WELCOME FROM THE PROVOST/CAO

I hope you are as excited about this academic year as I am!

Whether you are here for one of our three baccalaureate degrees, or our many associate degrees or certificates, rest assured that you have made an excellent choice to further your education by coming to Quincy College.

The planning for this academic year began has been ongoing, and during the summer we have been hard at work getting ready.....for you. During this time, faculty and administrators worked together to make sure that our programs and courses reflect your expectations for depth and rigor; that academic and personal support systems are in place to help you achieve your goals; and that during your time at Quincy College you will be inspired to create new goals and achieve beyond what you initially believed was possible.

It will be hard work, but I am confident that you can do it. The first step is often the most difficult one, and by making the decision to enroll at Quincy College, you are on your way!

As the Provost/Chief Academic Officer of Quincy College, I assume—with great joy—responsibility for your academic success during your journey at Quincy College.

WELCOME FROM STUDENT DEVELOPMENT

WELCOME FROM STUDENT SERVICES

Welcome to all our new and returning students! We are very excited that you have chosen to enroll at Quincy College. Congratulations! We applaud you for your commitment to your future. The faculty and staff of Quincy College are dedicated to helping you achieve your educational and professional goals.

We are excited to offer several course modalities this year, including in-person, online, hybrid, and more. We encourage you to utilize all support services that are available both on-campus and virtually. Please take a look at the tips below as you begin your semester:

- **Use Quincy College technology:** Sign into the student portal for administrative information at register.quincycollege.edu. Sign onto Canvas the student learning management system, to locate requirements for each class. Always use your Quincy College email when communicating with faculty, staff and fellow students. Contact the College's IT Department with any questions.
- **Attend class:** Active participation in every class will enhance deep learning. Be sure to turn off your social media until class is over, so you won't be distracted.
- **Utilize QC Tutoring Services:** We are pleased to offer both in-person and virtual drop-in online tutoring, for all students. (See Student Services page on the website for more information.)
- **Get to know your professor:** Your professors want you to succeed. They are eager to hear from you and help you in any way. Don't hesitate to reach out.
- **Find a study buddy:** Find someone in your class who you can count on to assist you with clarification on content or fill you in on course content if you miss a class. Click on "people" in your canvas class.
- **Get involved:** We encourage you to join a club/organization, an athletic team, participate in committees or think about getting more involved in the community. It is important to remember that students who actively engage in college succeed at a higher rate!
- **Manage your time wisely:** Utilize a daily planner to balance your work and school obligations. Typically, students spend 2-3 hours of study time for each credit hour of class, so plan your work and then work your plan for optimal success.
- **Take good care of yourself:** Take a walk, go to a yoga class; choose a healthy diet for optimal brain power, and make sure to rejuvenate your body with enough sleep. A healthy student is a happy student. A happy student is a successful student. Your success is our mission.

Extraordinary times are made for extraordinary people—like you. You are not alone in your journey. Quincy College offers a community of support. If you have a question, you may find

the answer on one of the links on the Student Services page on the Quincy College website. Or, feel free to reach out to anyone on the Student Services Team, and we will make sure to connect you to the services you need.

We wish you the very best as you begin the semester.

The office also oversees graduation processes, enforces academic and administrative policies, and supports the development and revision of policies to best serve the college community.

Additionally, the Academic Records Office provides comprehensive services for new and current students, including class registration, course adjustments (add/drop and withdrawals), enrollment verifications, name/address changes, transcript requests, graduation applications, and graduation audits. The office aims to support students' academic journeys with accuracy, efficiency, and a focus on continuous improvement.

Every student is responsible for ensuring their enrollment costs are paid.

- Not attending and not officially dropping your classes does not remove your obligation to pay for your classes.
- You cannot use financial aid to pay for classes you registered for but did not attend.

- You will be liable for charges for classes not attended and not officially dropped before the add/drop deadline. Your financial aid award may be adjusted.
- Failing to drop classes before the add/drop deadline may negatively impact your financial aid or other financial assistance programs.

STUDENT ACCESSIBILITY SERVICES POLICY AND PROCEDURES (Policy 6.07)

In compliance with the American with Disabilities Act of 1990 (ADA), as amended by the ADA Amendments Act of 2008, and Section 504 of the Rehabilitation Act, as amended, Quincy College and Student Accessibility Services works with the campus community including academic departments, faculty and staff, to provide equal access and opportunity to educational programming, activities and services for students with disabilities. Under the ADA guidelines, a person with a disability is one with a physical or mental impairment that substantially limits one or more life activities including operation of a major bodily function, has a record of such impairment or is regarded as having such an impairment. Quincy College prohibits discrimination against any qualified student on the basis of physical or mental impairment, or perceived disability, and is committed to providing reasonable and appropriate accommodations and resources to students with disabilities.

Procedure**Requesting Accommodations**

To receive accommodations, a student must first register with Student Accessibility Services. Registration includes completing a Student Accessibility Services intake form, providing documentation of the disability (see below), and scheduling a meeting with Student Accessibility Services to discuss accommodations and/or services relative to the student's disability as each student's needs are unique and must be addressed individually. If a student is offered services and accommodations through Student Accessibility Services, the Student Accessibility Services Coordinator will review the proposed services and accommodations with the student to ensure that the student has a clear understanding of services and accommodations offered. Moreover, the Student Accessibility Services Coordinator will review the proposed services and accommodations with each of the student's instructors to ensure their understanding of the proposed services and accommodations, and to address any potential concerns, including but not limited to whether the requested services and accommodations may fundamentally alter the course. Thereafter, the Student Accessibility Services Coordinator will generate a letter of accommodations that explain the granted services and/or accommodations.

If the College denies a request for accommodations, the College must clearly communicate the reason for its decision to the student and allow the student a reasonable opportunity to respond and provide additional documentation that may address the College's objection. Every semester thereafter, in circumstances when a student is assigned a new instructor and/or new course, and/or when a student believes their academic needs have changed, the student must notify Student Accessibility Services of his or her academic needs to initiate the College's process described above.

Request for any and all accommodations should be made in advance, preferably at the start of the semester to allow reasonable time to prepare for the implementation of services. Students with disabilities who choose not to register with Student Accessibility Services will not receive accommodations under the ADA or Section 504. *The College reserves the right to make the final decisions regarding accommodations.*

Requirements for Documentation

The student is responsible to submit the most current documentation from a qualified and/or licensed clinician(s) with expertise related to the student's physical, mental, and/or learning

disabilities. The appropriate documentation should be comprehensive and include a diagnosis of the disability, the history of the disability, the testing and assessment tools used to render the diagnosis, and an explanation of how the disability affects a major life function. In addition, the documentation should include recommendations for accommodating the disability. It is essential that a link is established between the requested accommodation(s) and the functional limitations of the student's disability.

Accommodations for Students with Disabilities

Support services are available at the College to enable students with disabilities to participate fully in college life and achieve their academic goals. Listed below are some of the services and accommodations offered through Student Accessibility Services:

- Academic planning and advising, including assistance with registration.
- Classroom educational accommodations: extended time for in-class assignments, quizzes and/or tests; recording lectures, note taker, oral and/or written instructions; computer use for in-class writing assignments; preferential seating; prearranged or frequent breaks; advanced notice of assignments; alternative formats for book and course materials; oral dictation for tests and quizzes; extra wait time for oral responses.
- Adaptive Technology such as Echo Smart Pen, text to speech software, audioplayers/recorders, reading guides, and frequency modulation (FM) systems.
- Testing in a distraction-reduced environment.
- Access to handicapped parking available on campus.
- American Sign Language (ASL) Interpreter service.

Fundamental alterations of the academic program is not considered a reasonable accommodation.

Accommodation Letter

Every semester the student requests letters of accommodation. The Student Accessibility Services Coordinator will generate a letter for each classroom instructor, notifying the instructor of the accommodation(s). The Student Accessibility Services Coordinator may email the instructor said letter or the student may be asked to deliver a hard copy of the letter to the instructor, to sign jointly and then return the signed letter to Student Accessibility Services within the allotted time indicated in the accommodation letter.

Student Responsibilities

The student's responsibilities are to register with Student Accessibility Services by completing a Student Accessibility Services intake form and submitting the appropriate documentation, as described above. Each semester thereafter, the student must submit a new request for accommodation form in a timely manner to allow a reasonable amount of time to process the request. In addition, the student is responsible to maintain reasonable contact with Student Accessibility Services regarding granted services and/or accommodations. In the event that the approved accommodations are not implemented in a satisfactory manner, the student is required to contact and report issues to the Student Accessibility Services Coordinator

Instructor Responsibilities

The instructor's responsibility is to inform Student Accessibility Services if the instructor believes that the requested accommodation fundamentally alters the course and/or if

implementing the accommodation is problematic. Every effort will be made to assist the instructor to meet the concerns regarding the accommodation.

A statement regarding who students contact to request accessibility services should be included on the instructor's syllabus. For example:

If a student has a disability that qualifies and under the Americans with Disability Act (ADA) or Section 504 of the Rehabilitation Act and requires accommodations, he/she should contact Student Accessibility Services at: sas@quincycollege.edu

STUDENT ACTIVITIES

Quincy College is committed to providing students with personal development opportunities outside the classroom that foster leadership skills, critical and creative thinking, cultural appreciation, and community involvement. Campus and virtual events will be shared throughout the semester. Any student interested in getting involved or has questions regarding student life should contact the Office of Student Life at studentlife@quincycollege.edu.

STUDENT LOCKERS

Student Lockers are offered on the Quincy Campus only. Locker rentals are \$50 per semester; rental rates will not be prorated no matter the date of rental. Students will be provided a lock for their locker. Quincy College will not accept responsibility for damage or loss of contents in any locker. Quincy College reserves the right to terminate this agreement and open a locker, with or without the consent of the renter, at any time, for security violations, student misconduct and/or cases of emergency. If interested in renting a locker, stop by the Office of Student Life or contact studentlife@quincycollege.edu.

STUDENT LOUNGE

There is a student lounge on both the Quincy Campus and the Plymouth Campus for students to relax between classes. The lounges have microwaves available for students to heat food. There are also computers and copiers available for use. Students must follow the Student Lounge Expectations when in the student lounge as posted in the lounge space.

TRANSFER SERVICES

In addition to associate degrees and certificates, Quincy College offers three baccalaureate degrees (Business, Computer Science, and Psychology). For students who wish to transfer from Quincy College to another institution, the College offers a variety of services. Quincy College maintains articulation agreements with many local, regional, and national colleges and universities. Under these agreements, students who take certain courses at Quincy College and receive the required minimum grades may transfer many credits and make progress toward graduation at the participating institution. WITHDRAWING FROM A COURSE OR THE COLLEGE (Policy 5.07b)

I. Purpose This policy outlines the procedures for officially withdrawing from courses or from Quincy College, ensuring students understand the necessary steps and the implications of withdrawal.

II. Policy Details

A. Official Withdrawal Process

- **Withdrawal Form:**
 - Students wishing to withdraw from a course or from the College must complete an official withdrawal form.
 - This must be done online via the MyQC portal. The form is available on the MyQC portal and must be submitted online.
- **Notification:**
 - Merely notifying an instructor or ceasing to attend classes does not constitute an official withdrawal.
- **Effective Date:**
 - The effective date of the withdrawal, with no tuition refunds, will be the date the official withdrawal form is received online by the Registrar's Office.
- **Approval Requirement:**
 - The Registrar's Office may require students to obtain approval from an academic advisor before processing the withdrawal.
- **Transcript Notation:**
 - Upon official withdrawal, a "W" (Withdrawn) classification will be recorded on the student's transcript.
- **Withdrawal Deadline:** No withdrawals are permitted after the last day to withdraw, as specified in the **Academic Calendar**.

B. Dropping vs. Withdrawing

- Dropping a class is different from withdrawing. Dropping a class typically occurs during the add/drop period at the beginning of the semester and may have different academic and financial implications than withdrawing from a course after this period.

C. Implications of Withdrawal

- **Academic Records:**
 - A "W" on the transcript does not affect the student's GPA but indicates that the student withdrew from the course.
- **Financial Aid:**
 - Students receiving financial aid should consult the Financial Aid Office to understand the impact of withdrawal on their aid package.
 - Stress on Financial Aid: Withdrawal may significantly affect financial aid status, eligibility for future aid, and satisfactory academic progress.
- **Future Enrollment:**
 - Proper withdrawal is crucial to avoid difficulties with future enrollment, satisfactory academic progress, and financial aid eligibility.
- **Refund Policy:**
 - Students withdrawing and receiving a "W" grade will not be eligible for a tuition refund.

III. Responsibilities

- **Students:** Responsible for initiating the withdrawal process by completing and submitting the official withdrawal form and consulting with relevant offices (e.g., Financial Aid, Academic Advising).
- **Registrar's Office:** Ensures proper processing and recording of withdrawals and provides necessary forms and guidance to students.
- **Advisors:** Provide consultation and approval where required to ensure students understand the academic and financial implications of withdrawal.

IV. Review and Amendments This policy is subject to periodic review and amendments to reflect changes in institutional requirements, academic regulations, or student needs.

V. Important Reminders

- Students must check their Quincy College email regularly for any communications regarding their withdrawal status.
- Adhering to the proper withdrawal process helps maintain good academic standing and financial stability.

