

HISET PREP PROGRAM

15 WEEK PROGRAM

»» PROGRAM OVERVIEW

Quincy College in collaboration with the United Way of Greater Plymouth County will offer a free HiSET Preparation Program to support the needs of students that don't have a high school diploma and are looking to prepare for their HiSET exams. This program is funded through the United Way of Greater Plymouth County grant.

»» ELIGIBILITY REQUIREMENTS

Open to Plymouth County and South Shore residents.

»» WHAT IS HISET PREP?

Quincy College High School Equivalency Preparation Program will equip students with the skills they need to pass HiSET tests. Our program is comprised of two courses: English & Social Studies and Math & Science. These courses are designed to assist students that need short-term (one to two semesters) of preparation prior to taking high school equivalency exams.

»» WHY IS HISET PREP VALUABLE?

- Learn what the test covers.
- Assess how well you know the content subject matter.
- Plan and organize your time.
- Develop a study plan.
- Be comfortable with the types of questions you'll find on the HiSET exam.
