees who are enrolled in any of the health insurance plans offered through the Quincy College Group Insurance Plan should consult their plan booklets or service offices to determine which programs may be paid through their health insurance. The Human Resources Department can provide information regarding Employee Assistance Programs (EAP). This matter will be held in the strictest confidence. All members of the College community are urged to carefully and seriously reflect on their personal responsibility to remain drug and alcohol free, and to demonstrate care and concern for others who may be experiencing a substance abuse problem through timely intervention and referral.

HAZING POLICY (Policy 6.12)

Hazing is prohibited at Quincy College.

Massachusetts General Laws, chapter 269, Section 17, makes it a crime to organize or participate in hazing.

Chapter 269: Section 17. “Whoever is a principal organizer in the crime of hazing, as defined herein, shall be punished by a fine of not more than three thousand dollars or by imprisonment in a house of correction for not more than one year, or both such fine and imprisonment. There term “hazing,” as used in correction for not more than one year, or both such fine and imprisonment. The term “hazing”, as used in this section and in sections 18 and 19, shall mean any conduct or method of initiation into any student organization, whether on public or private property, which willfully or recklessly endanger the physical or mental health of any student or other person. Such conduct shall include whipping, beating, branding, forced calisthenics, exposure to the weather, forced consumption of any food, liquor, beverage, drug or other substance, or any other brutal treatment or forced physical activity which is likely to adversely affect the physical health or safety of any such student or other person, or which subjects such student or other person to extreme mental stress, including extended deprivation of sleep or rest or extended isolation ... consent shall not be available as a defense to any prosecution under this section.”

Massachusetts General Laws, Chapter 269, Section 18, makes it a crime to fail to report hazing.

Chapter 269: Section 18. “Whoever knows that another person is the victim of hazing as defined in section 17 and is at the scene of such crime shall, to the extent that such person can do so without danger or peril to himself or others, report such crime to an appropriate law enforcement official as soon as reasonably practicable. Whoever fails to report such crime shall be punished by a fine of not more than one thousand dollars.”
Hazing as defined above and the failure to report hazing are also prohibited by Quincy College policy. Violations are subject to the Disciplinary Process and may result in penalties up to and including expulsion from Quincy College, in addition to criminal penalties.

Chapter 269: Section 19. “Each institution of secondary education and each public and private institution of post secondary education shall issue to every student group, student team or student organization which is part of such institution or is recognized by the institution or permitted by the institution to use its name or facilities or is known by the institution to exist as an unaffiliated student group, student team or student organization, a copy of this section and sections seventeen and eighteen; provided, however that an institution’s compliance with this section’s requirements that an institution issue copies of this section and sections seventeen and eighteen to unaffiliated student groups, teams or organizations shall not constitute evidence of the institution’s recognition or endorsement of said unaffiliated student groups, teams or organizations.

Each such group, team or organization shall distribute a copy of this section and sections seventeen and eighteen to each of its members, plebes, pledges or applicants for membership. It shall be the duty of each such group, team or organization, acting through its designated officer, to deliver annually, to the institution, an attested acknowledgement stating that such group, team or organization has received a copy of this section and said sections seventeen and eighteen, that each of its members, plebes, pledges, or applicants has received a copy of sections seventeen and eighteen, and that such group, team or organization understands and agrees to comply with the provisions of this section and sections seventeen and eighteen.

Each institution of secondary education and each public or private institution of post secondary education shall, at least annually, before or at the start of enrollment, deliver to each person who enrolls as a full-time student in such institution a copy of this section and sections seventeen and eighteen.

Each institution of secondary education and each public or private institution of post secondary education and each public or private institution of post secondary education shall file, at least annually, a report with the board of higher education and in the case of secondary institutions, the board of education, certifying that such institution has complied with its responsibility to inform student groups, teams or organizations to notify each full-time student enrolled by it of the provisions of this section and sections seventeen and eighteen and also certifying that said institution has adopted a disciplinary policy with regard to the organizers and participants of hazing, and that such policy has been set forth with appropriate emphasis in the student handbook or similar means of communicating the institution’s policies to its students. The Board of Higher Education and, in the case of secondary institutions, the Board of Education, shall promulgate regulations governing the content and frequency of such reports, and shall forthwith report to the attorney general any such institution which fails to make such report.”

As required by Massachusetts General Laws Chapter 269, section 19, the College shall annually, before or at the start of enrollment, deliver to each person who enrolls as a full-time student a copy of Massachusetts General Laws Chapter 269, Sections 17 – 19.

As required by Massachusetts General Laws Chapter 269, section 19, the College shall file, at least annually, a report with the Massachusetts Board of Higher Education certifying that the College has complied with its responsibility to inform student groups, teams or organizations and to notify each full-time student enrolled by it of the provisions of Massachusetts General Laws policy with regard to the organizers and participants of hazing, and that such policy has been set forth with appropriate emphasis in the student handbook or similar means of communicating the College’s policies to its students.

**IDENTIFICATION CARD POLICY (Policy 6.10)**

All students must have a Quincy College photo ID card. Dates and times for taking pictures for an ID are posted on the web and on bulletin boards on campus. Payment for photo ID must be made at Enrollment Services. You need to show proof of this payment when you go to have your picture taken. This ID card serves as proof of identification on campus and is required to gain access to the Quincy College library and computer labs. Students are expected to carry a Quincy College photo identification card with them at all times while on campus.

There is a fee for replacement of Quincy College issued identification cards. Returning students may have their old identification card validated by receiving a current semester sticker. These required stickers are available through the Office of Enrollment Services.

Students may contact the Communications & Information Technology department at 617-984-1698 if they have any questions regarding identification cards.

**IMMUNIZATION POLICY (Mass. Public Health Requirement)**
All full-time students (taking 12 credits or more), all Nursing, Natural and Health Sciences students, and all international students must submit proof of immunization by completing an Immunization Form within one month of admission to Quincy College. To obtain a printable version of the Immunization Form, visit our website at www.quincycollege.edu or pick up this form in Enrollment Services.

It is strongly recommended that this form be submitted at the time of registration. State law (M.G.L. c. 76 15, 105 CMR 220.000 and 603 CMR 18.05) requires the following immunization:

1. One (1) booster of Tetanus/Diphtheria/Pertussis vaccine within the last 10 years
2. Two (2) doses of Measles, Mumps, Rubella (MMR) or two (2) doses of a measles-containing vaccine and one
3. (1) dose each of mumps and rubella vaccine
4. Three (3) doses of Hepatitis B -series must be complete

For students graduating from United States high schools, this report should be with the school nurse. In case the immunization report is not available, a serum report from your Primary Care Physician, showing immunity because of antibodies to MMR and Hepatitis B, is also accepted. Please read the Immunization Form for certain exceptions on medical or religious grounds. Nursing, Natural and Health Sciences students must submit an immunization form. This form is distributed during the mandatory orientation.

EQUAL OPPORTUNITY AND NON-DISCRIMINATION POLICY (Policy 3.02)

I. Policy: Quincy College is committed in spirit as well as in action, to not only meet, but also to exceed all federal, state and local statutes governing equal opportunity and inclusion. The College is an academic community dedicated to openness, tolerance and respect. Our doors are open to all students and employees, and it is our policy to guarantee equal employment and educational opportunities without regard to age, race, creed, color, religion, gender, marital or parental status, national origin or ancestry, veteran status, sexual orientation, or disability, which can be reasonably accommodated.

The College is committed to maintaining and promoting a policy of non-discrimination and does not discriminate in its education programs or in admissions to, access to, treatment in its educational programs, or employment in its programs and activities. Furthermore, the College will act in good faith, to affirmatively recruit and consider for promotion individuals in protected categories. Age, race, creed, color, religion, gender, marital or parental status, national origin or ancestry, veteran status, sexual orientation, or disability are not factors in employment, promotion, transfer, compensation, lay-off, disciplining and terminations. All Quincy College employees have the right to equal opportunity in hiring, training, promotion, transfer, and reasonable accommodation to an individual’s disability, in accordance with the Rehabilitation Act of 1973 and the Americans Disability Act of 1990. Employees have the right to work in an environment free of any form of discrimination. In addition to these rights under applicable laws, all College employees (including student employees) have the responsibility to:

- ensure that his/her conduct does not discriminate against other employees, students, applicants for employment, applicants for admission or any other individuals in the workplace;
- confidentially and thoroughly cooperate in any investigation of alleged discrimination by providing any/all information they possess concerning the matter being investigated;
- not retaliate against any individual who puts forth a claim of discrimination or cooperates with an investigation of an allegation of discrimination;
- actively participate in the College’s efforts to prevent and eliminate discrimination in the workplace and learning environment.

This policy applies to all services, education programs, employment practices and employment programs sponsored by the College and incorporates by reference and where applicable, the requirements of Federal Executive Orders 11246 and 11375 as amended; the Civil Rights Act of 1964 as amended; the Civil Rights Restoration Act of 1988; the Civil Rights Act of 1991; Title IX of the Higher Education Amendments of 1972, as amended; Sections 503 and 504 of the Rehabilitation Act of 1973; the Americans with Disabilities Act of 1990, Section 402 of the Vietnam Era Veterans Readjustment Assistance Act of 1974 and the Family and Medical Leave Act of 1993.

II. Procedures: The College shall review, investigate, and where necessary, initiate changes in its processes relative to facilities and programs accessible to the public including for the provision of reasonable accommodation for persons with disabilities. In keeping with these regulations, the same procedures as outlined under the Sexual Harassment Policy shall apply. The College’s Affirmative Action Officer is responsible for implementing all elements of this Affirmative Action/Equal Employment Opportunity program. Quincy College is committed to a strong and effective Affirmative Action/Equal Employment
PARKING REGULATIONS (Policy 6.04)

Parking Lot Locations:
Quincy College has limited parking for students at Presidents Place. In order to park there, a student must buy a parking permit each semester from the Enrollment Services Office in Presidents Place. A parking permit, however, does not guarantee a space. Parking is on a first come, first served basis.

Parking at Saville Hall is for staff and faculty.
Handicap and visitor parking is available at Presidents Place and Saville Hall.
Quincy College at Plymouth has free parking available at Cordage Park.

Violations:
1. Parking violations include:
   a. Parking in a designated handicapped space without a handicapped license plate, an official handicapped permit from the Registry of Motor Vehicles or authorization from the President. Able-bodied persons using handicapped plates are also subject to ticketing.
   b. Student parking in the Saville Hall garage (except handicapped).
   c. Illegal parking such as double parking, not parking within a lined space, parking in an unauthorized space, blocking an aisle or otherwise obstructing the flow of traffic.
2. Cars violating any of the above rules may be towed at the owner’s expense.
3. Quincy College will have no responsibility in any litigation with the City of Quincy concerning the receipt of parking tickets or other violations.
4. Any student who shows a pattern of repeated violations of college parking policy or any student whose vehicular actions endanger the safety of other students or property may have his/her parking privileges revoked by the College.

PERSONA NON GRATA POLICY (Policy 3.06)
In matter of clear and present possible physical harm by any Quincy College student, employee or visitor toward another individual at the College, the College President has authority to declare an individual, or individuals, persona non grata at the College. Such individuals are immediately suspended from classes and from employment and, if on campus, will be escorted off campus, and shall not return to the campus without permission and escort unless and until such status is removed by the President or as a result of a special hearing board.

Each individual declared as persona non grata shall have such status communicated to him/her by the College President in writing. Such written communication shall state the reason for such actions and indicate that within five class or business days a special hearing board will be assembled to hear and review this matter. Each student, employee or visitor shall also be informed of his/her right to counsel at such hearing, to present information or evidence and to make written and/or verbal statements.

In all such cases the individual(s) will have the right to a special College hearing within five class days of the persona non grata notification. A special hearing board shall be appointed consisting of three members including one administrator, one contract faculty member appointed by the College President, and one student appointed by the College President, with two members present being a quorum. By majority vote of a quorum the special hearing board will recommend to the President that the assigned persona non grata be removed or continued. If the persona non grata is removed and the individual is allowed to return, the individual may then be charged through the regular Administrative Disciplinary Procedure for any offenses committed. A student who has been declared persona non grata has no right to a refund as a result of their being placed on that status. The President of the College has the option of having any case heard by the Board of Governors in lieu of the special review (hearing) board cited above.

RACIAL HARASSMENT POLICY (Policy 3.03A)
I. Policy: Quincy College is dedicated not only to learning, but also to the development of ethnically sensitive and responsible programs and persons. Because the College prepares individuals for participation in an increasingly diverse world, the climate of college life must be one in which academic freedom prevails along with respect for and tolerance of cultural, ethnic, racial, and religious differences. The College seeks to achieve these goals through sound educational programs and conduct policies that encourage effective collaborations, productive individual
II. Definition: Racial harassment includes, but is not limited to, verbal, physical, or written abuse directed towards an individual or group on the basis of race or racial affiliation. While some examples of racial harassment such as physical and verbal assaults are easily identified, more frequent and generalized instances such as blatant or subtle graffiti and insensitive use of language, including epithets and humor, often go unacknowledged. Both types, however, can be equally damaging and, depending on the circumstances, can be considered by definition to be a form of discrimination.

As a public institution, the College policies must be consistent with existing state and federal constitutions and civil rights laws. In keeping with the College’s role as an educational institution, however, the College policy regarding racial harassment is stringent in defining unacceptable behavior.

Beyond state law and college regulations, Quincy College sees as part of its educational mission the responsibility for creating an open environment, which develops and nurtures respect for cultural and linguistic differences, and seeks to educate its members of the need for all types of diversity within its community.

III. Procedures: If an employee feels that he/she has been a victim of racial harassment he/she is encouraged to contact the Executive Staff Team Member of his/her program or department and the Vice President for Human Resources. In keeping with the applicable federal and state regulations, the same procedures as outlined under the Sexual Harassment Policy shall apply.

SEXUAL HARASSMENT POLICY AND HARASSMENT-FREE WORKPLACE (Policy 3.03)

I. Policy: It is the policy of Quincy College to provide a learning and working environment free of harassment, including sexual harassment. Quincy College expects all members of its community to treat each other with dignity and respect. Sexual harassment in the workplace is unlawful, and it is unlawful to retaliate against an employee or student for filing a complaint of sexual harassment or for cooperating in an investigation of such a complaint. Sexual harassment is a form of discrimination and a violation of Title VII of the Civil Rights Act of 1964 and Title XI of the Educational Amendments of 1972. In accordance with applicable federal and state laws and the Board of Higher Education’s approved Affirmative Action Plan, the College subscribes to the guidelines outlined below concerning sexual harassment and has adopted them as College policy. Moreover, as part of the College’s overall non-discrimination policy, the College prohibits all forms of harassment of others because of race, color, religion, sex, age, national origin, ancestry, sexual orientation, physical or mental disability, veteran, or other protected status. In particular, sexual harassment does not belong in our workplace and learning environment. Sexual harassment of a student, an employee, or any other person in the College is unacceptable, impermissible, and will not be tolerated.

Note: While this policy sets forth our goals of promoting an environment that is free of sexual harassment and otherwise prohibited harassment, the policy is not designed or intended to limit our authority derived from any other source to discipline or take action for workplace conduct that we deem unacceptable, regardless of whether that conduct satisfies the definition of sexual harassment because of race, color, religion, national origin, gender, age, sexual orientation or disability, set forth herein.

II. Definition: Sexual harassment occurs in a variety of situations that share a common element: the inappropriate introduction of sexual activities, conduct or comments into the work or learning situation. Often sexual harassment involves relationships of unequal power and contains elements of coercion, as when compliance with requests for sexual favors become a criterion for granting work, study, or grading benefits. However, sexual harassment may also involve relationships among equals, as when repeated sexual advances, or demeaning verbal behaviors have a harmful effect on a person’s ability to study or work in the academic setting.

Harassment is defined as verbal, written, or physical conduct for the purpose of intimidation because of a person’s race, color, religion, national origin, gender, age, sexual orientation, or disability which intimidates or creates an intimidating, hostile, humiliating, or offensive educational environment, affects educational decisions, or interferes with a student’s educational experience, or an employee’s working Environment.

For purposes of this policy, sexual harassment is defined as any type of sexually-oriented conduct, whether intentional or not, that is unwelcome and has the purpose of effect of creating a work or learning environment that is hostile, offensive or coercive to a reasonable woman or man, as the case may be. The following are examples of sexually-oriented conduct that, depending upon the circumstances, may constitute sexual harassment:
III. Procedures: If an employee or student believes that he/she has been the subject of sexual harassment, or subjected to any form of harassment, or a hostile, offensive or coercive work or learning environment, or if you are not sure whether certain behavior is sexual harassment or whether it is actionable under this policy, he/she is strongly encouraged to immediately notify the Executive Staff Team (EST) member of his/her program and the Director of Human Resources so that the College may have the opportunity to provide a resolution, or to provide an opportunity to discuss the concern with a College Executive Staff Team member of the same sex, if desired, or to put forth an investigation and deal promptly with the complaint, in accordance with the College's current grievance procedures. The grievance process is a formal mechanism for redress. Please refer to Section VI - find Policy 14 Grievance Procedures which shall apply for any/all formal grievances put forth in writing.

Members of the Executive Staff Team (EST) can be reached at the following numbers:

Robert Baker, J.D.  
Dean of Liberal Arts  
617-984-1642

Aundrea E. Kelley  
Vice President for Academic Affairs  
617-984-1626

Mary Burke, MPH  
Associate Vice President for Academic & Administrative Affairs and Dean of Plymouth Campus  
617-984-1708

Vincent Van Joolen  
Dean of Natural and Health Sciences  
617-984-1713

Roxanne Mihal, D.N.P.  
Dean of Nursing  
617-984-1723

William Brennan  
Interim Dean of Professional Programs  
617-984-1723

If the complaint is against a member of the Executive Staff Team, the employee or student should notify the Vice President for Human Resources at the above location and telephone number.

If the complaint is against the Vice President for Human Resources, the employee or student should notify the President of the College at the above location and telephone number.

Persons alleging that they have been the victim of sexual or other prohibited harassment may have the right to file a complaint with either or both the following government agencies set forth below.

Using the College’s complaint process does not prohibit the filing of a complaint with these agencies. Each of the agencies has a short time period for filing a claim (EEOC - 180 days; MCAD - six months). This list is not to be considered an exhaustive list of available state and/or federal remedies. Quincy College is not responsible for providing legal advice regarding state and/or federal claims of sexual or discriminatory harassment.

The Massachusetts Commission Against Discrimination (MCAD) is responsible for investigating and handling complaints of sexual harassment filed in the Commonwealth. The MCAD is located at:
Equal Employment Opportunity commission (EEOC) is charged with investigating and handling complaints of sexual harassment filed under Title VII of the 1964 Civil Rights Act and Title IX of the 1972 Educational Amendments. The EEOC is located at:

Equal Employment Opportunity Commission
One Congress Street, 10th Floor
Boston, MA 02114-2023
617-565-3200

IV. Investigative Process: Sexual Harassment is expressly forbidden under federal and state regulations and is actionable under the provisions of Title VII of the Civil Rights Act of 1964 and Title IX of the Educational Amendments of 1972. In keeping with these regulations, a concerted effort will be made to protect employees, students, and others from sexual harassment as defined. The College will take reasonable measures to prevent sexual harassment and will act positively to investigate alleged harassment of any kind and to effect remedy when an allegation is determined to be valid. All information will be handled with the highest degree of confidentiality to the extent practicable under the circumstances and with due regard for the rights and wishes of all parties. Information regarding the complainant shall only be released on a need-to-know basis. However, once a complaint is made, the College will proceed to investigate, regardless of whether the complainant desires to proceed with such investigation.

- The response to and resolution of complaints will be guided by the following goals:
  - Focus on educating and changing behavior rather than simply punishing the offender.
  - Engage students and staff in dialogue so that they may understand the impact of behavior and attitudes.
  - Maintain the confidentiality of victims and offenders by involving as few people as possible.
  - Protect the complainant from retaliation.
  - Insure prompt and thorough attention to all complaints.

The investigation will include confidential interviews with the persons making the complaint, with the witness and with the person or persons alleged to have committed such harassment. Retaliation against any person who has alleged harassment, testified, or participated in an investigation is unlawful and strictly forbidden. Any allegation of reprisal will be subject to the same kind of investigation and disciplinary action as described above. When the investigation is complete, the College will inform the person making the complaint and the person(s) alleged to have committed the conduct of the results of the investigation to the extent appropriate. A complaint may be determined to be:

A. Founded: The incident occurred as charged;
B. Unfounded: The incident is not harassment, discrimination or retaliation; or
C. Inconclusive: There is insufficient evidence to make a ruling either way.

If, upon completion of an investigation, it is determined that inappropriate conduct has occurred in the workplace or learning environment, the College will take such action as appropriate under the circumstances. Any employee or student of Quincy College who is found, after an investigation, to have harassed and or discriminated against another individual, said employee or student will be subject to disciplinary action up to and including termination.

SMOKING POLICY (Policy 3.05)

I. Policy: Quincy College recognizes the medical evidence that indicates that smoking is a serious health hazard. In our effort to consider the needs and concerns of smokers and non-smokers, and to provide a healthful working environment, the College has adopted the following policy:

- If an employee or student must smoke, he or she may do so only in those areas where smoking is permitted or marked appropriately. The College prohibits smoking within 25 feet of any College building or within the confines of any college building. Smoking in public buildings is a violation of state law and a hazard to the health of others as determined by the Surgeon General.
- The sale of tobacco products on campus is prohibited.
- The College will continue to emphasize the dangers of smoking to the College community through various programs.
- Successful implementation of this policy requires a cooperative effort and all members of the College community are urged to assist in this regard.

II. Procedures: If an employee or student is found to be acting in violation of the College Smoking Policy he/she will be subject to appropriate disciplinary action up to and including termination, depending upon the circumstances of the situation.
STUDENT GRIEVANCE PROCEDURE (Policy 6.14)

Procedure - The purpose of the grievance procedure is to provide students at the College a process for resolving any concerns relative to their student rights. The grievance procedure has a specific number of days in each phase, which is to be understood as the maximum time before the next phase is initiated. However, the time limits may be extended up to five additional days by mutual agreement of the parties involved at each level of the grievance.

Note: The number of days in each step refers to class days not calendar days during fall and spring semesters only. Intersession and summer sessions are not considered class days for this purpose. During intersession and summer sessions, the term “days” shall mean business days (Monday through Friday, excluding holidays).

1. Informal Resolution Process
   a. The student may first discuss his/her grievance with the individual against whom the grievance exists.
   b. If the grievance is not resolved between the individuals involved, the student may begin step two. This action must be taken within thirty days of the original incident.

2. Initiation of Formal Academic or Social Grievance
   a. If the grievance is directed against a Dean, the grievance shall be presented to the Vice President responsible for that area directly.
   b. If the grievance is directed against a Vice President, the grievance shall be presented directly to the President.
   c. If the grievance is directed against the President, the grievance shall be presented directly to the Board of Governors.
   d. The student will receive a response to his/her grievance at Step One within seven days.

Step Two: If the grievance is not resolved by the Dean (or other level when applicable) within seven days, the grievant shall formally and in writing present it to the Vice President for Academic Affairs for academic concerns and the Vice President for Administration and Finance for social issues. The Vice President must respond in writing within seven days with his/her decision to the grievant.

Step Three: If the grievant is not satisfied with the resolution at Step Two, he/she may request formally and in writing to the President to convene a grievance appeal committee. The selection of the committee to hear a student grievance will be as needed. The College President will appoint neutral and objective individuals from the following representative groups:

   Administrators 1 (acting as Director)
   Faculty members 1
   Students 1

Each committee member will receive a written report of the grievance with the supporting statements and evidence. Within seven days after receiving the written grievance, the committee will hold a hearing and both the grievant and the individual against whom the grievance is directed will be given the opportunity to present and be heard. Within seven days after the hearing, the committee will inform the Director of its decision and the reasons for the decision, in writing. The Director will inform both parties of the committee's decision in writing.

Step Four: Within seven days of the grievance committee’s decision at Step Three, the grievant or the respondent may formally and in writing appeal the decision to the College President. That appeal is to be accompanied by the original grievance and copies of all subsequent written statements, evidence, and decisions. The President will make his/her decision known to all parties within seven days after receiving the appeal.

Note: The grievant may withdraw his/her grievance at any phase of the process provided that all concerned parties are notified in writing.

STUDENT RECORDS (Policy 6.15)

Quincy College follows and enforces all federal and state laws protecting the confidentiality and security of student records. The Family Educational and Privacy Rights Act, also known as the “Buckley Amendment,” is enforced by all departments on campus and applies to all academic, financial and other student records. Students age 18 or older may see their own records, but only in the presence of a College employee (viewing one’s own records may require an appointment, which will be scheduled within 48 hours of the request). The College will not release information to individuals outside the College without the student’s written
permission, except in case parental requests involving students under the age of 18 or in cases in which the College is required to comply with a request from legal authorities.

This shall constitute public notice that, under both state and federal law, Quincy College may disclose certain information, commonly referred to as directory information, from the educational records of students at Quincy College upon the request of third parties.

Directory information shall include the following: the student’s name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received and the most recent previous educational agency or institution attended by the student.

The student has the right to refuse to allow Quincy College to designate any of the above types of information as directory information. The student must notify Quincy College in writing no later than October 1 in the fall semester or February 1 in the spring semester of any given year that he or she does not want any or all of those types of information designated as directory information. Said written objections should be filed with the Vice President for Administration and Finance. Where no written objection is submitted by the student within the time period stated above, the aforementioned directory information may be released without the student’s consent.

**Student Education Records (FERPA)**

The regulations for the Family Educational Rights and Privacy Act of 1974, more commonly known as the “Buckley Amendments” are codified in Part 99 of Title 34 of the Code of Federal Regulations (34CFR 99). This act sets forth requirements for the privacy of student education records, and provides certain rights to students concerning these records, including the right to inspect and review these records; the right to have these records amended; and the right to have some control over the disclosure of information from the record.

Quincy College maintains records on each student who is attending or has attended the college. Maintenance of these records is necessary to support the College’s educational requirements, as well as to serve educational goals of our students. The College recognizes that personally identifiable information must be kept private. It does not allow access by persons other than appropriate Quincy College employee, personnel working on behalf of Quincy College and the student in question, unless the student has specifically granted permission for such access, or disclosure otherwise allowed under the law.

**Releasing information to Third Parties:**

Under the conditions that allow an institution to release personally identifiable information from its record without a student’s written consent, the College may disclose such information to:

- The U.S. Citizenship and Immigration Services;
- Immigration and Custom Enforcement for purpose of SEVIS;
- Military recruiters whom request “student recruiting information”;
- Accreditation organizations carrying out accrediting functions;
- The parents of a student who is a dependent for income tax purposes;
- Persons providing written and signed permission from a student;
- Persons or organizations providing financial aid to students;
- Parents regarding the student’s violation of any federal, state, or local law, or any institutional policy, including the use of alcohol or a controlled substance, if the student is under the age of 21;
- State and local officials to whom such information must be reported or disclosed;
- Officials of other institutions to which a student is seeking admission;
- Persons in compliance with a judicial order or lawfully issued subpoena. The College will make a sincere effort to notify the student before sending the records out.
- Appropriate persons in health or safety emergency where this information is necessary to protect the health of a student or other individuals.
- A victim of an alleged perpetrator of crime of violence or a non-forcible sex offense.
- Authorized representatives of federal or state supported educational programs; for the enforcement or compliance with federal legal requirement; Secretary of Education and U.S. Attorney General for law enforcement purpose only.
  - Representatives of Veteran’s Affairs for students who receive assistance.

A student who believes that his/her rights under FERPA have been violated may, file a written complaint with the Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, D.C. 20202.
Academic Record Changes (Policy 5.17)
Any student who suspects that an error with regard to the recording of information on the official record has been made, should file written notice of the error immediately with the Associate Vice President of Enrollment Services and Registrar. Records are assumed to be correct if a student does not report the error to the Associate Vice President of Enrollment Services and Registrar within one academic year of the completion of the course. At that time, the record becomes permanent and cannot be changed.

Note: Student contesting a grade should refer to Policy 5.14.

Retention And Disposal Of Records (Policy 6.15A)
All records are maintained and disposed in accordance with certain provisions. The MASS Department of Education, in keeping with the intent of 603 CMR 23.06, recommends that the time limit for destruction of records should be not less than 60 years for a transcript and not less than five years for a temporary record. This limit, however, does not apply to records of students enrolled before 1975.

The records are classified into two categories:
• Matriculating (degree/certificate seeking) students
• Non-matriculating (non-degree/certificate seeking) students.

A typical folder of a student contains some or all of the following items:
- Admission form
- High school transcript
- Change of address form
- Experiential credits application
- Copy of the transcript
- Registration form
- College transcript
- Declaration of Major form
- Graduation application
- Transfer credit evaluation
- Add/Drop form
- Immunization data
- CLEP results
- Original audit for degree

Also stored in the office are:
- Class lists for each semester
- Grade sheets for each semester
- Parking permits for each semester
- Academic transcripts on the system

QC follows the following retention period of various records in the Registrar’s Office:
- Admission folder Temporary (six years)
- First class list Temporary (one year)
- Second class list (after add/drop) Permanent (on CD)
- Grade sheets Permanent (on CD)
- Parking permits Temporary (one semester)
- Academic Transcripts Permanent on AS400

Academic folders will be destroyed after six years by shredding. Even before shredding, a committee of three persons may audit the folders and certify the records before destroying. (No records should be destroyed so long as it pertains to any legal action or any state or federal subpoena).

Students graduating from Quincy College are notified to pick up whatever record they want from the College with notification of the graduation letter.

A standard letter may be sent to notify other students.

VETERAN’S BENEFITS (Policy 6.06)
Quincy College is approved for the training of veterans and their dependants under post 9/11 G.I. Bill, the Montgomery G.I. Bill, Veterans Educational Assistance, Dependents Educational Assistance or other V.A. Programs. Please call 1-800-827-1000 for Federal Veterans Benefits.

A signed, adjudicated application is needed to determine your eligibility. Please note that both the College and the Veteran’s Administration must be informed if a veteran increases or decreases the number of credits being taken, or withdraws from a
proper attire in science laboratory courses (policy 3.07)

I. Policy: Safety in science laboratory courses is something that Quincy College takes very seriously, as science laboratory courses present a host of chemical and biological hazards not found in the typical classroom. Paramount to safety in laboratory courses is the use of proper attire each time a student attends class. For the purposes of this policy, a “science laboratory course” is defined as any course that meets in the one of the Saville Hall Science labs.

It is ultimately the student’s responsibility to ensure that he/she is dressed in proper attire, which includes closed-toed shoes, long pants or a long skirt, and shirts or blouses that do not allow excessive exposure of the skin.

Examples of improper attire include, but are not limited to:

1. Shorts
2. Short skirts or short dresses (above knee height)
3. Sandals
4. Open-toed or backless shoes
5. Rubber clogs with holes (ex: Crocs™)
6. Loose or baggy clothing
7. Loose neckties
8. Shirts or blouses that allow midriff or chest exposure
9. Low-hanging jewelry such as long necklaces or long earrings

II. Procedures: If a student attends a science laboratory course without wearing proper attire, he/she will be asked to leave and may only return when he/she has changed into proper attire. At the instructor’s discretion and per the guidelines set forth in his/her syllabus, a violation of this policy may carry an academic penalty not to exceed the penalty for missing one class meeting.

collection and past due balances (withdrawal and former students) (policy 7.04)

Once a student has ceased to attend school, their balance is reviewed and the following process followed:

A. For balances under $50.00, place students account on hold, write off balance. Do not send to collections, balance is too small.
B. For balances over $50.00 send one final demand notice.
C. For balances over $50.00 and less than $250, only payment in full is allowed
D. If a student DOES NOT respond to final demand letter, send to collections and send collection letter. Send final demand letter as certified mail. Give 30 days to respond.
E. CODE STUDENTS as “collection” so they can be identified on our ageing.
F. For balance over $250, payment can be made in installments.
G. Run a “past due” report three times a year (fall, spring & Summer), November, April and August. And send to collection based on no response.

When sent to collections, the agency has 10 days to collect in full and we will absorb the collection cost. When the check is received, credit net payment from agency, to student, write off balance. After 10 days, the student is 100% responsible for all collection costs. When payment is received from agency, credit net payment to student.

Once a student has been sent to collections- NO ONE IS TO SPEAK TO STUDENT ABOUT BALANCES. The student is only to speak to the collection agency. Staff is not permitted to negotiate balance payoffs - this is the collection agency’s job. There will be one designated person to speak for the college with the agency – (Director of Finance). When this person is out of the office, another senior person may fill in.
STUDENT RIGHTS AND RESPONSIBILITIES (Policy 3.01)

As a microcosm of a democratic society, a college has many responsibilities to its community. Not the least of these should be the development of an understanding and appreciation of our representative form of government, the rights and responsibilities of the individual, and the procedures whereby necessary changes are brought about through an orderly process.

The College itself is a community, and must abide by the rights and regulations of the community and the laws by which it is governed. All those who enjoy the rights of participation in that community must also accept the responsibilities of its membership. A basic responsibility of those who enjoy the rights of citizenship is to respect the rights and regulations of the community.

The faculty has the responsibility to maintain an intellectual, fair, and safe environment for learning, and the administration the responsibility for overseeing and facilitating education, social and public service programs. The President may suspend students for cause. The faculty may send a student to an appropriate college official for cause.

The student is encouraged to participate in some form of student government that provides all students a voice in college affairs. All students are eligible to participate, as well as hold office.

A. Students have a right to:

1. Write, publish, and disseminate their views, provided such forms of expression do not interfere with or disrupt the educational process or the rights of others.
2. Assemble and voice their views peacefully on college property with prior administrative approval. The use of slander and obscenity is prohibited. The expression of such opinions will not interfere with the rights of others, will not interfere with the freedom of others to express themselves, and will not interfere with the operations of the College.
3. Enjoy privacy and confidentiality as members of the college community. No information in the student's record will be released to any source without the student's written consent, other than directory information, as required by law.
4. Review their college record with reasonable notice in the presence of a faculty member or administrator.
5. Belong to or refuse to belong to any organized group within the college.
6. Have representation and voice on all committees of the college having to do with academic standards, student affairs, and curriculum matters.
7. Obtain an education of the highest available quality.
8. Participate in all financial aid programs available at the college, providing eligibility requirements are met.
9. Receive fair and equal treatment by faculty, staff, and the administration in all college matters such as instruction, evaluation, and services.
10. Receive due process in any grievance or disciplinary procedure.

B. Students have the responsibility to:

1. Be knowledgeable of and comply with the policies and procedures of the College and the Student Government.
2. Be knowledgeable of and comply with the regulations and laws of duly constituted civil agencies within the community of which the College is a part.
3. Meet course requirements. Students are free to take reasoned exception to views expressed.
4. Dress and behave in an appropriate manner that does not present safety hazards or cause disruptions.
5. Carry and be prepared to show official identification card at all times on college grounds.
6. Conduct themselves in a responsible fashion at off-campus events/learning activities.
7. Obey lawful instructions of college personnel.
ADDRESS/NAME CHANGE PROCEDURE
If you have recently moved or your name has changed, please fill out a Change of Name/Address Form and return this completed form to Enrollment Services.

You can pick up a copy of the Name/Address Form at Enrollment Services or print one from our website, www.quincycollege.edu. You may return this completed form one of three ways:

1. Simply drop off the form at the front desk of Enrollment Services.
2. Fax the completed form to 617-984-1794. International students should fax their forms to the International Student Services Office at 617-984-1616. Plymouth students should fax their forms to 508-747-8169.
3. Mail your form to Enrollment Services, Quincy College, Presidents Place, 1250 Hancock Street, Quincy Center, MA 02169, or to the Plymouth Campus at 36 Cordage Park Circle, Suite 228, Plymouth, MA 02360.

It is in your own interest to update your address. All mail, such as news about upcoming events, is sent to your address on file. Please be sure to include your apartment number, new telephone number and e-mail address when completing the Change of Name/Address Form.

International students must fill out this form at the International Student Services Office. The change must be reported to the Office within 10 days of moving so that the change can be recorded in SEVIS.

VERIFICATION LETTER FOR INSURANCE AND APARTMENT RENTALS PROCEDURE
Our institution has authorized the National Student Clearinghouse to act as our agent for verifications of current student enrollment. Please visit the Clearinghouse online at www.studentclearinghouse.org or call them at 703-742-4200. If you have further questions, please contact Enrollment Services at 617-984-1650.

VERIFY A DEGREE OR ENROLLMENT PROCEDURE
Quincy College has authorized the National Student Clearinghouse to act as our agent for verifications of student enrollment for those students who have graduated from 2000 - present. Please visit the Clearinghouse online at www.studentclearinghouse.org or call them at 703-742-4200.

Students who graduated prior to 2000 may contact Enrollment Services to receive degree and enrollment status by calling 617-984-1650/1651, faxing the request to 617-984-1794 or writing to “Verification” Enrollment Services, Quincy College, Presidents Place, 1250 Hancock Street, Quincy Center, MA 02169.

Information regarding a graduate or current student may be obtained through Enrollment Services. You can contact Enrollment Services to receive degree and enrollment status by calling 617-984-1650/1651, faxing your request to 617-984-1794 or writing to: “Verification,” Enrollment Services, Quincy College, Presidents Place, 1250 Hancock Street, Quincy Center, MA 02169.

