# Welcome from the President

---

In an effort to better support and care for you, Quincy College has created this Community Resource Guide. This guide provides contact information of organizations within the community that are committed to supporting you as a Quincy College student.

The purpose of this guide is to help you identify and secure resources that will contribute to your academic success and social well-being throughout your time at Quincy College and beyond. This guide has been created by a team of committed Quincy College staff whose members aim to build community partnerships based on identified students' needs.

We look forward to helping you connect to and utilize these resources in an effort to promote holistic development, academic success, and improved social well-being.

Sincerely,

**Richard DeCristofaro, Ed. D.**  
Quincy College President