WITHDRAWAL/REFUND SCHEDULE (Policy 7.05)

Students who have officially withdrawn in writing from the school will receive a refund of tuition according to the following. Please note the following refund policies:

- 10 and 15-Week Semester Courses: 100% 7 working days since the start of class*
- Special Sessions 5 and 7 Week Courses: 100% 3 working days since the start of class
- Non-Credit Courses: 100% prior to the second-class meeting*

* Start of classes for the semester and not the start date of individual class.

Unused Funds

In the event that a credit balance occurs on a student's account, the Student Accounts Office will create a refund check as follows: All unused funds that occur as a result of Title IV financial aid must be credited back to the student within 14 days of the time the credit occurred. All excess

credit balances that occur as a result of all other forms of payments will be returned to the payer unless otherwise specified in writing. The College performs monthly account audits to identify credit balances that are due to the student or third-party payer. At that point in time, the College issues a refund check.

Students have the responsibility to view their accounts by logging into their Quincy College online student account. They may also visit or call the Bursar's Office.

ACADEMIC INFORMATION AND POLICIES

ACADEMIC AMNESTY POLICY (Policy 5.16)

Students who have had a break in enrollment for at least two academic years may, upon application for readmission, file a written petition with the Registrar for academic amnesty.

If students are granted academic amnesty, all grades from Quincy College credit coursework completed at an earlier date are eliminated from computation of the grade point average and will not be applied to a Certificate or Degree program at Quincy College.

Previous credit coursework will not be removed from the student's scholastic record and transcripts. However, these records will clearly indicate that academic amnesty has been granted and the date that amnesty was approved.

The Provost/Chief Academic Officer, in consultation with the appropriate individuals, such as the Division Dean and/or program faculty, will make the final determination.

ACADEMIC INTEGRITY POLICY (Policy 5.15)

Academic Integrity Statement

I. Policy

In keeping with our mission, Quincy College will foster a high standard of academic honesty for student, faculty, and staff and will seek to preserve the rights of our entire College community. As part of our academic integrity policy, all members will adhere to the basic values of mutual respect and responsibility as well as individual and institutional integrity. Students will be informed about those actions that constitute a breach of integrity and about those sanctions that may result from academic dishonesty. In the interests of promoting the best environment for learning, we, the community of Quincy College, pledge to advance the principles of honor and integrity in all of our actions.

Student Guidelines

Students assume full responsibility for the content and integrity of the course work they submit. Therefore, to assist students in observing academic integrity, the following guidelines have been developed:

otherwise permitted by their instructor. If appropriate citation guidelines are not stated on the syllabus, students are encouraged to contact their instructor for guidance.

- Students may collaborate or cooperate with other students on assignments or examinations only as directed by the instructor.
- Students must follow all written and/or oral instructions given by instructors or designated College representatives for taking exams, placement assessments, tests, quizzes, and other evaluative instruments.

1. **Plagiarism** is the representation of the words and/or ideas of another as one's own in any academic assignment. Examples include, but are not limited to: stealing or downloading the entire text of a paper, cutting and pasting various sources together to simulate a new essay, copying small portions of a paper, or misattributing source material.

Examples include but are not limited to: copying from another student, accessing unauthorized books or documents, receiving messages without authority during an exam, and improper use of calculators, computers, or any other electronic devices during exams or other assignments.
3. **Fabrication** is the falsification of any information or citation in any academic assignment. Examples include but are not limited to: inventing sources, data, or citations for a paper or assignment.
4. **Facilitation** is knowingly aiding or abetting acts of academic dishonesty. Examples include but are not limited to: assisting others to cheat or plagiarize or participating in a conspiracy to cheat.
5. **Misrepresentation** is engaging in acts of deception or forgery in an academic context. Examples include but are not limited to: misrepresenting one's own work as something that it is not, lying to an instructor or fabricating excuses to improve a grade or to make up for missed work, and excessively misusing computer software to create works that do not truly reflect a student's skill level.

III. Disciplinary Procedures Involving Students

Violations of the standards of Academic Integrity described in the Quincy College Academic Integrity Statement may result in disciplinary action up to and including dismissal from Quincy College.

Any faculty or staff member who notices infractions of the standards of academic integrity and honesty must file an Academic Incident Report and initiate disciplinary procedures in response to those violations. Students who notice infractions of the standards of academic integrity are encouraged to report the infraction either verbally or in writing to a member of the Quincy College faculty or staff. Examples of penalties

that may be imposed by the College include, but are not limited to:

2. Reduced or failing grade for the assignment;
3. Reduced or failing grade for the course;

Severe, flagrant, or multiple violations that have import beyond a specific course may lead to disciplinary action that could result in dismissal from the College and/or denial of readmission to the College. The following factors will be considered in all determinations of penalty:

1. The nature or seriousness of the offense;
2. The injury/damage resulting from the offense; and
3. The student's prior disciplinary record.

IV. Disciplinary Action-Hearing and Appealing Process Involving Students

Step 1: Within five business days of the date of notification, the student must request a hearing with the appropriate academic dean. Within five business days of the hearing, the dean shall, in writing, notify the student of the decision.

Step 2: If a student has cause to question the resolution at Step 1, within five business days of the dean's written decision at Step 1, the student may forward a written appeal to the Provost/Chief Academic Officer. Within five business days of the receipt of the appeal, the Provost/Chief Academic Officer shall, in writing, notify the student, and the individual who files the report, of the outcome of the appeal.

ACADEMIC PROBATION POLICY (Policy 5.07F)

Definitions

Students on Academic Suspension will receive notice of their suspension, in a timely manner, from when their cumulative GPA is updated, to reflect their most recent final grades at the end of the fall or spring semester. This notice will inform the student that the student is prohibited from attending Quincy College for the following semester. A student may enroll in courses at another accredited institution to show satisfactory academic progress for a full semester before returning to Quincy College. The grades earned at the other institution will be considered in determining if the student may return to Quincy College. Upon the student's return to Quincy College, the student will remain on Academic Probation during the semester of the student's return, and the student will be required to follow the protocol of the institution's Academic Probation procedure.

Academic Suspension Appeal

Students placed on Academic Suspension have the right to appeal their suspension. Students wishing to appeal must submit a written letter of appeal to the Chief Academic Officer (CAO) within fifteen (15) business days of receiving the notice of their suspension. The student will also be required to meet with an Academic Advisor to discuss a plan for improvement.

Academic Probation Contract

The Academic Probation Contract (formerly referred to as the Academic Improvement Plan), is a comprehensive plan that guides the student's meetings with their Academic Probationary Advisor. This resource helps students anticipate their current and future course schedules, the classes that they need to take in order to complete their degree, as well as Quincy College student support services that will help them achieve academic success.

Quincy College establishes, publishes, and applies reasonable standards for measuring students' satisfactory academic progress in their educational programs. The qualitative and quantitative standard used to monitor academic progress must be cumulative and must include all periods of the student's enrollment as well as periods of enrollment for which the student did not receive financial aid.

Quincy College assesses the following quantitative information for all students at the end of each fall and spring term:

1. Cumulative GPA (Minimum GPA of 2.0).
2. Number of credits attempted (Maximum allowable is 150% of program requirements).
3. Rate of completion (2/3 credits attempted must be completed successfully with a C or above).

Note: Failure to meet the Quincy College Satisfactory Academic Progress (SAP) may result in the loss of financial aid eligibility.

The first semester the student has not achieved the necessary GPA and completion rate; the student will be given one semester of academic warning. After the one time warning period, if

the student has not shown any progress in their cumulative GPA and completion rate, the student will be placed on Academic Probation. The student can receive federal aid while on probation. Students on probation will be required to meet with their academic advisor and Financial Aid to fill out an Academic Probation contract to ensure that they are aware of what will be expected for that semester's outcomes. If the student shows positive progress while on Academic Probation, but is still below SAP standards, they will remain on Academic Probation.

If the student does not show improvements after any probation semester, the student will then be placed on Academic Suspension with the option to submit a written appeal to the College's Chief Academic Officer (CAO) within fifteen (15) days of receiving the notice of their suspension. Upon receiving the letter of appeal, the College's CAO, with assistance from the Office of Academic Advising, will review all materials and make the final decision regarding student's Academic Suspension Appeal. The student may also need to consult Financial Aid about their eligibility for aid.

Below is a breakdown of outcomes from a SAP Suspension Appeal

- If the appeal is approved by the Chief Academic Officer the student would then have one more semester to work on improving their GPA and Completion rate. If the student shows improvements at the end of the semester, the student would remain on Academic Probation. However, if at any point the student begins to decline again, they could be academically suspended.
- If the student is not approved for the Financial Aid Appeal, but approved for the Academic Suspension Appeal, they would be allowed to take an additional semester of courses but would be required to pay out of pocket since financial aid is suspended. If the student shows improvement at the end of the semester, the student would return to Academic Probation. However, if at any point the student begins to decline again, they could be academically suspended.
- If the Academic Suspension Appeal is denied the student would be academically dismissed for one semester. In this semester away, students may take courses at a different college to show academic improvement, but are not required to. Transfer credit may be considered if the student chooses to return to the college. If the student chose to return to the college after the semester away, they would have to complete an application for reinstatement which would be reviewed by academic advising and approved by the Chief Academic Officer. When the student returns after being reinstated, they will return to the college on Academic Probation as long as they are not meeting SAP standards.

Note: When a student returns from an academic suspension from SAP, they may be eligible to return to the college but does not mean they would be eligible for federal aid. Students who are not eligible for federal aid would be required to pay out of pocket. For Financial Aid eligibility, refer to the [Policy Manual](#), Financial Aid Process (Policy 8.01a) and Satisfactory Academic Progress (Policy 8.09).

INCOMPLETE GRADES (Policy 5.07a)

Incomplete grades should only be given when there is a reasonable cause for why the student was unable to complete the work. Selective Admissions programs have their own standards that must be upheld in respect to incomplete grades." For the complete policy, please refer to the [Policy Manual](#), Policy 5.07a.

INDEPENDENT STUDY (Policy 5.13)

Quincy College recognizes that scholars have unique interests and provides for those who would like to pursue special research projects under the guidance of a faculty member. Independent study is not intended to be a substitute for a regular course, but rather an opportunity for a student to work in a special area related to their field of endeavor in depth and with specific objectives. To qualify for Independent Study, students with 30 earned credits from Quincy College must have a 3.0 average in their area of specialty and at least a cumulative 2.7 average overall. No student may pursue more than three credits per semester to a total of six independent study credits while earning an Associate Degree. The acceptance of an independent study is optional on the part of the instructor. Approval for an Independent Study is initiated with the academic dean and finalized upon the signature of the Chief Academic Officer. The fee for independent study credits will be the same as that of a regular course and the grade issued will be in accordance with the college's grading system. Under unusual circumstances, students may be permitted to take a college credit-bearing course for which an independent study format is used. Ordinarily, an independent study may not be taken if the course is a laboratory science or skill course (Biology, Paramedic Education, etc.), is offered during the semester in which the request is made, lacks a detailed outline and/or individualized instruction material.

MAKE-UP EXAMINATIONS (Policy 5.07d)

Make-up of examinations must be arranged and proctored by the instructor involved or student support services. No charges will be made to students who present a doctor's certificate of illness or in the case of two exams scheduled for the same time. In other cases, a make-up fee may be assessed.

MATRICULATION POLICY (Policy 5.00)

A matriculating, or degree/certificate seeking student is one who has been admitted to an academic program and who has registered for a course or courses within the curriculum. If a student does not enroll in a 3-credit course for two consecutive years, the student must file an application for readmission with the Office of Admission. For more policy information, please refer to [Policy Manual](#). All matriculating students should meet with their academic advisor before registering for classes every semester. This is to ensure that the student is taking the appropriate steps and making reasonable progress toward completing the requirements of their program(s).

ONLINE STUDENT GRIEVANCE PROCEDURE (Policy 6.14A)

At Quincy College, we attempt to resolve student complaints within our academic and administrative departments. Online and distance education students who have a grievance or complaint related to online programs may submit a written grievance or complaint to onlineprograms@quincycollege.edu.

The complaint will be forwarded to the appropriate academic or administrative department and an email response will be sent to the student informing that the grievance or complaint was received and further inform that the issue is being reviewed. Dependent upon the nature of the grievance or complaint, Quincy College will attempt to resolve the issue quickly.

In the event that the student is not satisfied with the outcome of the Quincy College's complaint resolution process, online students may still be able to appeal the outcome to other governmental agencies. Quincy College is required to notify online students who are Massachusetts residents that they may utilize the Massachusetts Department of Higher Education's [Consumer Complaint Form](#).

The DHE in its capacity as the State Authorization Reciprocity Agreement (SARA) portal entity for Massachusetts, also reviews and evaluates student complaints regarding distance learning programs offered by Massachusetts-based institutions that are members of SARA. Online students who live in [SARA member states outside of Massachusetts](#) and take courses at Quincy College 100% online must first attempt to resolve their grievance or complaint using Quincy College's internal complaint process as specified in Policy 6. 14 Student Grievance Procedure contained in the Quincy College [Policy Manual](#).

Upon exhausting Quincy College's internal process, online students who live in another state and take courses at Quincy College 100% online may submit a SARA Complaint to the [Massachusetts Department of Higher Education](#). Please note that complaints about student grades and student conduct violations are expressly excluded from the SARA complaint process. For information about the DHE's SARA complaint process, please visit the [DHE website](#) and its [Complaint Policy and Process](#).