LOST & FOUND
Students may check for missing valuables or personal belongings at the following locations:

Quincy Campus
• Presidents Place, Front Desk
• Presidents Place, 3rd Floor Resource Office
• Saville Hall, Room 101

Plymouth Campus
• Front Desk

Quincy College will not return or refund missing or lost items. Please do not leave valuables or personal belongings unattended.
Office of Career Services, Workforce Development and Alumni Affairs
The Office of Career Services, Workforce Development, and Alumni Affairs is located in Presidents Place, Room 513. For additional information or questions, please call Gary Wallrapp at 617 984-1662 or e-mail gwallrapp@quincycollege.edu. Services provided by this office include the following:

- Career Services: Supporting students attending Quincy College at Plymouth and Quincy campuses. We also provide services for alumni of Quincy College.
- Workforce Development: This includes Grant Administration, Community/Civic & Business Liaison and coordination of off-campus classes.
- Alumni Affairs: Facilitates the involvement of alumni and students in programs, events and services that recognize achievements, builds loyalty and enhances support for Quincy College.

Career Center
The Career Center at Quincy College provides a comprehensive approach to career counseling and advisement with a wide array of services, resources, and programs including: educational and career planning, job searches and placement, resume writing and interviewing techniques, and more. The Career Center is located at Presidents Place, room 513. Call the Career Center for an appointment at 617-984-1662. Walk-in service is available if needed.

Career Center Plymouth Campus
Located at 36 Cordage Park Circle, Suite 220, Plymouth, MA 02360, the Career Center at Plymouth campus offers a full array of career support programs. Call (617) 405-5923 or stop by suite 220.

Several Quincy College career services and internet resources include:

Career Center Web Pages
www.quincycollege.edu/departments/career-services

Career Cruising and Self Assessments
Please visit www.careercruising.com for more information.

Quincy College Central Network
The Quincy College Central Network is a website that features local job listings for job-seekers and a resume database for employers. Please visit www.collegecentral.com/quincycollege for more information.

Life-Long Learning
Consistent with Quincy College’s primary mission which encourages academic achievement and community involvement, the Life-Long Learning Program seeks to enrich the cultural and intellectual lives of the communities in which it serves through stimulating and reasonably priced programs and courses (non-credit), lectures and presentations.

Please contact Fred Doyle, Quincy College’s Director of Non-Credit Education at fdoyle@quincycollege.edu or 617-984-1617, to request more information and schedules for these programs, courses, lectures, and presentations.
SERVICE LEARNING AND VOLUNTEERISM
Service learning and volunteer activities at Quincy College are designed to facilitate the engagement of students in activities where some service or good work is performed; address or meet a college or community need; allow students to learn about how their service makes a difference in themselves and in the lives of the service recipients; and/or connect service activities to academic learning. Activities presently include, but are not limited to: Father Bill’s Essential Needs Drive, Quincy College Health and Wellness Expo, Quincy Medical Center Cancer Walk, Red Cross Blood Drive, DOVE, My Brother’s Keeper, and service-learning options in selected academic courses.

STUDENT ACTIVITIES
Quincy College is committed to providing students with personal development opportunities outside the classroom that foster leadership skills, critical and creative thinking, cultural appreciation, and community involvement. An ever-evolving array of student activities includes Student Government, honor societies, performing and creative arts, an international student organization, and opportunities for participation in college governance. For general information regarding student activities, or to access the student activities calendar which is also posted on the Quincy College website, contact the Director of Student Development, 617-984-1676.

POLICY ON STUDENT ORGANIZATION (Policy 6.03)
Student organizations provide students with an opportunity to learn leadership skills, supplement formal academic experience, and pursue diverse interests. Quincy College encourages students to assemble, form and belong to organizations that promote and develop their common interests.

Quincy College will recognize student organizations whose purposes are consistent with our mission and are open to all students regardless of age, race, color, sex, religion, national origin, disability or sexual orientation. There shall be a nondiscriminatory clause in the constitution and by-laws of all student organizations.

Quincy College has no student activity fee and has no funds to support any organization, unless it is related to a course or academic pursuit.

Types of Organizations
A recognized student organization shall be defined as a group of Quincy College students joined together in the pursuit of a common purpose. Quincy College has identified the following types of organizations that may seek recognition:

Academic: organizations that select members on the basis of achievement or interest in a particular discipline.
Cultural: membership centered on a particular cultural interest.
Service: membership geared towards volunteer/service projects.
Hobby/Special Interest: membership centered on a particular hobby or special interest.
Arts: membership centered on the production and/or viewing of fine and performing arts.

The following nationally recognized organizations are in existence on campus and are being subsidized:
- Gamma Beta Phi Honor and Service Society
- Phi Theta Kappa Honor Society

Requirements for Student Organizations
1. New organizations are required to complete a Club Formation Packet and submit it to Student Life for club recognition. Existing clubs must complete a Club Activation Packet each year in order to keep their club recognition.
2. Organizations must identify a faculty or staff member who will act as an advisor, and ask that individual to submit, in writing, notice that he/she agrees to oversee the organization.
3. Membership is limited to Quincy College students only. Clubs may have affiliate members such as faculty or staff; however, affiliate members do not count towards the number of students required to form a club.
4. Organizations must have a minimum of 5 students.
5. Only degree or certificate seeking students in good judicial, academic, and financial standing with Quincy College are eligible for leadership roles within the organization.
6. Organizations and their members have a responsibility to adhere to Quincy College policies while on campus or at any college/club sponsored event.

7. All meetings are to be arranged at a time and place that least disturbs the academic environment. Organizations must make those events and meetings open to the Quincy College community.

8. Organizations must disclose any external affiliation (e.g. National Honor Societies) and provide their constitution and by-laws to the Associate Vice President for Student Development.

9. Dues may be required only for organizations that are affiliated with a national, international, state or regional chapter that require dues as part of chapter recognition. All record of dues must be maintained by the organization and a copy must be given to Student Life for the club file. If the chapter must have a bank account for dues, the Club Advisor must be on the account as the signature authority.

10. Organizations may not enter into agreements to use the Quincy College seal, name, or official reference without first obtaining written permission from the appropriate College authority.

Starting a Club/Organization

A club/organization may be recognized by the College to use College name, facilities, equipment and other services according to policies and procedures and to sponsor programs and activities which are consistent with the organization's purpose.

A club/organization can apply for recognition by completing a “Club Formation Packet” which can be obtained from the Student Life Office. This paperwork will require the club's purpose, membership roster, advisor contract and a constitution. Please submit completed paperwork to the Director of Student Development.

The club/organization will be required to maintain a record of their meetings and any financial transactions, if applicable, and must submit these records when asked. Clubs/organizations may not fundraise without prior approval from the College.

Honor Societies

Gamma Beta Phi Honor and Service Society (All Disciplines)

Gamma Beta Phi is a service organization for honor students at two-year and four-year colleges and universities. Chapters exist across the United States at institutions such as the University of Texas, North Carolina State, and the University of Oklahoma. It annually inducts over 10,000 academically excellent students who share its mission of promoting education, developing leadership skills, and providing meaningful service to their colleges and communities. Members of the award-winning chapter at Quincy College have donated countless hours at campus events and community service projects. Eligibility is limited to students who have earned 12 or more credits toward a degree with a grade point average of 3.0 or higher. For more information, contact Janet McKeen at 617-984-1647 or jmckeen@quincycollege.edu.

Phi Theta Kappa Honor Society (All Disciplines)

Phi Theta Kappa is an honor society that recognizes and encourages the academic achievement of students at two-year colleges and provides opportunities for individual growth and development through participation in honors, leadership, service, and fellowship programming. Today Phi Theta Kappa has chapters located in all 50 states, U.S. territories, Canada, and Germany. To be eligible for membership, a student must have completed a minimum of 12 hours of college level course work at Quincy College with an overall grade point average of 3.5 or higher. Students must also maintain a 3.5 GPA throughout their enrollment at Quincy College. For more information, contact Kathi Schaeffer at 617-984-1676 or kschaeffer@quincycollege.edu.

Clubs/Organizations

Chess Club

The Chess Club provides students with the opportunity to learn the game of chess and play against other students.

Drama Society

The Drama Society provides opportunities for members to develop an understanding of all aspects of theatre including character development, improvisation, set design, technology design, stage management and more. Auditions are held at the start of each semester for roles in a drama production performed at the end of each term. Membership is open to all students and alumni. For additional information, contact Steve Dooner at 617-984-1714 or sdooner@quincycollege.edu.
International Student Organization
The International Student Organization serves as a conduit for both international and US students interested in meeting with individuals from around the world to share ideas, culture, and community. The ISO also plans activities to assist international students with integration into the U.S. and educate the community at large about the diverse cultures represented at Quincy College. Joining this organization is a great way to explore the world around you without leaving campus. Membership is open to all students. Contact International Student Services at 617-984-1674.

Student Government Association
The purpose of the Student Government Association (SGA) is to foster a closer relationship and better understanding between administration, faculty and students. The SGA is the “voice” of the students and seeks to represent the students on campus. The SGA also works with the Student Life office to assist in the planning and foster involvement in student activities on campus. To get involved in Student Government, you can contact Director of Student Development at 617-984-1676.

Student Newspaper/QC Voice
The QC Voice provides students the opportunity to be involved in a student newspaper as an editor, reporter, photographer or layout designer. Contact: Director of Student Development, 617-984-1676.

Other co-curricular and extracurricular activities that the college has offered recently include, Alcohol Prevention Seminar, Domestic Violence Panel, and International Education Week.

For a list of active clubs and a monthly calendar of events, please stop by the Student Life Office located in Presidents Place or check the college website.

Student Involvement in College Governance
Student involvement in the governance of Quincy College is available and encouraged in several ways. The Quincy College Senate includes representation of the various constituencies of the College, including students. Additionally, the committees of the Senate also call for student membership. These committees are: Academic Policies and Procedures, Curriculum, and Educational and Student Services. The Program Review Committee, which twice a year undertakes comprehensive reviews of the College’s various academic programs, also provides for student membership and participation. Any student who wishes to learn more about opportunities to actively participate in the Senate and committees should contact the Director of Student Development at 617-984-1676.

Academic Recognition
Quincy College is committed to providing activities that support the academic goals of the institution. Whether it is a celebration of academic achievement or a school sponsored workshop, these activities offer the opportunity for both academic and personal development.

Honors Convivium
Honors Convivium is held annually in the spring in recognition of those students who have achieved superior cumulative grade point average prior to their last semester at the College. In addition to the Magna Cum Laude (3.50 – 3.74 cumulative GPA) and Summa Cum Laude (3.75 – 4.0 cumulative GPA) academic honors, numerous memorial scholarships are awarded to students.

Professional Recognition Ceremonies
Three times a year (January, May and June), Professional Recognition Ceremonies are held for Nursing and Health Science students who have successfully completed their respective Nursing and Health Sciences programs. Students in the Associate Degree Program in Nursing, the Practical Nurse Program, as well as the Medical Laboratory Technician Program are awarded a pin or certificate indicating their entrance into their professional community.
THE QUINCY COLLEGE TRUST

The Quincy College Trust is a non-profit charitable organization established in 2006 to support Quincy College students through donations for scholarships and educational enhancements on the campus. Created and monitored by the Board of Governors, this core group of nine dedicated members of the Trust administer funds established by alumni and the loved ones of alumni and faculty who seek to support the educational mission of our institution.

“The mission of the core curriculum at Quincy College is to provide students with a foundation of cognitive, communicative, and technical skills within an ethical framework essential for succeeding in both professional and educational endeavors in an increasingly diverse society.”

At the completion of the core, students will be able to:
1. Articulate thoughts in English in a coherent, unified, well-structured manner.
2. Demonstrate a mastery of fundamental skills in using computer technology.
3. Draw logical conclusions from qualitative and quantitative data presented in both graphic and narrative form.
4. Access, process, and assess information efficiently.
5. Demonstrate the relationship of one’s self to society, both locally and globally.
6. Demonstrate an understanding of the interaction between nations in a global society, both in the present and in a historical context.

Courses that fulfill the College Core Requirements and Electives

I
- ENG 101 English Composition I (3 credits)
- ENG 102 English Composition II (3 credits)

III
- Computer Science (3 credits)
  - CSI 101 Introduction to Computers
  *** Computer Science credits expire after 7 years for ALL PROGRAMS***

IV
- Social Science/ Psychology Core (3 credits)
  - PSY 101 General Psychology
  - PSY 216 Growth & Development
  - SOC 101 General Sociology
  - SOC 102 Contemporary Social Problems
  - SOC 155 Race, Class, Gender, Social Justice
  - ECO 201 Economics I
  - ECO 202 Economics II

V
- History/ Government Core (3 credits)
  - HIS 101 US History I
  - HIS 102 US History II
  - HIS 111 History of Western Civilization I
  - HIS 112 History of Western Civilization II
  - GOV 201 American Government
  - GOV 211 State & Local Government

VI
- Natural Science Core (4 credits)
- Natural Science Elective (4 credits)
  - HSC 149 Applied Anatomy and Physiology for Healthcare Professions
  - BIO 106 Nutrition with Lab
  - ENV 101 Introduction to Environmental Studies with lab
  - BIO 111 General Biology I with lab
  - BIO 112 General Biology II with lab
  - BIO 131 Anatomy & Physiology I with lab
  - BIO 132 Anatomy & Physiology II with lab
  - BIO 151 Microbiology with lab
  - CHE 103 Introduction to Forensic Science with lab
  - CHE 121 General Chemistry I with lab
  - CHE 122 General Chemistry II with lab
  - CHE 141 Introduction to Chemistry with lab
  - CHE 213 Organic Chemistry I with lab
  - CHE 214 Organic Chemistry II with lab
  - PHY 111 General Physics I with lab
  - PHY 112 General Physics II with lab

Note:
- Natural Science course credits expire after 10 years for liberal arts programs and expire after 5 years for Health Science and Nursing Programs.
- For sciences with a lab - students must take the lecture and the lab together - no exceptions.
- If a student has passed the lecture and not the lab (or vice versa) they must retake the credits they did not pass before graduation.

IDS 167  First Year Seminar
ACCOUNTING
Associate in Science Degree

Program Description
The Accounting Program is a program within the Division of Professional Programs and is designed to prepare students for entry level accounting positions, or to provide further advancement for those already employed in the accounting profession. The program design includes the core curriculum, a general business core, skills courses, and courses specific to the accounting profession.

Program Outcomes
At the completion of the program the student should be able to:
- Communicate effectively about accounting information
- Perform basic mathematical calculations in accounting, finance, and general business
- Discuss the role of accounting managers
- Apply the fundamental principles and methods of financial accounting in analyzing business transactions
- Identify the impact of business transactions upon financial statements
- Use accounting information to support business decision making
- Apply principles of cost accounting to analyze a firm’s costs
- Discuss Generally Accepted Accounting Principles (GAAP)
- Identify the impact micro and macroeconomic variables have upon businesses and their financial statements
- Perform computerized financial analysis
- Discuss the ethical issues faced by accounting majors

Quincy College Catalog 2015-2016 | Focused on Teaching and Learning, One Student at a Time
BIOTECHNOLOGY & COMPLIANCE
Associate in Science Degree

Program Description
The Biotechnology Program is designed to prepare students for entry-level positions in the biomanufacturing industry. Students will develop a broad laboratory science-based background through courses focused in the life and chemical sciences, and will obtain industry-specific knowledge in the areas of quality control (QC), process development (PD), and upstream and downstream processing, all while following current, good manufacturing practices (cGMP). In addition, students will learn valuable laboratory techniques and instrumentation, and develop critical thinking skills. Upon successful completion of the program, students may enter the workforce directly as entry-level laboratory technicians or research assistants, or may transfer to a four-year university to continue their studies at the baccalaureate level.

Program Outcomes
At the completion of this program, the student should be able to:
- Practice ethical standards of integrity, honesty, and fairness in scientific practices and professional conduct
- Compare and contrast aspects of the central dogma: DNA→mRNA→Protein
- Use appropriate computer software and hardware skills to accomplish biotechnology lab tasks
- Demonstrate technical knowledge of specialized techniques and instrumentation
- Communicate thoughts, orally and in writing, in a clear well-organized manner that effectively informs and clarifies scientific principles and lab techniques
- Use scientific procedures and current and emerging technologies to conduct safe and appropriate laboratory experiments and to collect data that are validated and documented
- Comply with and adhere to national, state, and local standards, policies, protocols, and regulations for laboratory and manufacturing activity
- Apply scientific knowledge and principles as well as quantitative methods and relevant technology to think critically and solve complex problems in biotechnology

# BUSINESS
## Associate in Science Degree

### Program Description
The Business Program is designed to assist students who anticipate transferring to Baccalaureate Degree-granting institutions. The purpose of the Program is to make possible transfer into such institutions and enhance students’ success in those programs. The Business Program is a program which allows the student greater flexibility in selecting courses that will match the program requirements of the school to which the student intends to transfer. Quincy College has a number of transfer/articulation agreements in place to facilitate easy mobility from Quincy College to the transferring institution.

### Program Outcomes
At the completion of this program, the student should be able to:
- Communicate effectively about management issues
- Perform basic mathematical calculations in general business and accounting
- Explain the role of the business manager
- Identify the impact of business transactions upon financial statements
- Discuss the principles of marketing and the distribution of goods and services
- Discuss the practical and legal issues involved in hiring, training, compensating, and evaluating employees
- Discuss the ethical issues faced by business managers
- Discuss the economic principles underlying the behavior of firms and the performance of microeconomics
- Identify the impact of macroeconomic variables upon businesses
- Prepare students for acceptance into and success in business programs at Baccalaureate Degree-granting institutions
- Permit students to transfer to such Baccalaureate Degree-granting institutions with no loss of credits or minimal loss of credits

COMPUTER SCIENCE: MEDIA ARTS
Associate in Science Degree

Program Description
The Computer Science Program is a program that is designed to prepare students for a variety of entry level positions in a networked environment within the computer science industry, and to provide additional training or further advancement to those already employed in the computer science profession. The program design includes the core curriculum, a general computer science core, skills courses, and courses specific to the computer science areas. Students may choose to concentrate their studies in Computer Science Programming, Networking, or Media Arts.

Program Outcomes
At the completion of this program, the student should be able to:
- Develop a concept into a message and communicate that message effectively
- Create a method, or treatment, to deliver the message through sound, motion, graphics and editing
- Write an audio/video script and construct a story board
- Manage a production timeline and create a shoot list for production
- Analyze equipment and time to budget production needs
- Make custom music tracks, apply filters for effect and refine the edit process
- Identify, assemble, and insert editing methods
- Apply digital effects to create scene-to-scene transitions
- Create text graphics in roll, crawl and superimpose applications
- Manage and store digital assets and final programs
- Create basic animation for video and animated text to complement video programs
- Construct special effects for multimedia presentations
- Create animation with moving video frames and build 3D objects
- Use imported layers and devise effects for Web and DVD formats
- Set-up and operate a video camera, and organize and manage digital assets
- Use supplementary microphones to capture audio files
- Assemble a video program using non-linear editing software

The College Core Curriculum
- IDS 167 First Year Seminar 3 credits
- ENG 101 English Composition I 3 credits
- ENG 102 English Composition II 3 credits
- CSI 101 Intro to Computer Science 3 credits
- Social Science/Psychology Core 3 credits
- History/Government Core 3 credits
- Math Core 3 credits
- Natural Science Core w/Lab 4 credits

Program Requirements
- ART 119 Photography I 3 credits
- IDS 120 History of TV 3 credits
- CSA 225 Desktop Publishing 3 credits
- CSA 150 Introduction to Digital Video 3 credits
- CSA 151 Project Development 3 credits
- CSA 152 Video Editing 3 credits
- CSA 154 Video Animation 3 credits
- CSA 156 Final Cut Pro 3 credits
- CSA 201 Capstone Project 3 credits
- Program Concentration Courses 12 credits

Total credits required for graduation 64 credits

Program Concentration Courses
- ART 120 Photojournalism 3 credits
- ART 103 Line, Color & Design 3 credits
- ART 229 American Film 3 credits
- ART 230 Art & Society 3 credits
- CSA 225 Desktop Publishing 3 credits
- CSA 227 Website Design 3 credits
- CSA 228 Computer Graphic Application 3 credits
- CSA 229 Website Development 3 credits
- ENG 111 Speech 3 credits
- SOC 112 Interpersonal Communication 3 credits
- SOC 156 Media in Social Perspective 3 credits
COMPUTER SCIENCE: NETWORKING
Associate in Science Degree

Program Description
The Computer Science Program is a program that is designed to prepare students for a variety of entry level positions in a networked environment within the computer science industry, and to provide additional training or further advancement to those already employed in the computer science profession. The program design includes the core curriculum, a general computer science core, skills courses, and courses specific to the computer science areas. Students may choose to concentrate their studies in Computer Science Programming, Networking, or Media Arts.

Program Outcomes
At the completion of this program, the student should be able to:

- Discuss how computers, data processing, networking and telecommunications have changed practices in medicine, science and business
- Demonstrate a mastery of fundamental skills in mathematics, written communication, and keyboarding
- Identify the major hardware and software components of a computer system
- Utilize a computer and the systems approach to solve algorithmic problems
- Describe CPU structure and function and discuss computer design trends
- Explain fundamental programming aspects such as conditional branching and looping, and use flowcharts and pseudo code for solving problems
- Demonstrate how to organize directory and file manipulation commands, and create shell enhancements
- Explain terminology used in the information processing environment
- Discuss the concepts of interconnected structures and digital logic
- Demonstrate the use of screen editors, flowcharting, coding and debugging using several structured programming languages
- Describe the issues of software development, software piracy, and viruses
- Demonstrate the use of application software packages in word processing, creating spreadsheets, database management and graphic presentations
- Explain the impact computers have on the “Global Village” and discuss the impact of computer technology on issues of individual privacy
- Describe the issues involved in business information systems including networking, system design and system implementation
- Demonstrate a mastery of modern information communications issues including Internet, Intranet and Local Area

CSI 247 Fundamentals of Structured Query Language 3 credits
MAT Math Elective (higher than MAT 103) 3 credits
CSI 297 Internship (Does not transfer) 3 credits
COMPUTER SCIENCE: PROGRAMMING
Associate in Science Degree

Program Description
The Computer Science Program is a program that is designed to prepare students for a variety of entry level positions in a networked environment within the computer science industry, and to provide additional training or further advancement to those already employed in the computer science profession. The program design includes the core curriculum, a general computer science core, skills courses, and courses specific to the computer science areas. Students may choose to concentrate their studies in Computer Science Programming, Networking, or Media Arts.

Program Outcomes
At the completion of this program, the student should be able to:
- Discuss how computers, data processing, networking and telecommunications have changed practices in medicine, science and business
- Demonstrate a mastery of fundamental skills in mathematics, written communication, and keyboarding
- Identify the major hardware and software components of a computer system
- Utilize a computer and the systems approach to solve algorithmic problems
- Describe CPU structure and function and discuss computer design trends
- Explain fundamental programming aspects such as conditional branching and looping, and use flowcharts and pseudo code for solving problems
- Demonstrate how to organize directory and file manipulation commands, and create shell enhancements
- Explain terminology used in the information processing environment
- Discuss the concepts of interconnected structures and digital logic
- Demonstrate the use of screen editors, flowcharting, coding and debugging using several structured programming languages
- Describe the issues of software development, software piracy, and viruses
- Demonstrate the use of application software packages in word processing, creating spreadsheets, database management and graphic presentations
- Explain the impact computers have on the “Global Village” and discuss the impact of computer technology on issues of individual privacy
- Describe the issues involved in business information systems including networking, system design and system implementation
- Demonstrate a mastery of modern information communications issues including Internet, Intranet and Local Area

First Semester
- IDS 167 First Year Seminar 3 credits
- ENG 101 English Composition I 3 credits
- CSI 101 Intro to Computer Science 3 credits
- CSI 116 Introduction to Programming 3 credits
- Social Science/Psychology Core 3 credits
- Math Core 3 credits

Second Semester
- ENG 102 English Composition II 3 credits
- Natural Science Core (PHY 111 recommended) 4 credits
- Program Concentration Course (CSI 107 recommended) 3 credits
- CSA 213 Database Management 3 credits
- CSI 244 Networking I 3 credits

Third Semester
- History/Government Core 3 credits
- Program Concentration Course (CSI 108 recommended) 3 credits
- CSI 213 UNIX with Linux 3 credits
- Program Concentration Courses 9 credits

Fourth Semester
- CSI 218 Data Structures (Capstone) 3 credits
- Program Concentration Courses 15 credits

Total credits required for graduation 70 credits

Program Concentration Courses
- CSI 107 C++ Programming 3 credits
- CSI 108 Advanced C++ 3 credits
- CSI 149 Introduction to Gaming 3 credits
- CSI 207 System Design and Analysis 3 credits
- CSI 229 Visual Basic 3 credits
- CSI 230 Visual C++ 3 credits
- CSI 233 Java Programming 3 credits
- CSI 235 Computer Architecture 3 credits
- CSI 237 Advanced Java 3 credits
- CSI 247 Fundamentals of Structured Query Language 3 credits
- CSI 248 Building Web Applications with Ruby on Rails 3 credits
- CSI 255 C# Programming 3 credits
- CSI 261 Robotic Programming 3 credits
- CSI 297 Internship (does not transfer) 3 credits
- ACC 101 Accounting I 3 credits
- MAT 113 Precalculus 3 credits
- MAT 204 Calculus I B 4 credits
CRIMINAL JUSTICE
Associate in Science Degree

The Quincy College Criminal Justice Program is designed to prepare individuals for the various aspects of Criminal Justice in the region. The program options available to students offer several routes of preparation. In any Criminal Justice course, students may find themselves in classrooms with police officers, private security professionals, government agency staff, and prospective social scientists. Students are encouraged to carefully review each Criminal Justice track, and the options available within each, in order to more effectively identify the program best suited for their career and personal goals.

Program Description
The Criminal Justice Program is designed to assist students who anticipate transferring to Criminal Justice programs at Baccalaureate Degree-granting institutions. The purpose of the Program is to make possible transfer into such institutions and enhance the likelihood of students’ success in those programs. The Criminal Justice Program allows the student greater flexibility in selecting courses that will match the program requirements of the school to which the student intends to transfer.

Program Outcomes
At the completion of this program, the student should be able to:
- Demonstrate knowledge of the structure and functions of the police, courts, and corrections
- Analyze how theories of criminal behavior explain such behavior, and how those theories relate to the criminal justice system
- Describe major court decisions related to crime and criminal procedure and how those decisions influence the behavior of those working in or involved with the criminal justice system
- Describe the Constitutional rights in the United States of those accused of a crime, and explain why those rights exist
- Analyze the criminal justice process from initial contact with the police to appeals
- Explain the substance, purpose, and function of criminal law
- Distinguish between the features and purposes of the adult court system and the juvenile court system

First Semester
- IDS 167 First Year Seminar 3 credits
- ENG 101 English Composition I 3 credits
- CSI 101 Intro to Computer Science 3 credits
- CJS 101 Introduction to Criminal Justice 3 credits
- CJS 103 Criminology 3 credits

Second Semester
- CJS 109 Criminal Law 3 credits
- CJS 121 Criminal Procedure 3 credits
- ENG 102 English Composition II 3 credits
- Social Science/Psychology Core 3 credits
- History/Government Core 3 credits

Third Semester
- CJS 107 Juvenile Delinquency 3 credits
- SOC 101 General Sociology 3 credits
- Humanities Elective 3 credits
- Program Concentration Courses 9 credits

Fourth Semester
- Math Core 3 credits
- Natural Science Core 4 credits
- General Elective 3 credits
- Program Concentration Courses 6 credits

Total credits required for graduation 64 credits

Program Concentration Courses
- CJS 104 Law Enforcement & Society 3 credits
- CJS 105 Criminal Evidence & Investigation 3 credits
- CJS 111 Criminal Justice Administration 3 credits
- CJS 113 Drugs and Society 3 credits
- CJS 122 Conflict & Dispute Resolution 3 credits
- CJS 202 Introduction to Corrections 3 credits
- CJS 204 Probation, Parole & Community Corrections 3 credits
- CJS 211 Introduction to Security Procedures 3 credits
- CJS 213 Security Administration 3 credits
- CJS 215 White-Collar Crime 3 credits
- CJS 221 Domestic Violence 3 credits
- CJS 224 Unequal Justice 3 credits
- CJS 297 Internship (Limited transfer) 3 credits
- LAW 207 United States Judicial Systems 3 credits
- LAW 210 American Constitutional Law 3 credits
- SOC 102 Contemporary Social Problems 3 credits
CRIMINAL JUSTICE: LAW ENFORCEMENT
Associate in Science Degree

Program Description
The Criminal Justice/Law Enforcement Program is designed to prepare students for entry level positions in the criminal justice profession or to provide additional training or further advancement for those already employed in the criminal justice field by emphasizing courses in the theory and practice of Criminal Justice and closely related topics.

Program Outcomes
At the completion of this program, the student should be able to:

- Demonstrate knowledge of the structure and functions of the police, courts, and corrections
- Analyze how theories of criminal behavior explain such behavior, and how those theories relate to the criminal justice system
- Describe major court decisions related to crime and criminal procedure and how those decisions influence the behavior of those working in or involved with the criminal justice system
- Describe the Constitutional rights in the United States of those accused of a crime, and explain why those rights exist
- Analyze the criminal justice process from initial contact with the police to appeals
- Explain the substance, purpose, and function of criminal law
- Distinguish between the features and purposes of the adult court system and the juvenile court system.

First Semester
- IDS 167 First Year Seminar 3 credits
- ENG 101 English Composition I 3 credits
- CSI 101 Intro to Computer Science 3 credits
- CJS 101 Introduction to Criminal Justice 3 credits
- Math Core 3 credits

Second Semester
- CJS 107 Juvenile Delinquency 3 credits
- CJS 109 Criminal Law 3 credits
- CJS 121 Criminal Procedure 3 credits
- Natural Science Core
  (CHE 103 Intro to Forensic Sci. recommended) 4 credits
- ENG 102 English Composition II 3 credits

Third Semester
- CJS 103 Criminology 3 credits
- Program Concentration Course 3 credits
- History/Government Core 3 credits
- Humanities Elective (Choose from any foreign language I or communications course) 3 credits
- PHL 108 Ethics w/ lab 4 credits

Fourth Semester
- Humanities Elective (Choose from any foreign language I or communications course) 3 credits
- Social Science/Psychology Core 3 credits
- Program Concentration Courses 12 credits

Total credits required for graduation 65 credits

Program Concentration Courses
- CJS 104 Law Enforcement & Society 3 credits
- CJS 105 Criminal Evidence & Investigation 3 credits
- CJS 111 Criminal Justice Administration 3 credits
- CJS 113 Drugs and Society 3 credits
- CJS 117 Crisis Intervention 3 credits
- CJS 122 Conflict & Dispute Resolution 3 credits
- CJS 131 Introduction to Homeland Security 3 credits
- CJS 132 Weapons of Mass Destruction 3 credits
- CJS 215 White-Collar Crime 3 credits
- CJS 221 Domestic Violence 3 credits
- CJS 224 Unequal Justice 3 credits
- CJS 225 Victimology 3 credits
- CJS 297 Criminal Justice Internship 3 credits
- LAW 210 Constitutional Law 3 credits
- PSY 203 Adolescent Psychology 3 credits
- PSY 215 Abnormal Psychology 3 credits
- PSY 290 Introduction to Social Psychology 3 credits
- SOC 102 Contemporary Social Problems 3 credits
- SOC 105 Sociology of Deviance 3 credits
- SOC 112 Interpersonal Communication 3 credits
- SOC 203 Sociology of the Family 3 credits
CRIMINAL JUSTICE: SECURITY MANAGEMENT
Associate in Science Degree

Program Description
This program prepares graduates to engage in the practice of private security by providing them with knowledge about the theories and principles associated with multiple dimensions within the security industry, including private security, corporate investigations, protection of assets, and interpersonal communications. Required courses establish a holistic approach toward developing a well-rounded security professional by combining topics surrounding private security, interpersonal communication, customer service and administrative issues.

Program Outcomes
At the completion of this program, the student should be able to:

- Identify the critical components of business continuity.
- Articulate how to successfully manage both a contract and proprietary security program.
- Describe the process of how to conduct a security investigation from its inception to prosecution.
- Explain the entire incident command process from the preplanning stages to the post event after action review.
- Explain the integration of the concepts taught in the component courses as they relate to risk assessment, management, and mitigation of the overall enterprise.
- Conduct comprehensive security risk assessments along with mitigation strategies.

EARLY CHILDHOOD EDUCATION
Associate in Science Degree

Program Description
Increasingly, American families find the need for safe, certified day care for children. Essential to the success of any day care operation is the availability of qualified professionals. The Quincy College program in Early Childhood Education is designed to assist students in meeting requirements of the Department of Early Education and Care (EEC) and the needs of employers. Students receive a broad based exposure to Early Childhood Education.

Note: Students who plan to complete a field placement must contact the faculty coordinator by May for a fall semester placement and by December for a spring semester placement.

All students enrolled in the program will be required to have a Criminal Offense Record Information (CORI) check completed as required by early childhood centers. Admission to the program does not guarantee a field replacement. An overall GPA of 2.0 or higher is required to be placed in a field experience. In addition, students must complete the following college level courses with a grade of “C” (73%) or higher: EDU 101, EDU 105, EDU 110, PSY 103, and EDU 222 and receive written permission from the faculty who coordinate the Early Childhood Program to be eligible for a field placement.

Program Outcomes
At the completion of this program, the student should be able to:
- Demonstrate knowledge of child development and learning to support the diverse ways in which children learn.
- Use observation, documentation, and appropriate assessment tools to support positive outcomes for all children.
- Design, implement, and evaluate developmentally appropriate curriculum that positively influences each child’s learning.
- Demonstrate knowledge of supporting families and communities through reciprocal relationships which involve families in their children’s education.
- Evaluate effective teaching practices in working with children in collaboration with other professionals.

First Semester
IDS 167  First Year Seminar 3 credits
ENG 101  English Composition I 3 credits
CSI 101  Intro to Computer Science 3 credits
EDU 101  Intro to Early Childhood Education 3 credits
PSY 103  Child Development 3 credits

Second Semester
EDU 105  Curriculum for the Preschool Child 3 credits
EDU 107  Health and Nutrition for Preschoolers 3 credits
EDU 110  Observation and Participation 3 credits
ENG 102  English Composition II 3 credits
History/Government Core 3 credits

Third Semester
EDU 222  Children with Special Needs 3 credits
PSY 101  General Psychology 3 credits
Math Core 3 credits
Natural Science Core 4 credits
Program Concentration Course 3 credits

Fourth Semester
EDU 210  ECE Seminar 3 credits
EDU 320  ECE Field Experience 6 credits
SOC 101  General Sociology 3 credits
Humanities Elective 6 credits

Total credits required for graduation 64 credits

Program Concentration Courses
EDU 115  Children’s Literature 3 credits
EDU 117  Positive Guidance for the Young Child 3 credits
EDU 216  Dynamics of Play 3 credits
EDU 218  Infant/Toddler Development & Curriculum 3 credits
EDU 250  Management & Supervision in ECE Centers 3 credits
EDU 317  Financial Management for Day Care Administrators 3 credits
PSY 201  Child Psychology 3 credits
ELEMENTARY EDUCATION
Associate in Science Degree

Program Description
Many students at Quincy College have long range goals to continue their education and pursue a Bachelor's Degree. The Elementary Education Program is designed to prepare students who wish to become elementary teachers. It seeks to attract students who are interested in working in public/private school settings with children in grades 1-6. A solid foundation in Liberal Arts will allow students flexibility in selecting courses that will match program requirements of the schools that the students would like to attend. The general education courses will enable the students to continue their studies beyond the Associate's Degree.

Note: Students enrolled in the program will be required to have a Criminal Offender Record Information (CORI) check completed as required by elementary schools.

Program Outcomes
At the completion of this program, the student should be able to:
- Explain in writing and orally the responsibilities of the teaching profession
- Demonstrate in writing and orally the major principles of learning namely, behavioral, cognitive, and constructivist
- Articulate thoughts in English in a coherent, unified, well-structured manner
- Efficiently access, process, and assess information
- Demonstrate an appreciation of the variety of expression and ethical issues in diverse fields
- Draw logical conclusions from qualitative and quantitative data presented in both graphic and narrative form
- Demonstrate a mastery of the fundamental skills in using computer technology
- Explain the nature and societal implications of global relationships among diverse cultures

ENGINEERING TECHNOLOGY
Associate in Science Degree

Program Description
The Engineering Technology Associate Degree provides students with the knowledgebase required to become Engineering Technicians in the areas of electrical and electronic systems. Additional coursework in electromechanical principles and robotics will aid in pursuing employment opportunities in the emerging 3D printing and robotics engineering fields. Upon successful completion of the program students will be able to provide the technical knowledge and know how to assist and support design engineers that develop new products in a variety of different fields. Although the curriculum is designed to facilitate those students wishing to develop a career in Engineering Technology some students may find opportunity in continuing their education at institutions offering a Bachelor of Science degree in engineering. Additional college courses in science and mathematics may be required to build sufficient credits to transfer into a baccalaureate program.

