

HUMAN SERVICES

Associate of Science Degree

Quincy College | Academic Division of Professional Programs

Program Description

The Human Services Program is designed to prepare students to work in a variety of professions, sit for the Licensed Social Work Associate (LSWA) exam, and offer the opportunity to transfer to a 4 year-year school. The curriculum for the Human Services program is designed around the Council of Social Work Education (CSWE) core competencies which are congruent with the licensing exam. The Human Services Degree will provide the required education requirements for state licensure as an LSWA (258 CMR 9.06) or a Licensed Social Worker (LSW) (258 CMR 9.05). Students are encouraged to view the multiple articulation agreements for easy transferring of credits to four year institutions.

Program Outcomes

At the completion of this program, the student should be able to:

- List services available in the community for diverse client needs.
- Distinguish between ethical and unethical behavior in multiple human service settings.
- Apply interviewing and practice skills in work with clients.
- Provide examples of the systemic efforts of social policy.
- Integrate policy, practice, research and the impact on individuals, families, groups, organizations, and communities.
- Create a mock interview with a client demonstrating appropriate practice skills.
- Analyze the impact of diversity on multiple systems, human rights, and social justice.

ADDITIONAL INFORMATION

(*) Indicates course requires the completion of a prerequisite.

Math: Recommended to complete MAT 107.

Natural Science: Recommended to complete BIO 111.

This list is recommended for transferability and/or licensing. However, students may use any CJS, PSY, or SOC course to meet program requirements.

Note: All classes are offered in the fall and the spring unless otherwise designated:

F=Class is only offered in the Fall

S=Class is only offered in the Spring

Course / Credit Information

General Education Requirements 25 credits	Credits
CSI 101 Introduction to Computers	3 credits
ENG 101 English Composition I	3 credits
ENG 102 English Composition II *	3 credits
History/Government	3 credits
IDS 167 First Year Seminar	3 credits
