

QUINCY COLLEGE

is driven by data

At Quincy College, we are focused on teaching and learning, one student at a time. Since 2010, we have increased the number of full-time faculty members by 52.4% and consistently increased adjunct faculty pay. We want to support our faculty and the incredible work that they do for our students.

- President Peter H. Tsaffaras -

HELP US IMPROVE QUINCY COLLEGE! WE'RE LISTENING ...