Program Outcomes
At the completion of this program, the student should be able to:
- Identify a wide variety of electrical and/or electronic circuit elements
- Read and evaluate electronic component specifications and schematics
- Knowledge of test instruments and use in measuring electronic subsystem and component performance
- Apply AC/DC circuit theory to design, analyze, troubleshoot and correct electronic circuits consisting of analog and digital circuits
- Record and effectively communicate observed test data
- Skill in the assembly and integration of electronic subsystems
- Write and use software for command and control of electronic subassemblies
- Knowledge of electrical, electronic and mechanical component interaction as they pertain to robotic assemblies
- Possess computer skills in the preparation of technical documents, analysis of observed data, project management, implementing simple software programs and the creation of presentation materials

First Semester
- CSI 116 Introduction to Programming 3 credits
- IDS 167 First Year Seminar 3 credits
- ENG 101 English Composition I 3 credits
- CSI 101 Intro to Computers 3 credits
- MAT 103 College Algebra 3 credits

Second Semester
- CSI 117 C++ Programming 3 credits
- ENG 102 English Composition II 3 credits
- PHY 111 General Physics I / Lab 4 credits
- MAT 113 Pre-Calculus 3 credits
- EGR 101 Electrical Fundamentals 3 credits
- EGR 105 Digital Electronic Circuits 3 credits

Third Semester
- EGR 201 Electronics I 3 credits
- CSI 261 Robotics Programming 3 credits
- PHY 112 General Physics II / Lab 4 credits
- HIS/GOV History/Government Core 3 credits
- EGR 220 Computer Aided Design / Lab 4 credits

Fourth Semester
- SOC/PSY Sociology/Psychology Core 3 credits
- EGR 202 Electronics II 3 credits
- EGR 210 Microprocessors I 3 credits
- EGR 211 Microprocessors II 3 credits
- Program Concentration Courses 3 credits
- EGR 230 Robotics Engineering (Capstone) 3 credits

Total credits required for graduation 69 credits

Program Concentration Courses
- CSI 111 Digital Computer Hardware 3 credits
- CSI 263 Advanced Robotics Programming 3 credits
- MGT 240 Project Management 3 credits
- EGR 297 Internship (Does not transfer) 3 credits
- MAT 204 Calculus I B 4 credits
EXERCISE SCIENCE & PERSONAL TRAINING
Associate in Science Degree

The Exercise Science & Personal Training program is designed for students who wish to continue their education in the field of exercise and fitness. Whether one chooses to train clients, work for a non-profit health related organization, or participate in health and fitness research, this program will allow students the opportunity to hone their skills as fitness professionals; develop their interpersonal communication and critical thinking skills; and become familiar with basic management principles that will aid them in forging a career in the fitness industry.

The Exercise Science/Personal Training Program is designed for students who wish to work toward American Council on Exercise (ACE) certification as well as those who anticipate transferring to a Baccalaureate Degree-granting institution. The course of study is interdisciplinary and includes the College core curriculum; courses specific to exercise, fitness, health care, business administration, as well as general liberal arts. The academic offerings of this program range from advanced fitness training courses that offer valuable, practical field experience to foundation courses and electives that will create the framework for further academic study.

Program Outcomes
At the completion of this program, the student should be able to:
- Name basic medical terms as they relate to clients’ past medical history
- Summarize the basic anatomy and physiology of the human body
- Demonstrate the ability to write professionally
- Demonstrate the ability to verbally communicate the principles and benefits of exercise and physical fitness effectively
- Discuss the role and functions of personal trainers/exercise professionals
- Discuss the ethical issues related to the field of personal training/physical fitness
- Compare the traditional biomedical model of health care with a preventative/wellness model
- Analyze fitness regimens
- Design personalized training protocols for all ages (youth to adult); fitness levels (novice to advanced); and levels of health
- Implement personalized training protocols for all ages (youth to adult); fitness levels (novice to advanced); and levels of health

First Semester
IDS 167  First Year Seminar  3 credits
ENG 101  English Composition  3 credits
EXS 101  Health Appraisal & Fitness Assessment  3 credits
EXS 102  Muscular & Cardiovascular Fitness  3 credits
Math Core (MAT 100 or higher)  3 credits

Second Semester
ENG 102  English Composition II  3 credits
EXS 116  Strength Training & Endurance Exercise  3 credits
EXS 119  Bioenergetics & Biomechanics  3 credits
EXS 150  Nutrition for Fitness  3 credits
SOC 112  Interpersonal Communication  3 credits

Third Semester
BIO 111  General Biology w/Lab  4 credits
CSI 101  Introduction to Computers  3 credits
EXS 115  Injury Prevention, Flexibility & Functional Training  3 credits
EXS 201  Youth & Senior Fitness  3 credits
History/Government Core  3 credits

Fourth Semester
BIO 131  Anatomy & Physiology I w/Lab  4 credits
EXS 202  Exercise Program Design  3 credits
EXS 204  Advanced Training Programs  3 credits
EXS 206  Fitness Facility Management  3 credits
Program Concentration Course  3 credits

Total credits required for graduation  62 credits

Program Concentration Courses
BUS 101  Introduction to Business
BUS 202  Principles of Customer Service
MGT 230  Entrepreneurship and Small Business Management
MKT 202  Principles of Marketing
PSY 230  Sports Psychology
EXS 297  Exercise Science Internship

Note:
CPR Certification
Health Sciences students must be certified in CPR for the Health Care Provider. Documentation is required and must be provided to the Program Chair and must be effective throughout the program.

Drug Testing
Some clinical partners require drug screening of students placed at their facilities. These providers reserve the right to refuse and/or reject any student whose drug test fails to meet facility guidelines. Students who test positive for the presence of illegal drugs may not be placed in another facility. Students who cannot complete the clinical practicum are ineligible for graduation.

The passing grade for all courses is “C” (73%). Students may not continue in the program if they receive less than a “C” in any course. Science courses must have been completed within the past five (5) years at the college level.
FINE ARTS:  
CONCENTRATION IN DRAMA  
Associate in Arts Degree

**Program Description**  
The focus of the Liberal Arts Program is to provide the student with a breadth of program offerings in a chosen field of study. Liberal Arts students may focus their program in the following concentration areas: Behavioral Science, English, History/Government, Humanities, Mathematics, Psychology, Social Science or Sociology. All concentration electives must be selected in the chosen area of study.

**Program Outcomes**  
At the completion of the program the student should be able to:
- Think critically
- Think quantitatively
- Communicate effectively
- Use logic to acquire, assess, and integrate new information
- Explain the nature and societal implications of global relationships among diverse cultures
- Apply ethical criteria to a variety of intellectual, social, and personal situations
- Apply aesthetic criteria to a variety of intellectual, natural, artistic, and social phenomena
- Demonstrate a broad theoretical and practical knowledge of one field of study from among the liberal arts and science concentrations

FINE ARTS:
CONCENTRATION IN MUSIC
Associate in Arts Degree

Program Description
The focus of the Liberal Arts Program is to provide the student with a breadth of program offerings in a chosen field of study. Liberal Arts students may focus their program in the following concentration areas: Behavioral Science, English, History/Government, Humanities, Mathematics, Psychology, Social Science or Sociology. All concentration electives must be selected in the chosen area of study.

Program Outcomes
At the completion of the program the student should be able to:
- Think critically
- Think quantitatively
- Communicate effectively
- Use logic to acquire, assess, and integrate new information
- Explain the nature and societal implications of global relationships among diverse cultures
- Apply ethical criteria to a variety of intellectual, social, and personal situations
- Apply aesthetic criteria to a variety of intellectual, natural, artistic, and social phenomena
- Demonstrate a broad theoretical and practical knowledge of one field of study from among the liberal arts and science concentrations

HEALTHCARE ADMINISTRATION
Associate in Science Degree

Program Description
The Health Care Administration Program is mainly designed for students who anticipate transferring to a baccalaureate degree-granting institution. The course of study is interdisciplinary and includes the college core curriculum and courses specific to administration and health care as well as general liberal arts. Within this program students may choose the Medical Billing and Coding option.

Program Outcomes
At the completion of this program, the student should be able to:
- Communicate effectively about administrative principles
- Discuss the ethical issues related to health care and administration
- Discuss the role and functions of a database
- Perform basic mathematical calculations in general business
- Compare US health care organizations to other countries
- Summarize basic human body systems
- Name basic medical terminology prefixes, suffixes and root words
- Analyze health care finance issues and structures
- Identify the role of customer service as a business strategy in health care
- Demonstrate the ability to write professionally
- Demonstrate the ability to communicate verbally.
- Transfer credits to a Baccalaureate Degree-granting institution

The College Core Curriculum
- IDS 167  First Year Seminar            3 credits
- ENG 101  English Composition I        3 credits
- ENG 102  English Composition II       3 credits
- CSI 101  Intro to Computer Science     3 credits
- PSY 101  General Psychology            3 credits
- History/Government Core                3 credits
- Math Core                              3 credits
- Natural Science Core (HSC 149 Applied A&P for Healthcare Professions recommended) 4 credits

Program Requirements
- HSC 107  Orientation to Healthcare       1 credit
- ENG 224  Writing for Professionals      3 credits
- BUS 203  Healthcare Delivery Systems    3 credits
- PHL 103  Medical Ethics                  3 credits
- CSA 213  Database Management             3 credits
- FIN 202  Healthcare Finance              3 credits
- BUS 101  Introduction to Business       3 credits
- BUS 202  Principles of Customer Service  3 credits
- IDS 155  Critical Thinking & Writing    3 credits
- HSC 140  Medical Terminology             3 credits
- SOC 112  Interpersonal Communication    3 credits
- Program Concentration Courses           6 credits

Total credits required for graduation 62 credits

Program Concentration Courses
- ACC 101  Accounting I                    3 credits
- ARA 101  Arabic I                        3 credits

HEALTHCARE ADMINISTRATION:
MEDICAL BILLING & CODING
Associate in Science Degree

Program Description
The Health Care Administration Program is mainly designed for students who anticipate transferring to a baccalaureate degree-granting institution. The course of study is interdisciplinary and includes the college core curriculum and courses specific to administration and health care as well as general liberal arts. Within this program students may choose the Medical Billing and Coding option.

Program Outcomes
At the completion of this program, the student should be able to:

- Recognize the essential duties and responsibilities of medical insurance billing
- Demonstrate proficiency in English language and grammar in the medical environment
- Interpret a patient medical report
- Describe the reimbursement procedures for different types of medical records, settings, and procedures
- Evaluate the accuracy and completeness of the patient record as defined by organizational policy and external regulations and standards
- Validate the data collected for appropriate reimbursement;
- Outline the ethical considerations that impinge on the fields of healthcare
- Define medical terms and abbreviations
- Demonstrate an understanding of the anatomy and physiology of the human body from the cellular level to the system level
- Describe the origins, history, structure, and functions of the U.S. healthcare system

The College Core Curriculum
- IDS 167 First Year Seminar 3 credits
- ENG 101 English Composition I 3 credits
- ENG 102 English Composition II 3 credits
- CSI 101 Intro to Computer Science 3 credits
- PSY 101 General Psychology 3 credits
- History/Government Core 3 credits
- Math Core
- (MAT207 Statistics recommended) 3 credits
- Natural Science Core (HSC 149 Applied A&P for Healthcare Professions recommended) 4 credits

Program requirements
- HSC 107 Orientation to Healthcare 1 credit
- HSC 140 Medical Terminology 3 credits
- BUS 203 Health Care Delivery Systems 3 credits
- PHL 103 Medical Ethics 3 credits
- CSA 213 Database Management 3 credits
- FIN 202 Health Care Finance 3 credits
- BUS 101 Introduction to Business 3 credits
- SOC 112 Interpersonal Communication 3 credits
- MBC 101 Intro to Medical Billing and Coding 3 credits
- MBC 125 Medical Administration and Coding: Certification Prep 6 credits
- MBC Program Concentration Courses 6 credits

Total credits required for graduation 62 credits

Program Concentration Courses
- MBC 102 English for Health Claims 3 credits
- MBC 297 MBC Internship 3 credits
- SPN 108 Spanish for Healthcare 3 credits
HUMAN SERVICES
Associate in Science Degree

Program Description
Human services involve the art and science of working with people and helping others. Within the broad category of human services is the subspecialty of social work. The essential aim of the social work profession is to enhance social functioning of people within social and cultural frameworks. This program prepares graduates to engage in the helping professions at entry levels in their communities. This concentration focuses upon helping students develop the knowledge, skills, experience, and values that will assist them in working effectively with people in a variety of community settings.

Program Outcomes
At the completion of this program, the student should be able to:
- Interview applicants for services to obtain data and to provide information on available resources;
- Assist individuals or groups with difficult day to day problems such as finding employment, locating sources of assistance, and addressing other specific problems;
- Provide assistance in helping people utilize specific resources and agencies;
- Assess client needs while working as a member of a team of helping professionals;
- Be aware of and familiar with services available in the community and how those services relate to client needs.

First Semester
- IDS 167 First Year Seminar 3 credits
- ENG 101 English Composition I 3 credits
- Math Core (MAT 103 College Algebra or MAT 207 Statistics recommended) 3 credits
- HSV 103 Introduction to Social Work 3 credits
- CSI 101 Intro to Computer Science 3 credits

Second Semester
- Natural Science Core
  (BIO 111 General Biology I recommended) 4 credits
- ENG 102 English Composition II 3 credits
- History/Government Core 3 credits
- HSV 200 Human Behavior and the Social Environment 3 credits
- HSV 205 Substance Abuse Counseling 3 credits

Third Semester
- HSV 201 Helping Skills 3 credits
- HSV 260 Diverse Populations 3 credits
- PSY 101 General Psychology 3 credits
- PSY 215 Abnormal Psychology 3 credits
- PSY 216 Growth and Development 3 credits

Fourth Semester
- Program Concentration Courses 12 credits
- General Electives 6 credits

Total credits required for graduation 64 credits

Program Concentration Courses
- CJS 113 Drugs and Society 3 credits
- CJS 221 Domestic Violence 3 credits
- HSV 112 Intro to Gerontology 3 credits
- HSV 114 Substance Abuse and Older Adults 3 credits
- HSV 297 Human Services Internship 3 credits
- PSY 103 Child Development 3 credits
- PSY 201 Child Psychology 3 credits
- PSY 205 Psychology of Change 3 credits
- PSY 212 Group Dynamics 3 credits
- PSY 221 Health Psychology 3 credits
- PSY 231 Psychology of Gender and Culture 3 credits
- SOC 101 General Sociology 3 credits
- SOC 102 Contemporary Social Problems 3 credits
- SOC 105 Sociology of Deviance 3 credits

### Program Description
The focus of the Liberal Arts Program is to provide the student with a breadth of program offerings in a chosen field of study. Liberal Arts students may focus their program in the following concentration areas: Behavioral Science, English, History/Government, Humanities, Mathematics, Psychology, Social Science or Sociology. All concentration electives must be selected in the chosen area of study.

### Program Outcomes
At the completion of the program the student should be able to:
- Think critically
- Think quantitatively
- Communicate effectively
- Use logic to acquire, assess, and integrate new information
- Explain the nature and societal implications of global relationships among diverse cultures
- Apply ethical criteria to a variety of intellectual, social, and personal situations
- Apply aesthetic criteria to a variety of intellectual, natural, artistic, and social phenomena
- Demonstrate a broad theoretical and practical knowledge of one field of study from among the liberal arts and science concentrations

PSYCHOLOGY
Associate in Arts Degree

Program Description
The focus of the Liberal Arts Program is to provide the student with a breadth of program offerings in a chosen field of study. Liberal Arts students may focus their program in the following concentration areas: Behavioral Science, English, History/Government, Humanities, Mathematics, Psychology, Social Science or Sociology. All concentration electives must be selected in the chosen area of study.

Program Outcomes
At the completion of the program the student should be able to:
- Think critically
- Think quantitatively
- Communicate effectively
- Use logic to acquire, assess, and integrate new information
- Explain the nature and societal implications of global relationships among diverse cultures
- Apply ethical criteria to a variety of intellectual, social, and personal situations
- Apply aesthetic criteria to a variety of intellectual, natural, artistic, and social phenomena
- Demonstrate a broad theoretical and practical knowledge of one field of study from among the liberal arts and science concentrations

Program Concentration Courses
PSY 101 General Psychology 3 credits
PSY 103 Child Development 3 credits
PSY 201 Child Psychology 3 credits
PSY 203 Adolescent Psychology 3 credits
PSY 205 Psychology of Change 3 credits
PSY 210 Psychology of Learning 3 credits
PSY 212 Group Dynamics 3 credits
PSY 215 Abnormal Psychology 3 credits
PSY 216 Growth & Development 3 credits
PSY 221 Health Psychology 3 credits
PSY 280 Research Design & Methodology 3 credits
PSY 230 Sport Psychology 3 credits
PSY 231 Psychology of Gender & Culture 3 credits
PSY 290 Introduction to Social Psychology 3 credits

First Semester
IDS 167 First Year Seminar 3 credits
ENG 101 English Composition I 3 credits
CSI 101 Intro to Computer Science 3 credits
Math Core 3 credits
PSY 101 General Psychology 3 credits

Second Semester
ENG 102 English Composition II 3 credits
Program Elective 3 credits
History/Government Core 3 credits
SOC 101 General Sociology 3 credits
General Elective 3 credits

Third Semester
General Elective 3 credits

Fourth Semester
Literature Elective 3 credits
Natural Science Core w/lab 4 credits
Social Science Electives 3 credits
Program Concentration Courses 6 credits

Fifth Semester
Literature Elective 3 credits
Program Concentration Courses 6 credits
General Electives 6 credits

Total credits required for graduation 64 credits

MAT 207 Statistics 3 credits

Third Semester
SOC101 General Sociology 3 credits
Literature Elective 3 credits
General Elective (may use 1 Math course) 6 credits
MAT 205 Linear Algebra 4 credits

Fourth Semester
MAT 208 Multivariate Calculus 3 credits
MAT 206 Calculus II B 4 credits
General Electives 6 credits
Literature Elective 3 credits

Total credits required for graduation 64 credits
MEDICAL LABORATORY TECHNICIAN
Associate in Science Degree

Program Description
The Medical Laboratory Technician program consists of didactic and campus laboratory courses designed to progress the student through a two-year program and provide them with entry-level knowledge and skills to perform clinical laboratory procedures in chemistry, hematology, microbiology, immunohematology, immunology, and phlebotomy. This training is enriched when the students will have the opportunity to apply previously acquired knowledge and skills in a supervised working environment. Clinical affiliate laboratories in and surrounding Quincy within an approximate 60-mile radius will be utilized for the clinical experience.

Upon successful completion of the program, an Associate of Science Degree in Medical Laboratory Technology is awarded. Graduates are eligible to take the national certification examination for Medical Laboratory Technology offered by the American Society of Clinical Pathologists (ASCP) Board of Registry.

Program Outcomes
At the completion of this program, the student should be able to:
- Collect, process and preserve blood and other body fluid samples.
- Perform and report laboratory tests in a variety of laboratory settings.
- Operate laboratory equipment and instruments, performing preventive and corrective maintenance as required.
- Identify pre-analytical, analytical, and post-analytical variables that affect procedures, instruments and results, and take appropriate corrective action.
- Perform mathematical functions as required by laboratory procedures.
- Perform and monitor quality assurance and quality control techniques.
- Practice laboratory safety and regulatory compliance.
- Perform information processing functions in the clinical laboratory.
- Apply laboratory results to diagnosis and treatment of clinical conditions and/or diseases.
- Communicate with colleagues and patients in a professional manner.
- Model professional behaviors, ethics, and appearance.
- Work effectively as a team member recognizing the comprehensive impact this has on health care.

Prerequisites to entering the MLT program
- HSC 107 Orientation to Healthcare 1 credit
- HSC 149 Applied Anatomy & Physiology 4 credits
- BIO111 Biology w/lab 4 credits
- CHE121 Introduction to Chemistry w/lab or CHE141 General Chemistry w/lab 4 credits
- CHE103 Intro to Forensic Science w/lab 4 credits

First Semester
- IDS 167 First Year Seminar 3 credits
- MLT 101 Introduction to Clinical Lab Science & Safety 3 credits
- MLT 102 Urinalysis and Body Fluids 3 credits
- PHB 115 Phlebotomy 2 credits
- PHB 125 Phlebotomy Lab 1 credit
- History/Government Core 3 credits
- ENG 101 English Composition I 3 credits

Second Semester
- PHL 103 Medical Ethics 3 credits
- MLT 103 Medical Microbiology I w/lab 4 credits
- MLT 104 Hematology & Coagulation w/lab 4 credits
- MLT 105 Immunology 3 credits
- Math Core (MAT 207 recommended) 3 credits

Third Semester
- MLT 203 Medical Microbiology II w/lab 4 credits
- MLT 204 Immunohematology 4 credits
- MLT 202 Clinical Chemistry w/lab 4 credits
- ENG102 English Composition II 3 credits

Fourth Semester
- Social Science/Psychology core 3 credits
- CSI 101 Introduction to Computers 3 credits
- MLT 210 Clinical Practicum I 3 credits
- MLT 220 Clinical Practicum II 1 credit
- MLT 221 Clinical Lab Seminar 1 credit
- MLT 230 Clinical Practicum III 3 credits

Total credits required for graduation 64 credits

Note:
The passing grade for all courses is “C” (73%). Students may not continue in the program if they receive less than a “C” in any course.
- Science courses must have been completed within the past five (5) years at the college level.

PHB 115/125 may be waived with proof of certification as a phlebotomist (having performed at least 100 sticks).
# NATURAL SCIENCE
Associate in Science Degree

## Program Description
This program is for students who desire a broad study in the natural science disciplines that include biology, chemistry, physics, and the health sciences. The natural science curriculum is designed to prepare students for careers in a variety of fields in science and industry including the life sciences, education, conservation, and laboratory research [as technicians]. The theoretical and laboratory skills acquired by natural science majors contribute greatly to their ability to work in teams and think critically. This program also provides the foundation for students who plan to attend a four-year institution and major in a science area.

## Program Outcomes
At the completion of this program, the student should be able to:
- Think critically using the scientific method and scientific reasoning
- Communicate scientific information (orally and in writing) and work as part of a team to carry out project-based activities
- Use laboratory investigations and appropriate procedures to generate accurate and meaningful quantitative and qualitative data and derive reasonable conclusions from them
- Demonstrate technical, equipment, and measurement skills essential to basic scientific inquiry

NURSING: FULL-TIME
Associate of Science Degree

Program Description

Quincy College offers the Associate Degree in Nursing as a two year full-time program and as a two and one-half year part-time program. Both the full-time and the part-time programs are offered on both the Quincy and the Plymouth campuses.

All nursing courses require students to have scheduled clinical nursing practice within a variety of health care settings under the supervision of qualified nursing faculty. Please note, acceptance to the program does not guarantee a clinical nursing placement. Clinical facilities require a satisfactory criminal offender record information (CORI) check on all students before he/she can be allowed in the clinical setting. A positive CORI check may mean that a student is not allowed within a clinical facility for his/her clinical nursing practice. A misdemeanor or a felony can result in a positive CORI. If this happens, then the student may not be able to complete the nursing program. Please note that some clinical settings may require drug screening. Any student with a positive drug screen for any drug that does not have a legitimate prescription will be dismissed from the program.

Students who successfully complete the program are eligible to take the NCLEX Registered Nurse examination for licensure as a Registered Nurse (RN). Applicants for licensure in Massachusetts must be of good moral character as determined by the Board of Registration in Nursing. Please note that a student who has been convicted of either a misdemeanor or a felony may be denied entrance to the licensure examination.

Quincy College Associate Degree in Nursing Program is accredited by the Accreditation Commission for Education in Nursing (ACEN) and approved by the Commonwealth of Massachusetts Board of Registration in Nursing (BORN). You may contact the ACEN for more information on the web at http://www.acenurging.org or at 3343 Peachtree Rd. NE, Suite 850, Atlanta, GA 30326, by telephone at 404-975-5000 or 800-669-1656, or by faxing 404-975-5020. You may contact BORN for more information on the web at http://www.mass.gov/dph/boards/rnor at 239 Causeway Street, Suite 200, 2nd Floor, Boston, MA 02114, or by phone at (617) 973-0800 or (800) 414-0168.

Program Outcomes

At the completion of this program, the student should be able to:

- Demonstrate application of the nursing process in meeting health care needs of assigned clients within culturally diverse settings
- Communicate appropriately in verbal, non-verbal, and written modes
- Implement nursing practices of primary health care to foster health maintenance
- Manage nursing care in a safe manner for clients in primary, secondary, and tertiary care settings
- Collaborate with the health care team to provide for the biopsychosocial needs of clients
- Identify responsibilities for dynamic professional development

Prerequisites to entering the Nursing program

- TEAS V Exam – minimum required score of 68.7%
- CHE 141 Introduction to Chemistry w/lab or CHE 121 General Chemistry I w/lab
- BIO 111 General Biology w/lab or BIO 131 Anatomy & Physiology w/lab
- Additional Requirements are attending the nursing information session and documentation of required immunizations.

Semester 1 - Fall

- RNU 108 Fundamentals of Client Care 7 credits
- BIO 131 Anatomy & Physiology I 4 credits
- ENG 101 English Composition I 3 credits
- Math Core (MAT 103 recommended) 3 credits

Semester 2 - Spring

- RNU 109 Advanced Concepts of Client Care I 10 credits
- BIO 132 Anatomy and Physiology II 4 credits
- Social Science/Psychology Core (PSY 101 recommended) 3 credits

Semester 3 - Fall

- RNU 206 Advanced Concepts of Client Care II 10 credits
- Computer Science Core (CSI101 recommended) 3 credits
- BIO 151 Microbiology 4 credits

Semester 4 - Spring

- RNU 208 Advanced Concepts of Client Care III 10 credits
- ENG 102 English Composition II 3 credits
- History/Government Core 3 credits

Total credits required for graduation 67 credits

Additional Program Information

- The passing grade for all courses is “C” (73%). Students may not continue in the program if they earn less than a “C” in a course.
- Science courses must have been completed within the past five (5) years at the college level and a grade of C or better awarded.
NURSING: PART-TIME

Associate of Science Degree

Program Description

In addition to offering a full-time Associate of Science Degree in Nursing program, Quincy College also offers a two and one-half year Associate of Science Degree in Nursing program in the late afternoons at the Quincy and Plymouth Campuses. The part-time program begins every year. The first semester course of study is in Liberal Arts with nursing courses beginning in January. Liberal Arts courses must be taken at either the Quincy or Plymouth Campus or transferred from another acceptable institution.

All nursing courses require students to have scheduled clinical nursing practice within a variety of health care settings under the supervision of qualified nursing faculty. Please note, acceptance to the program does not guarantee a clinical nursing placement. Clinical facilities require a satisfactory criminal offender record information (CORI) check on all students before he/she can be allowed in the clinical setting. A positive CORI check may mean that a student is not allowed within a clinical facility for his/her clinical nursing practice. A misdemeanor or a felony can result in a positive CORI. If this happens, then the student may not be able to complete the nursing program. Please note that some clinical settings may require drug screening. Any student with a positive drug screen for any drug that does not have a legitimate prescription will be dismissed from the program.

Students who successfully complete the program are eligible to take the NCLEX-Registered Nurse examination for licensure as a Registered Nurse (RN). Applicants for licensure in Massachusetts must be of good moral character as determined by the Board of Registration in Nursing. Please note that a student who has been convicted of either a misdemeanor or a felony may be denied entrance to the licensure examination.

Quincy College Associate Degree in Nursing Program is accredited by the Accreditation Commission for Education in Nursing (ACEN) and approved by the Commonwealth of Massachusetts Board of Registration in Nursing (BORN). You may contact the ACEN for more information on the web at http://www.acenurjing.org or at 3343 Peachtree Rd. NE, Suite 850, Atlanta, GA 30326, by telephone at 404-975-5000 or 800-669-1656, or by faxing 404-975-5020. You may contact BORN for more information on the web at http://www.mass.gov/dph/boards/rrn or at 239 Causeway Street, Suite 200, 2nd Floor, Boston, MA 02114, or by phone at (617) 973-0800 or (800) 414-0168.

Program Outcomes

At the completion of this program, the student should be able to:
- Demonstrate application of the nursing process in meeting health care needs of assigned clients within culturally diverse settings
- Communicate appropriately in verbal, non-verbal, and written modes
- Implement nursing practices of primary health care to foster health maintenance
- Manage nursing care in a safe manner for clients in primary, secondary, and tertiary care settings
- Collaborate with the health care team to provide for the biopsychosocial needs of clients
- Identify responsibilities for dynamic professional development

Total credits required for graduation 67 credits

¹ Satisfies the Natural Science Core requirement and must be completed before RNU 109
² Must be completed before RNU 206
³ Must be completed before RNU 208
⁴ HIS 101, HIS 102, GOV 201, GOV 211 are courses that meet the College Core Curriculum requirements

** ENG 101 must be taken in the first semester, unless advised to take preparatory classes.

Additional Program Information

- The passing grade for all courses is “C” (73%). Students may not continue in the program if they earn less than a “C” in a course.
- Students may transfer courses up to 30 credits from an accredited college or university. Science courses must have been completed within the past five (5) years at the college level and a grade of C or better awarded.
- RNU 108 Fundamentals of Nursing (at least 7 credits inclusive of a clinical component) may be transferred based on review with approval from the Program Chair.
NURSING: Licensed Practical Nurse to Registered Nurse (LPN2RN)

Associate of Science Degree

Program Description
Quincy College offers the Associate Degree in Nursing as a one year completion degree program track on the Quincy Campus. The program track is offered in two formats: a Monday-Friday evening format (begins in September) and a Friday-Saturday weekend, day and evening format (begins in January).

All applicants to the LPN2RN program track must possess an active, unencumbered license to practice as a Practical Nurse (LPN) in the state of Massachusetts. This license must remain active throughout the program of study. In addition to the LPN license, all applicants must have completed 21 semester credit hours of college level Liberal Arts and Natural Science courses with a grade of C or better. The remaining 13 semester credit hours of required Liberal Arts and Natural Science courses may be taken prior to or concurrently with the nursing courses (RNU206 and RNU208).

Students who successfully complete the program are eligible to take the NCLEX-Registered Nurse examination for licensure as a Registered Nurse (RN). Applicants for licensure in Massachusetts must be of good moral character as determined by the Board of Registration in Nursing. Please note that a student who has been convicted of either a misdemeanor or a felony may be denied entrance to the licensure examination.

Quincy College Associate Degree in Nursing Program is accredited by the Accreditation Commission for Education in Nursing (ACEN) and approved by the Commonwealth of Massachusetts Board of Registration in Nursing (BORN). You may contact the ACEN for more information on the web at http://www.acenuring.org or at 3343 Peachtree Rd. NE, Suite 850, Atlanta, GA 30326, by telephone at 404-975-5000 or 800-669-1656, or by faxing 404-975-5020. You may contact BORN for more information on the web at http://www.mass.gov/dph/boards/rnor at 239 Causeway Street, Suite 200, 2nd Floor, Boston, MA 02114, or by phone at (617) 973-0800 or (800) 414-0168.

Program Outcomes
At the completion of this program, the student should be able to:

- Demonstrate application of the nursing process in meeting health care needs of assigned clients within culturally diverse settings
- Communicate appropriately in verbal, non-verbal, and written modes
- Implement nursing practices of primary health care to foster health maintenance
- Manage nursing care in a safe manner for clients in primary, secondary, and tertiary care settings

PARALEGAL STUDIES
Associate in Science Degree

Program Description
The Paralegal Studies Program is a program within the Division of Professional Programs. The program design includes the core curriculum and required paralegal courses and electives specific to the paralegal profession.

Program Outcomes
At the completion of this program, the student should be able to:
- Analyze a legal problem by identifying and evaluating alternative arguments in support of specific positions.
- Use standard legal resources to identify and locate applicable primary and secondary legal reference materials and appropriately apply them to specific legal problems.
- Conduct effective interviews of clients and witnesses and produce accurate and appropriate statements.
- Use oral and written communication to effectively inform and persuade.
- Apply principles of professional ethics to specific situations.
- Demonstrate knowledge and understanding of the structure and operation of the U.S. and Massachusetts legal systems.
- Depending on the elective chosen, demonstrate knowledge and skills in specific substantive areas of law.

ACCOUNTING
Certificate

Program Description
The Accounting Certificate is intended for those students who already have a certificate, associate’s degree, or bachelor’s degree in another discipline, as well as students without a degree who already are working in the accounting profession. It is also intended for those students with an accounting education from another country who wish to become proficient in the United States’ accounting standards and practices.

Program Outcomes
At the completion of the program the student should be able to:
- Communicate effectively about accounting information
- Perform basic mathematical calculations in accounting and finance
- Apply the fundamental principles and methods of financial accounting in analyzing business transactions
- Identify the impact of business transactions upon financial statements
- Use accounting information to support business decision making
- Apply principles of cost accounting to analyze a firm’s costs
- Discuss Generally Accepted Accounting Principles (GAAP)

BIOTECHNOLOGY & COMPLIANCE
Certificate

Program Description
The Biotechnology Program is designed to prepare students for entry-level positions in the biomanufacturing industry. Students will develop a broad laboratory science-based background through courses focused in the life and chemical sciences, and will obtain industry-specific knowledge in the areas of quality control (QC), process development (PD), and upstream and downstream processing, all while following current, good manufacturing practices (cGMP). In addition, students will learn valuable laboratory techniques and instrumentation, and develop critical thinking skills. Upon successful completion of the program, students may enter the workforce directly as entry-level laboratory technicians or research assistants, or may transfer to a four-year university to continue their studies at the baccalaureate level.

First Session – 7 Weeks
BTC 101 Introduction of Biotechnology w/Lab 4 credits
BTC 102 Buffer and Media Preparation 2 credits***

Second Session – 7 Weeks
BTC 202 Protein Purification 2 credits
BTC 220 Biomanufacturing I 4 credits

Third Session – 15 Weeks
MAT 103 College Algebra 3 credits
BTC 103 Technical Writing in Biomanufacturing 3 credits
BTC 230 Biomanufacturing II 4 credits
BTC 240 Seminar in Biotechnology 1 credit

Total credits required for graduation 23 credits

NETWORKING
Certificate

Program Description
The Networking Certificate was designed for those students who are interested in learning the fundamentals of Networking or for those students who would like to enhance their networking careers. The program is 24 credits and can be completed in one academic year.

Program Outcomes
- Identify network boundaries and network topologies when presented with a network diagram
- Explain the operation of various networking protocol features
- Demonstrate the ability to use network monitoring and troubleshooting tools such as packet sniffers and the trace route command
- Compare and contrast peer to peer versus server based operating systems
- Demonstrate the ability to configure networking devices such as switches and routers
- Analyze a given set of network diagnostic test results in order to identify a network problem
- Solve IP network design problems using subnetting
- Design an IP network given a set of requirements and constraints
- Relate the concepts of digital logic to network design techniques

CORRECTIONS ADMINISTRATION
Certificate

Program Description
The Corrections Administration certificate introduces students to the challenges and processes of administering criminal sanctions. The Certificate exposes students to a wide array of topics including juvenile justice, the impact of drug addiction on the correctional process, community corrections, managing a diverse and deviant population, and multiculturalism in Corrections, with required courses promoting a well-rounded correctional professional by combining both custodial and administrative topics, and the electives promoting individual interests in custodial or therapeutic practices. Successful completion will help prepare students for practice in Corrections at both governmental and private agencies.

Program Outcomes
At the completion of the program the student should be able to:
- Explain the environment and influences impacting the field of juvenile and adult corrections including probation and parole
- Describe how management theory and criminal justice philosophies inform correctional practices
- Identify challenges of and responses to the deviant population within a correctional institution
- Compare and contrast the custodial and therapeutic mission of corrections
- Discuss the importance of interpersonal or intercultural communications to achieve the correctional mission

EARLY CHILDHOOD EDUCATION
Certificate

Program Description
Increasingly, American families find the need for safe, certified day care for children. Essential to the success of any day care operation is the availability of qualified professionals. The Quincy College program in Early Childhood Education is designed to assist students in meeting requirements for the Department of Early Education and Care (EEC) and the needs of employers. Students receive a broad based exposure to Early Childhood Education.

All students enrolled in the program will be required to have a Criminal Offender Record Information (CORI) check completed as required by early childhood centers. Admission to the program does not guarantee a field placement. An overall GPA of 2.0 or higher is required to be placed in a field experience. In addition, students must complete the following college level courses with a grade of “C” (73%) or higher: EDU 101, EDU 105, EDU 110, PSY 103, and EDU 222 and receive written permission from the faculty who coordinate the Early Childhood Program to be eligible for a field placement.

Note: Students who plan to complete a field placement must contact the faculty coordinator by May for a fall semester placement and by December for a spring semester placement.

