

Student Health Insurance

All students enrolled at least 3/4 full-time are required by Massachusetts State law to enroll in the Quincy College Student Health Insurance or be covered by a health insurance plan with comparable coverage. To ensure compliance with Massachusetts law, domestic undergraduates who are registered for 9 or more credit hours, domestic graduates who are registered for 6.75 or more credit hours, and all international students registered for 9 or more credit hours are automatically billed for the Quincy College Student Health Insurance Plan. Online-only students and students enrolled part-time are not eligible for the plan. To read the details of this law, click [here](#).
