HESI A2 and ALC Student Registration Instructions

This document will walk you through the key steps you need to complete to successfully access your HESI A2 or A La Carte (ALC) exams, including exam registration, exam launch, and results access.

Exam Registration

Use the unique link provided to begin your exam registration.

1. Click or copy and paste the direct link provided below into your browser to begin your registration.
   Student Registration Link: https://evolve.elsevier.com/tsp/alc/exam-group/student-registration?courseId=1
2. You will be prompted to log into an existing Evolve account or create an Evolve account if you do not already have one. These credentials are required to access the exam, results, and remediation.
3. The exam available for registration will be displayed on the homepage of your HESI NG course.
4. Click the blue "Register" button to the right of the exam and select your time slot.
5. After completing your registration, ensure your device is ready for testing by clicking the "Compatibility Check" link in the left-hand menu and following the steps to download and install the secure browser.

Exam Launch

Log into Evolve and access your HESI NG course to launch your exam on test day.

1. On the homepage, click the "View Details" link at the top of the page or the name of the exam under the Registered Exams section.
2. Select the blue "Launch Exam" button.
3. Click "Check System and Begin" to launch the exam waiting room in the secure browser. If you haven't already, download and install the Elsevier Secure Browser.
4. Enter the access code provided by your proctor, then click the "Submit and Begin Exam" button to enter the exam room.

Exam Results and Remediation Access

Log into Evolve and access your HESI NG course to view your results and remediation after your exam.

1. To access your results, click the "Exam Results" link in the navigation menu.
2. To access your remediation, click the "Remediation" link in the navigation menu. All previous exams with remediation available will be listed. Click the exam name to view the corresponding remediation.