PROPER ATTIRE IN SCIENCE LABORATORY COURSES (Policy 3.07)

- I. Policy: Safety in science laboratory courses is something that Quincy College takes very seriously, as science laboratory courses present a host of chemical and biological hazards not found in the typical classroom. Paramount to safety in laboratory courses is the use of proper attire each time a student attends class. For the purposes of this policy, a "science laboratory course" is defined as any course that meets in one of the Saville Hall, Plymouth Campus, or

Healthcare and Science Career Institute labs.

It is ultimately the student's responsibility to ensure that the student is dressed in proper attire, which includes closed-toed shoes, long pants or a long skirt, and shirts or blouses that do not allow excessive exposure of the skin. Students will not be admitted to the lab with open toe or backless shoes.

Examples of improper attire include, but are not limited to:

1. Shorts
 2. Short skirts or short dresses (above knee height)
 3. Sandals
 4. Open-toed or backless shoes
 5. Rubber clogs with holes (ex: Crocs™)
 6. Loose or baggy clothing
 7. Loose neckties
 8. Shirts or blouses that allow midriff or chest exposure
 9. Low-hanging jewelry such as long necklaces or long earrings
- II. Procedures: If a student attends a science laboratory course without wearing proper attire, the student will be asked to leave and may only return when the student has changed into proper attire. At the instructor's discretion and per the guidelines set forth in the syllabus, a violation of this policy may carry an academic penalty not to exceed the penalty for missing one class meeting.
- III. In addition to the aforementioned Quincy College lab safety rules for all on-campus Course labs accomplished on the premises of both Quincy College campuses, students are required to read, understand, and accept all affiliated QC vendors' at home lab kit's safety precautions, safety procedures, and safety guidelines when using those vendors' lab kits both on campus and at home. Students have a responsibility to read these at home lab kits' safety instructions and to follow their safety requirements without exception.
- IV. Other: Students enrolled in select programs including Medical Laboratory Technician, Physical Therapist Assistant, Phlebotomy, and Surgical Technology should refer to their Program Handbook for guidelines regarding proper attire in the science laboratory courses.

REPEATING COURSES (Policy 5.07c)

If the student repeats a course, only the higher grade is calculated into the cumulative grade point average, but both grades will appear on the transcript. For courses where students have earned a passing grade, credit is awarded for one course only. Courses with the higher grade will be indicated as a "repeat" on the student's official transcript. Students using Federal Financial Aid may only repeat a course they previously passed for a higher grade one additional time. Repeating courses taken in a previous semester may affect certain federal and state benefits, various financial aid programs, loans, scholarships and social security benefits, in addition to athletic eligibility and veteran's benefits. The Veterans Administration will not pay for a repeated course in which a passing grade has been previously earned.

STUDENT GRIEVANCE PROCEDURE (Policy 6.14)

The purpose of the grievance procedure is to provide students at the College a process for resolving any concerns relative to their student rights within the College. For complaints involving any form of sexual harassment, sexual misconduct, discriminatory conduct (including discriminatory harassment), and accommodations for disabilities, please refer to our policies protecting against these conducts and setting out complaint procedures. **These other policies do not have timelines and complaints may be brought at any time. The College will investigate and respond to complaints in accordance with those policies and all applicable laws.**

This grievance procedure has specific number of days in each phase, which is to be understood as the maximum time before the next phase is initiated. However, the time limits may be extended up to five additional days by mutual agreement of the parties involved at each level of the grievance.

Note: The number of days in each step refers to class days not calendar days during fall and spring semesters only. Intersession and summer sessions are not considered class days for this purpose. During intersession and summer sessions, the term "days" shall mean business days (Monday through Friday, excluding holidays).

1. Informal Resolution Process

- a. The student may first discuss the grievance with the individual against whom the grievance exists.
- b. If the grievance is not resolved between the individuals involved, or the student does not wish to first discuss the grievance with the individual about whom it exists, the student may begin step two. This action must be taken within thirty days of the original incident giving rise to the grievance.

2. Initiation of Formal Academic or Social Grievance

Step One: If the grievance is not resolved informally within seven days, the student shall formally and in writing present the grievance to the appropriate Dean. The Student should also file an incident report using [the College's Incident Reporting System](#).

- a. If the grievance is directed against a Dean, the grievance shall be presented to the Provost/Chief Academic Officer.
- b. If the grievance is directed against a Vice President, the grievance shall be presented directly to the President.
- c. If the grievance is directed against the President, the grievance shall be presented directly to the Board of Governors.
- d. The student will receive a response to the grievance at Step One within seven days.

Step Two: If the grievance is not resolved by the Dean (or other level when applicable) within seven days, the grievant shall formally and in writing present it to the Provost/Chief Academic Officer. The Provost/Chief Academic Officer must respond in writing within seven days with the decision to the grievant.

Step Three: If the grievant is not satisfied with the resolution at Step Two, the student may request formally and in writing to the President to convene a grievance appeal committee. The selection of the committee to hear a student grievance will be as needed. The College President will appoint neutral and objective individuals from the following representative groups:

- Administrators 1 (acting as Director)
- Faculty members 1
- Students 1

Each committee member will receive a written report of the grievance with the supporting statements and evidence. Within seven days after receiving the written grievance, the committee will hold a hearing and both the grievant and the individual against whom the grievance is directed will be given the opportunity to present and be heard. Within seven days after the hearing, the committee will inform the Director of its decision and the reasons for the decision, in writing. The Director will inform both parties of the committee's decision in writing.

Step Four: Within seven days of the grievance committee's decision at Step Three, the grievant or the respondent may formally and in writing appeal the decision to the College President. That appeal is to be accompanied by the original grievance and copies of all subsequent written statements, evidence, and decisions. The President will make his/her decision known to all parties within seven days after receiving the appeal.

Note: The grievant may withdraw his/her grievance at any phase of the process provided that all concerned parties are notified in writing.

Confidentiality Policy

The investigation will be conducted in such a way as to maintain confidentiality to the extent practicable under the circumstances. Adherence to confidentiality is expected of all individuals directly and indirectly involved with the investigation process and its final determination.

If a victim discloses an incident to a responsible employee but wishes to maintain confidentiality or requests that no investigation into a particular incident be conducted or disciplinary action taken, the College will weigh that request under policy and any applicable law in determining its obligations and responsibilities.

Statement Against Retaliation

An individual who has engaged in a protected activity, such as bringing forth in good faith a grievance under this policy, is protected against retaliation. The College supports students' use of this grievance process and bringing forward complaints. As discussed in our other policies as well, protected activity also consists of the following: 1) opposing a practice made unlawful by one of statute; or 2) filing a charge, testifying, assisting, or participating in any

manner in an investigation, proceeding, or hearing under any applicable statute.

Any individual who believes that they are the victim of retaliation as described above, may file an oral or written complaint of retaliation under any of the applicable policies, including a grievance under this policy with the Title IX Coordinator(s) or designee, or with individuals responsible for enforcing College anti-discrimination, disability discrimination policies.

Online students should refer to the Online Grievance Policy, 6.14a.

COLLEGE ENVIRONMENT POLICIES

CRIMINAL OFFENDER RECORD INFORMATION (CORI) POLICY (Policy 4.03A)

Where Criminal Offender Record Information (CORI) checks are a part of a general background check for clinical or other placement of students, the following practices and procedures will be followed:

1. CORI checks will only be conducted as authorized by the Department of Criminal Justice Information Services (“DCJIS”) and M.G.L. c. 6 § 172, an only after a CORI acknowledgement form has been completed. All applicants will be notified that a CORI check will be conducted. If requested, the applicant will be provided with a copy of the CORI policy. Regardless of whether an applicant requests a copy of the CORI policy, as referenced below in this policy, if the College is inclined to make an adverse decision based on the results of a criminal history background check the applicant will be provided a copy of the College’s CORI Policy along with other information (see below).
2. All CORI obtained from the DCJIS is confidential, and access to the information will be limited to those individuals who have a “need to know”. This may include, but not be limited to, hiring managers, staff submitting the CORI requests, and staff charged with processing job applications. Quincy College must maintain and keep a current list of each individual authorized to have access to, or view, CORI. This list must be updated every six (6) months and is subject to inspection upon request by the DCJIS at any time.
3. An informed review of a criminal record requires adequate training. Accordingly, all personnel authorized to review CORI at Quincy College will review, and will be thoroughly familiar with the educational and relevant training materials regarding CORI laws and regulations made available by the DCJIS. Additionally, since Quincy College is an agency required by MGL c. 6, s. 171A, to maintain a CORI Policy, all personnel authorized to conduct criminal history background checks and/or to review CORI information will review, and will be thoroughly familiar with, the CORI Policy.
4. CORI used for employment purposes shall only be accessed for applicants who are otherwise qualified for the position for which they have applied. Unless otherwise provided by law, a criminal record will not automatically disqualify an applicant. Rather, determination of suitability based on CORI checks will be consistent with this policy and any applicable law or regulations.
5. If a criminal record is received from the DCJIS, the authorized individual will closely compare the record provided by the DCJIS with the information on the CORI acknowledgement form and any other identifying information provided by the applicant, to ensure the record belongs to the applicant. If the information in the CORI record provided does not exactly match the identification information provided by the applicant, a determination is to be made by an individual authorized to make such determinations based on a comparison of the CORI record and documents provided by the applicant.
6. If Quincy College is inclined to make an adverse decision based on the results of the CORI

check, the applicant will be notified in accordance with DCJIS regulations 803 CMR 2.18. The applicant shall be provided with a copy of the criminal record and the College's CORI policy. The subject will then be provided with an opportunity to dispute the accuracy of the CORI record. Subjects shall also be provided with a copy of DCJIS' Information Concerning the Process for Correcting a Criminal Record.

7. If Quincy College reasonably believes the record belongs to the applicant and is accurate, based on the information as provided in Section 4 of this policy, then the determination of suitability for the position or license will be made. Unless otherwise provided by law, factors considered in determining suitability may include, but may not be limited to, the following:
 - Relevance of the crime to the position sought;
 - The nature of the work to be performed;
 - Time since conviction;
 - Age of the candidate at the time of the offense;
 - Seriousness and specific circumstances of the offense;
 - The number of offenses;
 - Whether the applicant has pending charges;
 - Any relevant evidence of rehabilitation or lack thereof; and
 - Any other relevant information, including information submitted by the candidate or requested by the hiring authority.
8. Quincy College will notify the applicant of the decision and the basis of the decision in a timely manner.
9. All CORI obtained from the DCJIS is confidential and can only be disseminated as authorized by law and regulation. A central secondary dissemination log shall be used to record any dissemination of CORI outside this organization, including dissemination at the request of the subject.

STUDENT RIGHTS AND RESPONSIBILITIES (Policy 3.01)

As a microcosm of a democratic society, a college has many responsibilities to its community. Not the least of these should be the development of an understanding and appreciation of our representative form of government, the rights and responsibilities of the individual, and the procedures whereby necessary changes are brought about through an orderly process.

The College itself is a community, and must abide by the rights and regulations of the community and the laws by which it is governed. All those who enjoy the rights of participation in that community must also accept the responsibilities of its membership. A basic responsibility of those who enjoy the rights of citizenship is to respect the rights and regulations of the community.

The faculty has the responsibility to maintain an intellectual, fair, and safe environment for learning, and the administration the responsibility for overseeing and facilitating education, social and public service programs. The President may suspend students for cause. The faculty may send a student to an appropriate college official for cause.

The student is encouraged to participate in some form of student government that provides all students a voice in college affairs. All students are eligible to participate, as well as hold office.

A. Students have a right to:

1. Write, publish, and disseminate their views, provided such forms of expression do not interfere with or disrupt the educational process or the rights of others.
2. Assemble and voice their views peacefully on college property with prior administrative approval. The use of slander and obscenity is prohibited. The expression of such opinions will not interfere with the rights of others, will not interfere with the freedom of others to express themselves, and will not interfere with the operations of the College.
3. Enjoy privacy and confidentiality as members of the college community. No information in the student's record will be released to any source without the student's written consent, other than directory information, as required by law.
4. Review their college record with reasonable notice in the presence of a faculty member or administrator.
5. Belong to or refuse to belong to any organized group within the college.
6. Have representation and voice on all committees of the college having to do with academic standards, student affairs, and curriculum matters.
7. Obtain an education of the highest available quality.
8. Participate in all financial aid programs available at the college, providing eligibility requirements are met.
9. Receive fair and equal treatment by faculty, staff, and the administration in all college matters such as instruction, evaluation, and services.
10. Receive due process in any grievance or disciplinary procedure.

B. Students have the responsibility to:

1. Be knowledgeable of and comply with the policies and procedures of the

College and the Student Government.

2. Be knowledgeable of and comply with the regulations and laws of duly constituted civil agencies within the community of which the College is a part.
3. Meet course requirements. Students are free to take reasoned exception to views expressed.
4. Dress and behave in an appropriate manner that does not present safety hazards or cause disruptions.
5. Carry and be prepared to show official identification card at all times on college grounds.
6. Conduct themselves in a responsible fashion at off-campus events/learning activities.
7. Obey lawful instructions of college personnel.

RACIAL HARASSMENT POLICY (Policy 3.02A)

Policy: Quincy College is dedicated not only to learning, but also to the development of ethnically sensitive and responsible programs and persons. Because the College prepares individuals for participation in an increasingly diverse world, the climate of college life must be one in which academic freedom prevails along with respect for and tolerance of cultural, ethnic, racial, and religious differences. The College seeks to achieve these goals through sound educational programs and conduct policies that encourage effective collaborations, productive individual contributions and professional responsibility. Racial harassment, clearly in conflict with the general mission of this College, is strictly prohibited.

