

Quincy College

Equity in Athletics Disclosure Act ( EADA ) Report

Report on Athletic Program Participation Rates and Financial Support Data

July 1, 2018 through June 30, 2019

NJCAA Division III

College Enrollment by Gender:

Gender	Number	Percentage
Female	1088	56.6%
Male	622	43.4%
Total	1700	

Student Aid:

Quincy College does not give athletically related student aid including any scholarship, grant, or other form of financial assistance, the terms of which require the recipient to participate in a program of intercollegiate athletics at this institution.

Expenses:

In our second year as an NJCAA member, the total expenses for our teams was \$121,007. Of this \$85,007 was attributed to men's sports. We attempted to field a women's basketball team but were unable to get participants. We paid stipends of \$6,000 to recruit for women's basketball and women's cross country. The women's cross country will begin in fall if 2019.

Sports:

Men's Soccer: There were 22 participants. The operating expenses for game day were \$11,242 with total expenses of \$27,076. The team was coached by a male part time head coach and a male assistant coach who received stipends for their roles.

Men's Basketball: There were 16 participants. The operating expenses for gameday were \$23,127 with a total expense of \$57,931. The team was coached by a male part time coach and a male assistant part time coach who both received stipends for their roles.

The college paid a stipend to a male coach to recruit a women's basketball team.

The college paid a stipend to a male coach to recruit a women's cross country team that will begin in fall of 2019