Program Outcomes
At the completion of the program the student should be able to:
- Demonstrate knowledge of child development and learning to support the diverse ways in which children learn
- Use observation, documentation and appropriate assessment tools to support positive outcomes for all children
- Design, implement, and evaluate a developmentally appropriate curriculum that positively influences children’s learning
- Demonstrate knowledge of supporting families and communities through reciprocal relationships which involve families in their children’s learning
- Evaluate effective teaching practices working with children in collaboration with other professionals

EXERCISE SCIENCE
Certificate

Program Description
Over the past decade, the percentage of American youth, adults and seniors who are under fit and overweight has increased significantly, with related escalation in degenerative diseases and health care costs. The solution to these problems is competent, certified exercise science/personal training professionals who can help our inactive population develop desirable levels of physical fitness with emphasis on muscular strength, cardiovascular endurance and body composition. This certificate program is designed for students who want to work as exercise instructors in fitness centers or as independent personal trainers. Completion of this program prepares students to pass professional certification exams, such as those offered by the American Council on Exercise. The course of study combines elements from the disciplines of anatomy, physiology, biology, psychology, nutrition, health and kinesiology.

Program Outcomes
Upon completion of the program, the student will:
- Develop a philosophy of wellness/fitness that enhances quality of life for themselves and their clients.
- Be capable of designing safe and effective fitness programs for youth, adults and seniors.
- Be capable of educating and motivating clients to properly perform exercise that enhance muscle strength, cardiovascular endurance, and body composition.
- Be capable of passing nationally recognized professional exams to become certified personal trainers.

Total credits required for graduation 25 credits

Anatomy and Physiology I and II may be substituted for HSC 149.

Additional Program Information:
The passing grade for all EXS courses is "C" (73%). Students are not eligible for graduation unless they have earned a "C" or better in all EXS courses. Students may transfer courses from accredited institutions. Science courses must have been completed within the past five (5) years at the college level.

Note: All courses listed above may be applied to the Associate Degree Program in Exercise Science/Personal Training.
GAME DEVELOPMENT
Certificate

Program Description
The Game Development Certificate gives the students the tools which they need to develop computer games. The students will create two dimensional and three dimensional games as well as single and multiplayer games. They will customize the visual profile of objects in the game using two dimensional and three dimensional graphics and animation.

Program Outcomes
At the completion of the program the student should be able to:
- Create two dimensional game using audio, physics and text effects
- Create transparent pixels on an uploaded image by using color key technology
- Customize an object’s behavior using function overriding and inheritance
- Use functions to allow objects to interact within a game
- Create low and high detailed meshes
- Build a high-poly character and colorize the final model

GERONTOLOGY

Certificate

Program Description
The broad field of Human Services involves the art and science of working with people and helping others. Within the subspecialty of social work, the essential aim of the professional is to enhance social functioning of people within social can cultural frameworks. This certificate program prepares graduates to engage in the helping professions at entry levels in their communities, with a focus on working effectively with elders in a variety of community settings.

Program Outcomes
At the completion of the program the student should be able to:

- Assesses the needs of older adults and their families while working as a member of a team of helping professionals
- Apply appropriate practices and procedures when interviewing applicants for services to obtain data and to provide information on available resources for older adults
- Demonstrate familiarity with services that assist older adults and their families that are available in the community
- Demonstrates proficiency in assisting older adults as individuals or groups with difficult day to day problems such as family relationships, locating sources of assistance, and addressing other specific problems
- Provide assistance in helping older adults utilize specific resources and agencies

HEALTHCARE ADMINISTRATION
Certificate

Program Description
The program of study is designed to prepare students for transfer to a two-year program and/or entry level positions as managers and generalists for employment in medical offices, general medical and surgical hospitals, home health care services, and outpatient care centers as well as non-profit health related organizations.

Program Outcomes
At the completion of this program, the student should be able to:
- Communicate effectively about administrative principles
- Discuss the ethical issues related to health care and administration
- Discuss the role and functions of a database
- Perform basic mathematical calculations in general business
- Compare U.S. health care organizations to other countries
- Summarize basic human body systems
- Name basic medical terminology prefixes, suffixes and root words
- Analyze health care finance issues and structures
- Identify the role of customer service as a business strategy in health care
- Demonstrate the ability to write professionally
- Demonstrate the ability to communicate verbally.
- Transfer credits to a Baccalaureate Degree-granting institution

HUMAN SERVICES
Certificate

Program Description
Human services involve the art and science of working with people and helping others. Within the broad category of human services is the subspecialty of social work. The essential aim of the social work profession is to enhance social functioning of people within social and cultural frameworks. This program prepares graduates to engage in the helping professions at entry levels in their communities. This concentration focuses upon helping students develop the knowledge, skills, experience, and values that will assist them in working effectively with people in a variety of community settings. Specifically, this Certificate program will provide the required education requirements for state licensure as a Licensed Social Worker (LSW) (258 CMR 9.05) or as a Licensed Social Work Associate (LSWA) (258 CMR 9.06).

Program Outcomes
At the completion of the Certificate in Human Services, the student should be able to:
- Assess client needs while working as a member of a team of helping professionals
- Apply appropriate practices and procedures when interviewing applicants for services to obtain data and to provide information on available resources
- Demonstrate familiarity with services available in the community and how those services relate to client needs
- Demonstrate proficiency in assisting individuals or groups with difficult day to day problems such as finding employment, locating sources of assistance, and addressing other specific problems
- Provide assistance in helping people identify and utilize specific relevant resources and agencies

LAW ENFORCEMENT
Certificate

Program Description
The Law Enforcement Certificate Program is designed for those individuals who have been accepted into a regional police academy in Massachusetts or who plan on applying for a police position in a municipality whose police officer candidates are trained in a regional police academy.

Program Outcomes
At the completion of this program, the student should be able to:
- Demonstrate knowledge of structure and functions of the police, courts, and corrections
- Analyze how theories of criminal behavior explain such behavior, and how those theories relate to the criminal justice system
- Describe major court decisions related to crime and criminal procedure and how those decisions influence the behavior of those working in or involved with the criminal justice system
- Describe the rights under the United States Constitution of those accused of crime, and explain why those rights exist
- Analyze the criminal justice process from initial contact with the police to appeals
- Explain the substance, purpose, and function of criminal law
- Distinguish between the features and purposes of the adult court system and the juvenile court system

MEDICAL BILLING AND CODING
Certificate

Program Description
The certificate program in Medical Billing and Coding supplies students with knowledge of the healthcare system, anatomy and physiology and related terminology, as well as of treatment of and procedure codes used by the healthcare industry and how to accurately communicate those codes to insurers and agencies for payment to providers. A focus of the program is preparation to sit for the Certified Professional Coder National Examination, and preparation for employment in a variety of healthcare settings, such as hospitals and medical practices.

Program Outcomes
- At the completion of this program, the student should be able to:
  - Recognize the essential duties and responsibilities of medical insurance billing
  - Demonstrate proficiency in English language and grammar in the medical environment
  - Interpret a patient medical report
  - Describe the reimbursement procedures for different types of medical records, settings, and procedures
  - Evaluate the accuracy and completeness of the patient record as defined by organizational policy and external regulations and standards
  - Validate the data collected for appropriate reimbursement
  - Outline the ethical considerations that impinge on the fields of healthcare
  - Define medical terms and abbreviations
  - Demonstrate an understanding of the anatomy and physiology of the human body from the cellular level to the system level
  - Describe the origins, history, structure, and functions of the U.S. healthcare system

PARALEGAL STUDIES
Certificate

Program Description
The certificate program in Paralegal Studies is within the Division of Professional Programs. The program design required paralegal courses and electives specific to the paralegal profession.

Program Outcomes
At the completion of this program, the student should be able to:

- Analyze a legal problem by identifying and evaluating alternative arguments in support of specific positions.
- Use standard legal resources to identify and locate applicable primary and secondary legal reference materials and appropriately apply them to specific legal problems.
- Conduct effective interviews of clients and witnesses and produce accurate and appropriate statements.
- Use oral and written communication to effectively inform and persuade.
- Apply principles of professional ethics to specific situations.
- Demonstrate knowledge and understanding of the structure and operation of the U.S. and Massachusetts legal systems.
- Depending on the elective chosen, demonstrate knowledge and skills in specific substantive areas of law.

PHLEBOTOMY

Certificate

Program Description
The Phlebotomy Certificate Program is designed to train students to perform both routine and challenging venipunctures and capillary skin punctures on adults. Students will study medical terminology, human anatomy, and interpersonal communication skills in addition to the collection, processing, and distribution of lab specimens. Safety standards, legal and ethical behaviors, and quality control related to patient/client care will be emphasized. Students who complete this certificate program will be well prepared for an entry level position in health care, while building a strong foundation for further academic study. The curriculum includes multiple courses that can be transferred to other certificate programs in the Health Sciences or applied toward an Associate Degree in Clinical Laboratory Science, for example.

Program Outcomes
Upon completion of the program, the student will be able to:
- Perform as an entry level phlebotomy technician.
- Perform venipunctures and capillary skin punctures.
- Perform standard procedures in the collection, processing, and distribution of lab specimens.
- Understand the role and function of phlebotomy in the overall care of a client.
- Explain and summarize the basic components of a clinical and/or medical record.
- Describe and recognize safety standards, legal and ethical behaviors, and quality control related to phlebotomy.

Admissions Process
The admissions process policy for this program can be found here.

The Program of Studies Leading to the Certificate
Note: Students are not guaranteed program completion in one semester, as clinical space is limited.

<td>Interpersonal Communication</td>
<td>3 credits</td>
</tr>
<tr>
<td>PHB 136</td>
<td>Clinical Practicum***</td>
<td>3 credits</td>
</tr>
</tbody>
</table>

Total credits required for graduation 18 credits

Note: Clinical space is limited, therefore immediate clinical placement is not guaranteed; a student’s clinical experience may take up to one year to complete.

* Students may substitute a non-credit CPR course, if proof of certification (valid for at least one year) is provided to the Dean at the time of registration.
** Anatomy & Physiology I and II (with labs) may be substituted for HSC 149.
*** Successful completion of PHB 115 and PHB 125 (final grade of “C”) is required for enrollment in PHB 136

Drug Testing
Some clinical partners require drug screening of students placed at their facilities. These providers reserve the right to refuse and/or reject any student whose drug test fails to meet facility guidelines. Students who test positive for the presence of illegal drugs may not be placed in another facility. Students who cannot complete the clinical practicum are ineligible for graduation.

CPR Certification
Health Sciences students must be certified in CPR for the Health Care Provider. Documentation is required and must be provided to the Dean and Clinical Supervisor and must be effective throughout the program.

Additional Program Information
Students must have satisfactory health and immunization records.
Students must be certified in CPR for the Health Care Provider.
A satisfactory CORI check is required for students to receive a clinical placement.
The passing grade for all courses is “C” (73%). Students are not eligible for certification for graduation unless they have earned a “C” or better in all health sciences and phlebotomy courses.
PRACTICAL NURSING
Certificate

Program Description
The certificate program in Practical Nursing, begins in September as either a ten month, full-time day or a two-year part-time late afternoon/evening program. The program of study includes theory in the biological and behavioral sciences as the foundation to the nursing courses. The program emphasizes clinical experiences in a variety of health care settings. Planned learning experiences are directed toward developing nursing competency consistent with current practices. The full-time program meets five days a week. The full-time class schedule averages 30 hours (class and clinical). The part-time program meets three times per week, beginning in late afternoon, and averages 20 hours (class and clinical). Enrolled students must complete the certificate requirement within 4 years of enrollment in the full-time nursing program.

All nursing courses require students to have scheduled clinical nursing practice within a variety of health care settings under the supervision of qualified nursing faculty. Please note, acceptance to the program does not guarantee a clinical nursing placement. Clinical facilities require a satisfactory criminal offender record information (CORI) check on all students before he/she can be allowed in the clinical setting. A positive CORI check may mean that a student is not allowed within a clinical facility for his/her clinical nursing practice. A misdemeanor or a felony can result in a positive CORI. If this happens, then the student will not be able to complete the nursing program. Additionally, students may be required by clinical agencies to undergo random drug testing. Students who successfully complete the program are eligible to take the NCLEX-Practical Nurse examination for licensure as a Licensed Practical Nurse (LPN). Applicants for licensure in Massachusetts must be of good moral character as determined by the Board of Registration in Nursing. Please note that a student who has been convicted of either a misdemeanor or a felony may be denied entrance to the licensure examination.

The Practical Nurse Certificate Program is approved by the Commonwealth of Massachusetts Board of Registration in Nursing (BORN) and accredited by the Accreditation Commission for Education in Nursing (ACEN). You may contact the ACEN for more information on the web at http://www.acenursing.org or at 3343 Peachtree Rd. NE, Atlanta, GA 30326, by telephone at 404-975-5000 or 800-669-1656, or by faxing 404-975-5020. You may contact BORN for more information on the web at http://www.mass.gov/dph/boards/rn or at 239 Causeway Street, Suite 200, 2nd Floor, Boston, MA 02114, or by phone at (617) 973-0800 or (800) 414-0168.

Program Outcomes
At the completion of this program, the student should be able to:

- Understand the importance of personal and professional growth and utilize educational opportunities to achieve goals
- Advocate for the health care consumer and the nursing profession

FULL-TIME OPTION

Fall Semester
MAT 103 College Algebra 3 credits
PNU 101 Growth and Development 1 credit
PNU 111 Human Behavior 1 credit
PNU 131 Nutrition 1 credit
PNU 141 Microbiology 1 credit
PNU 145 Fundamentals of Practical Nursing I 5 credits
PNU 146 Fundamentals of Practical Nursing II 5 credits
HSC 149 Applied Anatomy & Physiology for Health Care Professions 4 credits

Spring Semester
PNU 153 Introduction to Care of the Adult 8 credits
PNU 154 Medical-Surgical Nursing 8 credits

Summer Semester
PNU 156 Practical Nursing Across the Continuum 7 credits

Total credits required for the certificate: 44 credits

PART-TIME OPTION

Year One- Fall Semester
PNU 111 Human Behavior 1 credit
PNU 141 Microbiology 1 credit
PNU 145 Fundamentals of Practical Nursing I 4 credits
HSC 149 Applied Anatomy & Physiology for Health Care Professions 4 credits
PNU 146 Fundamentals of Practical Nursing II 5 credits

Year One- Spring Semester
MAT 103 College Algebra 3 credits
PNU 101 Growth and Development 1 credit
PNU 131 Nutrition 1 credit

Year Two- Fall Semester
PNU 153 Introduction to Care of the Adult 8 credits

Year Two- Spring Semester
PNU 154 Medical-Surgical Nursing 8 credits

Year Two- Summer Semester
PNU 156 Practical Nursing Across the Continuum 7 credits

Total credits required for the certificate: 44 credits

Additional Program Information
- The passing grade for all courses is “C” (73%). Students may not continue in the program if they earn less than a “C” in a course.
- Students may transfer courses up to 30 credits from an accredited college or university. Science courses must have been completed within the past five (5) years at the college level and a grade of C or better awarded.
SECURITY ADMINISTRATION
Certificate

Please note that some courses in the curriculum for the certificate may require prior completion of a prerequisite course that is not specifically required for the certificate. In such cases, the prerequisite course must be completed even though it is not part of the certificate requirement.

Program Description and Outcomes
The Security Administration Certificate provides students with knowledge about the theories and principles associated with multiple dimensions within the security industry. The certificate will enable the student to comprehend a wide array of topics including private security, corporate investigations, protection of assets, and interpersonal communications, providing them with a basic understanding of the security industry. Required courses establish a holistic approach toward developing a well-rounded security professional by combining topics surrounding private security, interpersonal communication, customer service and administrative issues. This program prepares students to engage in the practice of private security at agencies such as hospitals, private corporations, event centers, and federal government contracting with a broader knowledge of the practice and a strategic advantage over other candidates.

SUBSTANCE ABUSE Certificate

Please note that some courses in the curriculum for the certificate may require prior completion of a prerequisite course that is not specifically required for the certificate. In such cases, the prerequisite course must be completed even though it is not part of the certificate requirement.

Program Description
The broad field of Human Services involves the art and science of working with people and helping others. Within the subspecialty of social work, the essential aim of the professional is to enhance social functioning of people within social and cultural frameworks. This certificate program prepares graduates to engage in the helping professions at entry levels in their communities, with a focus on working effectively with issues related to substance abuse. Specifically, this Certificate program will provide an in-depth understanding of substance abuse, allow students to be eligible for employment in the growing field of substance abuse, and provide the required education requirements for state licensure in substance abuse counseling.

Program Outcomes
At the completion of the Certificate in Substance Abuse, the student should be able to:

- Assess client needs while working as a member of a team of helping professionals;
- Apply appropriate practices and procedures when interviewing applicants for services to obtain data and to provide information on available resources pertaining to substance abuse;
- Demonstrate familiarity with substance abuse services available in the community and how those services relate to client needs;
- Demonstrate competency in counseling adults with substance abuse;
- Demonstrate proficiency in assisting individuals or groups with difficult day to day problems such as finding employment, locating sources of assistance, and addressing other specific problems;
- Provide assistance in helping individuals and their families utilize specific resources and agencies, specifically around substance abuse.

SURGICAL TECHNOLOGY

Certificate

Surgical Technologists are health professionals who work closely with surgeons, anesthesiologists, registered nurses and other surgical personnel in delivering optimal patient care. As vital members of the surgical team, job duties include preparing the operating room, securing supplies, setting up equipment and instruments, and anticipating the surgeon’s needs during the surgical procedure. Surgical Technologists are responsible for maintaining the sterile field and being constantly vigilant that all members of the team adhere to aseptic technique.

Program Description

The Surgical Technology Program is a ten month, full-time course of study beginning in September each year. The 40 credit certificate program trains students to become entry level Surgical Technologists and prepares them to sit for the certification exam offered by the National Board of Surgical Technology and Surgical Assisting. Upon successful completion of this exam, individuals are board certified and may use the credentials of Certified Surgical Technologist (CST).

The Quincy College Surgical Technology Program offers students three combined learning experiences: lecture, laboratory and clinical. Lecture topics come to life in our state-of-the-art laboratory. Laboratory skills transition the clinical setting during rotation at either a major Boston teaching facility or one of the leading community hospitals.

During this program, students are required to complete a minimum of 500 clinical hours and scrub on a minimum of 125 surgical procedures. Please note, acceptance to the Program does not guarantee a clinical placement. Clinical facilities require a satisfactory Criminal Offender Record Information (CORI) check on all students prior to commencement of the clinical experience. A positive CORI check may prevent a student from completing a clinical practice in any clinical facility. Should this occur, the student will not be able to complete the Surgical Technology Program.

The Surgical Technology Program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) in conjunction with the Accreditation Review Committee on Education in Surgical Technology and Surgical Assisting (ARC-STSA). Program graduates are eligible to sit for the certification exam (CST) offered by the National Board of Surgical Technology and Surgical Assisting (NBSTSA). For additional information please contact CAAHEP by mail: 1361 Park Street, Clearwater, FL 33756; by telephone: 727-210-2350; or on the web. The Quincy College Surgical Technology Program strives to provide the learner with the very best educational opportunity available to the future professional who has selected this very rewarding career pathway.

Program Outcomes

Upon completion of the program the student will be able to:

- Function as an entry level surgical technologist by using cognitive, psychomotor and affective learning domains.
- Be prepared to sit for the national certification examination sponsored by the National Board of Surgical Technology and Surgical Assisting.
- Provide a safe and efficient environment while offering physical and emotional support for the surgical patient.
- Seek opportunities for continuing education.
- Take pride in the profession of Surgical Technology demonstrated by participation and membership in professional organizations and activities.

Total credits required for graduation 40 credits

² PSY 101 may be substituted for PNU 111
³ A&P I and A&P II with labs may be substituted for HSC 149

Pre-requisite coursework:

HSC 107 Orientation to Health Care
HSC 140 Medical Terminology

Additional Program Information

The passing grade for all courses is “C” (73%). Students may not continue in the program if they earn less than a “C” in a course.

Students may transfer courses up to 15 credits from accredited institutions. Science courses must have been completed within the past five (5) years at the college level.

Students must have a satisfactory health and immunization record.

A satisfactory CORI check is required for clinical placement. Students must be certified in CPR for the Health Care Provider prior to entering the clinical setting.

Program graduates are eligible to sit for the certification exam (CST) offered by the National Board of Surgical Technology and Surgical Assisting (NBSTSA).

The surgical technology program has a maximum enrollment capacity of 15 students per cohort and admits only one cohort per academic year.
The course listings that follow include descriptions of courses offered by the College to meet curricula requirements. Descriptions are general in nature and are not intended to include all topics which may be part of the course and, in some cases, items in the descriptions may be omitted from the course. Revisions are sometimes necessary to meet changes in course or program objectives.

Explanation of Course Description Codes
(The clock hour distributions contained in this catalog are based on a “typical” 15 week semester. Consult the current schedule for individual course meeting times. The College reserves the right to modify these and all other elements of a course at its discretion).

Fundamental Concepts of Client Care is designed to introduce the student to the foundational principles of contemporary nursing practice. Emphasis is placed on developing skills related to health assessment and health intervention with a holistic emphasis. Theoretical content includes principles of physical and psychosocial care, communication, growth and development, teaching and learning, wellness, families, communities, cultures and professional issues. Nursing process is taught as the methodology for meeting the client’s healthcare needs. Related learning experiences are scheduled for the college laboratory, medical - surgical units at healthcare agencies, and the community. Prerequisites: Acceptance into the Associate Degree in Nursing Program. Corequisite: BIO 131 and BIO 141, ENG 101 or higher and MAT 100 or higher.

Lecture hours – The number of hours per week a particular course meets in an instructor directed classroom situation.

Lab or Studio Hours – The number of hours per week a particular course meets in a student and equipment laboratory situation. Field work and small group discussions may also be included in these hours.

Clinical or Field Experience or Practicum Hours – The number of hours per week a particular course meets and where students are in a practical, occupational or applied learning situation.

Credit Hours – The number of credit hours awarded to the student who successfully completes a course.

Definition of Units of Credit – Quincy College curricula designs are based on the following: “(1) One semester credit hour for each fifteen hours of classroom contact or (2) One semester credit hour for each thirty hours of laboratory work or (3) One semester credit hour for each forty-five hours of clinical instruction (contact hours) or the equivalent” Source: Miller, W. Jerry and Millis, Olive, Credentialing Education Accomplishment, Report and Recommendations of the Task Force on Educational Credit and Credentials. (Washington D.C.: American Council on Education, 1978)

Prerequisite – Any course work that must be completed before the student is eligible for a course.

Corequisite – Any course which must be taken during the same semester.
ACCOUNTING

ACC 101 Accounting I
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This is an introductory course in accounting with the emphasis on the basic accounting cycle, management use of accounting data, construction and analysis of financial statements, and valuation of assets. Placement at ENG 101 level strongly advised.

ACC 102 Accounting II
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
Topics included in this course are books of original entry, analysis of assets and liabilities, negotiable instruments, and an introduction to partnership and corporate accounting. Prerequisite: ACC 101.

ACC 201 Accounting III
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course offers the student an analysis of corporate accounting. The student should gain a knowledge of accounting practices used by corporations and by partnerships. The tax implications of these accounting practices are examined. Prerequisite: ACC 102.

ACC 202 Accounting IV
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course studies accounting theory including property, plant and equipment, tangible assets, current liabilities, long-term corporate capital, and earnings per share. Prerequisite: ACC 201.

ACC 205 Managerial Accounting
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course presents the analysis and interpretation of accounting information. Cost term, cost management in planning and control, managing costs throughout the organization, and managing costs in a global environment. Prerequisite: ACC 102.

ACC 207 Municipal Accounting and Finance
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course offers the students an analysis of municipal accounting and finance for the various municipalities and regions in Massachusetts. Emphasis will be placed upon revenue generating, budgeting, state aid to local communities, calculating tax rates and local options. Prerequisite: ACC 102.

ACC 209 Federal Taxation
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
A survey of federal tax structure as it applies to individuals, partnerships, and corporations. Emphasis will be placed upon specific problems as a device to further the appreciation of the impact of taxes upon decision making and forecasting, and the effect upon forms of organization. Prerequisite: ACC 102.

ACC 297 Accounting Internship
3 Credits (0 Lecture 0 Lab 90 Internship) *15 wks
This course integrates the student’s classroom academic studies with actual experience in accounting. The student will work for at least ninety hours in an approved internship position which may be arranged through the college or by the student. Additional requirements for the course include nine classroom hours and a ten page paper. Prerequisites: ACC 102, completing 30 credits, and a GPA of 3.1 or higher.

ACC 301 Auditing
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course deals with the auditing concepts and standards relevant to attest function as well as the legal and ethical responsibilities of the independent certified public accountant. Internal controls, an overview of EDP auditing and sampling, and auditor reports are included. Prerequisite: ACC 201 and ACC 205.

ARABIC

ARA 101 Arabic I
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course teaches spoken and written modern standard Arabic. Discussions of cultural topics will enable students to develop written and spoken skills in Arabic. Materials will follow a standard textbook, but the curriculum, using learner-centered language teams and a wide variety of resources, will also challenge students who wish to improve their knowledge of the writing system.

ARA 102 Arabic II
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
A continuation course in modern standard Arabic. Learners will consolidate alphabetic skills, expand literary and social vocabulary, and further develop communicative ability in Arabic. Classroom conversation will rely increasingly on Arabic to build confidence in speech, and varied texts will help learners improve reading comprehension. Readings in English on cultural topics may be used to stimulate thinking, writing, and discussion in Arabic. This is a learner-centered, communicatively oriented course. Prerequisite: ARA 101 or equivalent.

ART

ART 100 Fundamentals of Visual Art
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course provides a broad exploration of various art forms and techniques peculiar to each. Techniques include assemblage, painting, sculpture, college, mono-printmaking, drawing, photography, design, and architecture.

ART 101 Basic Drawing
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
An introduction to the basics of drawing stressing learning to see, using negative space and measuring relationships to achieve a better drawing using pencil, ink, charcoal, and watercolor for those who prefer using more than black and white. Students purchase their own materials.

ART 102 Advanced Drawing
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
For those who have completed Basic Drawing or the equivalent. Students are encouraged to explore further the picture-making process. The emphasis is on mixing media, abstracting images, and developing creativity. Students purchase their own materials.
Prerequisite: ART 101.

ART 103 Line, Color & Design
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course explores the principles underlying effective design. Students study the dynamics of line, shape, color, texture, and pattern by experimenting with black and white and colored media. Students purchase their own materials.

ART 110 Theatre Arts I
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course introduces students to the parts of a modern stage and the diverse tasks required in the performance of the play. Concepts in stage history, dramaturgy, set design, lighting technique, costume, and sound are explored. Also introduced: individual merits of classical verse drama, Pantomime, commedia dell'art, clowning, melodrama, modern drama, epic theatre, and Absurdist drama.

ART 111 Theatre Arts II
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course introduces students to the parts of a modern stage and the diverse tasks required in the performance of the play. Concepts in stage directions, and techniques of movement and voice production are explored. The acting guidelines established by Stanislavski, Boleslavsky, Adler, Meisner, Hagen, and Shurtleff will also be introduced. This course may require written character analysis or journal writing.

ART 112 Acting Workshop
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
A workshop in acting techniques involving scene work, textual analysis, and character study. Students will rehearse complex scenes, study a character's progression through arc of the play, and write well-developed character analysis. Exercises are used to promote variation and authenticity in performances. Prerequisites: ENG 101 & ART 110 or permission.

ART 114 Improvisation
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is a workshop in improvisational technique as applied to acting, performance art, and playwriting. Students will practice exercises to help them develop improvisational techniques and then apply those techniques to both written and unwritten scenes.

ART 115 Basic Painting
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
An introduction to the overview of painting using acrylic or watercolor. The course covers color mixing, techniques of application, and composition. Students will paint from life and other sources and from imagination. Students purchase their own materials.

ART 116 Advanced Painting
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
A course for those who have completed Basic Painting or the equivalent. Students are encouraged to explore further the picture-making process using acrylic paints. This is a studio workshop course. Students are expected to be self-motivated and resourceful and able to work independently. Students purchase their own materials. Prerequisite: ART 115.

ART 119 Photography I
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is an introduction to photography as an art of visual communication. Topics discussed are camera basics, exposure, lenses, lighting and composition. Image editing using Photoshop covers the sequence for an optimal workflow. Additional topics include file management, retouching and creating composite images. Photo assignments require the student to have access to a camera, preferably a single-lens reflex.

ART 120 Photography II-Photojournalism
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course explores the visual communication skills necessary to produce an in-depth photo story with an emphasis on the photojournalism and documentary traditions of photography. Students refine their skills through shooting assignments within the context of historical and contemporary examples. This course expands and advances the digital techniques and Photoshop skills mastered in Digital Photography I. Photo assignments require the student to have access to a camera, preferably a single-lens reflex. Prerequisite: ART 119.

ART 150 Modern Drama
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course provides an introduction to craft and art of drama, including a close study of technique and subject, and selected plays. Prerequisite: ENG 102.

ART 155 Theatre Production
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
Students study the "behind the scenes" elements of theatrical production: producing, budgeting, casting, directing designing, and managing a show. Students learn basic stage management and other technical aspects of theatre. Prerequisites: ENG 101, ART 110.

ART 201 Survey of Fine Arts I
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
Emphasis is on developing an appreciation of the fundamental principles that are basic to all forms of fine arts. Consideration is given to pictorial art, music, sculpture, and architecture. Visual and audio-visual aids are used. Field trips are taken to nearby museums.

ART 202 Survey of Fine Arts II
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
Beginning with the fourteenth century, this course examines the technical, social, historical, and stylistic development of visual arts and architecture from the Renaissance through the Modern Era. Museum trips may be included.

ART 229 American Film
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course will trace cinema in America from the era of the silent
Course Descriptions

BIO 106 Nutrition
4 Credits (3 Lecture 1 Lab 0 Clinical)
5 Hrs./Wk. (3 Hrs. Lecture, 2 Hrs. Lab) *15 wks
This course focuses on nutrition across the life span. Students will gain an understanding of nutritional principles in both health and illness. Nutrition throughout the life span at all stages of development is emphasized. Nutritional bio-chemistry of all macronutrients will be covered. Lecture topics: Health promotion, nutritional guidelines, macro-nutrient chemistry, micro-nutrient chemistry, menu planning, food labeling, safety, obesity, clinical eating disorders, RDA requirements, and age related guidelines. Lab topics: Understanding of laboratory safety, keeping food consumption record, measuring carbohydrate, lipid, and protein content of food, fermenting, evaluating food oxidation, measuring vitamin solubility and stability, assessing enzymatic activity under pH and temperature change and its effect on food, evaluating artificial sweeteners and energy drinks, practicing safe food handling, understanding and generating food labels, and preparing balanced plates. Safety protocols must be observed in all lab classes. These include: no food, no drink, and no open-toe shoes, appropriate clothing. Only registered students may enter labs.

BIO 111 General Biology I
4 Credits (3 Lecture 1 Lab 0 Clinical)
5 Hrs./Wk. (3 Hrs. Lecture/2 Hrs. Lab) *15 wks
An introductory course in Biology with main emphasis on cell structure and function. Lecture topics include: Gene structure and inheritance, study of plants and fungi, evolution, and ecology. Extensive discussion of concerns facing humanity today including quality of nutrition, environmental pollution, genetic engineering, inheritable diseases, and birth defects. Safety protocols must be observed in all lab classes. These include: no food, no drink, and no open-toe shoes, appropriate clothing. Only registered students may enter labs. Placement at ENG 101 level strongly advised.

BIO 112 General Biology II
4 Credits (3 Lecture 1 Lab 0 Clinical)
5 Hrs./Wk. (3 Hrs. Lecture/2 Hrs. Lab) *15 wks
This course is a continuation of Biology I. Lecture topics include: Vertebrate animals with emphasis on morphology, behavior, reproduction, and embryology of the human organism. Safety protocols must be observed in all lab classes. These include: no food, no drink, and no open-toe shoes, appropriate clothing. Only registered students may enter labs. Placement at ENG 101 level strongly advised.

BIO 131 Anatomy & Physiology I
4 Credits (3 Lecture 1 Lab 0 Clinical)
5 Hrs./Wk. (3 Hrs. Lecture/2 Hrs. Lab) *15 wks
An integrated study of the structure and function of the human body including atoms, molecules, cells, tissues, and organs. The skeletal, muscular, nervous, sensory and endocrine systems are studied. Laboratory experience is correlated with classroom lecture. Placement at ENG 101 level strongly advised. Safety protocols must be observed in all lab classes. These include: no food, no drink, and no open-toe shoes, appropriate clothing. Only registered students may enter labs. Prerequisite: BIO 111 with “C” or better.

BIO 132 Anatomy & Physiology II
4 Credits (3 Lecture 1 Lab 0 Clinical)
5 Hrs./Wk. (3 Hrs. Lecture/2 Hrs. Lab) *15 wks
This course is a continuation of Biology I. Lecture topics include: Skeletal, muscular, nervous, sensory and endocrine systems are studied. Laboratory experience is correlated with classroom lecture. Placement at ENG 101 level strongly advised. Safety protocols must be observed in all lab classes. These include: no food, no drink, and no open-toe shoes, appropriate clothing. Only registered students may enter labs. Prerequisite: BIO 131 with “C” or better.

BIO 151 Microbiology
4 Credits (3 Lecture 1 Lab 0 Clinical)
5 Hrs./Wk. (3 Hrs. Lecture/2 Hrs. Lab) *15 wks
A study of non-pathogenic and pathogenic microorganisms designed primarily for students in the health sciences area. Topics covered include: microbial characteristics, control of micro-organisms, defenses of the host, and cause, prevention, and control of infectious diseases. Safety protocols must be observed in all lab classes. These include: no food, no drink, and no open-toe shoes, appropriate clothing. Only registered students may enter labs. Prerequisite: BIO 111 with “C” or better. Placement at ENG 101 level strongly advised.

BIO 204 Genetics
5 Credits (3 Lecture 1 Lab 0 Clinical)
5 Hrs./Wk. (3 Hrs. Lecture/4 Hrs. Lab) *15 wks
This course focuses on mechanisms of inheritance, gene structure and function, developmental genetics, quantitative genetics, and evolution. The model systems discussed in lecture are drawn from a broad spectrum of prokaryotes and eukaryotes. Topics include: Gene regulations, modes of transmission, DNA molecular method, population genetics, and genomics. Safety protocols must be observed in all lab classes. These include: no food, no drink, and no open-toe shoes, appropriate clothing. Only registered students may enter labs. Prerequisite: BIO 111 with “C” or better.

BIOTECHNOLOGY & COMPLIANCE

BTC 101 Introduction to Biotechnology
This course is designed to introduce the student to the role of biotechnology in the fields of medicine, environmental science, forensics, microbes, and agriculture. The student will explore the theory, tools, and application behind the genetics involved in these fields. This lab-based, hands-on course will expose the student to the techniques and equipment utilized in scientific laboratories around the world. Prerequisites: CHE 121/131 and/or BIO 111/121. One course allowed concurrently.

BTC 102 Buffer and Media Preparation*  
2 Credits (0 Lecture, 2 Lab, 0 Clinical) * 7 weeks  
This laboratory-based course is designed to introduce the student to the skills required to prepare chemical buffers and cell culture media for use in the bio-manufacturing industry. The student will become skilled in the techniques and equipment necessary to prepare high quality buffers and media for use in the manufacturing of protein products. The goal of this course is to manufacture buffers and media following strict aseptic techniques while adhering to current good manufacturing practices (cGMP). Quality control methods will stringently test the buffering capacity, ion strength, and purity of products.

BTC 103 Technical Writing in Bio manufacturing*  
2 Credits (2 Lecture, 0 Lab, 0 Clinical) * 7 weeks  
This course in Technical Writing is designed to introduce the student to the complexity of documentation in the bio-manufacturing environment. Students will discover the role of Quality Assurance in the day-to-day operations of the manufacturing facility. Following the Code of Federal Regulations (CFR), students will learn the process of writing and following standard operating procedures (SOPs), deviation reports, corrective action/prevention action reports (CAPAs), and change control reports among others. Students will design a manufacturing company following strict CFR guidelines. The importance of integrity in documentation will be emphasized for maintaining high quality products.

BTC 202 Protein Purification  
2 Credits (2 Lecture, 0 Lab, 0 clinical) *7 weeks  
This course is designed to give students an in-depth understanding of protein purification. Students will learn the physical and chemical properties of various protein purification media used in bio-manufacturing and how those properties can be utilized for purifying proteins. Students will be engaged in real-world applications relating to the chromatographic techniques involved in preparing media, packing columns, calibrating columns, and equilibrating columns. Students will learn how to design protein purification schemes based upon their knowledge of the intrinsic properties of proteins. All purified proteins will be validated using electrophoretic and spectrophotometric techniques.

BTC 210 Biochemistry  
4 Credits (3 Lecture 1 Lab 0 Clinical) *15 wks  
This course is designed to introduce the student to the biochemical principals involved in the synthesis, structure, and function of biologically important molecules (Proteins, Lipids, Carbohydrates and Nucleic Acids). Examination of the intricate relationship between the structure and function of these molecules will give insight into the biological processes of the living cell. Topics will include: catalytic activity and kinetics of enzymes; how molecules outside the cell regulate what happens inside the cell; how understanding the biochemistry of these molecules has spurred the growth of a relatively new industry - Biotechnology. Prerequisites: CHE121/131 and MAT103 with “C” or better. Safety protocols must be observed in all lab classes. These include: no food, no drink, and no-open-toe shoes, appropriate clothing. Only registered students may enter labs. This course includes an additional 3 hour lab.