Definition: Racial harassment includes, but is not limited to, verbal, physical, or written abuse directed towards an individual or group on the basis of race or racial affiliation. While some examples of racial harassment such as physical and verbal assaults are easily identified, more frequent and generalized instances such as blatant or subtle graffiti and insensitive use of language, including epithets and humor, often go unacknowledged. Both types, however, can be equally damaging and, depending on the circumstances, can be considered by definition to be a form of discrimination.

As a public institution, the College policies must be consistent with existing state and federal constitutions and civil rights laws. In keeping with the College's role as an educational institution, however, the College policy regarding racial harassment is stringent in defining unacceptable behavior. Beyond state law and college regulations, Quincy College sees as part of its educational mission the responsibility for creating an open environment, which develops and nurtures respect for cultural and linguistic differences, and seeks to educate its members of the need for all types of diversity within its community.

Procedures: If an employee feels that they have been a victim of racial harassment the employee is encouraged to contact the Executive Staff Team Member of his/her program or department and the Director for Human Resources. In keeping with the applicable federal and state regulations, the same procedures as outlined under the Sexual Harassment Policy (3.03).

SERVICE ANIMAL POLICY (Policy 3.08)

In accordance with federal and state laws, regulations and guidances (including as applicable the Americans with Disabilities Act, Section 504 of the Rehabilitation Act, MGL ch. 272, sec. 98A, the Department of Education Office for Civil Rights) the College allows the use of service animals under handler control on College property as a means of providing access to employment, educational programs, activities and services to individuals with disabilities. The College generally permits service animals assisting individuals with disabilities in all facilities maintained by the College. The College complies with applicable federal and state laws, regulations and guidances the American Disabilities Act (ADA) and state laws related to service animals.

In the event of a conflict between any applicable law or rule and this policy, the law and rule will apply.

Animals that fall outside the legal definitions of service animal, such as animals which fall within the ADA definition of emotional support animals that are not also trained to provide a specific service, are generally not permitted on the campus.¹ Should an individual wish to request an exception to this rule, they may bring their requests to the College who will College will address such requests as a request for reasonable accommodation under applicable laws and make exceptions and determinations in accordance with any legal requirements. (See the ADA regulations for more information.)

Service Animals

The Americans with Disabilities Act (ADA) regulations defines "service animal" as any dog² that has been individually trained to do work or perform tasks for an individual with a disability. The task(s) performed by the dog must be directed related to the person's disability.

Examples of the types of Work a Service Animal May Provide

The work performed by a service animal must be directly related to its handler's disability. Examples of work performed by service animals include, but are not limited to:

- Assisting individuals who are blind or have low vision with navigation and other tasks.
- Alerting individuals who are deaf or hard of hearing to the presence of people or sounds.
- Providing non-violent protection or rescue work.
- Pulling a wheelchair.

¹ The College does not have residences.

² Under reasonable circumstances, a miniature horse that is trained to do work or perform tasks for the benefit of an individual with a disability may also be permitted as a service animal. The miniature horse must be under the owner's control, housebroken, ne of a's type, size, and weight that can be accommodated., and meet other requirements as described in the ADA in terms of safety and maintenance.

Employees should contact the Office of Human Resources EEO Coordinator Phone (617) 984-1610.

Service Animal Documentation

Consistent with Massachusetts law, all service animals on campus shall possess a valid animal license. Where required by law, all service animals should be properly vaccinated and wear a current license and rabies vaccination tag.

A service animal may, but is not required, to wear some type of recognizable symbol identifying it as a service animal. There is no requirement for documentation to prove that the animal has had particular training or is a certified service animal.

Where Service Animals are Allowed

Under the ADA and state regulations, service animals are allowed to accompany people with disabilities in all areas of the college where students, faculty or members of the public are normally allowed to go. People who use service animals will not be segregated from or treated less favorably than other students. Consistent with federal and state law, a service animal may be prohibited from a facility or program if the animal's behavior or presence poses a direct threat to the health or safety of others. However, it may be appropriate to exclude a service animal from certain sterile environments where the presence of a service animal may compromise the environment. For example, a service animal would be allowed in classrooms, administrative buildings, and dining areas. There may be instances where a service dog may be excluded from research areas, labs, mechanical room/custodian closets, or here the animal's presence may constitute a danger or a fundamental alteration of the program or activity conducted in the area. In such circumstances, the person with the disability would be considered for all reasonable accommodations. Access to restricted areas may be granted on a case by case basis by contacting the Student Accessibility Services Coordinator at the designated campus.

This policy applies to facilities owned by the College or under its control. Please be aware that there may be restrictions imposed on the use of service animals in non- college facilities, such as hospitals, science laboratories or other clinical locations, where students may be required to participate in a clinical program at a different work location. Such restrictions are established by the individual facilities according to their own policies and procedures. While the College will

work with students to identify programs, facilities and situations in their clinical areas where there are not facility restrictions or where accommodations can be made so as to ensure the student has full access to the clinical part of a program, the College does not control the restrictions set by other facilities in accordance with the laws.

Supervision and Management of the Service Animal

The owner has responsibility for the supervision and management of the service dog. The owner of the animal must abide by all state and local requirements regarding vaccination, licensure, leash control, and all other requirements for animals. The owner is responsible for the care and well-being of the animal, and is responsible for to clean up after and properly dispose of the animal's waste in a safe and sanitary manner.

Allergies and fear of dogs are not valid reasons for denying access or refusing service to people using service animals. When a person who is allergic to dog dander and a person who uses a service animal must spend time in the same room, for example, in a school classroom, they both should be accommodated by assigning them, if possible, to different locations within the room or different rooms in the college.

Etiquette Rules

If it is not apparent what your service animal does, you may be asked:

1. Is the animal required because of a disability?
2. What work or task has the animal been trained to perform?

These questions may not be asked if the tasks performed by the animal are obvious. For example, if a service animal is pulling a wheelchair or guiding a person who is blind. Additionally, the person with the service animal should not be asked if the animal has been certified, trained or licensed.

Members of the public should avoid:

- Petting a service animal, as it may distract the animal from its work.
- Feeding a service animal.
- Deliberately startling a service animal.
- Calling or attempting to attract the attention of a service animal.
- Attempting to separate a service animal from its handler.

Control of a Service Animal

The College is not responsible for the care or supervision of a service animal. A service animal must be under the control of its handlers at all times. A service animal shall have a leash or tether, unless the handler is unable because of a disability to use a leash or tether, or the use of such would interfere with the service animal's safe, effective performance of its work or tasks. Under those circumstances, where a service animal is not tethered, the service animal must be otherwise under the handler's control (i.e., voice control, signals, or other effective means).

Exclusion and Removal of a Service Animal from College Property

The College may direct an individual with a disability to remove a service animal from the

premises if the animal:

- If the service animal poses a direct threat to health and safety.
- Is out of control, such as aggressively barking or snapping, and its handler does not take effective action to control the animal (including if/when the animal poses a direct threat to others on campus and/or exhibits behavior that interferes with the educational process)
- Is not housebroken, is ill
- Is not properly licensed and/or vaccinated.

If the College removes a service animal from its premises, it will work with the individual with a disability the opportunity to participate in its programs or activity without having the service animal on the premises or with the service dog or another service dog where impediments to presence have been addressed.

Questions

For questions regarding service animals, please speak with Quincy College's Student Accessibility Associate at (617) 984-1682. Employees should contact the Office at Human Resources EEO Coordinator Phone (617) 984-1610.

Student Due Process Protections: Students accused of violating the Code of Conduct are entitled to the following procedural protections:

1. To be given notice of the alleged violation;

Disciplinary Process Steps:

1. Immediate and Interim Discipline
 - a) Interim Suspension
 - i. The President or designee may issue an interim suspension prior to a hearing for the following reasons:
 - a. To ensure the safety and well-being of the college community.

- b. To ensure the preservation of college property.
 - c. To ensure the student's own safety or well-being.
 - d. If the student poses an ongoing threat of disruption of or interference with the normal operations of the college.

 - iii. Interim suspensions will take effect immediately upon the direction of the President or designee. The student will be notified of the interim suspension by an email to the student's QuincyCollege e-mail account and by letter. Refusal to accept receipt of the notification shall not negate or postpone the interim suspension.
 - iv. The interim suspension will remain in effect until the hearing and a final decision has been made regarding the alleged violation of policy or the Code of Conduct or until the President or designee determines the reason for posing the interim suspension no longer exists.
 - v. In the event of an interim suspension, the CCO will make every attempt to expedite the judicial process.
- b) Removal from Classroom
- i. A Faculty Member or College Official may, for the sole purpose of maintaining order in the classroom, order that a student leave the classroom.
 - ii. If a Faculty Member or College Official orders a student to leave the classroom, the Faculty Member or College Official must, at the first opportunity but in any event not later than the same day on which such action occurred, submit, by means of the [Quincy College incident reporting system](#), an incident report thoroughly describing such action and the circumstances surrounding it.
 - iii. In the event that a Faculty Member or College Official who orders a student to leave the classroom intends for the resulting absence to last beyond the class meeting during which the order to leave occurred, that will be considered an interim suspension governed by the provisions above, and may not take effect unless and until the President or designee so orders.
- c) No Contact Order
- i. If, upon the credible allegation that a student has violated college policy(ies) and/or the Code of Conduct, the CCO may, subject to the requirements set forth below, issue a No Contact Order to the student against whom the allegation has been made.
 - ii. A No Contact Order may be issued by the CCO only for the purpose(s) of providing for the safety, protection, and/or well-being of the college community.
 - iii. A No Contact Order will apply to a student against whom it is issued on all college premises, at any college activity or event, and on any service or instrumentality offered or sponsored by Quincy College including, but not limited to, the Quincy College portal or Quincy College on-line course(s).
 - iv. The CCO shall, not later than one (1) day after the day on which the CCO has determined that a No Contact Order is appropriate, send to the student against whom the No Contact Order is issued, written notice of such No Contact Order

via the student's Quincy College e-mail account and by letter to the student's last known address. This written communication shall include the identity of the member or members of the college community that the Order has been issued to protect, the nature of such Order, and the consequences thereof.

- v. Nothing in this subsection (1) (c) shall be construed to prevent a No Contact Order to also be imposed as a sanction, as set forth in this Code of Conduct.
- d) Any Other Measure Deemed Appropriate by the CCO
- i. If, upon the credible allegation that a student has violated college policy(ies) and/or the Code of Conduct, the CCO may, at their sole discretion impose other interim disciplinary measures not otherwise referenced in Section IV (1) in this Code of Conduct and judicial process.
 - ii. In order to impose such other interim disciplinary measures, the CCO must be convinced that such measures are reasonable and necessary for the safety, protection, or well-being of the college community, college or college premises, or the maintenance of the normal operation of the college or any of its functions or activities.
 - iii. Such other interim disciplinary measures may be imposed by the CCO only if in their reasonable judgment the specific interim disciplinary measures cited above is inadequate to appropriately address a particular matter.

This written communication shall, as specifically as reasonable, include the charges and the nature of such measures and the consequences thereof.

- CCO feels circumstances warrant a late filing.
- c) As part of an investigation, within two (2) days of receiving the incident report, the CCO will notify, by the student's Quincy College e-mail account and by letter, the accused student of the alleged violation and request that the student meet with the CCO to respond to the allegation. The accused student has five (5) days from date of notice to contact to the CCO and arrange a meeting. The meeting must take place within two (2) days after contact is made, or otherwise within a reasonable time period as determined by the CCO. In the event that the accused student fails to contact the CCO within five (5) days, the CCO will review the facts and evidence and reach a determination without the accused student's response.
 - d) The CCO will also talk to the complainant and witnesses to determine if the evidence supports the alleged violation. In reaching the determination regarding a complaint, the evidentiary standard to be used by the CCO will be that of "preponderance of the evidence".
 - e) Upon completion of the investigation, if no violation has appeared to have taken place, the CCO shall dismiss the complaint and notify the accused student and the complainant that the complaint has been dismissed.
 - f) Upon completion of the investigation, if the CCO determines that a violation exists, the CCO will inform the accused student in writing, by completing a Statement of Charges letter, that a violation of the policy or the Code of Conduct has occurred and that judicial action will be taken. In the Statement of Charges letter, the student will be requested to contact the CCO within five (5) days to request a hearing. The Statement of Charges letter will outline the two procedural options that are available:
 - i. Administrative Hearing - At an administrative hearing with the CCO, the accused student may elect to admit responsibility for violating policy or the Code of Conduct and accept a sanction given by the CCO. The student shall sign the Administrative Disposition form and waive the right to a Judicial Board Hearing and any right of appeal. If the student chooses the Administrative Hearing, the student has the right not to consent to the Administrative Disposition if the student does not agree with the violation or sanction. Under such circumstances, the student may request a Judicial Board Hearing.
 - ii. Judicial Board Hearing – If the accused student does not agree to an Administrative Hearing or Administrative Disposition cannot be agreed upon, the accused student can request a hearing with the College Judicial Board.
 - g) In the event that the accused student does not contact the CCO regarding the Statement of Charges letter, the default disciplinary process will be a Judicial Board Hearing.
3. The Judicial Committee and the Judicial Board
 - a) The college shall have a Judicial Committee comprised of faculty and staff trained by the Judicial Appeals Officer to serve on the Judicial Board. The Judicial Board shall be comprised of two (2) faculty members, one (1) staff member, and a Chair. The Chair will not participate in the deliberations. The President shall appoint the Judicial Board members for each hearing as well as a Chair for that proceeding from among the Judicial Board Committee.

