

SOCIAL WORK

Certificate

Quincy College | Academic Division

Program Description

The Social Work Certificate is designed to prepare students for a social work focused education. Students use the Council of Social Work Education (CSWE) core competencies to guide their learning. The Social Work Certificate is an opportunity for students who are switching careers, supplementing another degree, or are first time college students. The Social Work Certificate program course requirements all count towards the Human Services degree if the student chooses to further their education after completing the certificate.

Program Outcomes

At the completion of this program, the student should be able to:

- List services available in the community for diverse client needs.
- Distinguish between ethical and unethical behavior in multiple human service settings.
- Apply interviewing and practice skills in work with clients.
- Provide examples of the systematic effects of social policy.
- Integrate policy, practice, research, and the impact on individuals, families, groups, organizations, and communities.
- Create a mock interview with a client demonstrating appropriate practice skills.
- Analyze the impact of diversity on multiple systems, human rights and social justice.