BTC 220 Bio manufacturing me  
4 Credits (1 Lecture 3 Lab 0 Clinical) *15 wks  
This course is the second in the series of cornerstone courses in Biotechnology and Compliance and the first of three courses in Bio manufacturing. Students, working in teams, will give a presentation on the biotechnology-derived products that are noteworthy to the biotechnology industry; the steps involved with the regulatory approval process for a new biotechnology product, and; key issues associated with manufacturing practices (cGMP). The student will become skilled in the techniques and equipment necessary to manufacture a recombinant protein. The goal of the course is to manufacture a mammalian protein in bacteria following cGMP’s and standard operating procedures through upstream and downstream processes. Quality control methods will stringently test the protein product and validate its purity. Prerequisites: CHE121/131, BIO111/121, and BTC101.

BTC 230 Bio manufacturing II  
4 Credits (2 Lecture 2 Lab 0 Clinical) *15 wks  
This course is the third in the series of cornerstone courses in Biotechnology and Compliance and the second of three courses in Bio manufacturing. This lab-based course is designed to give students experience in various aspects of bio-manufacturing including but not limited to: Process development, Quality Control, Environmental Health and Safety, and Upstream and Downstream Processing. The course begins with the aseptic techniques involved in the cultivating and preservation of mammalian and yeast cells. Scale-up techniques (upstream processing) will then be used to culture a 1 milliliter volume of cells (106) into 3-10 liter columns containing many trillions of cells (1012). An in-depth discussion of downstream processing techniques such as tangential flow filtration and protein purification systems will be utilized to purify a protein product (drug) from the cell media. Strict adherence to current good manufacturing practices (cGMP) will be followed and the protein products will be tested and validated for purity. Prerequisites: CHE 121/131, BIO 111/121, BIO 151/152, BTC 101, BTC 201, BTC 220.

BTC 240 Seminar in Biotechnology  
1 Credit (1 Lecture 0 Lab 0 Clinical) *15 wks  
Seminar-style capstone course covering professional topics in biotechnology and compliance, including but not limited to: discussion of emerging technologies, innovations, and new products that are noteworthy to the biotechnology industry; the steps involved with the regulatory approval process for a new biotechnology-derived product, and; key issues associated with adequate quality-control systems, assays and stability for novel biotechnology products. Students, working in teams, will give written and oral presentations on case studies that attempt to predict products derived from the new innovations and discoveries. The objective of the course is to give the student insight into the process of translating scientific discovery into innovative products. Prerequisite: BTC 220 Co-requisites: BTC 230 & BTC 250.

BTC 250 Bio manufacturing III  
4 Credits (1 Lecture 3 Lab 0 Clinical) *15 wks  
This course is the fourth in the series of cornerstone courses in Biotechnology and Compliance and the final course in bio manufacturing. This lab-based course is designed to give students
experience in manufacturing a retail product – Science Laboratory Kits. Applying technical skills acquired from previous manufacturing course work, students will design science kits to be used in Quincy College’s science labs as well as high school science class. Students will write standard operating procedures (SOP’s) for the production of kit components, write experimental protocols for use by science teachers in the lab, manufacturing kit components following SOP’s as well as assemble and validate the kits. Strict adherence to current good manufacturing practices will be applied. Prerequisites: CHE121/131, BIO111/121, BIO151/152, BTC101, BTC220. Corequisites: BTC 230.

BTC 297 Biotechnology and Compliance Internship
This course provides the student with the opportunity to integrate the academic studies of Biotechnology and Compliance into an experiential supervised setting. The student will work for one hundred sixty (160) hours in an approved internship position arranged through the college. Relevant work areas include: application of hands-on techniques and equipment. A final paper and presentation is required. Prerequisites: 30 credits completed (15 at QC, 15 in major), a GPA of 3.1 or higher and permission of the dean.

BUSINESS

BUS 101 Introduction to Business
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
The role, growth, structure, and functional organization of modern business in the U.S. economy is explored. Comparative economic systems, sole proprietorships, partnerships, corporations, and the management, marketing, and financing of business organizations are covered. Opportunities in the business field are examined throughout the course. Students will be expected to complete outside research as a course requirement. Placement at ENG 101 level strongly advised.

BUS 202 Principles of Customer Service
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course examines the principles of customer service and their significance in a service-driven economy. Topics covered include: The Service Strategy, The Customer: Internal & External; Customers’ Wants & Needs; Communicating Customer Service; Profiles of Successful Companies; Service People-Motivation, Commitment, and Reward. Placement at ENG 101 level strongly advised.

BUS 204 Human Relations in Organizations
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course analyzes various styles of management, organizational systems and organizational processes. Students will develop skills in effective decision-making, examining conflict and conflict resolution, and recognizing suitable management and leadership styles. Placement at ENG 101 level strongly advised. Prerequisite: BUS 101.

BUS 203 Health Care Delivery Systems
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture 0 Hrs. Lab 0 Hrs. Clinical) *15 wks
The course introduces students to the historical development, structure, operation, and current and future directions of the major components of the American health care delivery system. It examines the ways in which health care services are organized and delivered, the influences that impact health care public policy decisions, factors that determine the allocation of health care resources and the establishment of priorities, and the relationship of health care costs to measurable benefits. The course enables students to assess the role of organized efforts to influence health policy formulation, and the contributions of medical technology, research findings, and societal values on our evolving health care delivery system. Additionally, this course provides an orientation to key health care statistical information.

BUS 211 International Business
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course provides an historical background and discussion of theoretical foundations of international business. Analysis of international institutions and factors that influence commercial activities among nations and the operation of firms are included. Placement at ENG 101 level strongly advised. Prerequisite: BUS 101.

BUS 210 Business Ethics
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
An introductory course in business ethics focusing on what business relationships are and ought to be with the various constituencies in which business operates. Through the use of case analysis, the student will develop a means of arriving at decisions that he or she can feel are “right,” “proper,” and “just.” Placement at ENG 101 level strongly advised.

BUS 297 Business Management Internship
3 Credits (0 Lecture 0 Lab 90 Internship) *15 wks
This course integrates the student’s classroom academic studies with actual experience in business management. The student will work for at least ninety hours in an approved internship position which may be arranged through the college or by the student. Additional requirements for the course include nine classroom hours and a ten-page paper. Prerequisites: 30 credits completed, and a GPA of 3.1 or higher.

CHEMISTRY

CHE 103 Introduction to Forensic Science
4 Credits (3 Lecture 1 Lab 0 Clinical)
5 Hrs./Wk. (3 Hrs. Lecture/2 Hrs. Lab) *15 wks
An introductory course focusing on use of science in solving criminal cases. Basics of chemical, physical, medical, and behavioral sciences will be used to preserve a crime scene and identify, collect, examine and interpret crime evidences to help the process of law. Topics include, but are not limited to, analysis of fiber, hair, body fluids, fingerprints, footprints, bullet residue, toxic substance, illegal drugs, explosives, DNA traces, tool marks, and documents. Safety protocols must be observed in all lab classes. These include: no food, no drink, no-open-toe shoes, appropriate clothing. Only registered students may enter labs. ENG 101, MAT 095 or higher strongly recommended, with “C” or better.

CHE 121 General Chemistry I
4 Credits (3 Lecture 1 Lab 0 Clinical)
5 Hrs./Wk. (3 Hrs. Lecture/2 Hrs. Lab) *15 wks
A study of the fundamental chemical laws and theories. Topics include atomic and molecular structure, chemical bonding, stoichiometry, chemical and physical properties, change of state, solution chemistry and gas laws. Safety protocols must be observed.
in all lab classes. These include: no food, no drink, no open-toe shoes, appropriate clothing. Only registered students may enter labs. Safety protocols must be observed in all lab classes. These include: no food, no drink, no open-toe shoes, appropriate clothing. Only registered students may enter labs. Prerequisite: CHE 121 with “C” or better.

**CHE 122 General Chemistry II**
4 Credits (3 Lecture 1 Lab 0 Clinical)
5 Hrs./Wk. (3 Hrs. Lecture/2 Hrs. Lab) *15 wks
A continuation of General Chemistry I. Additional topics include solution properties and equilibria, chemical kinetics, thermodynamics, and nuclear chemistry. Also, an introduction to organic chemistry along with a survey of biochemical applications. Safety protocols must be observed in all lab classes. These include: no food, no drink, no open-toe shoes, appropriate clothing. Only registered students may enter labs. Safety protocols must be observed in all lab classes. These include: no food, no drink, no open-toe shoes, appropriate clothing. Only registered students may enter labs. Prerequisites: CHE 121 with “C” or better.

**CHE 141 Introduction to Chemistry**
4 Credits (3 Lecture 1 Lab 0 Clinical)
5 Hrs./Wk. (3 Hrs. Lecture/2 Hrs. Lab) *15 wks
A preparatory course in Chemistry designed particularly for students in Nursing and Health Science areas who lack previous chemistry training or whose background may require an extensive review. Topics include basic mathematical operations, physical and chemical properties, atomic and molecular structures, chemical formulas and bonding, naming compounds, chemical equations and reactions, gas laws, stoichiometry, periodicity of elements, solution chemistry, acids and bases, nuclear chemistry, organic chemistry and intro to biochemistry. Safety protocols must be observed in all lab classes. These include: no food, no drink, no open-toe shoes, appropriate clothing. Only registered students may enter labs. Prerequisites: MAT 097 with “C” or better.

**CHE 213 Organic Chemistry I**
4 Credits (3 Lecture 1 Lab 0 Clinical)
5 Hrs./Wk. (3 Hrs. Lecture/4 Hrs. Lab) *15 wks
This course is the first semester of a two semester course. Lecture topics include: Fundamental concepts of the carbon-containing compounds will be introduced. Topics include nomenclature, electron delocalization, resonance, stereochemistry, conformational analysis, synthesis, structure and reactivity relationships and spectroscopy. Lab skills learned include: Understanding of laboratory safety, organic laboratory techniques used to separate, identify, and purify chemicals, and selected instrumental analysis. Laboratory techniques to be mastered include, but are not limited to, filtration, distillation, extraction, evaporation, recrystallization, sublimation, centrifugation, chromatography, and spectrophotometry. Safety protocols must be observed in all lab classes. These include: no food, no drink, and no open-toe shoes, appropriate clothing. Only registered students may enter labs. Prerequisite: Successful completion of CHE 121 and CHE 122 with “C” or better.

**CHE 214 Organic Chemistry II**
4 Credits (3 Lecture 1 Lab 0 Clinical)
5 Hrs./Wk. (3 Hrs. Lecture/4 Hrs. Lab) *15 wks
This course is the second semester of a two semester course. Lecture topics include: Study of the structure and reactivity of the main classes of the organic and bioorganic compounds will be continued. Topics include aromaticity, reactions of benzene, carbonyl compounds, oxidation-reduction reactions, bioorganic compounds, and catalysis. Lab skills learned include: Performing micro scale and macro scale laboratory techniques to synthesize, purify, and characterize organic compounds, selected instrumental analysis, and safety procedures. Emphasis is on synthetic, bioorganic, and carbonyl containing compounds, multistep synthesis and catalysis reactions, and application of the principles of chemical kinetics and thermodynamics. Safety protocols must be observed in all lab classes. These include: no food, no drink, and no-open-toe shoes, appropriate clothing. Only registered students may enter labs. Prerequisite: Successful completion of CHE 213 with “C” or better.

**CHINESE**

**CHN 101 Chinese I**
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course teaches both spoken and written modern standard Mandarin Chinese. Discussions of cultural topics will enable students to develop written and spoken skills in Mandarin. Materials will follow a standard textbook using simplified character and pinyin, but the curriculum, using learner-centered language teams and a wide variety of resources, will also challenge students who wish to improve their knowledge of the traditional writing system.

**CHN 102 Chinese II**
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
A continuation course in modern standard Mandarin Chinese. Students will build literary vocabulary systematically through structural analysis of written characters. Classroom conversation will increasingly use Mandarin to build confidence in speaking. Readings in English on extensive cultural topics may be used to stimulate thinking and discussion in Mandarin. Students with higher but partial knowledge of a form of Chinese are welcomed into this learner-centered, communicatively oriented course. Prerequisite: CHN 101 or equivalent.

**COMPUTER SCIENCE**

**CSA 150 Introduction to Digital Video**
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (6 Hrs. Lecture) *15 wks
Introduction to Digital Video will familiarize the student with all aspects of television production including: scripting, on-location audio, lighting, recording, digitizing footage, logging footage, editing, and digital output. This hands-on experience will build a foundation and understanding of the production sequence and tools needed to create motion picture communication for business, entertainment and education. Prerequisites: ART 119, and one of the following: CSI 101, CSA 225, CSA 227, or CSA 228.

**CSA 151 Project Development**
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course familiarizes the student with the elements of planning and preparing a video project. It includes pre-production steps in a sequential order including: defining an audience, developing a message with a script, create a treatment, story board, shoot list, budget for personnel and equipment, and make a production schedule. Prerequisites: ART 119, CSA 150, IDS 120, and one of: CSI
Course Descriptions

101, CSA 225, CSA 227, CSA 228

CSA 152 Video Editing
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
Video editing with Adobe PremierE will familiarize the student with the capabilities and potential of communicating with video. Using this non-linear editing software, students will learn how to combine and control video footage, background audio, dialog, music, and digital effects to create compelling video. Prerequisites: ART 119, CSA 150, IDS 120, and one of: CSI 101, CSA 225, CSA 227, CSA 228

CSA 154 Video Animation
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
Based on the video production software Adobe after Effects, this course will familiarize the student with the methods for creating visual effects and 3D motion graphics for video. Students will learn how to animate text and objects in a 3D environment to create compelling visual messages. Prerequisites: ART 119, CSA 150, CSA 152, IDS 120, and one of the following: CSI 101, CSA 225, CSA 227, or CSA 228

CSA 156 Final Cut Pro
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course familiarizes the student with video editing on the Apple Mac platform using the popular industry software suite, Final Cut Pro 2. Using this non-linear editing software, students will learn how to combine layers of video footage, blend multiple tracks of audio, grade and correct color, and add spectacular digital titles and effects to their video. Prerequisites: ART 119, CSA 150, CSA 152, IDS 120, and one of the following: CSI 101, CSA 225, CSA 227, or CSA 228

CSA 201 Video Capstone
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course uses all the skills and knowledge gained in the TV Production series to create a finished 7 to 10 minute video program. The student will present a message in one of the following venues: business/marketing, feature personality, news/sports report, or an educational topic/process. Alternately, the student may serve an internship within an approved setting that requires implementing course knowledge. Prerequisites: ART 119, CSA 150, CSA 151, CSA 152, CSA 154, CSA 156, IDS 120, and one of: : CSI 101, CSA 225, CSA 227, CSA 228 (Additional pre-requisites for internship: GPA 3.1 or higher and 30 credits completed)

CSA 213 Database Management
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is designed to introduce the fundamental process of developing, implementing, and maintaining a database system in order to produce management information. MS Access or other relational database programs will be used. Database programming is also included.

CSA 215 Advanced Access w/ Visual Basic
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is designed as a more advanced course on Access. Content includes a review of Access fundamentals, emphasizing wizards, queries, complex forms, complex reports, custom user interfaces. Other topics include using Visual Basic for Applications, working with object models and securing a database. Prerequisite: CSA 213.

CSA 217 Spreadsheet Design for Business Solutions
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
The course is geared to gain a working knowledge of computerized spreadsheet skills using Microsoft Excel® software and the student will apply those skills to business based problem solving cases. Prerequisites: CSI 101/ACC101.

CSA 220 Computerized Accounting
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is designed to provide the student with a knowledge of and appreciation for integrated accounting software used by small businesses. Emphasis is placed on the set-up, maintenance, closing of the books, and the analysis of the financial statements. The course uses problem simulations to ensure the total understanding of the software. Prerequisite: ACC 102.

CSA 225 Desktop Publishing
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course will familiarize the student with the capabilities and potential of computer graphics for applications in business, government, communication, and the arts. Photo image editing, vector-based illustrations and special effects using Adobe Photoshop and Adobe Illustrator are covered.

CSA 228 Computer Graphics Applications
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course will familiarize the student with the capabilities and potential of computer graphics for applications in business, government, communication, and the arts. Hands-on experience will help build an advanced understanding of HTML vocabulary and interface applications using PageMill.

CSA 229 Website Development
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
Students are introduced to the fundamentals of World Wide Web programming in this new course. Hands-on exercises transform e-Business / e-Commerce models into professional Web applications. Topics include HTML, DHTML, JavaScript, VBScript, ASP, XML, PERL/CGI, PHP, and more. Prerequisite: CSI 116.

CSA 299 Website Development
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
Students are introduced to the fundamentals of World Wide Web programming in this new course. Hands-on exercises transform e-Business / e-Commerce models into professional Web applications. Topics include HTML, DHTML, JavaScript, VBScript, ASP, XML, PERL/CGI, PHP, and more. Prerequisite: CSI 116.
sheeting, presentation, and database management (software).

CSI 107 C++ Programming
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is designed as an introduction to C++ programming. Problem solving methods and algorithmic development stressing good programming style and documentation including top down and modular design is emphasized. Prerequisite: CSI 116 (formerly CSI 216 Computer Concepts).

CSI 108 Advanced C++
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is designed to provide the student with the advanced object oriented features of C++. It builds upon the knowledge learned in C++ Programming. Prerequisites: CSI 107 and CSI 116 (formerly CSI 216 Computer Concepts).

CSI 111 Digital Computer Hardware
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course focuses on the understanding of computer organization, design and programming of a simple digital computer. The study includes the basic building blocks of a computer system including digital logic circuits, data representation, register transfer language and micro operations.

CSI 116 Introduction to Programming
(Formerly CSI 216 Computer Concepts)
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is designed to provide the background necessary for an understanding of computers and computer languages. Programming assignments introduce the student to methods of problem solving, programming logic, development of algorithms, coding in C, debugging and documenting programs. Topics include an overview of computer organization, simple data structures, and file management.

CSI 149 Introduction to Game Development
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is a beginning course for the creation of video games. Students will write programs in C++ and use Dark Game Development Kit to create sprites and animations as well as play music and sound effects. Students will combine the skills which they learn in this course to create their own interactive video games. Prerequisites: CSI 116

CSI 200 Internet Programming
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
Introduction to the fundamentals of internet programming for education, entertainment, and business. Hands-on exercises prepare students to deliver Web based projects to blend text, graphics, and other media. Topics include XHTML, CSS, JavaScript, and XML. Prerequisites: CSI 107 and CSI 116 (formerly CSI 216 Computer Concepts).

CSI 207 System Design & Analysis
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
Introduction to systems concepts, department organization, forms design, systems control and manuals. Development of system techniques through lecture and case study methods, including work simplification, work measurement, flowcharting, system cost estimating, system development, implementation, and evaluation. This course also introduces the student to Microsoft PowerPoint Presentation graphics software.

CSI 217 Operating Systems
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course explores the concepts of operating systems and their relationship to computer architecture. Topics include concurrent processing, scheduling, memory management, file systems, device management, and resource allocation. Prerequisite: CSI 116.

CSI 218 Data Structures and Algorithms
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course covers common data structures and algorithms for storing and manipulating data using the C++ programming language. Object-oriented programming and design techniques are emphasized for the creation of reusable data structures. Topics include multidimensional arrays, linked lists, recursion, stacks, queues, searching, sorting, hashing, and trees. Prerequisite: CSI 116, CSI 107, CSI 108.

CSI 226 UNIX with Linux
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
Introduction to UNIX operating system. Practical explorations of the basics of UNIX system concepts, architecture, and administration. Uses Linux, a PC-compatible clone of UNIX to reinforce shell programming concepts and utilities with real-world applications.

CSI 229 Visual Basic
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
An introduction to programming in Visual Basic. Topics include object-oriented programming, DDE, OLE, menus, dialog boxes, graphic controls, the toolbox, decision structures, working with text files and databases, development of Windows applications, GUI front ends for client/server applications, and integration with other Windows applications. Prerequisite: CSI 116.

CSI 233 Java Programming
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is an introduction to the Java programming language that builds upon concepts explored in Introduction to Programming (CSI 116). The Java platform, how it stores data in memory, and basic language features are discussed. Topics include objects, methods, control structures, streams, arrays, and classes. Prerequisite: CSI 116.

CSI 235 Computer Architecture
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course deals with the structure and organization of the major hardware components of computers. Topics include basic logic design, CPU construction, and information transfer and control within a computer system. Prerequisite: CSI 116.

CSI 237 Advanced Java
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course introduces students to the advanced object-oriented features of Java. It builds on the knowledge of basic applications and applets learned in Java Programming (CSI 233). Topics include inheritance and polymorphism, abstract types ("interfaces"), exceptions, event-driven graphical user interfaces, use of online documentation for class libraries, and object-oriented design. Prerequisite: CSI 233 and CSI 116.

CSI 242 Computer Systems Security
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is designed to introduce the student to the concepts of computer and network security with applications in the Windows 2000 Environment. Topics include authentication, securing Web and file transfer applications, cryptography, firewalls and other devices and network topologies. At the end of this course the student will be able to securely administer a Windows 2000 server environment. Prerequisite: CSI 244.

CSI 243 Server Based Operating Systems
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course will provide the student with a fundamental understanding of the operation and administration of computer network servers through lecture, discussion, problem solving, and virtual and/or hands on practice in setting up servers. Prerequisite: CSI 217.

CSI 244 Networking I
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
Introduction to the concepts, technology, and implementation of computer communication. Topics discussed are distributed systems requirements, network architecture, communications protocols, local and wide area networks, data transmission, digital multiplexing, data switching, and characteristics of transmission media, modems, design of information flow, and message and packet switching.

CSI 245 Networking II
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
Knowing how to install, configure, and troubleshoot a computer network is a highly marketable and exciting skill. This course introduces the fundamental building blocks that form a modern network, such as protocols, topologies, hardware, and network operating systems. It then provides in-depth coverage of the most important concepts in contemporary networking, such as TCP/IP, Ethernet, wireless transmission, and security. The course will prepare a student to select the best network design, hardware, and software for his or her environment. Students will also acquire the skills to build a network from scratch and maintain, upgrade, and troubleshoot an existing network. Prerequisite: CSI 244.

CSI 246 Networking III
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is a comprehensive guide for anyone wishing to obtain a solid background in basic Cisco networking concepts. Students are first introduced to theory-based concepts, which are followed-up with practical hands-on labs, and use of Cisco IOS. Implement the Cisco interior routing and BGP protocols with a rigorous treatment of TCP/IP. Examines bridging, switching, and routing alternatives. Demonstrates interconnection of networks and the limitations imposed by the different routing protocols, and discusses alternatives and a survey of current trends in internetworking. Discusses LAN design and integration techniques and upgrade alternatives that are available when current networking does not support existing or future applications. Prerequisites: CSI 244 and CSI 245.

CSI 247 Fundamentals of Structured Query Language
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
The database management system, MySQL will be used in conjunction with SQL commands to maintain databases and query them to obtain information. Topics covered include the relational database model as well as SQL syntax for operators and functions, joins, subqueries, views and summarizing and grouping data. Prerequisite: CSI 116.

CSI 248 Building Web Applications with Ruby on Rails
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course introduces the student to web application development using Ruby on Rails - a comprehensive web development framework written in the easy-to-program, flexible, object-oriented Ruby programming language. The course stresses an understanding of how the Rails architecture utilizes agile software development methodologies in the construction of robust web based systems. The goal of this course will be to provide the student with an equivalent skillset and experience of an entry-level Rails developer. Topics include modeling and accessing a database, generating dynamic web pages, processing user input, adding interactivity via AJAX, test driven development, and application deployment. Prerequisites: CSI 116 or CSI 216, and CSI 107.

CSI 249 Advanced Game Development
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
In this course the student will learn the skills necessary to create three dimensional single and multiplayer games. UnrealScript is the programming language which is used to customize the visual profile of objects in the game as well as controlling their states. Prerequisites: CSI 149 Introduction to Gaming or CSI 108 Advanced C++ or CSI 237 Advanced Java.

CSI 255 C# Programming
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course teaches students how to develop software for Windows operating systems using Microsoft's premier object-oriented programming language, C#. The unique features of the C# language will be covered as well as several components of the .NET Framework under which modern Windows applications run. Students will create software using a combination of visual programming tools and traditional coding. Topics include Windows Forms, ASP.NET, LINQ, XAML, and Windows Presentation Foundation. Prerequisites: CSI 108 or CSI 237.

CSI 261 Robotics Programming
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Credits (3 Lecture 0 Lab 0 Clinical)
CSI 262 Advanced Robotics Programming
3 Credits (3 Lecture 0 Lab 0 Clinical)
This course teaches students to control robots with the Python programming language. Emphasis is placed on collaborative behaviors, which allow robots to work together in completing a task. Students also learn to extend the capabilities of robots with off-the-shelf components and open-source software. The hardware used...
includes the NAO humanoid robot, multiple iRobots (“Roombas”), and Raspberry Pi microcontrollers. Prerequisites: CSI 261.

CSI 297 Computer Science Internship
3 Credits (0 Lecture 0 Lab 0 Internship) *15 wks
The student performs in a supervised work experience for a minimum of ninety (90) hours over the duration of a single semester. Relevant work areas include, but are not limited to: database management; network operations; programming; operating systems; operations; software, network, and general technical support. The participating student will meet regularly with the coordinating faculty member. A final project or paper is required. Prerequisites: 30 credits completed, and a GPA of 3.1 or higher.

CRIMINAL JUSTICE

CJS 101 Introduction to Criminal Justice
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course introduces the criminal justice process and services with discussion of the roles of police, courts, and corrections. Placement at ENG 101 level strongly advised.

CJS 103 Criminology
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
The nature and cause of criminal behavior in contemporary America, the social forces involved, the major causes of lawbreaking, and analysis of social responses to criminals, including the workings of the police, courts, laws, and prisons are studied. Placement at ENG 101 level strongly advised.

CJS 104 Law Enforcement & Society
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
The role of the police in a democratic society is examined as well as the historical development of law enforcement emphasizing European and American tradition and practice. Placement at ENG 101 level strongly advised.

CJS 105 Criminal Evidence & Investigation
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
An examination of the kinds and degrees of evidence and the rules governing admissibility of evidence in court. The student will study the fundamentals of investigation, crime scene search and recording, collection and preservation of physical evidence, source of information, interviews and interrogation, follow-up, and case preparation. Placement at ENG 101 level strongly advised.

CJS 107 Juvenile Delinquency
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course covers selected theories of delinquency, programs of prevention and control, treatment, confinement, utilization of community resources, and the history and current role of the juvenile court. Placement at ENG 101 level strongly advised.

CJS 109 Criminal Law
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course introduces the student to the principles of criminal liability, elements of crimes, defenses to crimes and parties to crimes in the areas of property crimes, crimes against the person, crimes against habitation, and drug trafficking. Placement at ENG 101 level strongly advised.

CJS 111 Criminal Justice Administration
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course surveys the criminal justice system as a whole, the interdependence and independence of actors, and discusses system concerns and allocation of resources. Placement at ENG 101 level strongly advised.

CJS 113 Drugs and Society
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course discusses the major social health issues involving drugs. Topics covered include the psychological aspects of drug involvement, the pharmacology of drugs, alcoholism, current rehabilitation practices, review of state and federal drug laws, and drug education programs at the national, state, and local levels. Placement at ENG 101 level strongly advised.

CJS 114 Stress and the Police Officer
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course examines critical, stress-producing events that occur throughout a law enforcement career, including recruitment and basic training, entry into the paramilitary structure, critical incident events, the changing context of policing post 9/11, social pressure and expectations, the bureaucracy and politics of policing, health consequences of long-term exposure to hazards, family dynamics, and retiring from the profession. Students will develop the knowledge and tools needed to mitigate stress producing events inherent within the complex career in law enforcement, from recruitment to retirement. Students will also evaluate stress producing incidents that occur at the individual, team and organizational levels.

CJS 117 Crisis Intervention & the Police
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course will examine the police officer responding to a wide range of calls which involve the potential for crisis. This course will involve incidents with violent individuals as well as volatile groups that the police officer often comes into contact with. Placement at ENG 101 level strongly advised.

CJS 119 Criminal Procedure
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course introduces the student to the basics of criminal procedure, including the law of search and seizure, arrest, interrogation and identification, the pretrial process, the criminal trial, sentencing and punishment, appeal and post-conviction relief, and constitutional safeguards in state and federal criminal proceedings. Placement at ENG 101 level strongly advised.

CJS 122 Conflict & Dispute Resolution
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
A survey of various dispute resolution processes, including negotiation, mediation, conciliation, arbitration, and mixed
processes. Students will gain familiarity with these processes, rudimentary skills in using them, and experience in how to help choose or build the most appropriate dispute resolution or prevention process. Through simulations and case exercises, theories, tactics, and methods will be applied to the fields of criminal justice, business, law, and labor-management relations. Can be used as a Business or Government elective. Placement at ENG 101 level strongly advised.

CJS 131 Introduction to Homeland Security  
3 Credits (3 Lecture 0 Lab 0 Clinical)  
3 Hours/Week (3 Hrs. Lecture) *15 wks  
An introduction to Homeland Security as an evolving policy issue, matter of national concern, and a profession, the course prepares students to explore this area of policy, law enforcement/emergency response, and government. This course addresses terrorism, natural disaster, policy development, legal and judicial issues, and concepts regarding the structure and authority of the Department of Homeland Security and related agencies. Case studies are examined focusing on threat assessment, disasters, past acts of terrorism, and potential risks facing the nation. Also explored are prevention, mitigation, and response to threats both natural and man-made.

CJS 132 Weapons of Mass Destruction  
3 Credits (3 Lecture 0 Lab 0 Clinical)  
3 Hours/Week (3 Hrs. Lecture) *15 wks  
Today’s terrorism is characterized by sophistication, organization, financial capacity, and a degree of violence directed at mass populations heretofore unseen. This course presents an overview of the threat of terrorism as posed by weapons of mass destruction, with a focus on nuclear, biological, explosive, and chemical weapons, prevention of, preparation for, and the response to such threats. The focus is on the roles of the first responder before, during, and after WMD incidents.

CJS 202 Introduction to Corrections  
3 Credits (3 Lecture 0 Lab 0 Clinical)  
3 Hours/Week (3 Hrs. Lecture) *15 wks  
This course covers a critical analysis of the American system of corrections. Covers important historical developments and the range of treatment and/or punishment options available to government, including prisons, jails, reformatories, and community treatment programs. Probation and parole are considered as an integral part of corrections. Current correctional philosophy and treatment approaches on federal, state, and local levels of government are assessed. The interrelated nature of all aspects of corrections is emphasized, with particular focus on policy analysis and decision-making.

CJS 204 Probation, Parole & Community Corrections  
3 Credits (3 Lecture 0 Lab 0 Clinical)  
3 Hours/Week (3 Hrs. Lecture) *15 wks  
Probation, parole, and other community-based sanctions, procedures, practices, and personnel are surveyed and evaluated. Probation, parole, and community-based correctional programs are presented in their historical, philosophical, social, and legal context. Theory and practice are integrated to the greatest extent possible.

CJS 211 Introduction to Security Procedures  
3 Credits (3 Lecture 0 Lab 0 Clinical)  
3 Hours/Week (3 Hrs. Lecture) *15 wks  
This course includes the historical and philosophical bases of security and a survey of administrative, personnel, and physical aspects of the field. Placement at ENG 101 level strongly advised.
CJS 224 Unequal Justice: Gender, Race, Ethnicity, Class & the Law
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
Inscribed in large letters above the entrance to the Supreme Court of the United States are the words “Equal Justice under the Law.” These words represent the ideal of the American justice system—that law, legal procedures, and legal systems will treat people equally regardless of their race, gender, ethnic background, or social status. The reality of the criminal justice system, emphasizing historical and political foundations, will be explored through the study of gender, race, ethnicity, and class-based differences in law and criminal justice. Designated as a Criminal Justice course, this course may also be taken as a History/Government elective. Placement at ENG 101 level strongly advised.

CJS 225 Victimization
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
Students will explore the myths and realities pertaining to crime victims, including crime victim statistics, the dynamics of victimization (physical, emotional and/or financial harm), victims’ rights, exposure to how police, courts and related agencies treat victims, and the problems and solutions for special kinds of victims (children, women, sexual assault victims, elderly, drunk driver and bias or hate crime victims). Placement at ENG 101 level strongly advised.

CJS 297 Criminal Justice Internship
3 Credits (0 Lecture 0 Lab 90 Internship) *15 wks
The student works in a supervised work experience in a related criminal justice capacity for at least 90 hours over a semester. A term paper is submitted to the coordinator. Prior permission of the coordinator is required. Placement at ENG 101 level strongly advised.

ECONOMICS

ECO 201 Microeconomics
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
In this course, students study the basic principles of economics including economic theory related to the operation of business firms such as supply, demand, price determination, production costs, competition, resource markets, and international trade. Placement at ENG 101 level strongly advised.

ECO 202 Macroeconomics
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is a study of the basic principles of economics including different economics organizations, income and employment theory, government fiscal and monetary policies, problems of price stability, and economic growth. Placement at ENG 101 level strongly advised.

EDUCATION

Note: Most education course require out of class field observation.

EDU 101 Introduction of Early Childhood Education
3 Credits (3 Lecture 0 Lab 0 Clinical)
5 Hours/Week (3 Lecture 0 Lab 2 Practicum) *15 wks
This is an introductory course in the principles of early childhood education focusing on facilities, staff, goals, and methodology of various programs such as day care, Head Start, and nursery school. Traditional and contemporary issues in early childhood education will be considered, and emphasis will be placed on meeting the needs of the developing child. Observations in the field will be required. Placement at ENG 101 level strongly advised.

EDU 105 Curriculum for Preschool Children
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
By focusing on methods and materials in early childhood education, this course explores ways to maximize the learning experience for young children. The meaning and value of play and the child’s individual and developing use of materials will be considered. Projects based on cues from children’s interests and how to adopt activities for children in differing cultural settings will be included. A three-hour pre-practicum is required. Placement at ENG 101 level strongly advised.

EDU 107 Health and Nutrition for Preschoolers
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is an analysis of the personal health and nutritive needs of young children. The proper foods for young children are emphasized in relation to the physical, intellectual, and emotional well-being of the child. The role of early childhood programs in preventive health care is stressed, and consideration is given to the body function of the young child with respect to anatomy, physiology, correct nutrition, rest, recreation, exercise, and play. Placement at ENG 101 level strongly advised.

EDU 110 Observation & Participation
3 Credits (3 Lecture 0 Lab)
5 Hours/Week (3 Lecture 0 Lab 2 Practicum) *15 wks
This course is designed to give students a guided experience in working with young children and in techniques for observing and recording their behavior. The student will observe and actively participate in selected settings such as child care, Head Start, or pre-school. A 30 hour out-of-class field pre-practicum is required. Pre- or corequisite: EDU 101.

EDU 115 Children’s Literature
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course surveys the current field of children’s literature, emphasizing criteria and standards of high quality books for children. It is designed for students in early childhood education and for individuals responsible for the selection of appropriate books for use with children. The course content includes methods of presentation of literature to children. Placement at ENG 101 level strongly advised.

EDU 117 Positive Guidance for Young Child
3 Credits (3 Lecture 0 Lab 0 Clinical)
4 Hours/Week (3 Hrs. Lecture 1 Practicum) *15 wks
This course will focus on the process of establishing and maintaining responsible and cooperative behavior in young children. Positive ways to guide children through challenging behaviors will be addressed. Various developmentally appropriate guidance strategies such as redirection, promoting pro-social behavior, positive assertiveness, consistency, and internal mechanisms that guide self-control will be examined. Observations (10 hours) in the field will be required.

EDU 118 Math in Early Childhood
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
Course Descriptions

Students will develop instructional strategies and techniques for teaching math appropriate for use in an early childhood education setting with children from 3 to 5 years of age. Consideration will be given to classroom strategies that (1) build on children’s experience and individual approaches to learning, (2) base teaching practices on knowledge of children’s development, (3) base teaching practices on strengthening children’s problem-solving and reasoning processes, (4) integrate mathematics with other activities, (5) actively introduce mathematical concepts, methods, and language through appropriate experiences. Particular emphasis will be given to the following important parts of mathematical learning in preschool: numbers, geometry and spatial relations, measurement, patterns and geometry, and analyzing data. Prerequisites: EDU 101 and PSY 103.

EDU 120 Introduction to Education
3 Credits (3 Lecture 0 Lab)
5 Hours/Week (3 Lecture 0 Lab 2 Practicum) *15 wks
This foundation course is required for the elementary education transfer program. It focuses on the historical, philosophical, and social influences of education in the United States. Contemporary educational thought as well as expectations of the teaching profession will be explored. Course content and weekly, out-of-class, observations in the field will assist students in assessing their commitment to teaching. Placement at ENG 101 level strongly advised.

EDU 210 ECE Seminar
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course will examine the problems arising from the daily teaching experiences. Discussions will focus on the current teaching situation, planning and implementing appropriate activities, as well as approaches to guiding and educating the developing child. Prerequisites: PSY 103, EDU 101, EDU 105, EDU 110, EDU 222 with a grade of “C” or higher and faculty approval. The student’s child care center placement must be approved by the program faculty prior to registration. Corequisite: EDU 320.