- b) A hearing with the Judicial Board shall be scheduled by the CCO not later than five (5) days following an accused student's request for a hearing or in the case of the student not responding to the Statement of Charges letter. The CCO shall notify the student of the Judicial Board Hearing date by an email sent to the student's Quincy College e-mail account or in writing via letter to the student's last known address.
 - c) The accused student shall have the right to:
 - i. Be provided with a copy of the Statement of Charges letter outlining the alleged violation of policy or the code of conduct.
 - ii. Be provided with a copy of the original Incident Report.
 - iii. Present witnesses and to question other witnesses who participate in the hearing as outlined in the Hearing Procedures.
 - iv. Present relevant information and evidence.
 - v. Be assisted by one advisor, including legal counsel, of the accused student's own choosing and at the accused student's own expense. The advisor's role is limited to advising the accused student directly. Advisors are not permitted to participate directly in the Judicial Board Hearing. Any advisor that violates these terms may be asked to leave by the Judicial Board Chairperson.
 - d) In the event that the student elects not to appear before the Judicial Hearing Board, the student waives the above rights. The Judicial Board will be presented with the Statement of Charges letter, the incident report and the witnesses present and will deliberate based on the information the Board obtained during the hearing.
 - e) In Judicial Board matters involving more than one accused student, the Chair may permit individual hearings for each accused student.
4. The Judicial Board Hearing
- a) All Judicial Board Hearings shall be conducted in private. Those in attendance shall include the Chair, Judicial Board Members, the CCO, the complainant, the accused student and selected advisor. Witnesses will not be present during the entire hearing. Each witness will be called in during the hearing to give their statement and to be questioned regarding their statement and then be excused.
 - b) There shall be an audio or video recording created of all hearings. The record shall be the property of the College.
 - c) The Chair shall preside over the hearing. All procedural questions are subject to the final decision of the Chair. All testimony and questioning shall be at the direction of the Chair. The Chair may limit or exclude testimony to the extent that such testimony is repetitive or not relevant to the matter before the Judicial Board.
 - d) A hearing shall proceed as follows:
 - i. The Chair will have the CCO present the Statement of Charges on behalf of the college and complainant. The CCO will submit a copy of the original incident report and any other evidence, documents, materials and/or witnesses in support of the Statement of Charges.
 - ii. The accused student can then respond to the Statement of Charges. The student may present documents, materials and/or witnesses in response to the Statement of Charges.
 - iii. The Judicial Board may question each party, their witnesses and/or review all evidence presented. The Judicial Board has the discretion to request additional

evidence, documents, materials or information from either party.

- iv. Neither party is allowed to question witnesses directly. After each witness has been questioned by the Judicial Board, the parties will be given the opportunity to ask questions by presenting the questions through the Chair. The other party will be asked to respond unless the Chair determines that the question is not relevant.
- v. The Chair will give the CCO and the accused student the opportunity to make final statements prior to dismissal from the hearing.
- e) Deliberations shall be conducted in a closed session of the Judicial Board immediately after the hearing. The Judicial Board shall determine by a majority vote whether the accused student has violated the policy or the Code of Conduct based upon the evidence presented and the preponderance of evidence.
- f) Within two (2) days of the conclusion of a hearing, the Chair shall issue a written decision outlining the Judicial Board's findings and sanction, if any, to the accused student and the CCO.
- g) All records related to the disciplinary proceedings shall be maintained in accordance with the Family Education Rights and Privacy Act (FERPA) and housed in the office of the CCO.

5. Sanctions

- a) A student found in violation of the college's Code of Conduct or college policy shall be subject to one or more of the following sanctions (none of these sanctions is intended to take the place of or limit the use of legal proceedings that may be available to the parties):

 - vii. Suspension – Student is separated from the college for a specified period of time after which the student is eligible to return. The student will not be entitled to a refund or to have academic accommodations made to complete work missed during a suspension. Students are not allowed to attend classes, attend college activities or be on campus during their suspension. Student must apply to the CCO for re-admittance.

 - b) An appeal must be in writing and be based upon a credible claim that:

Sex Discrimination Policy

Quincy College is committed to providing a productive learning environment in which students can pursue their educational goals. Sex-based harassment or sex discrimination undermines this commitment and affects the ability of students to focus on their educational achievement. Therefore, Quincy College will not tolerate nor condone any form of sex-based harassment or sex discrimination. Quincy College students are prohibited from engaging in sex-based harassment or sex discrimination, as defined below. No one shall be retaliated against for participating in the College's complaint resolution procedure in good faith as a complainant, a witness, an investigator, or in any other capacity. The following sections detail the official policy of Quincy College in regard to acts of sexual harassment as set forth in Title IX of the Education Amendment Act of 1972, the Violence Against Women Act and its Reauthorization, the Campus SaVE Act, the Clery Act, and other related laws.

Quincy College does not discriminate on the basis of sex in the education program or activity that it operates. This requirement not to discriminate in the education program or activity extends to admission and employment. Inquiries about the application of Title IX may be referred to the Title IX Coordinator, to the Assistant Secretary of the United States Department of Education, or both.

Inquiries about Title IX may be referred to Quincy College's Title IX Coordinator, the U.S. Department of Education's Office for Civil Rights, or both. Quincy College's Title IX Coordinator is

Violence Against Women Act (VAWA)

The Violence Against Women Reauthorization Act (VAWA), which President Obama reauthorized and signed into law in 2013, imposes new obligations on colleges and universities under its Campus Sexual Violence Act (SaVE Act) provision. Quincy College is committed to following these provisions. Under VAWA, Quincy College is required to:

- 1) Report dating violence, domestic violence, sexual assault, and stalking, beyond crime categories the Clery Act already mandates;
- 2) Adopt certain student discipline procedures, such as for notifying purported complainants of their rights; and
- 3) Adopt certain institutional policies to address and prevent campus sexual violence, such as to train in particular respects pertinent institutional personnel.

Reporting Obligations Under the Clery Act

In regard to sexual harassment cases, the Clery Act requires Quincy College to:

- **Publish an Annual Security Report (ASR)** by October 1, documenting three calendar years of select campus crime statistics including security policies and procedures and information on the basic rights guaranteed complainants of sexual assault. The law requires Quincy College to make the report available to all current students and employees, and prospective students and employees must be notified of its existence and given a copy upon request. Paper copies of the ASR should be available upon request. All crime statistics must be provided to the U.S. Department of Education. The Quincy College Annual Security Report is published by the Office of Institutional Research and Assessment in conjunction with Campus Services and Facilities and can be found at <http://quincycollege.edu/departments/institutional-research-assessment>
- **To have a public crime log.** Quincy College is required to maintain a public crime log documenting the "nature, date, time, and general location of each crime" and its disposition, if known. Incidents must be entered into the log within two business days. The log should be accessible to the public during normal business hours; remain open for 60 days and, subsequently, made available within two business days upon request. The Quincy College crime log is maintained by Campus Security and is available upon request.
- **Disclose crime statistics for incidents that occur on campus, in unobstructed public areas immediately adjacent to or running through the campus and at certain non-campus facilities including remote classrooms.** The statistics must be gathered from campus security, local law enforcement, and other school officials who have "significant responsibility for student and campus activities" (See Policy 11.02 – Reporting the Annual Disclosure of Crime Statistics).
- **Issue timely warnings about Clery Act crimes (to include forcible and non-forcible sex crimes) which pose a serious or ongoing threat to students and employees.** Please reference the Quincy College Emergency Response Plan for information regarding timely warning notifications (See also Policy 11.01 - Timely Warning Policy).
- **Devise an emergency response, notification and testing policy.** The Quincy College Emergency Response Plan which details the details of emergency response, immediate notification, timely warnings and testing procedures (See Policy 11.11 – Issuing an Emergency Notification and Policy 11.12 – Emergency Response).

Dating Violence

Dating violence is defined by:

- A reference to a violent crime
- Committed by
 - A person who is or has been in a social relationship of a romantic or intimate nature with the complainant. The existence of the relationship shall be determined based on the complainant's statement with consideration of the length of the relationship, the type of the relationship, and frequency of the relationship.
 - Dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse.

Domestic Violence

Domestic violence is defined by:

- A reference to a violent crime
- Committed by
 - Current or former spouse or intimate partner
 - Person sharing a child with the complainant
 - Person cohabitating with or has cohabitated with the complainant as a spouse or intimate partner
 - By a person similarly situated to a spouse of the complainant under the domestic or family violence laws of Massachusetts in which the crime of violence occurred
 - By any other person against an adult or youth complainant who is protected from that person's acts under the domestic or family violence laws of Massachusetts in which the crime of violence occurred

Effective Consent

Quincy College students are expected to engage in sexual behavior of any kind only with the fully informed and *effective consent* of all parties involved. *Effective consent* must be obtained for each instance and each escalation of sexual activity. Obtaining *effective consent* is the responsibility of the party initiating sexual activity. Doing otherwise may constitute sexual harassment and is a violation of Quincy College policy. As defined by VAWA and by Quincy College, effective consent is defined by:

- A voluntary and informed agreement to engage in sexual activity
- The agreement must be informed through mutually understandable words or actions
- Consent cannot be authorized by someone who is incapacitated
- Past consent does not imply future consent
- Silence or absence of resistance does not imply consent
- Consent to engage in sexual activity with one person does not imply consent to engage in sexual activity with another
- Consent can be withdrawn at any time
- Coercion, force, or threat at any time invalidates consent

Furthermore:

- Initiators of sexual activity are responsible for obtaining effective consent
- Consent is not effective if obtained from an individual who is incapable of giving consent due to the following or other reasons:
 - a mental, intellectual, or physical disability
 - is under the legal age to give consent
 - is asleep, unconscious, or physically helpless
 - is *incapacitated* by alcohol or other drugs
- Consent to one type of sexual activity does not imply consent to any other or all types of sexual activity
- A person can withdraw consent at any time

- Refusal, lack of consent, or non-consent may be expressed in many ways, verbally or physically
- Physical resistance is not necessary to communicate a lack of consent

Individuals who initiate sexual activity assume responsibility for their behavior and must understand that the use of alcohol or other drugs does not reduce accountability for their actions. The question is whether or not the person who initiated the sexual activity knew or whether a sober and reasonable person in the same position should have known whether the other person gave effective consent.

Incapacitation is the physical and/or mental inability to make informed, rational judgments and decisions. States of incapacitation include sleep and blackouts. Where alcohol or other substances are involved, incapacitation is determined by how the substance impacts a person's decision-making capacity, awareness of consequences, and ability to make informed judgments.

Coercion is to force one to act based on fear of harm to self or others. Means of coercion may include, but are not limited to, pressure, threats, emotional intimidation, or the use of physical force.

Force

Force may include words, conduct or appearance. Force includes causing another's intoxication or impairment through the use of drugs or alcohol. Coercion, intimidation, and non-physical threats can be all forms of force.

Nonconsensual Sexual Contact

Nonconsensual sexual contact is defined as any physical contact with another person of a sexual nature without that person's *effective consent*. The touching of a person's intimate parts (such as genitalia, groin, breast, buttocks, mouth, or clothing covering same); touching a person with one's own intimate parts; or forcing a person to touch another's intimate parts would be violations of this policy if they occur without *effective consent*.

Nonconsensual Sexual Penetration

Nonconsensual sexual penetration is defined as the sexual penetration of any bodily opening with any object or body part without *effective consent*. This could be committed by force, threat, intimidation, coercion, or through exploitation of another's mental or physical condition (such as lack of consciousness, *incapacitation* due to drugs or alcohol, age, or disability) of which the respondent was actually aware or which a reasonable person in the respondent's position should have been aware.

Sexual Assault

Sexual assault has been committed when an individual engages in sexual activity without the explicit consent of the other individual involved. Sexual activity is any touching of a sexual or other intimate part of a person. Sexual assault includes any forced act against one's will where sex is the weapon. This can include, but is not limited to:

- Sexual Battery: the unwanted touching of an intimate part of another person
- Sodomy: forced anal intercourse
- Oral Copulation: forced oral-genital contact
- Rape by a Foreign Object: forced penetration by a foreign object including digits (fingers and toes)
- Rape: penile-vaginal intercourse against a person's will and without consent

Recent legislation also makes it a felony to engage in video voyeurism, secretly capturing images of another person in a private place without consent.

Whether or not specifically stated, it is an element of every sexual assault that the sexual act was committed without consent of the complainant.

It includes offenses classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation.

Discrimination on the basis of sex

Discrimination on the basis of sex stereotypes, sex characteristics, pregnancy or related conditions, sexual orientation, and gender identity.

Sexual Harassment

Under state law, sexual harassment is sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature constitute sexual harassment under Massachusetts law when:

- Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's advancement (quid pro quo harassment);
- Submission to or rejection of such conduct by an individual is used as the basis for employment decisions;
- Such conduct interferes with an individual's job duties; or
- The conduct creates an intimidating, hostile or offensive work environment.

Under Federal law, sex-based harassment is a form of sex discrimination and means sexual harassment and other harassment on the basis of sex, including on the basis of sex stereotypes, sex characteristics, pregnancy or related conditions, sexual orientation, and gender identity, that is:

- *Quid pro quo harassment.* An employee, agent, or other person authorized by Quincy College to provide an aid, benefit, or service under Quincy College's education program or activity explicitly or impliedly conditioning the provision of such an aid, benefit, or service on a person's participation in unwelcome sexual conduct;
- *Hostile environment harassment.* Unwelcome sex-based conduct that, based on the totality of the circumstances, is subjectively and objectively offensive and is so severe or pervasive that it limits or denies a person's ability to participate in or benefit from Quincy College's education program or activity (*i.e.*, creates a hostile environment). Whether a

hostile environment has been created is a fact-specific inquiry that includes consideration of the following:

- The degree to which the conduct affected the complainant’s ability to access Quincy College’s education program or activity;
 - The type, frequency, and duration of the conduct;
 - The parties’ ages, roles within Quincy College’s education program or activity, previous interactions, and other factors about each party that may be relevant to evaluating the effects of the conduct;
 - The location of the conduct and the context in which the conduct occurred; and
 - Other sex-based harassment in Quincy College’s education program or activity.
- *Specific offenses.*
 - Sexual assault
 - Dating violence
 - Domestic violence
 - Stalking

The included definitions of effective consent, dating violence, domestic violence, and stalking are in accordance with VAWA’s required definitions for student conduct code policies. Some behaviors covered by these definitions might be referred to as rape, sexual assault, or sexual battery in criminal statutes. Terms that are also used culturally include date rape, acquaintance rape, or intimate partner violence. Sexual harassment can occur between individuals who know each other, have an established relationship, have previously engaged in consensual sexual activity, and between individuals who do not know each other. Sex-based harassment can be committed by persons of any gender identity, and it can occur between people of the same or different sex.

Even one instance of sex-based harassment, if severe enough, may create a hostile environment. A non-exhaustive set of examples of conduct that might constitute sex-based harassment are included below. One or more of these actions will only be considered sex-based harassment when that conduct has the purpose or effect of unreasonably interfering with another individual’s working conditions or academic experience, or of creating a hostile working or academic environment.

*Examples of **verbal sex-based harassment** may include unwelcome conduct such as unwelcome sexual flirtation, advances or propositions or requests for sexual activity or dates; asking about someone else’s sexual activities, fantasies, preferences, or history; discussing one’s own sexual activities, fantasies, preferences, or history; verbal abuse of a sexual nature; suggestive comments; sexually explicit jokes; turning discussions at work or in the academic environment to sexual topics; and making offensive sounds such as smacking or licking lips, kissing sounds, or “wolf whistles.”*

*Examples of **nonverbal sex-based harassment** include unwelcome conduct such as displaying sexual objects, pictures or other images; invading a person’s personal body space, such as standing closer than appropriate or necessary or hovering; displaying or wearing objects or items of clothing which express sexually offensive comments; making sexual gestures with hands*

or body movements; looking at a person in a sexually suggestive or intimidating manner; or delivering unwanted letters, gifts, or other items of a sexual nature. In addition, nonconsensual sexual contact, sexual exploitation, and nonconsensual sexual penetration may constitute nonverbal instances of sexual harassment.

Sex-based harassment does not include material or discussion that is appropriately related to course subject matter or curriculum, and this policy shall not abridge academic freedom or the College's educational mission.

Sexual Exploitation

Sexual exploitation means taking sexual advantage of another person and includes, without limitation: indecent exposure; causing or attempting to cause the incapacitation of another person in order to gain a sexual advantage over him or her; causing the prostitution of another person; recording, photographing, or transmitting images of private sexual activity and/or the intimate parts of another person without effective consent; allowing third parties to observe private sexual acts without effective consent; engaging in voyeurism without effective consent; and knowingly or recklessly exposing another person to a significant risk of sexually transmitted infection, including HIV.

Stalking

Stalking is defined by:

- Engaging in a course of conduct (at least two or more acts by which the accused directly, indirectly or through third parties follows, monitors, observes, surveils, threatens, or communicates about a person or interferes with his or her property)
- Directed at a specific person and
- Causes a reasonable person to fear for his or her safety of others or causes that person to suffer substantial emotional damage

Administrative leave

Administrative leave means placing an employee on leave pursuant to state law. Nothing in the Title IX regulations precludes a recipient from placing a non-student employee respondent on administrative leave during the pendency of a grievance process, provided that Massachusetts laws are followed.

Emergency removal

Emergency removal means the suspension or expulsion of a student on an emergency basis, consistent with state law. Nothing in the Title IX regulations precludes Quincy College from removing a respondent from Quincy College's education program or activity on an emergency basis, provided that Quincy College follows all procedures under Massachusetts law, undertakes an individualized safety and risk analysis, determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sex-based harassment justifies removal, and provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.

Complaint

An oral or written request to Quincy College that objectively can be understood as a request for Quincy College to investigate and make a determination about alleged discrimination under Title IX or its regulations. The Title IX Coordinator will file this complaint if the Title IX Coordinator determines that the conduct as alleged presents an imminent and serious threat to the health or safety of the complainant or other person, or that the conduct as alleged prevents Quincy College from ensuring equal access on the basis of sex to its education program or activity. The following factors go into the decision by the Title IX Coordinator:

- The complainant’s request not to proceed with initiation of a complaint;
- The complainant’s reasonable safety concerns regarding initiation of a complaint;
- The risk that additional acts of sex discrimination would occur if a complaint is not initiated;
- The severity of the alleged sex discrimination, including whether the discrimination, if established, would require the removal of a respondent from campus or imposition of another disciplinary sanction to end the discrimination and prevent its recurrence;
- The age and relationship of the parties, including whether the respondent is an employee of Quincy College;
- The scope of the alleged sex discrimination, including information suggesting a pattern, ongoing sex discrimination, or sex discrimination alleged to have impacted multiple individuals;
- The availability of evidence to assist a decisionmaker in determining whether sex discrimination occurred; and
- Whether Quincy College could end the alleged sex discrimination and prevent its recurrence without initiating its grievance procedures.

Complainant

- A student or employee who is alleged to have been subjected to conduct that could constitute sex discrimination under Title IX or its regulations; or
- A person other than a student or employee who is alleged to have been subjected to conduct that could constitute sex discrimination under Title IX or its regulations and who was participating or attempting to participate in Quincy College’s education program or activity at the time of the alleged sex discrimination.
- A parent, guardian, or other authorized legal representative with the legal right to act on behalf of a complainant; or
- Quincy College’s Title IX Coordinator.

Respondent

A person who is alleged to have violated Quincy College’s prohibition on sex discrimination.

Disciplinary sanctions

Consequences imposed on a respondent following a determination under Title IX that the respondent violated Quincy College’s prohibition on sex discrimination.

Retaliation

Intimidation, threats, coercion, or discrimination against any person by Quincy College, a student, or an employee or other person authorized by Quincy College to provide aid, benefit, or service under Quincy College’s education program or activity, for the purpose of interfering with any right or privilege secured by Title IX or its regulations, or because the person has reported information, made a complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under the Title IX regulations.

Relevant

Related to the allegations of sex discrimination under investigation as part of these grievance procedures. Questions are relevant when they seek evidence that may aid in showing whether the alleged sex discrimination occurred, and evidence is relevant when it may aid a decisionmaker in determining whether the alleged sex discrimination occurred.

Remedies

Measures provided, as appropriate, to a complainant or any other person Quincy College identifies as having had their equal access to Quincy College’s education program or activity limited or denied by sex discrimination. These measures are provided to restore or preserve that person’s access to Quincy College’s education program or activity after Quincy College determines that sex discrimination occurred.

Supportive measures

Means individualized measures offered as appropriate, as reasonably available, without unreasonably burdening a complainant or respondent, not for punitive or disciplinary reasons, and without fee or charge to the complainant or respondent to:

- Restore or preserve that party’s access to Quincy College’s education program or activity, including measures that are designed to protect the safety of the parties or Quincy College’s educational environment; or
- Provide support during Quincy College’s grievance procedures or during an informal resolution process.

- A biological parent;
- An adoptive parent;
- A foster parent;
- A stepparent;
- A legal custodian or guardian;

All investigators, facilitators of informal resolution, decisionmakers and other persons responsible for supportive measures/Title IX process will have additional training on:

- rules and practices associated with Quincy College’s informal resolution process and on how to serve impartially, including by avoiding conflicts of interest and bias.

In addition, the Title IX Coordinator and designees will receive training on their specific responsibilities, recordkeeping and any other training necessary to implement Title IX.

Quincy College also must ensure that investigators receive training on issues of relevance to create an investigative report that fairly summarizes relevant evidence. In accordance with VAWA, investigators will receive harassment least annual training related to sexual crimes and the college’s investigative procedures.

Any materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process, must not rely on sex stereotypes and must promote impartial investigations and adjudications of formal complaints of sex-based harassment.

These training materials will be posted on Quincy College’s website.

Incoming Students and New Employees

Under VAWA, new students and new employees will be offered primary prevention and awareness programs that promote awareness of rape, acquaintance rape, domestic violence, sexual assault, and stalking. In accordance with VAWA, these programs will be:

Sexual Harassment Policy Applicability

Quincy College has adopted these grievance procedures to provide for the prompt and equitable resolution of complaints made by students, employees, or other individuals who are participating or attempting to participate in its education program or activity, or by the Title IX Coordinator, alleging any action that would be prohibited by Title IX or the Title IX regulations.

To report information about conduct that may constitute sex discrimination or make a complaint of sex discrimination under Title IX, please refer to the procedures below.

Students who engage in behavior that violate local, state and/or federal law may be subject to civil and/or criminal proceedings in addition to the college disciplinary/judicial procedures.

Bystander Intervention

Quincy College expects all members of the College community to take reasonable actions to prevent or stop an act of sexual harassment. Bystanders can help in several different ways, including direct intervention, seeking assistance from an authority figure, notifying campus security, or calling State or local law enforcement.

If you see an act of sex-based harassment: It is important to understand that no individual has the right to be violent, regardless of whether people are in a relationship. Recognizing when acts of sexual harassment are occurring is the first step to intervening. If you make the decision to intervene, do so safely—violence does not stop violence, and, if you cannot stop the act with your words, call campus security or local law enforcement. Do not be afraid to call on others for help.

If a complainant confides in you: It is important to let the complainant tell their story. Listen respectfully, and help them explain and identify what has happened to them. Do not contradict them or play “devil’s advocate” even if parts of the story don’t immediately make sense or even if you would have made other choices when presented with the same scenario or challenges. Help the complainant identify others in their network who they can confide in. Ask the complainant what they need to feel safe, encourage them to seek medical attention and counseling, and encourage them to report the act if they feel comfortable doing so. The first people that a complainant talks to can have a significant impact on the person and their ability to report and get through an ordeal. Be a supportive, kind, understanding and nonjudgmental person and you can be a positive force for this complainant in seeking the help they require to move forward.

Recognizing Signs of Abuse

Behavioral signs or changes may indicate sexual abuse and can include¹:

- Anxiety
- Depression
- Sleep disturbances including nightmares or night terrors

- Withdrawal; runaway behavior
- Change in attitude towards school or academic performance; lack of interest in friends, sports, or other activities
- Unexplained or frequent health problems like headaches or stomachaches

Rights of the Complainant

Quincy College is committed to making accommodations for orders of protection, no contact orders, restraining orders, or similar lawful orders issued by a criminal, civil, or tribal court or by the institution.

Sex Discrimination Procedures

The following sections detail Quincy College’s procedures for reporting, investigating, and enforcing disciplinary actions related to sex discrimination. These procedures may be modified, revised or amended at the discretion of Quincy College.

Reporting Procedures

The following people have a right to make a complaint of sex discrimination, including complaints of sex-based harassment, requesting that Quincy College investigate and make a determination about alleged discrimination under Title IX:

A “complainant,” which includes:

- a student or employee of Quincy College who is alleged to have been subjected to conduct that could constitute sex discrimination under Title IX; or
- a person other than a student or employee of Quincy College who is alleged to have been subjected to conduct that could constitute sex discrimination under Title IX at a time when that individual was participating or attempting to participate in Quincy College’s education program or activity;
- A parent, guardian, or other authorized legal representative with the legal right to act on behalf of a complainant; or
- Quincy College’s Title IX Coordinator

Note that a person is entitled to make a complaint of sex-based harassment only if they themselves are alleged to have been subjected to the sex-based harassment, if they have a legal right to act on behalf of such person, or if the Title IX Coordinator initiates a complaint consistent with the requirements of 34 C.F.R. § 106.44(f)(1)(v).

With respect to complaints of sex discrimination other than sex-based harassment, in addition to the people listed above, the following persons have a right to make a complaint:

- Any student or employee of Quincy College; or
- Any person other than a student or employee who was participating or attempting to participate in Quincy College’s education program or activity at the time of the alleged sex discrimination.

Quincy College may consolidate complaints of sex discrimination against more than one respondent, or by more than one complainant against one or more respondents, or by one party against another party, when the allegations of sex discrimination arise out of the same facts or circumstances. Quincy College cannot consolidate if it would violate FERPA. Consolidation would not violate FERPA when Quincy College obtains prior written consent from the eligible students to the disclosure of their education records. When more than one complainant or more than one respondent is involved, references below to a party, complainant, or respondent include the plural, as applicable.

Quincy College will address a sex- based hostile environment allegation under its education program or activity, even when some conduct alleged to be contributing to the hostile environment occurred outside Quincy College’s education program or activity or outside the United States.