EDU 216 Dynamics of Play
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
Students examine several of the functions and roles of play in the development of the child from two to six. Play will be defined as the active experience of the child within the prepared environment. Special consideration will be given throughout the course to the role of the preschool teacher in interpreting, planning for, and augmenting play. Prerequisites: PSY 103, PSY 201, EDU 105, EDU 110.

EDU 218 Infant and Toddler Development and Curriculum
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course focuses on understanding the growth and development of infants and toddlers, and planning curriculum for the child under three years of age. Emphasis will be placed on the whole child’s development: physical, cognitive, social and emotional growth. Understanding growth and development will be the basis for planning curriculum for infants and toddlers in group care, family day care, as well as parent/child activities. This course fulfills the EEC requirement for an Infant/Toddler curriculum course.

EDU 222 Children with Special Needs
3 Credits (3 Lecture 0 Lab 0 Clinical)
5 Hours/Week (3 Lecture 0 Lab 1.3 Practicum) *15 wks
Introduction to special education emphasizing observation, evaluation, and planning for young children. Special needs such as physical handicaps, cognitive impairment, and the newer recognized areas of disabilities will be considered, including the implications for the teacher and federal and state legislation affecting children with special needs. Replaces (EDU 221) Special Needs for Preschool. 20-30 hours of practicum/observations in the field are required.

EDU 250 Management and Supervision in Early Childhood Education Centers
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This is an advanced course in principles of management and supervision of child care centers. This course will include both theory and application of theory. Topics covered will include: theories of management processes and approaches of management principles and tasks of management (such as planning and organizing, staffing, leading, monitoring and controlling for quality), managing spatial resources, health and safety needs of children, managing food service, children’s programs and communication with parents and the public. Prerequisites: PSY 103, ACC 101, EDU 105, EDU 110.

EDU 317 Financial Management for Day Care Administrators
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This is an introductory course to the nursery school and the day care center as a business. Various types of centers and the skills necessary to manage the business are covered. The approach to material is a combination of theory and practical activities. Topics included are developing budgets, insurance liability, computers in business, ordering equipment, advertising and licensing requirements.

EDU 320 Early Childhood Education Field Experience
6 Credits (0 Lecture 0 Lab 6 Practicum)
12 Hours/Week (0 Lecture 0 Lab 6 Practicum) *15 wks
This course covers the application of the art and science of teaching with a group of young children under the supervision of the child care center director. Students will each have an individualized program to help them assess and meet the needs of the children, work with staff, and develop curricula. The student’s child care center placement must be approved by the program faculty prior to registration. Please contact the faculty in the semester prior to taking the seminar. Prerequisites: PSY 103, EDU 101, EDU 105, EDU 110, EDU 222 with a grade of “C” or higher and faculty approval. Corequisite: EDU 210. Note: CORI check required.

ENGINEERING

EGR 101 Electrical Fundamentals
3 Credits (3 Lecture 0 Lab 0 Clinical)
This course is designed to provide the student with a firm foundation in electrical theory. The course material will cover Direct Current (DC) and Alternating Current (AC), with an emphasis on circuit analysis. Learned electrical principles will be applied using computer-aided simulation as well as physical electrical circuits in a laboratory. Lab segments will aid the student’s understanding of electricity using test equipment to measure performance and troubleshoot electrical circuits. Prerequisites: MAT 103.

ENGLISH
ENG 090 Basic Composition
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is for students who need improvement in writing skills as determined by placement tests. Special attention is directed toward the structure of sentences, diction, and the mechanics of writing. Extensive practice in writing paragraphs will be provided.

ENG 091 English Vocabulary
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course presents a systematic approach to building English vocabulary, by teaching student's techniques for long term vocabulary learning, providing instruction in understanding the origin and meaning of words, and presenting English vocabulary within its broader cultural and social context. This course will help both native speakers who need a stronger foundation in academic language and ESL students who need to expand their vocabulary in English. Course material will provide practice opportunities in standardized tests such as TOEFL and SAT. Students who complete this course successfully should expect to be more comfortable and competent in dealing with the both general and subject specific academic vocabulary used in college texts and lectures.

ENG 092 Critical Thinking
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is designed for students in need of further preparations for college level work. This class will provide intensive preparation in reading, writing and vocabulary development while challenging students to confront questions about self, college, and contemporary issues. Additional assignments provide students with practice in their specific area of academic interest. Prerequisites: successful completion of ENG 094, or appropriate scores on the placement test.

ENG 093 Grammar
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course serves as an introduction to or review of basic grammar for everyday writing and speaking. Students learn the basic grammatical structures as well as the functions and relationships of words within these structures. They also gain an understanding of writing effective sentences.

ENG 094 Developmental Reading and Study Skills
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is specifically designed to assess and improve a student's reading efficiency, vocabulary proficiency, and overall study skills. Students monitor their progress in key reading and study skills. Skills stressed are pre-reading, finding the main idea, recognizing patterns of organization, using outlines and study maps, and studying for tests. Class time is divided between lectures and discussions and the practical application of these skills in a laboratory setting.

ENG 101 English Composition I
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
A required course for all students who have demonstrated acceptable writing proficiency as measured by a standard test or satisfactory completion of ENG 090. This course will emphasize developing the student's ability to articulate his/her thoughts in writing a coherent, unified, and well-structured composition. The student will write a series of papers. The student will also learn the techniques needed to produce a library research paper. The required research paper is a major component of the course.

ENG 102 English Composition II
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
A required course, which introduces the student to themes and techniques in the basic genres of literature: the short story, drama, and poetry. Expository papers may be written in response to ideas embodied in literature. Prerequisite: ENG 101 or permission of instructor.

ENG 103 Non-Fiction Writing
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course offers practice in articulating logical thought and in writing for college courses. The focus is to help students shape and extend their thought into coherent expository essays. Prerequisite: ENG 101 or permission of instructor.

ENG 111 Speech Communication
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
Special attention is given to developing self-confidence and skill in oral communication by affording each student an opportunity to participate in a maximum number of speech situations. Practice situations include extemporaneous speeches, panel discussions, and evaluative listening.

ENG 151 Shakespeare
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
Introduction to the works of William Shakespeare, emphasizing the presentation of the major plays through books, stage, and film. Students will read representative comedies, tragedies, and histories and analyze these plays in either live performance or through classic film adaptations. The sonnets and lyrical romances will also be briefly addressed as part of the greater body of Shakespeare’s works. Placement at ENG 101 level strongly advised.

ENG 201 English Literature I
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course survey explores the successive controlling concepts behind English literature from the Anglo-Saxon to the Neo-Classical periods. The course seeks to acquaint the student with the techniques and transformation of the literary genres as well as with the major authors and schools of writing. Required are the reading, analysis, and appreciation of representative literary masters who have influenced subsequent literature and thought. Prerequisite: ENG 102 or permission of instructor.

ENG 202 English Literature II
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This survey course explores the predominant cultural concepts underlying the literature of the England from the Pre-Romantic period to the Post-Atomic. It will examine the techniques and transformations of the literary genres in each succeeding period as well as sample the writings of representative authors. Involves the reading, analysis, and appreciation of works which have shaped modern literature and thought. Prerequisite: ENG 102 or permission of instructor.
Course Descriptions

ENG 204 Poetry
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course explores composition of poetry through analysis and through the creation of original works. Students will read a wide variety of poems, from traditional forms to modern free verse, while creating their own original collection of poetry. Students may also be required to write explications of poems as a means to better grasp metrics, parts of speech, rhetorical constructions, traditional forms and innovations in style. Prerequisites: ENG 101

ENG 205 World Mythology
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course surveys the foundational stories that have helped to develop civilizations around the world. It also explores how many of these stories are living ideas that still persist to this day. Babylonian, Greek, Roman Asian, African and Native American myths will be studied both in their original context and as the basis for folktales, fairy stories, modern novels, contemporary films and fantasy video games. Prerequisites: ENG 101

ENG 211 American Literature I
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is a general survey of early American Literature covering the major writers from Captain Smith through the Fireside Poets. The purpose of the course is to introduce the student to representative authors with emphasis on the major writers. Critical papers may be assigned periodically. Prerequisites: ENG 102 or permission of instructor.

ENG 212 American Literature II
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is a general survey of early American Literature covering the significant prose, fiction, and poetry of American writers, beginning with Whitman, and continuing with Twain, James Eliot, Hemingway, and Faulkner. Critical papers may be assigned periodically. Prerequisites: ENG 102 or permission of instructor.

ENG 221 World Literature I
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course samples great literature of the West from the Hebrew Bible and Homeric epics to Greek drama and Roman prose. The focus is on how these masterpieces have molded the Western mind and influenced all subsequent literary efforts. Works will be read in the best modern translations. Prerequisites: ENG 102 or permission of instructor.

ENG 222 World Literature II
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course reviews European literature by tracing the succession of artistic concepts from the Sacramentism of the middle Ages to the Romanticism of the Revolutionary Age to the Existentialism of the Modern Period. The readings, in translation, represent a medley of nations, genres, and geniuses. Prerequisites: ENG 102 or permission of instructor.

ENG 224 Writing for Professionals
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
Students develop writing techniques and conventions peculiar to magazine writing, advertising, business, technical writing, and editorializing. Ads, technical articles, reports, abstracts, manuals, and documentation will be practiced.

ENG 225 Creative Writing I
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course will focus on the experience of writing as a creative activity with emphasis on the methods of writing imaginative prose and poetry. Fictional techniques, such as the methods of narration and descriptive style, will be discussed. Prerequisite: ENG 101 or permission of instructor.

ENG 226 Creative Writing II
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
A continuation of the writing of serious, artful fiction, poetry, or drama. Classroom consideration of craft. Individual discussion of the student's work. Prerequisites: ENG 101, ENG 225.

ENG 230 Journalism
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course explores the role of journalism in a free democratic society to help students develop their skills in journalistic writing. Students learn to structure and edit various types of stories, explore types of reporting, the differences between reportage and editorializing, the ethical issues journalists face daily, and the legal implications of a free press. Prerequisite: ENG 101 or permission of the instructor.

ENG 231 Modern Novel
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course examines the development of the modern novel in the twentieth century, and traces the social and personal values reflected in them. Additionally, the course will examine such themes as the rites of passage, the role of the individual within society, the role of nature, and the perception of women and minorities. A number of novels will be read for enjoyment and analysis. Placement at ENG 101 level strongly advised.

ENG 232 Crime and Detective Fiction
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course examines various types of suspense literature from the 19th century to the present, including mystery, detective novel, crime, and the mystery adventure novel. Topics to be examined during the semester: basic narrative formulas and structures; significance of the forms; detectives as focus for social values; significance and typical themes of detective and crime fiction; and the changing nature of the genre. Placement at ENG 101 level strongly advised.

ENG 235 Survey of Women Writers
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course attempts to stimulate reading and discussion of the themes of detective and crime fiction; and the changing nature of the genre. Placement at ENG 101 level strongly advised.

ENG 237 Creative Writing Workshop
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is designed to offer a workshop experience in the composition of a variety of literary genres and forms. Participants will be encouraged to develop their own writing as well as to give feedback to their peers. Prerequisite: ENG 101.

ENG 238 Creative Writing II
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course continues to develop the writing skills of students by providing a workshop experience in the composition of a variety of literary genres and forms. It is recommended that students have completed ENG 237 or an equivalent course. Prerequisite: ENG 237.

ENG 239 Creative Writing III
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course continues to develop the writing skills of students by providing a workshop experience in the composition of a variety of literary genres and forms. It is recommended that students have completed ENG 238 or an equivalent course. Prerequisite: ENG 238.

ENG 240 Creative Writing IV
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course continues to develop the writing skills of students by providing a workshop experience in the composition of a variety of literary genres and forms. It is recommended that students have completed ENG 239 or an equivalent course. Prerequisite: ENG 239.

ENG 241 Creative Writing V
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course continues to develop the writing skills of students by providing a workshop experience in the composition of a variety of literary genres and forms. It is recommended that students have completed ENG 240 or an equivalent course. Prerequisite: ENG 240.

ENG 242 Creative Writing VI
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course continues to develop the writing skills of students by providing a workshop experience in the composition of a variety of literary genres and forms. It is recommended that students have completed ENG 241 or an equivalent course. Prerequisite: ENG 241.

ENG 243 Creative Writing VII
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course continues to develop the writing skills of students by providing a workshop experience in the composition of a variety of literary genres and forms. It is recommended that students have completed ENG 242 or an equivalent course. Prerequisite: ENG 242.

ENG 244 Creative Writing VIII
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course continues to develop the writing skills of students by providing a workshop experience in the composition of a variety of literary genres and forms. It is recommended that students have completed ENG 243 or an equivalent course. Prerequisite: ENG 243.
female experience as reflected in such authors as Woolf, Parker, McCullers, McCarthy, Oates, Plath, Lessing, and others. This women's studies course will stress content rather than style. The novels and stories read by the class will deal with such topics as growing up and old as a female, relationships with men, freedom, madness, motherhood, romantic love, creativity, passivity, and marriage. Placement at ENG 101 level strongly advised.

ENG 237 Introduction to Science Fiction
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course surveys Science Fiction from the foundational classics of Mary Shelley, Jules Verne, H.G. Wells and Edgar Rice Burroughs to the modern masterpieces that continue to influence contemporary literature, films and computer gaming. Readings will include works from the Golden Age of Science Fiction, the New Wave of the 1960s and the contemporary Cyberpunk and Slipstream movements that are shaping Science Fiction writing today. Prerequisite: ENG 102.

ENG 238 Literature of the Supernatural
3 Credits (3 Lecture 0 Lab 0 Clinical)
This course examines the literature of the supernatural as a fundamental mode of literary understanding and as an inspiration for the works of great authors. Gothic tales, ghost stories, supernatural events, odd coincidences, and unexplainable phenomena are often the beginning of an imaginative approach to both life and literature. Students will encounter a wide range of literary examples, from stories and poetry drawn from the traditions of European and American romanticism and gothic tales to more modern modes of literary expressionism, surrealism, paranormal romance, and horror. Prerequisite: ENG 102.

ENG 239 Baseball Literature
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course will study the vibrant cultural meaning of baseball in the United States, from the origin of professional leagues in the late 19th century to the increasing nature of commercial competition which currently exists. Through literary readings and discussions addressing the history of baseball and the examination of literary texts the sport inspires, students will explore issues of American identity and discover how sport can be a manifestation of society as well as a mechanism for change. Prerequisite: ENG 102.

ENG 251 Introduction to Drama
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course provides an introduction to the craft and art of drama, including a close study of technique and subject, and selected plays. Prerequisite: ENG 102.

ENG 297 Independent Study
3 Credits (3 Lecture 0 Lab 0 Clinical)
(See below) *15 wks
The student works in a supervised placement for a minimum of 90 hours over the course of semester as a write of news, broadcast, advertising, business or technical writing. A term paper is submitted to the coordinator and the student's work is assessed on a weekly basis. Prerequisite: ENG 102.

ENGLISH AS A SECOND LANGUAGE

ESL 080 Vocabulary for ESL
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
A systemic approach to building vocabulary. Students check their progress against standardized tests such as TOEFLs and SATs.

ESL 081 Academic Reading for ESL
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is specially designed to assess and improve a student's reading efficiency in various academic areas. Skills stressed are prereading, finding the main idea, recognizing patterns of organization, understanding relationships and abstract concepts.

ESL 085 American Culture for International Students
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course introduces students who have not experienced life in the USA to the American culture and reality, using methods and sources that will help them feel more comfortable with the English language, better understand American humor, cultural allusions and references, and avail themselves of the rich sources of knowledge in the Greater Boston area. Students can expect to use an English-only advanced learner dictionary to think directly in English to better understand their intellectual environment.

ESL 089 Oral Communication for ESL Students
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
In this course, ESL students learn techniques to improve their pronunciation in spoken English, developing confidence and versatility in communicating orally in various situations, and improve listening comprehension of rapid speech. Formal and informal English, cultural and regional dialects, slang, and professional jargon will be covered. Class activities will use videotapes, audiotapes, role playing situations, videotaping students and follow-up analysis, and group discussions.

ESL 094 Study Skills for ESL
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
A course designed to help master the skills familiar to successful college students: note-taking, paraphrasing, summarizing, outlining, using study maps, organizing information in meaningful ways, and test-taking techniques. Materials from all academics will be used for the application of skills in laboratory settings.

ESL 095 ESL Grammar
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This three-credit course provides students the opportunity to develop college-level skills in the syntax of the English language.

ESL 096 Beginning English as a Second Language
6 Credits (6 Lecture 0 Lab 0 Clinical)
6 Hours/Week (6 Hrs. Lecture) *15 wks
This is an introductory course designed to improve the listening, speaking, reading, and writing skills of students who speak English as a Second Language. Classroom activities are designed to lead students from basic to conversational oral expression, to improve reading comprehension and vocabulary, and to use written English in various contexts.
**Course Descriptions**

**ESL 097 Intermediate English as a Second Language**
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hrs./Wk. (3 Hrs. Lecture) *15 wks
This course is designed to improve the listening, speaking, reading, and writing skills of students who speak English as a Second Language. Emphasis is placed on learning English and developing reading writing, and communication skills in everyday and academic situations. Class activities include small group work, oral presentations, role playing, vocabulary work, and writing assignments. Prerequisites: Appropriate score on placement test or successful completion of Beginning ESL. Prerequisite: ESL 096.

**ESL 108 Advanced ESL**
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hrs./Week (3 Hrs. Lecture) *15 wks
This course guides students who have mastered fundamentals of English to develop academic fluency in reading, writing, listening, speaking, and thinking directly in English. Emphasis is placed on reading college level materials, understanding and responding to rapid academic and social speech, writing extended expressive and analytical essays from sources, and making an oral presentation on an academic topic. Exploration of cultural experiences and perceptions will facilitate building students’ confidence in functioning in a multicultural, English language classroom. Prerequisite: Appropriate placement score or successful completion of ESL 097.

**ESL 197 Independent Study in ESL**
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hrs./Week (3 Hrs. Lecture) *15 wks
This course provides ESL students who have special abilities, interests, and challenges in developing their academic English that are not able to meet their needs in existing courses, with a specialized instructional framework for doing so. Enrollment in this course requires approval by the Dean.

**ENVIRONMENTAL STUDIES**

**ENV 101 Introduction to Environmental Studies**
4 Credits (3 Lecture 1 Lab 0 Clinical)
3 Hrs./Wk. (3 Hrs. Lecture, 2 Hrs. Lab) *15 wks
This introductory course utilizes numerous case studies of current environmental health and safety issues. Lecture topics include: Human/ecological exposure to pesticides and hazardous substances, acid rain, ozone depletion, global warming, and biodiversity. Students will gain environmental literacy by learning about the science behind these issues, the role of the media in public awareness, and subsequent regulation to protect environmental health and safety. Lab skills learned: Conduct hands-on experiments covering a broad range of topics including chemistry, biology, ecology, toxicology and earth science. This course will provide a foundation for students who wish to have a career in environmental science and provide non-majors with a good working knowledge to help them discriminate between valid environmental concerns and unsubstantiated claims. Safety protocols must be observed in all lab classes. These include: no food, no drink, and no-open-toe shoes, appropriate clothing. Only registered students may enter labs.

**EXERCISE SCIENCE / PERSONAL TRAINING**

**EXS 101 Health Appraisal & Fitness Assessment**
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hrs./Wk. (3 Hrs. Lecture 0 Lab 0 Clinical) *15 wks
This course presents the reasons for conducting appropriate health appraisals on all new exercisers prior to beginning their fitness program. This course explores the relationship between physical activity and health, and specifically focuses on the evaluation of cardiopulmonary and musculoskeletal fitness in apparently healthy populations. Risk factor analysis, body composition assessment, aerobic fitness testing, muscle strength testing and flexibility assessments will be discussed as they relate to an individual’s probability for developing a disease. This course addresses numerous assessment protocols for evaluating important fitness parameters such as determining individualized training intensities by means of heart rate monitoring and ratings of perceived exercise exertion. Students will demonstrate a thorough knowledge and understanding of the assessment principles and procedures, as well as the ability to properly perform and interpret each assessment technique.

**EXS 102 Muscular and Cardiovascular Fitness**
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hrs./Week (3 Hrs. Lecture) *15 wks
This course addresses the principles for improving muscular fitness and cardiovascular fitness in youth, adult and senior populations. The emphasis is on practical application of the training guidelines and the expected physiological adaptations resulting from various exercise programs. Students will demonstrate a thorough understanding of exercise theory, training effects and program design for enhancing muscular strength and cardiovascular endurance in apparently healthy individuals.

**EXS 115 Injury Prevention, Flexibility and Functional Training**
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hrs./Week (3 Hrs. Lecture) *15 wks
This course addresses the practical components of personal training, including exercise safety, injury prevention, and training modifications for special populations (e.g., youth, older adults, pregnant women, post-rehab patients, diabetics, hypertensive, etc.) while directing physical fitness programs for a variety of clients. Students will demonstrate a thorough knowledge and understanding of the foundational principles and standard procedures for exercise safety, proper stretching technique, and professionalism when working with fitness clients on an individual basis and in a group setting.

**EXS 116 Strength Training and Endurance Exercise**
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hrs./Week (3 Hrs. Lecture) *15 wks
This course examines the biomechanical aspects of proper exercise performances using standard strength training machines and free-weight equipment, as well as common cardiovascular training tools, such as treadmills, cycles, steppers, rowers and elliptical trainers. Students will demonstrate a thorough understanding of the movement patterns, prime mover muscle groups, and performance techniques associated with 100 selected strength, endurance and flexibility exercises. This course is a practical experience and will be conducted largely in the fitness center with hands on teaching/learning experiences.

**EXS 119 Bioenergetics and Biomechanics**
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hrs./Week (3 Hrs. Lecture) *15 wks
This course explores the energy sources for aerobic exercise (such as running), and anaerobic exercise (such as strength training). Students will demonstrate a thorough knowledge and understanding of aerobic and anaerobic energy production and utilization. This course also addresses the biomechanics of exercise, including movement patterns, movement planes, leverage factors, musculoskeletal interactions, and force development. Students will demonstrate a thorough understanding of biomechanical principles and practical application to proper exercise performance.

EXS 160 Nutrition for Fitness
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course provides the student with practical information related to nutrition, exercise, and fitness. Topics examined include: nutritional needs, energy requirements, protein recommendations, diets/healthy eating programs, nutritional supplements, and behavior modification strategies for various types of physical activity. The students will attain research-based perspectives on bioenergetics for various types of physical activity.

EXS 201 Youth and Senior Fitness
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course has a dual focus. The first half of the course presents the research recommendations and training guidelines for safe and effective youth exercise programs. The second half of the course addresses the research recommendations and training guidelines for safe and effective youth and senior exercise programs. Students will demonstrate both a thorough understanding and practical application of exercise theory, training effects, program design, and assessment procedures for enhancing muscular strength, cardiovascular endurance and joint flexibility in apparently healthy children and older adults. Prerequisites: EXS 102 and EXS 116.

EXS 202 Exercise Program Design
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course provides students with the recommendations and rationale necessary to design fitness programs for healthy adults and special populations. In addition, the course will explore the application of specificity, overload, and progression as well as provide an overview of acute program variables, changes made in a program, selection of exercises, how to determine frequency, and exercise sequence. Students will learn exercise program design based on underlying principles and concepts developed for very specific training goals and match these goals with the necessary program design to achieve desired results. The course also addresses how to add variation to a training program with weight loads, repetitions and sets, intensity, volume, and rest period lengths. Prerequisites: EXS 102 and EXS 116.

EXS 204 Advanced Training Programs
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hrs./Wk. (3 Hrs. Lecture 0 Lab 0 Clinical) *15 wks
This course examines strength training programs for advanced participants. The first section of the course presents a variety of high-intensity muscle building techniques, including breakdown training, assisted training, pre-fatigue training, slow-rep training, super-eight training, and circuit training. The second section of the course addresses advanced training protocols for enhancing muscular power and athletic performance. Students will demonstrate a clear understanding of the advanced training principles for enhanced muscular strength, power and athletic performance and demonstrate instructional competence in designing and teaching advanced training protocols. Prerequisites: EXS 102 and EXS 116.

EXS 206 Fitness Facility Management
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture 0 Hrs. Lab 0 Hrs. Clinical) *15 wks
This course is taught in three sections. The first section focuses on Human Resources and consists of the following components: organizational development, hiring, evaluation and compensation. The second section includes member recruitment, retention and profitability, with a particular focus on how the ability to attract and keep members leads to profitability. The third area of focus is the operation of the facility, which encompasses financial statements, system implementation, and risk assessment. Students will be exposed to all of the required tools necessary to hold a management position at a health and fitness facility. Pre-reqs: None, but EXS 101 and 102 highly recommended.

EXS 297 Exercise Science Internship
3 Credits (0 Lecture, 0 Lab, 90 Internship) *15 wks
This course provides the student with the opportunity to integrate the academic studies of exercise science and personal trainer into an experiential supervised setting. The student will work for ninety (90) hours at an approved internship site arranged through the college. Relevant work areas include: health appraisal and fitness assessment, training program design and implementation, exercise monitoring and injury prevention. A final paper is required. Prerequisites: 30 credits completed (15 at QC, 15 in major), a GPA of 3.1 or higher and permission of the dean.

FINANCE

FIN 202 Health Care Finance
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture 0 Hrs. Lab 0 Hrs. Clinical) *15 wks
The course focuses on health care finance as practiced within health care organizations, such as, hospitals, physician practices, clinics, home health agencies and managed care organizations. It covers the principles and applications of accounting and financial management. The course is organized around three critical elements: 1) the use of accounting information for decision making, 2) as a business the health care industry has some critical differences from other industries; and 3) the principles of economics are the conceptual basis for decision making.

FIN 203 Credit Management
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
An analysis of credit and collection policies as they relate to the operation of retail business. Special emphasis is placed on types of credit, originating credit, installment accounts, credit sales promotions, and methods of collection.

FIN 215 Investments
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is a comprehensive study of investments and investment markets, including stocks, bonds, mutual funds, capital markets and investment companies. Topics covered include the relationship between risk and return, investment analysis and valuation, efficient markets and diversification. Prerequisite: ACC 101.

FIN 220 Principles of Finance
Course Descriptions

GOV 213 The American Presidency
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course provides an introduction to financial institutions and concepts and methods of financial analysis. Topics covered include financial statement analysis, short-term versus long-term business financing, the time value of money, risk versus return, the cost of capital, and international finance. Prerequisites: ACC 101, ACC 102.

FRENCH

FRN 101 French I
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course stresses developing the student’s ability to speak, understand, read, and write French. Basic fundamentals of French grammar will be studied. Practice in pronunciation, progressive acquisition of basic vocabulary, and written and oral exercises are also covered. No previous study of French is required.

FRN 102 French II
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
A continuation of French I with emphasis still on speaking and understanding of oral French. The student will progress through basic fundamentals and further acquisition of a basic vocabulary. Prerequisite: FRN 101.

GOVERNMENT

GOV 211 State & Local Government
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course deals with the problem of democratic government in the United States including the background of political theory and constitutional development. It studies democracy at various levels in the United States and offers a comparison with other democratic governments. Placement at ENG 101 level strongly advised.

GOV 212 International Relations
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
Introduction to the basic factors in international relationships: the systems, international law and diplomacy, international organizations, the dynamics and prospects of the present world scene. Placement at ENG 101 level strongly advised.

GOV 213 The American Presidency
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
Because growth of presidential power has been one of the most striking political phenomena in the experience of the American people during the twentieth century, this course will identify those factors responsible for the growth of executive power. It examines the presidential philosophies of men who have held the presidency, measures the impact of presidential advisors on the actions taken by the president and examines the relationship between presidents, and the press. Placement at ENG 101 level strongly advised.

HSC 106 Introduction to Nutrition
3 Credits (1 Lecture 0 Lab 0 Clinical)
3 Hrs./Wk. (3 Hr. Lecture 0 Lab 0 Clinical) *5 wks
This course focuses on nutrition across the lifespan throughout all stages of development. Students will gain an understanding of nutritional principles in both health and illness. Topics include: health promotion, nutritional guidelines, macro- and micro-nutrient chemistry, menu planning, food labelling, safety, obesity, clinical eating disorders, RDA requirements, and age related guidelines.

HSC 107 Orientation to Health Care
1 Credit (1 Lecture 0 Lab 0 Clinical)
3 Hrs./Wk. (3 Hr. Lecture 0 Lab 0 Clinical) *5 wks
This course is designed to introduce and provide a brief overview of the U.S. health care industry as well as familiarize students with Quincy College and the Division of Nursing and provide students with an overview of the skills necessary to achieve their academic goals. Using the Internet, discussion and individual research this course creates an awareness of and curiosity for the health care delivery system. It explores stress as a natural part of being a student and health care provider and identifies effective coping methods. It also encourages students to value cultural diversity and professionalism. Topics covered include: personality and learning styles, test-taking and study skills, College and Nursing policies and procedures, trends in health care, health care financing and reimbursement, ethical and legal issues and other related health care topics.

HSC 108 Basic Life Support & Emergency Skills
1 Credit (1 Lecture 0 Lab 0 Clinical)
3 Hr./Wk. (3 Hr. Lecture 0 Lab 0 Clinical) *5 wks
This course is designed to prepare a wide variety of health care professionals to recognize several life-threatening emergencies, to provide Cardiopulmonary Resuscitation (CPR), use an Automated External Defibrillator (AED), and relieve choking in a safe, timely, and effective manner. The course will include adult, child, and infant rescue skills in addition to emergency scenarios/case studies. Students will be instructed in Cardiopulmonary Resuscitation (CPR) and Emergency Cardiac Care in accordance with the American Heart Association (AHA) and First Aid in the workplace; therefore, students must pass all skills and written tests as indicated by the AHA in order to receive a course completion card (certificate) in BLS for the Healthcare Provider. This course is open to all students and fulfills the CPR requirements for all programs offered by the Division of Nursing.

HSC 115 Pharmacology
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hrs./Wk. (3 Hrs. Lecture 0 Lab 0 Clinical) *15 wks
This course is designed to present principles basic to pharmacology. Students will explore the mode of action, major indications for use, and nursing responsibilities for pharmacological agents. Areas to be covered include management of clients with alterations in cardiovascular, hematological, respiratory, gastrointestinal, renal, neurological, and endocrine systems. Students will also explore medications developed to assist with the management of pain, infection, and oncology. Open to all students.

HSC 140 Medical Terminology
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hrs./Wk. (3 Hrs. Lecture 0 Lab 0 Clinical) *15 wks
This course provides a foundation for the understanding of medical terms, their abbreviations, basic anatomy and physiology as well as pathological conditions. It includes the study of prefixes and suffixes and root/stem words as well as medical technology terms with an emphasis on spelling, pronunciation, definitions and common usage. This course is similar to learning a foreign language and involves the memorization as well as the application of words/terms. The student will study and demonstrate proficiency in spelling, pronouncing, definition and application of medical terms.

HSC 149 Applied A&P for Health Care Professions
4 Credits (4 Lecture 0 Lab 0 Clinical)
4 Hours/Week (4 Lecture 0 Lab 0 Clinical) *15 wks
This course is an integrated study of the anatomy and physiology of the human body from the cellular level to the system level; designed for students embarking on a career/profession in the field of health care. Emphasis will be placed upon clinical applications, associated medical terminology and patient assessment. Advances in biomedical technology and patient/client treatment will be highlighted. Completion of HSC 140 prior to enrollment HSC 149 strongly recommended.

HCA 108 Electronic Health Records
3 Credits (3 Lecture 0 Lab 0 Clinical)
This course introduces the student to Electronic Health Records (EHR). The student will learn to identify both terminology of the (EHR) systems and purpose of the EHR system in the health care provider office setting. The purpose of the course is to familiarize students with the role of Electronic Health Records and software applications for patient care. Prerequisites: HSC 107, HSC 140, CSI 101.

HCA 297 Health Care Administration Internship
3 Credits (0 Lecture, 0 Lab, 90 Internship) *15wks
This course provides the student with the opportunity to apply the academic studies of health care administration with practical experience in the medical industry. The student will work for ninety hours in an approved internship position arranged through the college. Relevant work areas include daily management and organization of medical office, hospital, home health, or community health center organization. A final paper is required. Prerequisites: 30 credits completed (15 at QC, 12 in major), a GPA of 3.1 or higher, and permission of the dean.

HISTORY

HIS 101 United States History I
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This survey course traces the history of American development from pre-Columbian exploration and the Colonial era through the Civil War. Emphasis is given to the main lines of American development from the coming of the pre-Columbian explorers to the end of the Civil War. Special emphasis is given to constitutional developments in this period including the evolution of the British colonial charters, state constitutions, and the federal constitution. Placement at ENG 101 level strongly advised.

HIS 102 United States History II
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course traces developments since the end of the Civil War with emphasis on reconstruction, the industrialization of America and her emergence as a world power, the two World Wars, and America's role since World War II. Placement at ENG 101 level strongly advised.

HIS 107 Colonial America
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
Course follows the history of America from founding of the country through the American Revolution. It includes social, political, and economic history, and historical geography as it relates to the significance of the American colonies in the Western Hemisphere. Placement at ENG 101 level strongly advised.

HIS 111 History of Western Civilization I
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This survey course emphasizes a knowledge, understanding, and appreciation of Western Civilization and culture through the end of the Middle Ages. The genesis of Western civilization is examined in the light of historical and scientific evidence so that students can see where it came from, why it is in its present state, where it might be going in the future. Placement at ENG 101 level strongly advised.

HIS 112 History of Western Civilization II
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This survey course emphasizes a knowledge, understanding, and appreciation of Western Civilization from the Renaissance to the present. Placement at ENG 101 level strongly advised.

HIS 201 History of the Middle East
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
Course Descriptions

An exploration of the history of the Middle East from the 7th century AD to the present. Examination of the social and political histories of 19 states and three major religions of this area. Placement at ENG 101 level strongly advised.

HIS 220 American Health Care History
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture 0 Hrs. Lab 0 Hrs. Clinical) *15 wks
This course explores the series of dramatic events that make up a system of health care. This course explores the historical link to how in America a country with the best health care facilities in the world cannot provide the best health care to all.

HIS 221 Late Imperial China
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
A survey of the history of modern China from the time of the Opium War (1839-1842), the result of which intensified the Western influence in China, through the Chinese revolution of 1911 which brought to an end the last of China’s imperial dynasties, the Ch’ing (Manchu). The emphasis in the course will be on tracing the Western influence in China during this time and to examine what the Chinese response to it was. Audio-visual materials will be utilized extensively. Placement at ENG 101 level strongly advised.

HIS 222 China in the 20th Century
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
A survey of the history of modern China from the time of the Chinese Revolution of 1911 which brought to an end the last of China’s imperial dynasties, the Ch’ing (Manchu) to present day. The emphasis in this course will be on tracing the Western influence in China during this time and to examine what the Chinese response to it was. Audio-visual materials will be utilized extensively. Placement at ENG 101 level strongly advised.

HIS 230 The French Revolution and Napoleon
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course will explore the series of dramatic events that make up one of the most important moments in the history of the modern world: the French Revolution. Students will study the aspects of the Old Regime which set the stage for the fall of the Bastille, and then follow events as a moderate revolution led to the creation of a radical republic. This story includes the death of a king, street violence and counter revolutionary activity, massacres and wars, and the unraveling of events that culminated in the rise of Napoleon Bonaparte. After the French Empire comes to an end on the fields of Waterloo, students will discuss the impact of the Revolution on Europe, and its legacy to the world ever after. Placement at ENG 101 level strongly advised.

HIS 240 History of the Cold War
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
For much of the 20th Century, two super powers faced each other in a global struggle for world domination. This course will explore the politics, economics, and culture of the period from the 1940s to the early 1990s, as well as the military aspects of an ideological cold war that often became hot. Examples of topics in this study range from Hiroshima to Afghanistan, Korea to Woodstock, Vietnam to Guatemala, and from Fulton, Missouri to the Kremlin, with stops at Cuba, Prague, Egypt, the Kent State campus, and Berlin. Placement at ENG 101 level strongly advised.

HIS 290 Special Topics in History
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course offers students the opportunity to explore in-depth a particular topic in history. Topics vary from semester to semester, and can include important aspects of European and World History, as well as the History of The United States. Prerequisites vary with semester. ENG 101 strongly recommended.

HUMAN RESOURCES

NHR 101-91 Human Resources Management I
During Part I, a general introduction to the fundamental function of Human Resource management is presented. In addition, the areas of workforce development, equal employment opportunity and affirmative action are emphasized, covering areas such as the Americans with Disabilities Act (ADA), the Immigration and Naturalization Act, sexual harassment, and the Small Necessities Leave Act (SNLA). Also addressed are job analysis and human resources planning processes, such as job design and staffing requirements. This part concludes with a review and analysis of recruitment.

NHR 102-91 Human Resources Management II
Part II builds upon Part I, with a review of the selection and hiring process. The major areas addressed are compensation and benefits, variations of pay and retirement, and how to effectively design total compensation and benefits packages. In addition, the course reviews day-to-day operational issues, such as Criminal Offender Records Information (CORI), Family and Medical Leave Act (FMLA), Health Insurance Portability and Accountability Act (HIPAA), and Sex Offender Registry Information (SORI).