All employees who are not confidential employees must notify the building principal or the Title IX Coordinator when the employee has information about conduct that reasonably may constitute sex discrimination under Title IX.

Confidential Employees

Quincy College has designated the following individuals as confidential employees for the purposes of Title IX and for the purposes of providing services to persons related to sex discrimination:

Melissa Lord
Student Program and Wellness Coach
1250 Hancock Street
Quincy, MA 02169
mlord@quincycollege.edu
617-984-1683

The employee’s confidential status only relates to information received about sex discrimination in connection with implementing the Title IX process.

Confidential employees will explain to any person who informs the confidential employee of conduct that reasonably may constitute sex discrimination under Title IX:

- The employee’s status as confidential for purposes of this part, including the circumstances in which the employee is not required to notify the Title IX Coordinator about conduct that reasonably may constitute sex discrimination;
- How to contact Quincy College’s Title IX Coordinator and how to make a complaint of sex discrimination; and
- That the Title IX Coordinator may be able to offer and coordinate supportive measures, as well as initiate an informal resolution process or an investigation under the grievance procedures.

Supportive Measures

Upon receiving notice of alleged sexual harassment without a formal complaint, staff members must notify the Title IX Coordinator. The Title IX Coordinator must then contact the complainant within five business days of receiving the complaint and do the following:

- Discuss and offer supportive measures;
- Consider the complainant’s wishes with respect to supportive measures;
- Explain that supportive measures may be received with or without filing a complaint;
- Determine whether the complainant wishes to file a complaint; and
- Explain to the complainant the purpose of filing a complaint.

The Title IX Coordinator must document in writing the supportive measures offered/provided or why no supportive measures were offered/provided.

A respondent will be offered supportive measures if Quincy College has initiated a Title IX complaint or if Quincy College has offered informal resolution. If the Title IX Coordinator is initiating the complaint, the Title IX Coordinator will notify the complainant prior to doing so and appropriately address reasonable concerns about the complainant’s safety or the safety of others, including by providing supportive measures.

Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. Quincy College must maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of Quincy College to provide the supportive measures.

If the complainant or respondent is a student with a disability, the Title IX Coordinator will consult with one or more members, as appropriate, of the student’s IEP or 504 Team to determine how to comply with the requirements of the Individuals with Disabilities Education Act, 20 U.S.C. 1400 *et seq.*, and Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. 794, in the implementation of supportive measures.

For complaints of dating violence, domestic violence, sexual assault or stalking that occurred off-campus, the Title IX Coordinator will provide the complainants with information on supportive measures, the importance of preserving evidence that may assist in proving that the alleged criminal offense occurred or may be helpful in obtaining a protection order, how and to whom the alleged offense should be reported options about the involvement of law enforcement and campus authorities, information about how Quincy College will protect the confidentiality of complainants and notification about existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid, and other services available for victims, both within the institution and in the community.

Informal Resolution

In lieu of resolving a complaint through Quincy College’s Title IX grievance procedures, the parties may instead elect to participate in an informal resolution process. Quincy College does not offer informal resolution when such a process would conflict with Federal, State, or local law. Quincy College will inform the parties in writing of any informal resolution process it offers and determines is appropriate, if any.

Facilitators of informal resolution will be designated by the Title IX Coordinator and must not be biased against any of the parties. Prior to beginning informal resolution, the Title IX Coordinator will send notice to the parties of the process and their rights.

Before the initiation of an informal resolution process, Quincy College will explain in writing to the parties:

- The allegations;
- The requirements of the informal resolution process;
- That any party has the right to withdraw from the informal resolution process and initiate or resume grievance procedures at any time before agreeing to a resolution;
- That if the parties agree to a resolution at the end of the informal resolution process, they cannot initiate or resume grievance procedures arising from the same allegations;
- The potential terms that may be requested or offered in an informal resolution agreement, including notice that an informal resolution agreement is binding only on the parties; and
- What information Quincy College will maintain and whether and how Quincy College could disclose such information for use in Title IX grievance procedures if such procedures are initiated or resumed.

Informal resolution is entirely voluntary. Parties may elect to pursue formal procedures at any step in the process of making their complaint, including prior to filing one.

If the complainant and the respondent feel that their grievances have been sufficiently addressed via informal resolution, then no further action needs to be taken. This voluntary conversation must occur within thirty (30) business days after receiving the allegations, unless both parties agree otherwise. The results of an informal resolution shall be maintained by the facilitator, in writing.

Statement Against Retaliation

An individual who has engaged in a protected activity is safeguarded against retaliation. No one may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by title IX or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this part. Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or sexual harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or formal complaint of sexual harassment, for the purpose of interfering with any right or privilege secured by title IX constitutes retaliation.

Any individual who believes they are the complainant of retaliation as described above, may file an oral or written complaint of retaliation with the Title IX Coordinator(s) or designee. The complaint of retaliation will be addressed in accordance with this policy. The complaint of retaliation will be treated as a new and separate complaint.

Investigative Process - Overview

During the grievance process, Quincy College will treat complainants and respondents equally.

Quincy College requires that any Title IX Coordinator, investigator, or decisionmaker not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent. A decisionmaker may be the same person as the Title IX Coordinator or investigator.

Quincy College presumes that the respondent is not responsible for the alleged sex discrimination until a determination is made at the conclusion of its grievance procedures.

Quincy College has established the following timeframes for the major stages of the grievance procedures:

- Within five business days, Quincy College will decide whether to dismiss or investigate a complaint.
- Within sixty business days, Quincy College will investigate and decide on the complaint.
- The parties will have ten calendar days to appeal a decision from the decision-maker or of a decision to dismiss the complaint. Quincy College will decide an appeal within thirty calendar days of receipt.

Quincy College will provide all parties with a reasonable extension of timeframes on a case-by-case basis for good cause with notice to the parties that includes the reason for the delay. If a party is seeking an extension, they should request an extension from the Title IX Coordinator in writing, explaining the reasons for the requested extension. The Title IX Coordinator will rule on the extension in writing to all parties. If Quincy College requires an extension for good cause, it will notify all the parties of the reasons.

Quincy College will take reasonable steps to protect the privacy of the parties and witnesses during its grievance procedures. These steps will not restrict the ability of the parties to obtain and present evidence, including by speaking to witnesses; consult with their family members, confidential resources, or advisors; or otherwise prepare for or participate in the grievance procedures. The parties cannot engage in retaliation, including against witnesses.

Quincy College will objectively evaluate all evidence that is relevant and not otherwise impermissible—including both inculpatory and exculpatory evidence. Credibility determinations will not be based on a person’s status as a complainant, respondent, or witness.

The following types of evidence, and questions seeking that evidence, are impermissible (*i.e.*, will not be accessed or considered, except by Quincy College to determine whether one of the exceptions listed below applies; will not be disclosed; and will not otherwise be used), regardless of whether they are relevant:

- Evidence that is protected under a privilege recognized by Federal or State law or evidence provided to a confidential employee, unless the person to whom the privilege or confidentiality is owed has voluntarily waived the privilege or confidentiality;
- A party’s or witness’s records that are made or maintained by a physician, psychologist, or other recognized professional or paraprofessional in connection with the provision of treatment to the party or witness, unless Quincy College obtains that party’s or witness’s voluntary, written consent for use in its grievance procedures; and
- Evidence that relates to the complainant’s sexual interests or prior sexual conduct, unless evidence about the complainant’s prior sexual conduct is offered to prove that someone other than the respondent committed the alleged conduct or is evidence about specific incidents of the complainant’s prior sexual conduct with the respondent that is offered to prove consent to the alleged sex-based harassment. The fact of prior consensual sexual conduct between the complainant and respondent does not by itself demonstrate or imply the complainant’s consent to the alleged sex-based harassment or preclude determination that sex-based harassment occurred.

In accordance with VAWA, the College will provide timely notice of meetings and decisions to the parties involved, including interviews. The alleged accused and complainant(s) will be provided timely access to information found in the investigative process to be used in disciplinary proceedings.

Notice of Allegations

Upon initiation of Quincy College’s Title IX grievance procedures, Quincy College will notify the parties of the following:

- Quincy College’s Title IX grievance procedures and any informal resolution process;
- Sufficient information available at the time to allow the parties to respond to the allegations, including the identities of the parties involved in the incident(s), the conduct alleged to constitute sex discrimination, and the date(s) and location(s) of the alleged incident(s);
- Retaliation is prohibited; and

- The parties are entitled to an equal opportunity to access the relevant and not otherwise impermissible evidence.
- The respondent is presumed not responsible for the alleged sex-based harassment until a determination is made at the conclusion of the grievance procedures. Prior to such a determination, the parties will have an opportunity to present relevant and not otherwise impermissible evidence to a trained, impartial decisionmaker;
- The parties may have an advisor of their choice who may be, but is not required to be, an attorney;
- Quincy College’s Code of Conduct prohibits knowingly making false statements or knowingly submitting false information during grievance procedures, include the following: Section 13 of Quincy College’s Code of Conduct prohibits knowingly making false statements or knowingly submitting false information during the grievance procedures.

If, in the course of an investigation, Quincy College decides to investigate additional allegations of sex discrimination by the respondent toward the complainant that are not included in the notice provided or that are included in a complaint that is consolidated, Quincy College will notify the parties of the additional allegations.

To the extent Quincy College has reasonable concerns for the safety of any person as a result of providing this notice, Quincy College may reasonably delay providing written notice of the allegations in order to address the safety concern appropriately. Reasonable concerns must be based on individualized safety and risk analysis and not on mere speculation or stereotypes

Dismissal of a Complaint

Quincy College may dismiss a complaint of sex discrimination if:

- Quincy College is unable to identify the respondent after taking reasonable steps to do so;
- The respondent is not participating in Quincy College’s education program or activity and is not employed by Quincy College;
- The complainant voluntarily withdraws any or all of the allegations in the complaint, the Title IX Coordinator declines to initiate a complaint, and Quincy College determines that, without the complainant’s withdrawn allegations, the conduct that remains alleged in the complaint, if any, would not constitute sex discrimination under Title IX even if proven; or
- Quincy College determines the conduct alleged in the complaint, even if proven, would not constitute sex discrimination under Title IX. Before dismissing the complaint, Quincy College will make reasonable efforts to clarify the allegations with the complainant.

Upon dismissal, Quincy College will promptly notify the complainant of the basis for the dismissal. If the dismissal occurs after the respondent has been notified of the allegations, then Quincy College will also notify the respondent of the dismissal and the basis for the dismissal promptly following notification to the complainant, or simultaneously if notification is in writing.

Quincy College will obtain the complainant’s withdrawal in writing if dismissing a complaint based on the complainant’s voluntary withdrawal of the complaint or allegations.

Quincy College will notify the complainant that a dismissal may be appealed and will provide the complainant with an opportunity to appeal the dismissal of a complaint. If the dismissal occurs after the respondent has been notified of the allegations, then Quincy College will also notify the respondent that the dismissal may be appealed. Dismissals may be appealed on the following bases:

- Procedural irregularity that would change the outcome;
- New evidence that would change the outcome and that was not reasonably available when the dismissal was made; and
- The Title IX Coordinator, investigator, or decisionmaker had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that would change the outcome.

If the dismissal is appealed, Quincy College will:

- Notify the parties of any appeal, including notice of the allegations, if notice was not previously provided to the respondent;
- Implement appeal procedures equally for the parties;
- Ensure that the decisionmaker for the appeal did not take part in an investigation of the allegations or dismissal of the complaint;
- Ensure that the decisionmaker for the appeal has been trained consistent with the Title IX regulations;
- Provide the parties a reasonable and equal opportunity to make a statement in support of, or challenging, the outcome; and
- Notify the parties of the result of the appeal and the rationale for the result.

When a complaint is dismissed, Quincy College will, at a minimum:

- Offer supportive measures to the complainant as appropriate;
- If the respondent has been notified of the allegations, offer supportive measures to the respondent as appropriate; and
- Take other prompt and effective steps, as appropriate, through the Title IX Coordinator to ensure that sex discrimination does not continue or recur within Quincy College’s education program or activity.

Investigation

Quincy College will provide for adequate, reliable, and impartial investigation of complaints.

The burden is on Quincy College—not on the parties—to conduct an investigation that gathers sufficient evidence to determine whether sex discrimination occurred.

Quincy College will provide to a party whose participation is invited or expected, written notice of the date, time, location, participants, and purpose of all meetings or proceedings with sufficient time for the party to prepare to participate.

Quincy College will provide the parties with the same opportunities to be accompanied to any meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney.

Quincy College will not limit the choice or presence of the advisor for the complainant or respondent in any meeting or proceeding.

Quincy College may establish restrictions regarding the extent to which the advisor may participate in these grievance procedures, as long as the restrictions apply equally to the parties. Quincy College will provide the parties with the same opportunities, if any, to have people other than the advisor of the parties' choice present during any meeting or proceeding.

Quincy College will provide an equal opportunity for the parties to present fact witnesses and other inculpatory and exculpatory evidence that are relevant and not otherwise impermissible.

Quincy College will review all evidence gathered through the investigation and determine what evidence is relevant and what evidence is impermissible regardless of relevance.

Quincy College will provide each party and the party's advisor, if any, with an equal opportunity to access the evidence that is relevant to the allegations of sex discrimination and not otherwise impermissible, in the following manner:

- Quincy College will provide an equal opportunity to access either the relevant and not otherwise impermissible evidence;
- Quincy College will provide a reasonable opportunity to review and respond to the evidence; and
- Quincy College will take reasonable steps to prevent and address the parties' unauthorized disclosure of information and evidence obtained solely through the grievance procedures. Disclosures of such information and evidence for purposes of administrative proceedings or litigation related to the complaint of sex discrimination are authorized.

Questioning the Parties and Witnesses

Quincy College will require the decisionmaker to question parties and witnesses to adequately assess a party's or witness's credibility to the extent credibility is both in dispute and relevant to evaluating one or more allegations of sex discrimination. The decisionmaker will question witnesses and parties directly to make this determination.

Quincy College does not conduct live hearings. Quincy College will determine based on the individual case whether the parties may present expert witnesses as long as the determination applies equally to the parties.

The process for proposing and asking relevant and not otherwise impermissible questions and follow-up questions of parties and witnesses, including questions challenging credibility, will:

- Allow the investigator or decisionmaker to ask such questions during individual meetings with a party or witness;
- Allow each party to propose such questions that the party wants asked of any party or witness and have those questions asked by the investigator or decisionmaker during one or more individual meetings, including follow-up meetings, with a party or witness, subject to the procedures for evaluating and limiting questions discussed below; and
- Provide each party with an audio or audiovisual recording or transcript with enough time for the party to have a reasonable opportunity to propose follow-up questions.

The decisionmaker will determine whether a proposed question is relevant and not otherwise impermissible before the question is posed and will explain any decision to exclude a question as not relevant or otherwise impermissible. Questions that are unclear or harassing of the party or witness being questioned will not be permitted. The decisionmaker will give a party an opportunity to clarify or revise a question that the decisionmaker determines is unclear or harassing. If the party sufficiently clarifies or revises the question, the question will be asked.

Refusal to respond to questions and inferences based on refusal to respond to questions: The decisionmaker may choose to place less or no weight upon statements by a party or witness who refuses to respond to questions deemed relevant and not impermissible. The decisionmaker will not draw an inference about whether sex-based harassment occurred based solely on a party's or witness's refusal to respond to such questions.

Determination Whether Sex Discrimination Occurred

Following an investigation and evaluation of all relevant and not otherwise impermissible evidence, Quincy College will:

Use the preponderance of the evidence standard of proof to determine whether sex discrimination occurred. The standard of proof requires the decisionmaker to evaluate relevant and not otherwise impermissible evidence for its persuasiveness. If the decisionmaker is not persuaded under the applicable standard by the evidence that sex discrimination occurred, whatever the quantity of the evidence is, the decisionmaker will not determine that sex discrimination occurred.

The decisionmaker will:

- Notify the parties in writing of the determination whether sex discrimination occurred under Title IX including the rationale for such determination, and the procedures and permissible bases for the complainant and respondent to appeal, if applicable;
- Not impose discipline on a respondent for sex discrimination prohibited by Title IX unless there is a determination at the conclusion of the grievance procedures that the respondent engaged in prohibited sex discrimination.
- If there is a determination that sex discrimination occurred, the Title IX Coordinator will, as appropriate:

Quincy College –Sex Discrimination Policy and Procedures

- Coordinate the provision and implementation of remedies to a complainant and other people Quincy College identifies as having had equal access to Quincy College’s education program or activity limited or denied by sex discrimination;
- Coordinate the imposition of any disciplinary sanctions on a respondent, including notification to the complainant of any such disciplinary sanctions; and
- Take other appropriate prompt and effective steps to ensure that sex discrimination does not continue or recur within Quincy College’s education program or activity.
- Comply with the grievance procedures before the imposition of any disciplinary sanctions against a respondent; and
- Not discipline a party, witness, or others participating in the grievance procedures for making a false statement or for engaging in consensual sexual conduct based solely on the determination whether sex discrimination occurred.

Following a determination that sex-based harassment occurred, Quincy College may impose disciplinary sanctions, which may include revocation of privileges, suspensions or expulsions. Quincy College may also provide remedies, which may include supportive measures, counseling, stay away orders, class switches or any additional measures that are appropriate.

The determination regarding responsibility becomes final either on the date that Quincy College provides the parties with the written determination of the result of any appeal, or, if no party appeals, the date on which an appeal would no longer be considered timely.

After the grievance process, Quincy College may as appropriate, modify or terminate supportive measures. If Quincy College does so, it will provide the parties to timely seek from an appropriate and impartial employee, modification or reversal of Quincy College’s decision to provide, deny, modify, or terminate supportive measures applicable to them. The impartial employee will be someone other than the employee who made the challenged decision and must have authority to modify or reverse the decision, if the impartial employee determines that the decision to provide, deny, modify, or terminate the supportive measure was inconsistent with the definition of supportive measures. Quincy College will also provide a party with the opportunity to seek additional modification or termination of a supportive measure applicable to them if circumstances change materially.

Appeal

Quincy College will offer an appeal from a dismissal or determination whether sex-based harassment occurred on the following bases:

- Procedural irregularity that would change the outcome;
- New evidence that would change the outcome and that was not reasonably available when the determination or dismissal was made; and
- The Title IX Coordinator, investigator, or decisionmaker had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that would change the outcome.

If a party appeals a dismissal or determination whether sex-based harassment occurred, Quincy College will:

- Notify the parties in writing of any appeal, including notice of the allegations, if notice was not previously provided to the respondent;
- Implement appeal procedures equally for the parties;
- Ensure that the decisionmaker for the appeal did not take part in an investigation of the allegations or dismissal of the complaint;
- Ensure that the decisionmaker for the appeal has been trained consistent with the Title IX regulations;
- Communicate to the parties in writing that Quincy College will provide the parties a reasonable and equal opportunity to make a statement in support of, or challenging, the outcome; and
- Notify the parties in writing of the result of the appeal and the rationale for the result. Any additional procedures or bases for appeal Quincy College offers will be equally available to all parties.

Exclusion

These procedures do not limit Quincy College from removing a student or employee from a program or activity on an emergency basis based on immediate threats to people’s physical health or safety or placing an employee on administrative leave during the pendency of the investigation.

Standard of Evidence

The standard of proof in all cases is “the preponderance of the evidence” – whether it is “more likely than not” that the sex discrimination or harassment occurred. If the evidence presented meets this standard, then the respondent must be found responsible.

Potential Disciplinary Outcomes

Those found to be in violation of Quincy College’ discrimination or harassment or retaliation policy will be subject to disciplinary sanctions. Disciplinary sanctions shall be based on the nature and severity of the offense as well as any record of prior disciplinary action imposed on the respondent. In general, sanctions may include, but are not limited to, one or more of the following: public apologies, public reprimands, written warnings, letters of reprimand, attendance at appropriate workshops, suspensions, expulsion, and, in the case of employees, suspension, denial of merit pay for a specified period of time, involuntary demotion, removal from administrative or supervisory duties, and/or termination of employment. It can also include no contact orders, disciplinary probation, restrictions from campus, educational activities or reflections, fines, restitution, counseling, and service to the community.

In investigating complaints under this procedure, Quincy College may impose discipline for inappropriate conduct without regard to whether the conduct constitutes a violation of the law and may take corrective action even if the conduct does not rise to the level of violating Quincy College’s sex discrimination or retaliation policies.

Remedial Measures

Quincy College, through the Title IX Coordinator, will provide remedies to a complainant where a determination of responsibility for sex discrimination has been made against the respondent. Remedies will be designed to restore or preserve equal access to Quincy College's education program or activity. Such remedies may include supportive measures.

Records

A record will be maintained for a period of seven years of any actions, including supportive measures, taken in response to a report or formal complaint of sexual harassment and Quincy College will document the basis for its conclusion that its response was not deliberately indifferent.

Quincy College will further maintain for seven years all materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process.

Additional Options

Sexual harassment may be criminal in nature, and a student may choose to file a report with law enforcement. It is not required. A report to law enforcement will not change the College's obligation to potentially investigate the matter but it may briefly delay the timing of the investigation if a law enforcement agency requests that the College delay its process for a reasonable amount of time to allow it to gather evidence of criminal conduct. Quincy College staff or Campus Security will assist the alleged complainant in notifying law enforcement if the complainant so chooses.

In addition to Quincy College's supportive measures, complainants of stalking, dating and domestic violence, or any other violence/crime can seek orders of protection from both the criminal courts.

Community Resources

For immediate emergency and medical assistance call 911. The Crisis Hotline can also be called 800-656-HOPE (4673).

Go to an urgent care center (e.g., a hospital)

- Receive help for physical injuries.
- Screen for STDs/pregnancy.
- If possible, do not shower or clean up. Do not change clothes. Hospital staff can collect evidence using a rape kit.
- If you want to file a police report, you can call the police from the emergency room.
- Ask about the nearest rape crisis center.

If you are in an abusive relationship, it is important to create a safety plan. Domestic violence advocates and teen dating abuse advocates are people who are trained to help you create a safety plan. Advocates can:

- Figure out ways for you to leave an abuser

- Discuss how to deal with emergencies
- Suggest safe places to go, such as a shelter or the home of a friend or family member where your abuser might not look
- Help you learn about a court order of protection, which requires your abuser to stay away from you
- Suggest services and provide support

Additionally, you can do any or all of the following:

- **Calling the police.** If you are in immediate danger, call 911.
- **Calling hotlines.** Learn more about different help hotlines. Hotlines provide support and resources. They also can help you create a safety plan for leaving an abuser.
- **Reaching out to people you trust.** People who care want to help. You can start with family, friends, or community organizations.
- **Talking to a health care professional.** Doctors, nurses, and counselors can offer physical aid, emotional support, and resources. Go to a hospital emergency room if you need immediate help for injuries.
- **Contacting an advocate.** Advocates are people who are trained to help someone who has lived through domestic violence, dating violence, or sexual assault. You can talk to an advocate on the phone or in person, confidentially and for free. Advocates can explain options and programs in your community that may include legal support, counseling, emergency services, and other resources. You can learn more by calling help hotlines such as the National Domestic Violence Hotline at 800-799-SAFE (7233) or the National Teen Dating Abuse Helpline at 866-331-9794.

State and Federal Reporting Remedies for Employees

Employees who believe they have been subjected to harassment may file a complaint with the respective state agency and/or the United States Equal Employment Opportunity Commission (EEOC). Using Quincy College's complaint process does not prohibit an employee from filing a complaint with these agencies. Each agency has a specific time period for filing a claim: the EEOC allows 300 days (maybe longer in some circumstances); and the Massachusetts Commission Against Discrimination (MCAD) allows 300 days from the alleged incident or when the complainant became aware of the incident.

Pregnancy

Quincy College does not discriminate in its education program or activity against any student based on the student's current, potential, or past pregnancy or related conditions.

Title IX Coordinator

When a student, or a person who has a legal right to act on behalf of the student, informs any employee of the student's pregnancy or related conditions, unless the employee reasonably believes that the Title IX Coordinator has been notified, the employee will promptly provide that person with the Title IX Coordinator's contact information and inform that person that the Title IX Coordinator can coordinate specific actions to prevent sex discrimination and ensure the student's equal access to Quincy College's education program or activity.

Reasonable Modifications

Specifically, Quincy College must make reasonable modifications to its policies, practices, or procedures as necessary to prevent sex discrimination and ensure equal access to Quincy College's education program or activity. Each reasonable modification must be based on the student's individualized needs. In determining what modifications are required, Quincy College will consult with the student. A modification that would fundamentally alter the nature of its education program or activity is not a reasonable modification. The student has discretion to accept or decline a reasonable modification.

Reasonable modifications may include, but are not limited to, breaks during class to express breast milk, breastfeed, or attend to health needs associated with pregnancy or related conditions, including eating, drinking, or using the restroom; intermittent absences to attend medical appointments; access to online or homebound education; changes in schedule or course sequence; extensions of time for coursework and rescheduling of tests and examinations; allowing a student to sit or stand, or carry or keep water nearby; counseling; changes in physical space or supplies (for example, access to a larger desk or a footrest); elevator access; or other changes to policies, practices, or procedures.

The student may voluntarily take a leave of absence from Quincy College's education program or activity to cover, at minimum, the period of time deemed medically necessary by the student's licensed healthcare provider. When the student returns to Quincy College's education program or activity, the student will be reinstated to the academic status and, as practicable, to the extracurricular status that the student held when the voluntary leave began. To request tutoring in these circumstances, a family must fill out the home-hospital form.

Quincy College will ensure that the student can access a lactation space, which will be a space other than a bathroom, that is clean, shielded from view, free from intrusion from others, and may be used by a student for expressing breast milk or breastfeeding as needed.

Quincy College will only require supporting documentation that is necessary and reasonable to determine reasonable modifications. Quincy College will not request documentation for reasonable modifications such as when a student who is pregnant needs a bigger uniform; when the student has previously provided the recipient with sufficient supporting documentation; when the reasonable modification because of pregnancy or related conditions at issue is allowing a student to carry or keep water nearby and drink, use a bigger desk, sit or stand, or take breaks to eat, drink, or use the restroom; when the student has lactation needs.

Certification to Participate

Quincy College will not require a student who is pregnant or has related conditions to provide certification from a healthcare provider or any other person that the student is physically able to participate in the recipient's class, program, or extracurricular activity unless:

- The certified level of physical ability or health is necessary for participation in the class, program, or extracurricular activity;
- The recipient requires such certification of all students participating in the class, program, or extracurricular activity; and
- The information obtained is not used as a basis for discrimination.