NHR 103-91 Human Resources Management III
Part III takes an in-depth look at employee and labor relations in both union and non-union environments, beginning with a review of the evolution of the labor and union movement. The course addresses concerns and issues related to unionization and collective bargaining. Also included is a review of contract and personnel policy administration with an emphasis on the discipline and construct of the grievance process.

NHR 104-91 Human Resources Management IV
Part IV addresses four major areas including training and employee development, performance applications, health and safety, and the importance of a global Human Resource environment. Among the items addressed are methods for assessing staff training needs, designing effective training curricula, setting performance objectives and reviewing performance, ensuring a safe and healthy work environment, and the emerging Human Resource role as a strategic business partner.
HUMAN SERVICES

HSV 103 Introduction to Social Work
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
The student will explore, in depth, the concepts of social work, in terms of knowledge, values and skills that are required for an effective introduction to the profession of social work. Special populations such as women, homeless, gays, the elderly, AIDS patients, and minorities of color in the US are presented in case materials. Emerging issues in society will also be included, such as urban gang violence, domestic violence, child abuse, poverty and the social worker’s role. This course will assist the student preparing for the state licensure examination at the LSWA level.

HSV 112 Introduction to Gerontology
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course studies human aging from a developmental and multidisciplinary perspective. The bio-social-psychological factors involved in changes throughout the aging process, including retirement, family, leisure, aloneness, death, and bereavement are considered together with additional distinct concerns of older adults such as widowhood, finances, religion, sexuality, and health problems.

HSV 114 Substance Abuse and Older Adults
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is intended to provide students with an overall view of Substance Abuse among the older adult population. The course will outline best practices for identifying, screening, assessing, and treating abuse of alcohol, prescription and illicit drugs among people 60 and older. Emphasis will be on addressing the misuse and abuse of alcohol and other drugs as well as the greater toll on older adults and the psychosocial issues that are unique to the older adult.

HSV 200 Human Behavior and the Social Environment
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course provides a conceptual framework for organizing and analyzing knowledge of human behavior and the social environment with a focus on individuals and families. Social systems, life course, and assets and resiliency-based perspectives and theories are presented. Special attention is given to the impact of poverty, discrimination, and oppression on the ability to reach or maintain optimal health and wellbeing. Prerequisite: HSV 103

HSV 201 Helping Skills in Human Services
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
An examination of the helping relationship in individual and group work with emphasis on techniques such as listening skills, questioning, and interviewing. Topics covered include assessment, treatment planning, and techniques of intervention including behavior modification, psychodynamic, existential-humanistic, and cognitive therapies.

HSV 205 Substance Abuse Counseling
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course covers a variety of techniques and strategies in the successful understanding, treatment, and assessment of chemical addictions. Students will be taught causation including physiological and behavioral consequences, as well as prevention, intervention, and treatment methods from a systems approach. Students will use social work theories to evaluate programs and treatment models. Additional topics include substance abuse in: society, multiple life span stages and diverse population groups.

HSV 251 Introduction to Substance Abuse Studies
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
An introduction to the psychological, physical, and sociological factors in chemical dependence and abuse. Emphasis is on the history of the chemical problem, pharmacological aspects, different programs, student’s attitudes, and addiction in America.

HSV 260 Diverse Populations
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
An overview of the role of human diversity in social work practice. An examination of the differences as well as the similarities of the various populations in American society. Topics to be addressed are race, gender, ethnicity, religion, sexual orientation, and socioeconomic status. Barriers to cultural understanding and valuing diversity will also be explored.

HSV 297 Human Services Internship
3 Credits (0Lecture 0 Lab 10 Internship) *15 wks
An in depth, supervised field experience for a minimum of 120 hours over the duration of a single semester. Opportunities are sought with human service agencies, including those providing social services and substance abuse services. The participating student will meet regularly with the coordinating Dean or faculty member. A final project or paper is required. Prerequisites: 30 credits completed and a GPA of 3.1 or higher.

INTERDISCIPLINARY STUDIES

IDS 120 History of Television
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (6 Hrs. Lecture) *15 wks
This course traces the development and growth of television from a technical curiosity starting in the 1940’s to a global industry of the 21st Century that enters households to entertain, inform, and influence our cultural values. This overview of television, from the early days of real-time broadcast to satellite-delivered, 24-hour cable TV, includes an examination of the evolution of TV programming, news coverage and advertising, and its influence on culture, politics and history.

IDS 155 Critical Thinking & Writing
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course provides students with a foundation and practice in thinking clearly and critically. Practice includes developing writing skills that will enable students to clearly present claims to support their conclusions and avoid reinforcing biases. Practice in thinking clearly includes the opportunity to analyze and discuss various types of media - including television, cinema and print - to determine which sources provide the most reliable information and to identify faulty thinking. Topics addressed include the relationship between critical thinking and clear writing, credibility of sources, rhetorical devices, fallacies, unclear or misleading language, and the characteristics of various types of arguments.

IDS 160 Career Planning: A Developmental Approach
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is designed to address three main topics. What Do I Really Want in a Career? What is out there for me? How Do I Reach My Goals? Through a variety of readings, lectures, informational interviews, reflections, and discussion-sharing, students will identify their skills, abilities, areas of interest, and workplace values. Students will create a Career Management File Binder, a Career Portfolio, and an Interview Marketing Kit.

IDS 167 First Year Seminar
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (1 Hr. Lecture) *15 wks
This experiential course welcomes students into the academic learning community of Quincy College. It provides students with the information and strategies they need to be successful in college and beyond. The course focuses on topics such as students’ rights and responsibilities, intellectual integrity, academic policies and procedures, support services, educational planning and transfer information. In addition, students will begin to explore majors and career options and in the process will learn and practice a series of academic skills that are transferable to the workplace and continued education. The course is mandatory for all students who are seeking associate’s degrees and who have fewer than 12 college credits. It is expected that students will take this course in their first semester at Quincy College.

IDS 175 Middle Eastern and Arabic Culture
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This is an introductory course to Arabic culture and the Middle East. Its main focus is to expose students to the everyday life of the Arab world and its people. This course will cover the demographic, social, economic, and cultural aspects of the Arab world. Students will be exposed to a variety of primary and secondary sources such as literature, articles, films, online Arabic newspapers and news networks.

ITALIAN

ITA 101 Italian I
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
A practical knowledge of contemporary conversational Italian acquired through hearing the spoken word and studying the basic language skills of grammar, pronunciation, vocabulary building, and readings. Students are expected to develop an understanding of Italian culture.

ITA 102 Italian II
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course assists the student in gaining a solid understanding of the foundation of the language with strong emphasis on the four basic skills. Prerequisite: ITA 101 or permission of the instructor.

LABOR MANAGEMENT

LBR 150 Labor Law & Legislation
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course offers a comprehensive view of labor law and legislation that has been continuously evolving. It includes the body of law dealing with union and management issues relating to representation, collective bargaining, and contract administration, as well as other laws that govern important aspects of employment in both the private and public sectors.

LBR 152 Employee Benefit Law & Administration
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course provides an overview of the statutes and cases that define and regulate employment and employee benefits. The course will cover employee privacy in the hiring process, the formation of the employment contract, discrimination in employment practices, fringe and pension benefits, workplace safety, and discipline and discharge.

MANAGEMENT

MGT 201 Principles of Management
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
An introductory course covering the general topics of planning, organizing, directing and controlling. Included are the historic developments of management as a separate discipline within organizations, the changing scope and styles of management, and the application of management principles in the business environment. Prerequisite: BUS 101.

MGT 202 Sales Management
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course looks at sales as a profession. Covers topics such as: sales as part of the marketing mix, buyer behavior, selling as a function from prospecting to closing the sale, ethical issues in selling, the external environment of selling and sales management, and management of the sales force including compensation policies and training. Prerequisites: ENG 101 and BUS 101.

MGT 203 Human Resources Management
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
A study of the applied approach to human resource management and administration. Emphasis is placed on policy analysis, current practices, future trends, and legal requirements of recruiting, selecting, training, developing, compensating, evaluating and disciplining employees. Also included are changing demographics of the workforce, ethics in human resources management, and other current issues. Requires research on selected topics. Prerequisites: MGT 201, ENG 101 (suggested).

MGT 206 Managing a Non-Profit Organization
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
Managing a Non-Profit Organization will serve as an introductory and exploratory course into the world of managing a non-profit business. This course will address the pertinent management issues faced in non-profit organizations. This trillion dollar non-profit sector includes education, healthcare, religion, social service advocacy, art, and culture. This course will cover a number of topics associated with non-profits including management, governance, and accountability.

MGT 230 Entrepreneurship and Small Business Management
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course provides an overview of the process of conceiving, launching, and operating a new venture. Students will become proficient in the basic tools of planning, finance, marketing,
operations, and staffing necessary to start, manage and build a sustainable small business. Preparing a new venture business plan will be an integral part of the course. Common problems in managing a small business will be explored. Students will learn about the roles and attributes of successful entrepreneurs and will undertake a self-examination to evaluate their interest in an entrepreneurial career. A variety of small business owners may be invited to class to share their start-up experiences and the obstacles they had to overcome as entrepreneurs. Prerequisite: BUS 101.

MGT 235 Financing a Small Business
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course provides an introduction to the financing and financial management of small business enterprises from start-up to ongoing sustainable operations. Topics include the financing of new ventures; working capital and cash flow management; financial statement and ratio analysis; financing the ongoing business and future growth; financial structure and leverage; valuation methods; and the importance of financial management controls. The role of venture capitalists, angels and other investors; sources of debt, financing; and available funding from federal, state and regional agencies will be explored. Prerequisite: MGT 230.

MGT 240 Project Management
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This is a foundational class that instructs students on the uses of the project management discipline in the business environment. Students will learn how to structure project tasks as well as how to manage and control project resources.

MARKETING

MKT 201 Principles of Advertising
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is a study of basic advertising principles, physical construction of the advertisement, and organization of the advertising business. The course includes a study of advertising media including newspapers, magazines, radio, point-of-sale displays, and outdoor advertising, together with criteria for evaluating the effectiveness of current advertising. Prerequisite: ENG 101.

MKT 202 Principles of Marketing
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
A survey of the principles and practices governing the distribution of commodities from producer to consumer. Areas of study include types of marketing institutions, price policy, legislation affecting markets, market research, channel and product strategies and consumer behavior. Prerequisite: ENG 101.

MKT 203 Fashion Merchandising - Marketing & Style
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
An overview of the fashion industry is provided in the context of the design elements that are relevant to the manufacturer, retailer and consumer. Color, line, form, balance, proportion and shape are explored as well as economic, sociological and psychological factors that influence fashion today. Marketing the American industry, the European couture and the manufacturing industry as well as the important contributions of international designers will be discussed.

Also explored are the global influences on the fashion business today.

MATHEMATICS

MAT 090 Basic Mathematics
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This is a lecture course that takes place in a traditional classroom environment. Students will listen to presentations delivered by the instructor and will have the opportunity to ask questions and participate in group activities. Students will be evaluated based on in-class exams submitted on paper. However, many of the homework assignments will involve the use of a web-based computer program. Students will develop a solid understanding of the basic principles of arithmetic involving whole numbers, fractions, decimals, ratios, proportions, and percentages. Prerequisite: MAT095 (Pre-Algebra) as well as MAT 097 (Beginning Algebra).

MAT 090L Basic Mathematics
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
Is a self-paced course that takes place entirely in the computer laboratory. Students are expected to progress through a series of five modules at an appropriate pace. Each student must achieve a 75% on each module test in order to demonstrate proficiency in the subject matter. Under the guidance of the instructor, students develop a solid understanding of the basic principles of arithmetic involving whole numbers, fractions, decimals, ratios, proportions, and percentages. The instructor will serve as a facilitator and tutor rather than a traditional lecturer. Faster-paced students may cover some topics from MAT095 (Pre-Algebra) as well as MAT 097 (Beginning Algebra).

MAT 095 Pre-Algebra
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course further develops the principles of arithmetic and introduces the student to basic algebraic concepts. Topics include a review of fractions, operations on real numbers, order of operations, properties of real numbers, evaluating numbers with exponents, solving linear equations, applying the rules of exponents, and fundamental operations on polynomials. Students will be required to complete homework assignments using a web-based computer program. Prerequisite: Appropriate score on the placement test or successful completion of MAT 090.

MAT 097 Beginning Algebra
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course continues to build upon algebraic concepts taught in MAT 095. It includes new topics such as: factoring polynomials; simplifying, adding, subtracting, multiplying, dividing rational expressions; solving rational equations, ratios, and proportions. In addition, graphing linear and quadratic equations are emphasized as well as developing an understanding of relations and functions. Students will be required to complete homework assignments using a web-based computer program. Prerequisite: Appropriate score on the placement test or successful completion of MAT 095.

MAT 098 Comprehensive Introduction to Algebra
4 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
All of the topics from MAT 095 Pre-Algebra and MAT 097 Beginning Algebra are combined into this 4-credit course. It
Course Descriptions

includes a review of fractions, operations on real numbers, order of operations, properties of real numbers, evaluating numbers with exponents, solving linear equations, applying the rules of exponents, and fundamental operations on polynomials. Also included are factoring polynomials, operations on rational expressions, solving rational equations, graphing linear and quadratic equations with an emphasis on relations and functions. Students will be required to complete homework assignments using a web-based computer program. Prerequisite: Permission of Instructor.

MAT 100 College Math
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This basic college level course builds on a student's knowledge by exposing the student to different branches of mathematics. Topics include inductive and deductive reasoning, logic statement and truth tables, solving linear equations, applications of rate, ratio, and proportion, conversions in the metric and the U.S. customary system, graphing equations, evaluating functions, and an introduction to statistics. This course is not intended to prepare a student for MAT 103. Students will be required to complete homework assignments using a web-based computer program. Prerequisite: Appropriate score on the placement test or successful completion of MAT 097.

MAT 103 College Algebra
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This college level algebra course expands upon a student's knowledge by further developing algebraic concepts. Topics include graphing equations with an introduction to functions, factoring polynomials, operations on rational functions, simplifying rational exponents, and solving quadratic equations. Students will be required to complete homework assignments using a web-based computer program. Prerequisite: Appropriate score on the placement test or successful completion of MAT 097.

MAT 204 Calculus I B
3 Credits (3 Lecture 0 Lab 0 Clinical)
4 Hours/Week (4 Hrs. Lecture) *15 wks
This course in pre-calculus mathematics includes topics in trigonometry and analytic geometry. Prerequisite: MAT 103 or algebra, coordinate geometry, functions, exponents, logarithms, trigonometry and analytic geometry. This course will focus on differential calculus in several variables, partial derivatives, gradient, differentials, directional derivatives, Lagrange multipliers, and problems in optimization, Jacobians and integrals in 2 or 3 variables. Students will be required to complete homework assignments using a web-based computer program. Prerequisite: MAT 104.

MAT 205 Linear Algebra
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course includes systems of linear equations, matrices and determinants, vectors in 2-space and 3- space, general vector spaces, inner products, eigenvectors and Eigen values. Students will be required to complete homework assignments using a web-based computer program. Prerequisite: MAT 103.

MAT 206 Calculus II B
3 Credits (3 Lecture 0 Lab 0 Clinical)
4 Hours/Week (4 Hrs. Lecture) *15 wks
Topics include sequences and series, study of functions in several variables, partial derivatives, gradient, differentials, directional derivatives, Lagrange multipliers, and problems in optimization, Jacobians and integrals in 2 or 3 variables. Students will be required to complete homework assignments using a web-based computer program. Prerequisite: MAT 204.

MAT 207 Statistics
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
Introduces the student to the fundamental methods of mathematical statistics. Topics include frequency distributions, measures of central tendency, measures of dispersion probability, sampling distributions, problems with the normal and t-distributions, confidence intervals, and hypothesis testing. Students will be required to complete homework assignments using a web-based computer program. Prerequisite: MAT 204.

MAT 208 Multivariate Calculus B
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course will focus on differential calculus in several variables, with emphasis in Series, 3D geometry, dot and cross products, partial derivatives, the Jacobian, directional derivatives, Lagrange multiplier, and minimax and minima applications, and double and triple integrals with applications. Students will be required to complete homework assignments using a web-based computer program. Prerequisite: MAT 206 or permission of the instructor.
MAT 209 Finite Math
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
The course provides an introduction to the modern mathematical techniques used in Operations Research. Problems in business and the social sciences are emphasized. Topics include matrices, linear programming (graphical and simplex methods), set theory, counting theory, probability, Markov chains, and game theory. Students will be required to complete homework assignments using a web-based computer program. The TI-84 (or TI-83) graphing calculator is also required. Prerequisite: MAT 103

MAT 225 Differential Equations
4 Credits (4 Lecture 0 Lab 0 Clinical)
The laws of nature are expressed in the language of differential equations. In engineering and science, students must know how to model the world in terms of differential equations, properly interpret the solutions and apply those solutions to areas of application. This course focuses on linear differential equations and their applications in science and engineering. Also, this course stresses the beauty and complexity of nature that can be comprehended in the language of differential equations. Prerequisite: MAT 204 and MAT 206.

MEDICAL BILLING AND CODING
MBC 101 Introduction to Medical Billing and Coding
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course prepares students specifically for the position of medical billing and coding in doctor’s offices, hospitals, insurance companies and clinics. The course covers the necessary introductory skills in order to begin collecting, processing, and disseminating medical information and providing billing as needed by the health services industry and its patients.

MBC 102 English for Health Claims
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course covers grammar, punctuation, and other writing skills necessary for the medical environment. This course emphasizes language to complement the skills of individuals in the health care field. The course also builds key vocabulary: both common phrases used by medical staff and technical terms for symptoms, medical conditions, medical equipment and procedures, anatomy, treatments and more. Prerequisites: HSC 140, MBC 101.

MBC 120 Insurance Claims Procedures
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (6 Hrs. Lecture) *15 wks
This course will develop the skills necessary to complete insurance forms and solve common medical insurance problems through a series of courses that emphasize the knowledge of insurance terminology, diagnostics, procedural coding and records management. This course introduces specific insurance reimbursement policies and procedures and emphasizes procedures for Blue Cross/Blue Shield, Medicare, Medicaid, Tricare, and health maintenance organizations (HMOs). Prerequisites: HSC 140, MBC 149.

MBC 125 Medical Administration and Coding: Certification Prep
6 Credits (3 Lecture 0 Lab 0 Clinical)
6 Hours/Week (6 Hrs. Lecture) *15 wks
This course analyzes health records to assure that documentation supports the patient’s diagnosis and procedures, reflects progress, clinical findings and discharge status for the means of medical coding. There will be repeated practice in the evaluation of the accuracy and completeness of the patient record as defined by organizational policy and external regulations and standards. All coding methods will be analyzed with the support of the ICD-10, CPT and HCPCS coding books in preparation for the Certified Coding National Examination. This course will assist in the organization of obtaining accreditation, licensing and/or certification surveys in Medical Administration and Medical Coding. Prerequisites: HSC 140, HSC 149.

MBC 297 Medical Billing & Coding Internship
3 Credits (0 Lecture, 0 Lab, 90 internship) *15 wks
This course provides the student with the opportunity to integrate the academic studies of medical billing and coding into an experiential supervised setting. The student will work for ninety hours in an approved internship position arranged through the college. Relevant work areas include referral confirmation, demographic information and medical treatment and diagnosis, insurance reimbursement policies of major health insurances for billing and coding. A final paper is required. Prerequisites: 30 credits completed (15 at QC, 12 in major), a GPA of 3.1 or higher, and permission of the dean.

MEDICAL LABORATORY TECHNICIAN PROGRAM
MLT 101 Introduction to Medical Laboratory Technician Program & Safety
3 Credits (2 Lecture 1 Lab 0 Clinical)
4 Hours/Week (2 Lecture 2 Lab 0 Clinical) *15wks
An introduction to clinical laboratory practices and procedures normally performed in a clinical laboratory, including quality control. Topics include safety in a laboratory setting, care and use of a microscope, accreditation and certification. Prerequisite: Admission to the MLT program.

MLT 102 Urinalysis and Body Fluids
3 Credits (2 Lecture 1 Lab 0 Clinical)
4 Hours/Week (2 Lecture 2 Lab 0 Clinical) *15 wks
This course will provide the student with in-depth knowledge of the anatomy and physiology of the urinary system and its functions, urine formation and the procedures used in performing routine urinalysis and body fluid analysis. Correlation to abnormal findings and disease states will be discussed. Prerequisite: Admission to the MLT program.

MLT 103 Medical Microbiology I with Lab
4 Credits (3 Lecture 1 Lab 0 Clinical)
5 Hours/Week (3 Lecture 2 Lab 0 Clinical) *15 wks
Fundamentals of microbiology with emphasis on pathogenic bacteria and infectious disease. Laboratory experience will include approaches in classification and identification of pathogenic organisms. Prerequisites: MLT 101, MLT 102. Corequisite: MLT 104, MLT 105.

MLT 104 Hematology and Coagulation
4 Credits (3 Lecture 1 Lab 0 Clinical)
5 Hours/Week (3 Lecture 2 Lab 0 Clinical) *15 wks
A study of hemostasis and coagulation in normal and disease processes. Theory and principles of blood cell production, including their formation, morphology and function in normal and pathologic processes. Also introduced are basic practices and procedures in the hematology laboratory. Prerequisites: MLT 101, MLT 102.

MLT 105 Immunology
Concepts, methods, and procedures discussed/studied in lecture as perform venipuncture techniques on live patients/volunteers. Concepts, methods, and procedures commonly used in the clinical laboratory. Emphasis will be on quantitative analysis of blood and body fluids utilizing spectrophotometry, electrophoresis, chromatography, enzymatic assays, and immunoassays. Students will be expected to correlate laboratory test results with normal physiology and biochemistry and with disease states. Topics will include metabolic and endocrine systems, and acquired and inherited diseases, therapeutic drug monitoring, toxicology and urinalysis. Prerequisite: Completion of all first year MLT and PHB courses. Co-requisite: MLT 203, MLT 204.

MLT 202 Clinical Chemistry
4 Credits (3 Lecture 1 Lab 0 Clinical)
5 Hours/Week (3 Lecture 2 Lab 0 Clinical) *15 wks
This course will cover concepts and principles of analytic methods commonly used in the clinical laboratory. Emphasis will be on the blood and body fluids utilizing spectrophotometry, electrophoresis, chromatography, enzymatic assays, and immunoassays. Students will be expected to correlate laboratory test results with normal physiology and biochemistry and with disease states. Topics will include metabolic and endocrine systems, and acquired and inherited diseases, therapeutic drug monitoring, toxicology and urinalysis. Prerequisite: Completion of all first year MLT and PHB courses. Co-requisite: MLT 203, MLT 204.

MLT 203 Medical Microbiology II with Lab
4 Credit (3 Lecture 1 Lab 0 Clinical)
5 Hours/Week (2 Hrs. Lab) *15 wks
Fundamentals of microbiology with emphasis on pathogenic bacteria and infectious disease. Proper recovery and handling of specimens, growth requirements and identification of organisms will be covered. Laboratory experience will include approaches in classification and identification of pathogenic organisms using morphologic, cultural, biochemical, enzymatic, serologic and nucleic acid analysis. Mycology, parasitology and virology will be introduced. Prerequisite: Completion of all first year MLT and PHB courses. Corequisite: MLT 202, MLT 204.

MLT 204 Immunohematology
4 Credits (3 Lecture 1 Lab 0 Clinical)
5 Hours/Week (3 Lecture 2 Lab 0 Clinical) *15 wks
Emphasis will be placed on the genetic basis and immunological interaction of the major blood group antigens and antibodies. Topics will include compatibility testing, antibody screening and identification techniques, blood donations and transfusion therapy, record keeping and quality control techniques. Pre-requisite: Acceptance into the second year of the MLT program.

MLT 210 Clinical Practicum I
3 Credits (0 Lecture 0 Lab 3 Clinical) *15 wks
This course is designed to supplement and expand upon the foundational knowledge provided during the first 3 semesters of the MLT program. During the second semester of the second year of the Program, a variety of affiliate laboratories (usually hospital-based) provide the training required for the Clinical Lab Practice component of our program. Within these laboratories there is never more than one student per one clinical instructor in any given department. Students are supervised while they continue to learn procedures and instrumentation and apply knowledge to practice. Students will be required to perform both routine and challenging laboratory tests. The collection, processing, and distribution of lab specimens according to standard procedures will be studied. Safety standards, legal and ethical behaviors, and quality control will be emphasized in a direct patient care setting. The course allows the student to rotate through key areas of the clinical laboratory including blood bank, chemistry, hematology, phlebotomy and microbiology as well as perform venipuncture techniques on live patients/volunteers. Concepts, methods, and procedures discussed/studied in lecture and lab will be reinforced in the clinical practicum. Successful completion of this course (final grade of 73%/C) is required for graduation from the Medical Laboratory Technician program. Prerequisites: Admission to the Medical Laboratory Technician program, permission of the Clinical Laboratory instructor and Chair overseeing the Medical Laboratory Technician program, CORI, and health related paperwork for admission to the clinical affiliate site. Co-requisite: MLT 210, MLT 221, MLT 230.

MLT 221 Clinical Lab Seminar
1 Credit (0 Lecture 0 Lab 0 Clinical) *15 wks
Capstone seminar course covering professional topics in clinical laboratory science, including but not limited to weekly discussion of materials covered during clinical site visits. Professional certifications and organizations are also discussed. Topics in lab accreditation, inspection, resume writing, professionalism and management are covered as well. Successful completion of this course (final grade of 73%/C) is required for graduation from the Medical Laboratory Technician program. Prerequisites: Admission to the Medical Laboratory Technician program, completion of 3 semesters of coursework, and permission of the Clinical Laboratory instructor and Chair overseeing the Medical Laboratory Technician program. Co-requisite: MLT 220, MLT 220, MLT 230.

MLT 230 Clinical Practicum III
3 Credits (0 Lecture 0 Lab 3 Clinical) *15 wks
This course is designed to supplement and expand upon the foundational knowledge provided during the first 3 semesters of the MLT program. During the second semester of the second year of the Program, a variety of affiliate laboratories (usually hospital-based) provide the training required for the Clinical Lab Practice component of our program. Within these laboratories there is never more than one student per one clinical instructor in any given department. Students are supervised while they continue to learn procedures and instrumentation and apply knowledge to practice. Students
will be required to perform both routine and challenging laboratory tests. The collection, processing, and distribution of lab specimens according to standard procedures will be studied. Safety standards, legal and ethical behaviors, and quality control will be emphasized in a direct patient care setting. The course allows the student to rotate through key areas of the clinical laboratory including blood bank, chemistry, hematology, phlebotomy and microbiology as well as perform venipuncture techniques on live patients/volunteers. Concepts, methods, and procedures discussed/studied in lecture and lab will be reinforced in the clinical practicum. Successful completion of this course (final grade of 73%/C) is required for graduation from the Medical Laboratory Technician program. Prerequisites: Admission to the Medical Laboratory Technician program, permission of the Medical Laboratory Technician instructor and Chair overseeing the Medical Laboratory Technician program, CORI, and health related paperwork for admission to the clinical affiliate site. Co-requisite: MLT 210, MLT 220, MLT 221.

MUSIC

MUS 101 Fundamentals of Music
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course introduces students to the basic elements of music including music notation. Elements will be introduced including; melody, rhythm, harmony, texture, timbre, tempo, & dynamics.

MUS 102 Class Keyboard
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
Introduces students to the playing of a keyboard instrument including keyboard technique, repertoire, musical notation, sight-reading, harmony, basic instrumentation, and accompaniments.

MUS 103 Music Theory I
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course presents students with the opportunity to learn the basics of developing melodies and harmony through the study of chord constructions, chord successions, harmonic analysis, and part-writing. Emphasis is placed on melodic construction (form) and the elements of successful melody-writing. Students will also harmonize melodies and provide their own interpretation of the harmony implied in a melodic line. Prerequisite: Fundamentals of Music or permission of the Instructor.

MUS 104 Music Theory II
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is a continuation of Music Theory I. Together, students cover the first year of a two year program in the concepts of music theory. Students learn about diatonic harmony, dissonance treatments, secondary dominant harmony, harmonic analysis and part writing. The text further emphasizes the study of melody, including the form of melodic construction and the elements of melodic composition. Theory II will emphasize the creation of harmony, especially the student’s interpretation of harmonies implied by specific melodic lines. Prerequisites: MUS 103 or permission of the instructor.

MUS 107 Music Appreciation
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is designed to increase the enjoyment of music through broadened understanding. It includes music theory and history and guided listening to recorded performances by individuals and groups.

MUS 108 Development of American Jazz
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
Development of American Jazz is trip through the history of America’s only original art form. This course will trace the development of American jazz from the plantations of the antebellum south, through the mass migration north of southern African Americans and America’s melting pot mentality, to the brothels, bars and concert halls of Kansas City, New Orleans and New York. Jazz is a reflection of an American ideal and the uniqueness of the American experience. We will examine the development of the art through the social, political, cultural and historical events and ideas that shaped the music. This course is a lecture course with an emphasis on listening, analyzing and comparing and contrasting the different periods in jazz history. The student will study the roles of all the different instruments and how they evolved in each period in jazz, biographical material on all the great instrumentalists and composers, the vocabulary of the jazz world as they relate to the evolution of jazz and learn how to listen and appreciate jazz on many different levels. There is no prerequisite required to take this course.

MUS 109 History of Rock
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course introduces students to the musical styles present in the rock music genre and to historical and social aspects affecting its evolution over the past fifty years. Explore the form, texture, melody, rhythm, lyrics, and instrumentation of selected examples from the historical periods of Rock. Through critical listening, students will analyze music from various Rock periods: Blues Rock, Country Rock, Gospel Rock, Early Sixties Rock, The Beatles, The British Invasion, Folk Rock, Soul Music/Motown, and Rock in the 70s, 80s and 90s, and Jazz Rock.

MUS 110 Music Across Cultures
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course explores music across national boundaries in its cultural context. At the same time, it enhances the students’ listening, critical, and analytical skills along with their aesthetic ability. It is an excursion in non-western music with an emphasis on the cultures in which it flourished such as the selected music of China, Japan, India, Middle East, Latin America, Ethnic North America, Africa, and Eastern Europe. This course is open to music and non-music majors.

MUS 220 Band Management & the Music Business
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course will present students with the opportunity to learn about the many facets of the music business including: managing a band, recording and record deals, touring, writing and publishing music, merchandising, knowing pertinent laws, selecting a manager/advisor or attorney, selling music on the internet, and entering the motion picture music field. The course will prepare students to make knowledgeable, practical decisions while pursuing a career in music.

PARALEGAL STUDIES

LAW 101 Introduction to Paralegal Studies
Course Descriptions

LAW 215 Legal Research & Writing
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course introduces students to the basic legal principles, practices, and procedures used in the paralegal profession. Topics include an overview of substantive areas of law, as well as law office and courtroom procedures. Students are also introduced to legal research and writing skills. Prerequisite or corequisite: ENG 101.

LAW 123 Interviewing & Investigation
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course will provide the paralegal student with a practical understanding of, and hands-on experience in, the skills and techniques of obtaining information with specific emphasis on client and witness interviewing. Prerequisite or corequisite: ENG 101. Prerequisites: LAW 101 and LAW 255.

LAW 201 Business Law I
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course will introduce the student to the basic concepts and practices in the areas of torts, contracts, sales, and consumer protection law as they relate to business. Corequisite: ENG 101.

LAW 203 Cyber Law
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
Developing computer technology has led to the development of new law relative to both the acquisition of information and doing business in cyberspace. This course will explore the legal issues arising from those changes. While focused primarily on business applications, the material covered will include contracts and torts related to the Internet, intellectual property rights, security, and privacy rights of the Internet user. Court decisions, statutes and administrative rulings will be presented.

LAW 207 United States Judicial Systems
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course studies the federal and state courts. Topics include the role of the judicial system in society, the structure of the court systems, and how judicial decisions are made. Prerequisite or corequisite: ENG 101.

LAW 209 Real Estate Law
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course provides a practical understanding of the basic legal principles related to real estate and the practice and procedures involved in conveying. Prerequisite or corequisite: ENG 101.

LAW 210 American Constitutional Law
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
The Constitution and the Supreme Court are studied through history and politics of key constitutional cases. Special attention is given to the nature and source of judicial power. The organization, jurisdiction, procedures, and restraints upon courts, particularly the U.S. Supreme Court, are considered. The establishment of judicial review and its function through time, federalism, due process, equal protection, and the incorporation of the Bill of Rights and civil rights and liberties are studied. Prerequisite or corequisite: ENG 101.

LAW 215 Legal Research & Writing
6 Credits (6 Lecture 0 Lab 0 Clinical)
6 Hours/Week (6 Hrs. Lecture) *15 wks
Students learn how to analyze a legal problem and how to find and interpret case law and statutes applicable to the problem by using primary and secondary reference materials and law finders. Students will be required to write legal memoranda using the law found through their research. Prerequisite or corequisite: ENG 101.

LAW 220 Litigation & Procedure
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
The student learns civil procedure and the role a paralegal plays in litigation by taking a mock case through each stage of litigation beginning with a client interview to the enforcement of a judgment after trial. Students will draft documents involved in litigation. Prerequisite or corequisite: ENG 101. Prerequisite: LAW 101.

LAW 221 Comparative Legal Systems
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course provides an introductory level exploration of the diverse legal systems used in various countries around the world. By understanding the similarities and differences in the systems used in the various countries, students will develop a greater appreciation for the diverse approaches to law, and a better ability to assist a lawyer in representing clients who are from, or are involved in transactions and events occurring in, other countries. Prerequisite or corequisite: ENG 101.

LAW 225 Family Law
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course provides students with the general understanding of the law and procedure involved in separation, divorce, child custody, support, cohabitation, and paternity cases, with an emphasis on the preparation of the forms and documents used in divorce practice. Prerequisite or corequisite: ENG 101.

LAW 230 Estate Administration
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course provides students with a general understanding of the law and procedure involved in the administration of testate and intestate estates, wills, estate tax and probate court procedure. Prerequisite or corequisite: ENG 101.

LAW 235 Law of Business Organizations
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
The student will learn the procedure and basic legal concepts involved in the formation and functioning of sole proprietorships, partnerships and corporations. Prerequisite/corequisite: ENG 101.

LAW 245 Administrative Law
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
The student will learn the legal concepts and procedures involved in state and federal administrative agencies’ legal proceedings. Prerequisite or corequisite: ENG 101.

LAW 250 Bankruptcy Law
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
The student will learn the basic legal concepts and the procedures involved in personal bankruptcies and business reorganizations.
Prerequisite or corequisite: ENG 101.

**LAW 255 Legal Ethics**
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is designed to introduce and familiarize the student with the basic ethical requirements of the practice of law and how those requirements relate to the paralegal's participation in the practice of law. The student will learn the rules of professional responsibility and how the rules apply to a paralegal's relationship to clients, adversary parties, attorneys, courts and the general public. Prerequisite or corequisite: ENG 101.

**LAW 260 Environmental Law**
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course provides students with an overview of government policy relating to environmental law and the statutes and regulations enacted to promote environmental protection. Prerequisite or corequisite: ENG 101.

**LAW 297 Paralegal Internship**
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course will provide an opportunity for the student to observe and participate in the practice of a law firm, government agency, or court, under the supervision of an attorney in practice. Prerequisites: LAW 215, LAW 220, and LAW 255, 30 credits completed and a GPA of 3.1 or higher.

**PHILOSOPHY**

**PHL 101 Introduction to Philosophy**
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is an introduction to Western philosophical thought. Students will be introduced to the vocabulary and the method of philosophical thinking. Basic questions concerning reality, knowledge, value (ethics) and society will be considered from several philosophical viewpoints—e.g., idealism, materialism, empiricism, utilitarianism. Questions considered include: What is the nature of God? Is there good and evil? How can we know? What makes for a just society? Students will also be introduced to the historical development of important schools of philosophical thought, as well as to the life and contributions of their founders. Placement at ENG 101 level strongly advised.

**PHL 102 Topics in 20th Century Philosophy**
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course will focus on a major trend in 20th Century philosophy. The organizational structure may be by problematic consideration such as religious or moral questions by philosophers who have voiced their ideas, such as Sartre or James, or by existing schools of thought, as well as to the life and contributions of their founders. Placement at ENG 101 level strongly advised.

**PHL 103 Medical Ethics**
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course will examine a number of value problems arising from the broader context of ethical systems and explore them within the context of medicine and health care. Among the ethical problems, particular considerations will be given to euthanasia, abortion, genetic research, and human experimentation. Issues of medicine and the public interest will also be discussed. Open to all students. Placement at ENG 101 level strongly advised.

**PHL 105 Introduction to Logic & Critical Thinking**
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course will focus on developing critical thinking and reasoning patterns for use by the individual to more effectively express his or her viewpoint, to better identify and rebut faulty logic, and to aid in the logical organization and presentation of ideas. Emphasis will be placed on everyday life situations. Placement at ENG 101 level strongly advised.

**PHL 108 Ethics**
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course will introduce students to classical and contemporary moral theories, including those of Aristotle, Hobbes, Hume, Sumner, Saint Thomas Aquinas, Kant, Mill, Russell, Kohlberg, Tam, and Gilligan. Students will examine both civic and personal morality. Students will learn the basics of moral thinking, including the need for impartiality. They will learn about Cultural Relativism, Altruism, Self-Interest, Natural Law, Communitarianism, and Utilitarianism. Various theories will be applied to contemporary social issues. Students will formulate personal ethical frameworks as a foundation for their moral judgment. Critical thinking will be used as a primary tool in evaluating the quality and viability of historical contemporary, and personal ethical systems. Placement at ENG 101 level strongly advised.

**PHL 110 Major Religions of the World**
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course will acquaint the student with a wide variety of religious traditions against their historical background and within their cultural context. Hinduism, Buddhism, Confucianism, Taoism, Judaism, Christianity, and Islam are among those religions which will be studied. In addition to class lectures, slides and films will be used in the presentation of the material. Placement at ENG 101 level strongly advised.

**PHL 113 Death and Dying**
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is a philosophical, sociological and psychological study of death and dying that seeks to explore this universal experience in what is essentially a death denying society. Among the topics covered are the historical, cultural and religious attitudes toward death, the funeral service industry, the ideas of facing one’s own death and experiencing a “good death”, the physical and emotional processes involved in dying, grief and bereavement, mourning rituals, death and dying among children and adolescents, legal implications, suicide, end-of-life issues, euthanasia and death from a global perspective. Prerequisite: completion of ENG 101 or permission of the instructor.

**PHLEBOTOMY**

**PBH 115 Phlebotomy**
2 Credits (2 Lecture 0 Lab 0 Clinical)
3 Hours/Week (30 Lecture 0 Lab 0 Clinical) *10 wks
This course will provide the theory required for a student to perform both routine and challenging venipunctures and capillary skin punctures on adults. In addition, the collection, processing, and distribution of lab specimens according to standard procedures will be studied. Safety standards, legal and ethical behaviors, and quality...
control will be emphasized. The course includes an anatomic review of the human cardiovascular system and basic hematology. Upon successful completion of this course and PHS 125, the student will have entry level skill as a phlebotomy technician. This course is only open to students admitted into the Phlebotomy Certificate Program or Clinical Laboratory Technician Program. Otherwise, special permission is required from the Chair overseeing the Phlebotomy Program. Co-requisite: PHB 125.

PHB 125 Phlebotomy Lab
1 Credit (0 Lecture 1 Lab 0 Clinical)
2.5 Hours/Week (0 Lecture 30 Lab 0 Clinical) *10 wks
This course will provide the student with the practice required to perform both routine and challenging venipunctures and capillary skin punctures on adults. In addition, the collection, processing, and distribution of lab specimens according to standard procedures will be studied. Safety standards, legal and ethical behaviors, and quality control will be emphasized. The course allows the student to apply his/her knowledge of human anatomy, the cardiovascular system, and basic hematology in the laboratory/simulated clinical setting through the practice of blood collection techniques on mannequins and live patients/volunteers. Concepts, methods, and procedures discussed/studied in lecture will be reinforced in the laboratory. Upon successful completion of this course and PHB 115, the student will have entry level skill as a phlebotomy technician. This course is only open to students admitted into the Phlebotomy Certificate Program or Clinical Laboratory Science Program. Otherwise, special permission is required from the Chair overseeing the Phlebotomy Program. Co-requisite: PHB 115.

PHB 136 Phlebotomy Clinical Practicum
3 Credit (2 Lecture 0 Lab 1 Clinical)
45 Hours/Week (0 Lecture 0 Lab 45 Clinical) *15 wks
This course is designed to supplement and expand upon the foundational knowledge provided in PHB 115 and PHB 125-L. Students will be required to perform both routine and challenging venipunctures on adults in the clinical setting. The collection, processing, and distribution of lab specimens according to standard procedures will be studied. Safety standards, legal and ethical behaviors, and quality control will be emphasized in a direct patient care setting. The course allows the student to apply his/her knowledge of human anatomy, the cardiovascular system, and basic hematology in the clinical setting through the practice of blood collection techniques on live patients/volunteers. Concepts, methods, and procedures discussed/studied in lecture will be reinforced in the clinical practicum. Successful completion of this course (final grade of 73%/C) is required for graduation from the Phlebotomy Certificate Program. This course is only open to students admitted into the Phlebotomy Certificate Program. Additionally, students will not be allowed to enroll in a clinical practicum until the Phlebotomy Clinical Supervisor and the Lab instructor grant permission. Prerequisites: Admission to the Phlebotomy Certificate Program, permission of the Phlebotomy Lab instructor and Clinical Supervisor overseeing the Phlebotomy Program, and certification in CPR for the Health Care Provider. Co-requisites: PHB 115 and PHB 125-L.

PHYSICS

PHY 111 General Physics I
4 Credits (3 Lecture 1 Lab 0 Clinical)
3 Hrs./Wk. (3 Hrs. Lecture, 2 Hrs. Lab) *15 wks
This is an algebra based physics course. Lecture topics include: The principles of mechanics emphasizing the conservation of momentum and energy through a study of uniform accelerated motion. Topics include Newton’s laws, work and energy, centripetal force, and moments of inertia. Prerequisites: MAT 100, MAT 103, MAT 113, or MAT 204 with “C” or better.

PHY 112 General Physics II
4 Credits (3 Lecture 1 Lab 0 Clinical)
3 Hrs./Wk. (3 Hrs. Lecture, 2 Hrs. Lab) *15 wks
This is an algebra based physics course. Lecture topics include: Elasticity, density and pressure, wave and vibratory motion, electrostatics, electricity, magnetism, and a summary of the principles of heat and light as wave phenomena. Safety protocols must be observed in all lab classes. These include: no food, no drink, and no-open-toe shoes, appropriate clothing. Only registered students may enter labs. Prerequisite: PHY 111 with “C” or better.

PRACTICAL NURSE

PNU 101 Growth & Development
1 Credit (1 Lecture 0 Lab 0 Clinical)
1 Hour/Week (1 Lecture 0 Lab 0 Clinical) *15 wks
This course is an overview of the basic manifestations of normal physical, psychological, emotional and social growth and development including the prenatal period, infancy, toddler, childhood, adolescence, adulthood and aging. It includes the stages and factors necessary for normal growth, development and obvious deviations from the normal. Prerequisites: Admission to the Practical Nurse Program.

PNU 111 Human Behavior
1 Credit (1 Lecture 0 Lab 0 Clinical)
1 Hour/Week (1 Lecture 0 Lab 0 Clinical) *15 wks
This course introduces physical, psychosocial, cultural and spiritual factors that affect human behavior. Effects of internal and external stressors and the individual’s response to these stressors are discussed. Guidelines for the promotion of psychological and spiritual comfort, interpersonal behavior and self-assessment by the student are presented. Prerequisites: Admission to the Practical Nurse Program.

PNU 131 Nutrition
1 Credit (1 Lecture 0 Lab 0 Clinical)
1 Hour/Week (1 Lecture 0 Lab 0 Clinical) *15 wks
This course introduces the principles of normal nutrition, with emphasis on the nutritional needs across the life span. This course is designed to provide a working knowledge of nutrients, food sources, and menu planning and food preparation in a culturally diverse American society. The basic food group pyramid and “Guidelines for Healthy Americans” are introduced. Physical, psychological, economic, cultural and religious factors affecting nutrition are included. An overview of federal regulations related to nutrition is also presented. Prerequisites: Admission to the Practical Nurse Program.

PNU 141 Microbiology
1 Credit (1 Lecture 0 Lab 0 Clinical)
1 Hour/Week (1 Lecture 0 Lab 0 Clinical) *15 wks
This course provides a general study of common and newly emerging microorganisms and their characteristics in relation to health and control of disease. Included is an introduction to concepts of infection and immunity and the more common methods...
PNU 145 Fundamentals of Practical Nursing I
5 Credits (3 Lecture 1.2 Lab 0.8 Clinical)
15 Hours/Week (6 Lecture 4.5 Lab 4.5 Clinical) *8 wks
The hourly breakdown is for full-time students only.
This is a Level I concentration course designed to introduce the practical nurse student to contemporary nursing practice. Course content identifies the concepts of communication, client assessment, the role of the practical nurse, healthy psychological and physiological responses of clients across the life span, with a focus on the aging adult client as well as including health promotion strategies. The course content emphasizes the client as a self-care agent. The concepts of self-care requisites and the presence of self-care deficits guide the development of nursing interventions and evaluation. The nursing process is introduced as the framework for identifying the client’s biopsychosocial needs. Theoretical and clinical content focuses on applying basic nursing principles. The course content presents critical thinking, decision making and priority setting based on hierarchy of needs. Prerequisites: Admission to the Practical Nurse Program. Pre-or-co-requisites: PNU 111, PNU141, HSC 149.

PNU 146 Fundamentals of Practical Nursing II
5 Credits (2.6 Lecture .4 Lab 2.3 Clinical)
23.5 Hours/Week (6 Lecture 1.5 Lab 16 Clinical) *8 wks
The hourly breakdown is for full-time students only.
This is a Level I concentration course designed to continue to build upon the concepts, knowledge, and skills introduced in PNU 145. This course continues to emphasize the client as a self-care agent and nursing process as a framework for identifying the client’s biopsychosocial needs. Pharmacology and math calculations for medications are introduced. Emphasis will be placed on nursing responsibilities in the preparation and administration of medications as well as documentation. Course content continues to identify the concepts of the role of the practical nurse for clients across the life span, with a focus on the aging adult client. Theoretical and clinical content focuses on applying basic nursing principles.
The course presents concepts of critical thinking, decision making and priority setting based on hierarchy of needs. Pre-requisites: PNU 145; Pre-or-co-requisites: MAT 103, PNU 101, PNU 131.

PNU 153 Introduction to Care of the Adult
8 Credits (5 Lecture 0.4 Lab 2.8 Clinical)
25.4 Hours/Week (8 Lecture 1.4 Lab 16 Clinical) *10 wks
The hourly breakdown is for full-time students only.
This is a Level II concentration course designed to assist the practical nurse student in the integration of concepts mastered at Level I. Course content identifies nursing care of adult clients experiencing actual/potential self-care deficits and includes health promotion strategies. The concepts include nursing care of the perioperative client, care of clients with endocrine, immune, respiratory, sensory and musculoskeletal deficits. The course also presents the nursing care of clients experiencing mental health issues. The nursing process is used as the framework for meeting the self-care deficits of adults in structured clinical settings. Theoretical and clinical content focuses on applying nursing care within the practical nurse role including the administration of medications. The course content introduces concepts of leadership and management. Critical thinking skills with decision making and priority setting continue to be reinforced. Prerequisites: PNU 146.

PNU 154 Medical Surgical Nursing
8 Credits (4.8 Lecture .2 Lab 3.2 Clinical)
24.7 Hours/Week (8 Lecture .7 Lab 16 Clinical) *10 wks
The hourly breakdown is for full-time students only.
This is a Level III concentration course designed to assist the practical nurse student in the integration of concepts mastered at Level I and II. Course content identifies nursing care of adult clients experiencing actual/potential self-care deficits and includes health promotion strategies. The concepts include care of clients with cancer, blood, circulatory, neurological, gastrointestinal, genitourinary and reproductive deficits. Nursing care of clients experiencing emergency situations, including burns, fractures, exposure to biochemical substances is also included. The nursing process is used as the framework for meeting the self-care deficits of adults in structured clinical settings. Theoretical and clinical content focuses on applying nursing care within the practical nurse student role including the administration of medications. Concepts of priority setting, decision making, delegation and supervision are integrated in caring for a group of clients. Prerequisites: PNU 153.

PNU 157 Practical Nursing Across the Continuum
7 Credits (3.8 Lecture 0 Lab 2.8 Clinical)
34 Hours/Week (10 Lecture 0 Lab 24 Clinical) *6 wks
The hourly breakdown is for full-time students only.
This is a Level IV concentration course designed to assist the Practical Nurse student in the integration of concepts mastered at Levels I, II and III. Basic concepts of maternity and pediatric nursing are introduced. Course content includes family centered nursing care with health promotion and maintenance. Also included are the responsibilities of the Practical Nurse with an emphasis on transition to practice. The nursing process is used as the framework for meeting the self-care requisites of clients across the life span, including use of pharmacologic agents used for all age groups. Course concepts represent nursing care in both the community and inpatient settings. Prerequisites: PNU 154.

PSYCHOLOGY

PSY 101 General Psychology
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is an introduction to the basic concepts, major theories, different theoretical perspectives and research methods in psychology. The focus is on theories of personality, motivation, learning, intelligence, emotions, developmental processes, physiological psychology, perception, and psychological assessment. Placement at ENG 101 level strongly advised.

PSY 103 Child Development
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is designed to provide the student with an integrated understanding of child development as it relates to early childhood education. A broad theoretical background is combined with principles of application. Emphasis is on the social context of early development, group processes, influence of the family, role of play, and the development of cognitive capabilities. Visitations to preschool centers required.

PSY 201 Child Psychology
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course provides the student with a broad theoretical and practical basis for the understanding of human development. Emphasis is on the interaction of biological, psychological, and social
Course Descriptions

Factors, which affect the human organism from conception through adolescence. Various theoretical models including, Freud, Piaget, Erikson, Kohlberg, Bowlby, and Elkin are discussed. Prerequisites: PSY 101, or permission of the instructor.

PSY 203 Adolescent Psychology
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
A comprehensive study of the adolescent dealing with adolescent development with a focus on physical, cognitive, emotional, and self-concept changes. Particular emphasis is placed on the adolescent in society and his/her relationship to parents and peers and how this influences development. Prerequisite: PSY 101.

PSY 205 Psychology of Change
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course examines major issues influencing adjustment and requires the student to explore these issues in relation to his/her own life. Some of the issues discussed include: Values clarification, racial/ethnic identity development, aggression, intimacy, depression, anxiety, and stress. Prerequisite: PSY101 or PSY216.

PSY 210 Psychology of Learning
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This educational psychology course will explore the teaching and learning process; teaching with an emphasis on planning effective instructional strategies, classroom management, and assessment. It focuses on human development, learning theories, individual difference, and motivation. Prerequisite PSY 101.

PSY 212 Group Dynamics
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
A course designed to enable students to understand common group interactions and the individual's attitudes and reactions to those situations. It aids students in understanding the socialization process, group theory, the characteristics of effective leadership in a variety of group structures, and the skills required to work effectively within teams. Prerequisite: PSY 101.

PSY 215 Abnormal Psychology
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is a comprehensive study of the major mental disorders as defined by the DSM-IV TR. Etiologies and treatment for each disorder or cluster of disorders will be covered. Major disorders examined include the following: Anxiety disorders, dissociative & somatiform disorders, mood disorders, personality disorders, schizophrenia, substance abuse, sexual dysfunction, neuropsychological disorders, and disorders of childhood and adolescence. Prerequisites: PSY 101 or permission of the instructor.

PSY 216 Growth & Development
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course explores human growth and development across the lifespan, from how the fetus develops a preference for familiar voices, to the adolescent identity crisis, to the development of wisdom in late adulthood. The course is organized around major developmental periods in the lifespan. Contributions of significant developmental theorists are highlighted. Placement at ENG 101 level strongly advised.

PSY 219 Health Psychology
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is intended to introduce the student to the tenets of health psychology, including, but not necessarily limited to, a history of health psychology; models of health psychology; an examination of the basic principles and theories pertinent to this field including the prevention and modification of health compromising behaviors; as well as the influences of psychosocial factors on mental health (e.g. stress, depression), physical health (e.g. heart disease, chronic illness, pain) and health-related behaviors (e.g. substance use and abuse, aggression, sexual behavior). Prerequisites: PSY 101 or permission of the instructor.

PSY 220 Research Design & Methodology
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
The goal of this course is to familiarize the student with the experimental methods used by psychologists and other social scientists in conducting their research. Students will be exposed to a variety of research designs as well as basic statistical theory covering hypothesis testing, ANOVA, and correlational analyses. Students will participate in the process of conducting research by formulating a testable idea, developing a method by which to test their idea, and communicating their idea to others. Prerequisite: ENG 101 and PSY 101.

PSY 221 Sport Psychology
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course focuses on the many areas of psychology that apply to sports. A wide array of psychological subjects will be explored, including motivation, team experience, mental imagery, performance anxiety, youth sports, gender issues, and more. Multicultural and international views of the field will be included and class discussion of theories and research will be encouraged. Placement at ENG 101 level strongly advised.

PSY 230 Introduction to Social Psychology
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is a systematic study of interpersonal behavior, the manner in which individuals are influenced by the function within a group. Topics of particular focus include attitude formation, persuasion, prejudice, conformity, social perception, leadership, attraction, affiliation, and aggression. Prerequisites: PSY 101, or SOC 101, or permission of the instructor.

NURSING
RNU 108 Fundamental Concepts of Client Care
7 Credits (4 Lecture 1 Lab 2 Clinical)
12 Hours/Week (4 Lecture 2 Lab 6 Clinical) *15 wks
Fundamental Concepts of Client Care is designed to introduce the student to the foundational principles of contemporary nursing practice. Emphasis is placed on developing skills related to health assessment and health intervention with a holistic emphasis. Theoretical content includes principles of physical and psychosocial care, communication, growth and development, teaching and learning, wellness, families, communities, cultures, and professional issues. Nursing process is taught as the methodology for meeting the clients' health care needs. Related learning experiences are scheduled for the college laboratory, medical-surgical units at health care agencies, and the community. Prerequisites: Admission into the Associate Degree in Nursing Program. Pre- or Co-requisites: BIO 131, ENG 101 or higher; and MAT core (MAT 103 recommended).

RNU 109 Advanced Concepts of Client Care I
10 Credits (5 Lecture 1 Lab 4 Clinical)
19 Hours/Week (5. Lecture 2. Lab 12 Clinical) *15 wks
Advanced Concepts of Client Care I is designed to provide the student with the cognitive and psychomotor skills to promote health maintenance and health restoration across the lifespan. Content includes selected principles of maternity, neonatal, and Medical-surgical care. The principles of basic fluid and electrolyte management, peri-operative care, and care of the medical-surgical client experiencing an oncology diagnosis are presented. Diabetes, hematology, vascular function, and orthopedic trauma content are presented from a lifespan perspective. Nursing process continues as the framework for meeting the client’s health care needs. Related clinical learning experiences are scheduled for the college lab, maternity and medical-surgical units at health care agencies, and the community. Prerequisites: RNU 108. Pre-or-Co-requisite: BIO 132, Social Science/Psychology core (PSY 101 recommended).

RNU 206 Advanced Concepts of Client Care II
10 Credits (5 Lecture 1 Lab 4 Clinical)
19 Hours/Week (5 Lecture 2. Lab 12 Clinical) *15 wks
Advanced Concepts of Client Care II presents principles and practices related to comprehensive nursing care. This course examines systems that have the high incidence of morbidity and mortality in the United States: Respiratory, Cardiac, Renal, Gastro-intestinal, Endocrine (diabetes mellitus) and mental health conditions. The nursing process continues to be the methodology to assist culturally diverse clients across the lifespan. The therapeutic nurse-client relationship will be analyzed to promote bio-psychosocial health in all settings. Students will have clinical placements in the following settings: medical, surgical, pediatric, and mental health. Prerequisites: RNU 109; Pre-or-Co-requisites: BIO 151, computer science core (CSI 101 recommended).

RNU 208 Advanced Concepts of Client Care III
10 Credits (5 Lecture 1 Lab 4 Clinical)
19 Hours/Week (5 Lecture 2. Lab 12 Clinical) *15 wks
Advanced Concepts of Client Care III presents principles and practices related to the care of clients with multi-system health problems. Systems examined include: gastrointestinal part II, neurological-sensory, endocrine - part II, hematological and immunological, musculoskeletal, integumentary. Changes affecting mental health will be discussed. The nursing process continues to be the methodology to assist culturally diverse clients across the lifespan. Students will have the following traditional and nontraditional clinical placements: medical-surgical, pediatric and mental health. Prerequisites: RNU 206; Pre-or-Co-requisites: ENG 102, History/Government core.

SOCIOLOGY

SOC 101 General Sociology
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
An examination of the behavior of humans in social groups. Emphasis will be placed on concepts including culture, society, socialization, role, personality, institutions and social change. Placement at ENG 101 level strongly advised.

SOC 102 Contemporary Social Problems
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
An analysis of the chief areas of social mal-adjustment. Consideration is given to selected critical problems including race relations, ethnic discrimination, changing sex role patterns, family dislocation, and an aging population, mental illness, crime, alcoholism and drug addiction.

SOC 105 Sociology of Deviance
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
Consideration of the cultural definition of deviance and the causal societal context; social analysis of problems such as mental illness, suicide and abnormal sexual behavior. Prerequisites: SOC 101 or permission of instructor.

SOC 112 Interpersonal Communication
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
An experience-based introduction to the concepts and skills in oral communication; listening, feedback, group discussions, speeches, self-disclosure and relational communication.

SOC 116 Intercultural Communication
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course will develop awareness of how human culture affects individual perception and interpersonal communication. Through literature and journalism, film and music, communicative activities and research projects, students will expand their capacity to understand themselves and communicate with other members of the human family. Particular attention will be paid to other cultural groups represented by class members.

SOC 140 Aging in America
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
Students will explore the process of aging in America from a sociological perspective. Explore roles of the aged today as they compare to other societies and times, the status of elderly in America, the effects of elderly boomers on commercial and cultural images, and the ethical dilemmas raised by the new elders in our society. Prerequisite: SOC 101 or permission of the instructor.

SOC 150 Women in Society
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
An examination of the roles of women in American society, both past and present. Students will build an understanding of the issues impacting women's roles. Topics covered include: women's work and
Course Descriptions

economic status, sex roles, gender expectations, the socialization of women, women and children, women’s roles in other societies, and the results of the women’s movements.

SOC 155 Race, Class, Gender, Social Justice
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course will explore the relationship between race, class, gender and social justice. Topics will include the following: the origins and consequences of racial, class, ethnic discriminations; the changing role of women; immigration policies; movements for integration and separatism; and the impact of past and present day problems and policies.

SOC 156 Media in Social Perspective
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course examines the impact of new media technologies on our social relationships and institutions. We will investigate new social realities in print, radio, television, telecommunications, and the internet. We will explore the relationship of individuals and community in society. The class will probe the relationship between economic, political, and cultural globalization and the rise of a networked society. Topics will include monopolies; digital divides; social psychology of the mediated self; invasions of privacy; media saturation; copyright and intellectual property; gaming and learning; social networking; citizen journalism. Prerequisites: Sociology 101 or permission of instructor.

SOC 201 Cultural Anthropology
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
A course concerned with humans as members of society and the effects of culture on individuals and groups. The main emphasis will be placed on the study of human behavior in different cultural settings. A main objective of the course is to help students understand their own behavior and reflect upon individual and group values.

SOC 203 Sociology of the Family
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course will focus on the family as a primary social institution. Emphasis will be placed on theoretical perspectives, variations, and alternatives, as well as the changing family over the life span. Special topics include cross-cultural influences, issues related to courtship, marriage and family development, and the effects of changes in the American family. Prerequisite: SOC 101 or permission of the instructor.

SPANISH

SPN 101 Spanish I
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is designed primarily to teach the fundamentals of Spanish through basic grammar as well as strong emphasis on conversation and writing. Aside from language skills, there is a special project on a Latin American country to introduce and familiarize students with its culture and politics.

SPN 102 Spanish II
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is designed for an index grammar level. There is strong emphasis on conversational and writing skills, and each student will be responsible for an extensive paper on one Latin American country. Prerequisites: SPN 101.

SPN 108 Spanish for Healthcare Providers
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
This course is designed to provide the health care professional with the vocabulary and grammatical structures to be able to communicate with Spanish-speaking patients in the medical context, using standardized universal Spanish. Prerequisites: HSC 140

SPN 201 Spanish III
3 Credits (3 Lecture 0 Lab 0 Clinical)
3 Hours/Week (3 Hrs. Lecture) *15 wks
A review of grammar with emphasis on correct usage in writing and the development of fluency through planned conversation. Reading is developed through the use of short stories of Hispanic culture, terminating with the reading of one of the classic Spanish novels. Prerequisites: SPN 102.

SURGICAL TECHNOLOGY

SUR 102 Microbiology for the Surgical Technologist
2 Credits (2 Lecture 0 Lab 0 Clinical)
2 Hours/Week (2 Lecture 0 Lab 0 Clinical) *15 wks
This course is a general study of common and newly emerging microorganisms and their characteristics in relation to health and control of disease. Special emphasis is placed on the concept of asepsis and the surgical environment. Focus will be on the Surgical Technologist’s role in maintaining aseptic technique with emphasis placed on safety and infection control. Prerequisites: Admission into the Surgical Technology Program. Corequisites: HSC 149 (formerly ALH 149) (or equivalent transfer), and PNU 111 (or equivalent) SUR 111, SUR 121.

SUR 111 Surgical Technology I
5 Credits (5 Lecture 0 Lab 0 Clinical)
5 Hours/Week (5 Lecture 0 Lab 0 Clinical) *15 wks
This course is designed to introduce students to the principles and practice of Surgical Technology. Topics include: hospital organization and physical environment of the operation room; ethical, moral and legal issues; patient care and safety; asepsis and sterile technique; surgical pharmacology and anesthesia; preparation, care and handling of instrumentation, equipment and supplies used in the operating room; closure of the surgical wound, wound healing and wound classifications; and the development of a surgical conscience. Students will be introduced to the basics of preoperative, intraoperative and postoperative surgical case management. Prerequisites: Admission into the Surgical Technology Program. Co-requisites: HSC 149 (formerly ALH 149) and PNU 111 (or their equivalents), SUR 102, SUR 121.

SUR 121 Surgical Technology I Lab
4 Credits (0 Lecture 4 Lab 0 Clinical)
8 Hours/Week (0 Lecture 8 Lab 0 Clinical) *15 wks
This laboratory course is designed to complement and reinforce concepts covered in SUR 111 (lecture) by allowing the practice and return-demonstration of the principles and procedures related to the knowledge, skills, and techniques utilized during the surgical experience. Skills taught in this course include: preoperative patient care, principles of sterile technique, the surgical scrub, gowning and gloving (self & others), case set up, medication handling, counts,
dressing, proper instrument handling, and the establishment and monitoring of the sterile field. Students are also taught to work with sutures, instruments, and supplies in a non-patient contact environment. Successful completion of this course is required for clinical placement. Prerequisites: Admission into the Surgical Technology Program. Co-requisites: HSC 149 (formerly ALH 149), PNU 111 (or their equivalent), SUR 102, and SUR 111 (lecture).

SUR 142 Surgical Technology II
16 Credits (8.9 Lecture 0 Lab 6.9 Clinical)
The study of Surgical Technology II is concentrated on providing the student with extensive practice in surgical procedures. During this course the correlation of theory with clinical practice begins, with lab reinforcement continuing as necessary. Classroom focus is on presentation of surgical procedures by specialty. In each specialty the following will be reinforced: relevant anatomy, pathological conditions, diagnostic procedures and tests, preoperative, intraoperative and postoperative procedural sequence, special instrumentation, equipment, supplies and drugs, and patient preparation in the OR. Prerequisites: All first semester courses in the Surgical Technology Program.

SUR 143 Surgical Technology III
8 Credits (3.7 Lecture 0 Lab 4.3 Clinical)
This course is designed to prepare the graduating surgical technology student for entrance into the workforce. Topics include: professionalism, resume preparation, interviewing techniques, basic computer skills and the biomedical sciences such as robotics, physics and electricity. Through lecture, discussion, guest speakers and mock interviews, students will learn how to conduct themselves during the interview process, what potential employers are looking for and how to best present themselves. This course will also serve as a preparation for students to sit for the National Certification Examination offered through the National Board of Surgical Technology and Surgical Assisting (NBSTSA) upon graduation. Test taking strategies, review of material and the application process will be covered in this section. Students will have an opportunity to take a certification exam practice test to determine their strengths. Clinical rotation continues during this course. Prerequisites: All first and second semester courses in the Surgical Technology Program.

M.A., San Diego State University

William C. Hall
Director of Campus Services & Facilities
A.A., Quincy College
B.S., Madison University

Eileen Knight
Director of Admissions
B.A., Marymount College

Catherine C. Maloney
Director of Student Records & Registrar
A.A., Eastern Nazarene College
B.A. Curry College

Thomas C. Pham
Associate Vice President for Technology
B.S., University of Massachusetts Boston
A.L.M., Information Technology, Harvard Extension School

Kimberly Puhala
Associate Vice President for Institutional Research and Assessment
B.A., Kenyon College
M.P.H., Tufts University
M.S., University of Massachusetts Boston
Ph.D., University of Massachusetts Boston

Lisa J. Stack
Director of International Student Services
B.S., Suffolk University

Susan Whitehead
Director of Library Services
M.P.A., University of Colorado
M.L.S., Emory University
B.A., Emory University
Faculty and Administration

Faculty

Leor Alcalay, Ed.D.
Professor, English as a Second Language
A.B., Harvard College
M.A., University of Massachusetts Boston
M.A., University of Massachusetts Boston
Ed.D., University of Massachusetts Amherst

Nathaniel R. Brown
Instructor, Mathematics
B.A. Bates College
M.S. Boston University
M.S., northeastern University

Susan M. Cahill, R.N.
Professor, Nursing
B.S.N., Simmons College
M.S.N., Northeastern University

Elizabeth A. Chandler, R.N.
Professor, Nursing
B.S.N., Curry College
M.S.N., Boston College

Maureen Chisholm
Instructor, Business
B.S., Eastern Nazarene College
M.S.M., Lesley University

Michael Colucci, R.N.
Instructor, Nursing
A.S., community College of Rhode Island
B.A., Rhode Island College
M.A.T., Rhode Island College
M.S.N., Regis College

Mario Corpuz
Instructor, Nursing
A.S.N., Laboure College
M.A., Framingham State College
M.S.N., MGH Institute of Health Professionals

Sophia Costantino
Instructor, Nursing
B.S.N., St. Louis University
M.S.N., Boston College

Bethann Davis
Instructor, Nursing
B.S.N., University of Massachusetts Boston
M.S.N., Simmons College

Matthew Delaney
Instructor, Criminal Justice
B.A., Curry College
M.B.A., Nichols College

Mary Ellen Do
Librarian
B.A., University of Wisconsin Madison
M.S., University of Illinois Urbana-Champaign

Sarah Dolan
Librarian
B.A. University of Massachusetts, Amherst
M.S., Simmons College

Steven M. Dooner
Professor, English and Humanities
B.A., University of Massachusetts
M.A., University of Delaware
M.Ed., Eastern Nazarene College

Cheryl Dorsey
Coordinator/Instructioner of Healthcare Administration/Medical Billing & Coding
A.S., Fisher Junior College
B.S., Northeastern University
M.S., Simmons College
M.S., Kaplan University

Aaron Eaton, D.P.T.
Chair, Physical Therapy Assistant Program
B.S., University of New England
D.P.T., Physical Therapy, Simmons College

Wes Ennis
Instructor, Computer Science Media Arts
B.A., Curry College

Paul Felker
Instructor, Mathematics
B.A., University of Delaware
M.A., Boston College

James Fox
Professor, History
B.A., University of Illinois at Urbana-Champaign
M.A., Boston University

Glenn Gaudreau, Ph.D.
Instructor, Science
B.S., University of Massachusetts Amherst
M.S., Northeastern University
Ph.D., Boston University

Kechinyere Iheduru
Instructor, Nursing
B.S.N., Curry College
M.S.N., Regis College
D.N.P., Regis College

Madalina Johnson
Coordinator of Science Laboratories
B.S., University “Ovidius”
Diploma of Advanced Studies, University “Ovidius”
Faculty and Administration

Laurel Kornhiser, Ph.D.
Instructor, English/Humanities
A.A., Cape Code Community College,
B.A., Boston University,
M.A., Boston College
Ph.D., Northeastern University

Sabrina Mohan
Instructor, Human Services
B.A., Wheaton College
M.S.W., Wheelock College

Janet Lanigan
Librarian
B.A., Boston College
M.S., Florida State

Linda Menard, M.P.H.
Chair, Physical Therapy Assistant Program
B.S. University of Connecticut
M.S., California State University

Charles Norvish
Instructor, Mathematics
B.A., Bridgewater State University
M.Ed., Bridgewater State University
C.A.G.S., Fitchburg State

Debra A. Panasuk
Professor, Developmental Math
B.A., St. Rose College
M.Ed., Boston College

Cleo Papavizas-Cakridas
Instructor, Developmental Reading/Humanities
B.S. Ed., Eastern Nazarene College
M.Ed., Suffolk University

Karla Parise
Instructor, Early Childhood Education
B.S. Ed., Lock Haven University
M.S. Ed., Bloomsburg University

Jason Paynich
Instructor, Criminal Justice
A.A., Dawson Community College,
A.A.S., Dawson Community College,
B.S., Minot State University
M.S., Minot State University

Edith Pemberton, R.N.
Professor, Nursing
B.S.N., Lowell University
M.S.N., Boston University

Carol Pepoli,
Instructor, Developmental English/Humanities
B.A., Suffolk University
A.L.M., Harvard University Extension School

Ruth Perez
Librarian
B.S., Simmons College
M.S., Simmons College

James Peters
Computer Science
A.S., Quincy College
B.S., Northeastern University
M.S., Boston University Metropolitan College

Susan Peterson, R.N.
Professor, Nursing
B.S.N., Villanova University
M.S.N., University of Pennsylvania

Carolyne Phillips
Instructor, Nursing
B.S.N., Boston College
M.S., University of Massachusetts Amherst
J.D., New England School of Law

Robert Pitts, Ph.D.
Instructor, Computer Science
B.S., American International College
M.A., Boston University
Ph.D., Boston University

Cheryl Proffitt
Instructor, Nursing
B.S.N., University of Massachusetts Boston
M.S.N., University of Phoenix

Margaret P. Rancourt, R.N.
Professor, Nursing
B.S.N., Northeastern University
M.S.N., University of Massachusetts

Jason Roberts, Ph.D.
Instructor, History & Government
B.S., Northwest Missouri State University
Ph.D., George Washington University

Henry Rubin, Ph.D.
Professor, Sociology
B.A., University of California, Santa Cruz
M.A., Brandeis University
Ph.D., Brandeis University

Deborah Saitta-Ringer
Instructor, English and Humanities
A.B., Boston College
M.A., University of Wisconsin

Deborah H. Stockbridge
Professor, Computer Science
B.A., Northeastern University
M.Ed., Northeastern University
M.S., Bridgewater State University
Faculty and Administration

Matthew Sullivan
Coordinator of Science Laboratories
B.S., University of Maine
M.S., University of Maine

Paul Sullivan
Instructor, Psychology
B.S., University of Southern Maine
M.Ed., Springfield College

Kenneth Texiera, Ph.D.
Instructor, Psychology/Sociology
A.S., Cape Code Community College
B.S., University of Massachusetts Amherst
Ph.D., Fordham University

Donna Theodore
Instructor, Nursing
A.S.N., Bristol Community College
B.A., University of Massachusetts Dartmouth
M.A., Assumption College
M.S.N., University of Phoenix

Lori A. Tyszkowski, D.C.
Professor, Science
B.A., College of the Holy Cross
B.S., National College of Chiropractic
D.C., National College of Chiropractic

Bruce Van Dyke
Chair, Biotechnology & Compliance
B.S., University of California San Diego
M.S., Western Washington University

Christine Vioselin
Instructor, Nursing
B.S.N., Northeastern University
M.S.N., Regis College

Doreen M. Walsh, R.N.
Professor, Practical Nursing
A.D./R.N., Laboure College
M.S.N., University of Phoenix

Wayne Westcott, Ph.D.
Instructor, Exercise Science
B.S., Pennsylvania State University
M.S., Pennsylvania State University
Ph.D., Ohio State

Servet M. Yatin, Ph.D.
Professor, Chemistry
B.S., M.E. Tech. University (Turkey)
M.B.A., Babson College
Ph.D., University of Kentucky
P. Doctorate, Harvard Medical School

Administration

Nancy Ambroise
Manager of Payroll Services
A.S., Massasoit Community College
B.S., Eastern Nazarene College
M.S.M., Eastern Nazarene College

Ralph Ames
Resource Officer
A.S., Quincy College
B.S., Boston State College
M.A., Anna Maria College

Fotini Arocho
Enrollment Associate
A.S., Quincy College

Stephanie Blackmon
Enrollment Services Specialist
A.A., Quincy College
B.S., Curry College

Max H. Blakemore
Technology Specialist
B.A., Bridgewater State
M.Ed., Eastern Nazarene University

Richard Bramante
Instructor of Computer Science, Engineering Technology
B.S. E.E., Lowell Technological Institute
M.S.E.E., University of Massachusetts Lowell

Donna Brugman
Executive Assistant to the President
A.S., The New England Banking Institute

Janel Burns
Communications & Marketing Agent
B.A., Virginia Polytechnic Institute and State University
M.A., Emerson College

Jenny Chan
Admissions Associate
B.S., Lesley University

Mary Chartrand
Student Success Coach
B.A., University of Missouri Kansas City
M.Ed., Harvard Graduate School of Education

David Cichocki
Educational Services Specialist/Academic Division of Liberal Arts
B.A., University of Massachusetts, Amherst
M.S., Eastern Nazarene College
